You are hereby notified that a Special Meeting of the Members of Shriners Hospitals for Crippled Children is called by Fred R. Morrison, Chairman of the Board of Directors of the Colorado Corporation pursuant to the request of a majority of the Colorado Corporation Board of Directors under Section 505.2.

The meeting is to be held in the Egypt Temple Auditorium, 4050 Dana Shores Drive, Tampa, Florida at 9:00 a.m., April 10, 1978. This meeting is called as a one day Special Session and Special Meeting and should be adjourned by 4:00 p.m. You should arrange your travel schedule accordingly.

Registration will commence at 12:00 noon and continue until 12:00 midnight on April 9, 1978 at the International Host Hotel, which is located at the Tampa International Airport. You should proceed there *immediately* upon your arrival in Tampa. Registration, issuance of ballot books and housing assignment will take place in the Pinellas Room. Registration will re-open between 7:00 a.m. and 8:30 a.m. at Egypt Temple on the following day, April 10, 1978.

In respect to housing and because this is the height of the vacation season in Florida, it is possible that you may be asked to share a room with another Representative from your Temple. Please indicate with whom you wish to share a room on the enclosed card and return it *immediately*. Transportation will be available from the airport to your hotel after your assignment.

Mileage and Per Diem will be paid only to current Representatives of the Imperial Council in accordance with Sections 205.1 and 205.2 of the Imperial Council By-Laws. The Per Diem payment will be for a *one* day Special Session and Meeting. Your checks will be mailed to your home of record after conclusion of the Session.

Again, the enclosed reply card should be completed and mailed immediately so there will be the maximum time possible to make proper arrangements for your housing accommodations.

PURPOSE OF SPECIAL SESSION-MEETING

The business to be transacted at this Special Session and the general purpose of the Special Meeting is to consider a recommendation by the majority of the Boards of Directors of the Iowa and Colorado Corporations that the international headquarters and principal office or place of business of these corporations be relocated in metropolitan Tampa, Hillsborough County, Florida. If this recommendation is approved by the Imperial Representatives and Members of the Colorado Corporation, the following Resolutions will be considered, among others:

1. Resolution to elect new Imperial Council, A.A.O.N.M.S. Representatives to membership in the Colorado Corporation.
2. Resolution to select a building site for an international headquarters building and authorize the purchase thereof in the name of the Colorado Corporation and to appropriate the needed funds.

6. Resolution to authorize that the Iowa Board of Directors sell or retain as an investment the three (3) acre tract at the Cumberland-Kennedy expressway in Chicago, Illinois as they may best determine.
7. Resolution to amend the budgets to appropriate funds to the extent necessary to implement the foregoing purposes and to authorize the payment of mileage and per diem and other expenses of this session.
8. Such other Resolutions as may be reasonably necessary to implement those of the foregoing favorably acted upon by the Imperial Representatives and Members of the Colorado Corporation.

IT IS DIRECTED that this General Order No. 3 be read to the Nobility of each Temple at the first session following its receipt, and that a record of its receipt and reading be made upon the minutes of the session at which it is read.

Given under our hands and the seal of the Imperial Council this 16th day of March, A.D., 1978 and of the Order, A. H. 1397.

MONDAY MORNING SESSION

April 10, 1978

The Special Session of the Imperial Council of the A.A.O.N.M.S. of North America, called by Imperial Potentate, Fred R. Morrison, was convened in the Egypt Temple Auditorium, 4050 Dana Shores Drive, Tampa, Florida, at nine o'clock a.m., Imperial Potentate, Fred R. Morrison, presiding.

IMPERIAL POTENTATE MORRISON: Nobles, may I have your attention please.

Will everybody take their seats and if there are any Nobles in the lobby, will somebody invite them in to also be seated.

Nobles, I would now like to call this meeting to order and first of all I will call on the Reverend William Norton, for the invocation.

REVEREND WILLIAM NORTON: Heavenly Father, we are gathered here today for very serious business. We ask that whatever we do will be done in agreement with everybody here.

We ask Thy divine blessing upon each and every member here. Cast all afflictions from our body. May our souls be right and may our minds be deterred from anything that should not be.

Now, Lord, we ask Thy divine blessing upon this meeting and may everything go in accordance with Thy will. In your name we pray. Amen.

IMPERIAL POTENTATE MORRISON: Thank you, Reverend.

I would like at this time to call on our Fraternal Secretary, Charles Cumpstone.

NOBLE CUMPSTONE: Imperial Sir, Imperial Sirs and Representatives: Prior to March 16, 1978, there was sent to the Imperial Potentate in care of the General Office, Chicago, Illinois, telegrams and letters signed by 353 Representatives from one hundred Temples requesting the Imperial Potentate to call this special session.

The names of all these Representatives were compared with the election returns from their respective Temples and all were found to be in order, with the exception of two, who were found not to be Representatives and they were therefore eliminated from consideration.

IMPERIAL POTENTATE MORRISON: Thank you, Charlie.

We will now have the reading of the Call by the Imperial Recorder, George Saunders.

IMPERIAL POTENTATE MORRISON: Thank you, Roger.

Nobles, I declare this session open for business. I would like, at this time, to introduce two or three guests that are with us.

I would like to recognize the President of the Senate of Florida, Donald Tucker. Will you please stand. (Applause)

Also, Senator Lewis Brantley, who is a member of Morocco Temple. (Applause)

And we are likewise very happy to have with us the Governor of the State of Florida, Reubin Askew, a member of Hadji Temple.

Perhaps you would like to say a word or two. The podium is yours.

... Rising applause ensued as Governor Askew approached the podium...

THE HONORABLE REUBIN ASKEW [Governor, State of Florida]: Imperial Sir, Imperial Sirs and Representatives: It is a distinct honor for me to have the opportunity to welcome you again to Florida at this meeting of the Imperial Council.

I had the opportunity, during my first year as Governor, to greet you and now in my eighth year as Governor, which likewise means a great deal to me personally, to welcome you again to our lovely state.

Obviously we in Florida are pleased that there is a consideration of locating your International Headquarters in Florida but as a Shriner myself, we recognize that whatever decision you make here today has to be for the good of Shrinedom and so we, myself, the President of the Senate and Speaker of the Florida House, have come just to say hello.

I take great pride in what the Shrine does for so many crippled children and so many unfortunate people who receive burns. I guess of any organization that I have an opportunity to be a part of, as you do, I never cease to take great pride in the Shrine. I wear my pin all the time because I am able to see, as you are, the great good that we do.

You know, we recently had an example of this in Tallahassee, where two young people were burned from an explosion and it had an interesting twist to it because one Shriner, under those circumstances, said, "Call the Governor and he will help us get the transportation because, at times, I have furnished my own plane. However, a member of Morocco Temple, when he heard this said to me, "Governor, if you would not involve yourself, we will have an Air Force jet there the next morning to pick up and take these children to the hospital." (Laughter)

Well, I offered no objection and the next morning there was an Air Force jet

down there and they flew the people to Boston the next day. Now, we also took care of all of their families while they stayed up there.

In one of these cases, we were later informed by one of the doctors, that if we had not had this young person up there within twenty-four hours, there would have been the loss of that life and probably also the other.

Therefore, while people view us as people who have a good time, nevertheless, we are also a great fraternal organization and I hope we will never forget that and when you can help young children like this, it is certainly a tremendously refreshing experience for all concerned.

In conclusion, welcome to Florida. (Rising applause)

IMPERIAL POTENTATE MORRISON: Thank you very, very much, Governor Askew.

Now, Imperial Sirs and Nobles, I would like to at this time recognize the Potentate of Egypt Temple, Noble C. J. Keel, Jr.

NOBLE C. J. KEEL [Potentate, Egypt Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs, Representatives and Nobles: As Potentate of Egypt Temple, I welcome all of you to Tampa and to Egypt Temple. I just want to really know if you have been made fully welcome here. (Applause) Now, may I say that we do not claim to be the most friendly Temple in Shrinedom but we think we qualify as the most hospitable.

Thank you very much for your presence here. (Applause)

IMPERIAL POTENTATE MORRISON: Thank you very much, Illustrious Sir, and on behalf of all of these Representatives and the Shrine of North America, I want to thank you and your Nobles from Egypt Temple for the wonderful hospitality you have shown here to us during the past few days. It certainly has helped all of our Representatives be aware of what is going on.

Now, Nobles, I have-a brief statement which I would like to present to you at this time.

Since 1968, the inadequacy of our present National Headquarters to meet the business needs of our fraternal and philanthropic corporations has been recognized. This inadequacy has grown with the passage of each year and now the need for a new and expanded National Headquarters has become critical.

As a member of the Iowa and Colorado Corporations Boards of Directors during these years, I and others have recognized the need for a new National Headquarters.

Shortly after I became Imperial Potentate, I determined that it was of vital importance to both corporations that we resolve this problem without further delay. Therefore, I appointed a Special Committee of the Boards of Directors of both corporations, consisting of seven members, to study our present headquarters, consider its inadequacies, determine the long-range needs and to study and evaluate prospective sites for a National Headquarters at several locations.

That Committee has functioned over the past several months. It met on numerous occasions at several locations, conferred with the administrative staffs, obtained expert engineering and architectural advice from independent sources and received a cost study of the several locations under consideration made by an independent multi-national auditing firm.

The Committee, after months of definite study of all aspects of the problem, has arrived at a conclusion and made specific recommendations to the Boards of Directors of both corporations, which recommendations have been approved by a majority vote. The site which the Committee and both Boards of Directors recommend is located in Tampa, Florida.

Because of the importance of this matter to the future of the Shrine and the Hospitals, the Boards felt that the Representatives and members of the Colorado Corporation should make this most important decision after having all of the facts bearing on the question, as well as an opportunity to see the proposed site.

Please give careful attention to those who follow so that you may understand the problem and arrive at the right conclusion.

First, I would appreciate your listening to the complete report of the Committee without interruption. Let us all resolve to decide this important issue in the best interest of the fraternity and the philanthropy.

I would now like to call on the Chairman of the Special Committee for Site Selection, Randolph R. Thomas.

IMPERIAL SIR RANDOLPH THOMAS: Thank you, Imperial Sir.

Imperial Sir, Imperial Sirs, Illustrious Sirs and my fellow Representatives: It has been a pleasure to serve as the Chairman of this Committee.

As has been stated, the Committee has worked diligently over a period of several months, has visited Chicago and Tampa and has been as objective as possible in trying to find the best solution to our home office problem.

So that you may know who the members of the Committee are, I would like to present them now and ask that each one stand and face the back as I introduce them. You will see that they come from many parts of the country.

Dr. Dan Bowers, Imperial Oriental Guide, from Illinois. (Applause)

Richard Olfene, Imperial First Ceremonial Master, from Maine. (Applause)

Gene Bracewell, Imperial Second Ceremonial Master, from Georgia. (Applause)

Walker Kisselburgh, Imperial Marshal, from California. (Applause)

Russell Anthony, Imperial Captain of the Guard, from Iowa. (Applause)

Voris King, Imperial Outer Guard, from Louisiana. (Applause)

Also, you might be interested in knowing that the conclusions of the Committee were unanimous.

Now, to report to you now for the Site Committee, I would like to recognize Imperial Sir Richard Olfene, Imperial First Ceremonial Master, from the State of Maine.

IMPERIAL SIR OLFENE: Thank you, Randy.

Imperial Potentate, Imperial Sirs, Fellow Representatives: Before I begin the report of the Site Selection Committee this morning, I would like to inform you and request you to cooperate with me in the fact that I do wish to present the real facts as the Committee had them presented to it. Therefore, I will be calling on the Imperial Auditor, a corporate executive and a professional engineer to speak in relation to the submission of this report.

I would ask your consent, therefore, to allow these non-Representatives to participate in helping me give you the real true facts as all of us concerned have seen them. I request that permission.

I would so move.

IMPERIAL POTENTATE MORRISON: You have made that in the form of a motion?

IMPERIAL OLFENE: That is correct, Imperial Sir.

IMPERIAL POTENTATE MORRISON: Is there support?

... The motion was severally seconded, was voted upon and declared to be unanimously carried...

IMPERIAL POTENTATE MORRISON: Please proceed, Dick.

IMPERIAL SIR OLFENE: Imperial Sir, Imperial Sirs and my fellow Representatives: It is indeed a pleasure, as a member of the Site Selection Committee, to stand before you today and give you a report of the Committee's findings and the detailed information in relation to which the Committee arrived at its unanimous conclusion and recommendation.

First, as has already been reported to you, we were asked to look at numerous areas—Chicago, where we presently operate; Tampa, Florida and any other locations the Committee found to have interest in locating our National Headquarters at.

In committee, and by setting some ground rules that we felt we could live with, our study included such things as airport service, weather conditions, labor markets and cost factors of operation.

Now, the Committee decided to study four metropolitan cities in the United States. Now, gentlemen, I will be using several slides. Here (indicating) is the first one and if you will give your attention to that particular slide, I will go down the list.

We decided, after eliminating other communities for reasons such as I have mentioned, that four communities would be studied and these would involve Chicago, Illinois; Atlanta, Georgia; Dallas, Texas; and Tampa, Florida.

Now, the next step that was required was to set in motion the categories we felt needed to be studied in each of these four metropolitan cities.

[SLIDE]: Now, the four major categories as we saw them, were cost, environment, availability of qualified personnel and accessibility to the community.

Following the development of this criteria, the Committee returned to Chicago to review the present site which you voted to purchase last year at the New York City Convention, a site on the Kennedy Expressway; a site of approximately three acres, for which we paid \$1.2 million. We returned to review that site and any other alternative sites we might find in the Chicago area.

We worked with a very well-known and reputable real estate firm in greater Chicago and we viewed approximately seven other sites in and around the general area of O'Hare Airport.

It was the conclusion of the Committee that if we were to stay in Chicago, the site we presently own would be the one that we should build on.

Now, following that investigation, it was then determined—now let us go to step number one, let us look at the cost involved.

[Slide]: So here we have the cost in relation to that site projected. It contains the cost of the site, the cost of construction, the cost of operation and the cost of moving our key employees.

I will allude more to this later on but to give you some early parts in relation to it, our key management employees have agreed to move with us, if it is your desire to accept our recommendation.

Now, at this point, we said, "Let us get some real professional, independent, comparative marketing and cost studies so that we can really put our teeth into something that will give us vital and important information."

We turned to an outstanding public accounting firm, the firm that is presently doing the Shrine audit work.

This is the firm of Main Lafrentz and Company, one of the largest firms in this country, yes one of the largest in North America.

This (indicating) is the survey report on cost comparisons that were done by this firm comparing the four major communities to which I earlier alluded and now, this morning, to give you some of the detailed information that is in this report, I should like to call upon the representative of this large firm and the Shrine's Auditor, Noble Jim Hendrix.

NOBLE JIM HENDRIX: Imperial Sir, Imperial Sirs, Representatives and Nobles: Our report was addressed to Randolph Thomas, Imperial High Priest and Prophet and the Chairman of the Site Selection Committee.

I present the report as follows:

We have compiled the attached report, which sets out comparative details and supporting schedules concerning estimated administrative operating costs, one-time construction costs and moving costs concerning the location of the Central Office of the Imperial Council, A.A.O.N.M.S., and Shriners Hospitals for Crippled Children in Chicago, Illinois; Tampa, Florida; Atlanta, Georgia and Dallas, Texas.

The 1977 administrative budgets of the Imperial Council, A.A.O.N.M.S. and Shriners Hospitals for Crippled Children, have been used as the base for comparison to the other three locations. The 1977 administrative budgets have, however, been adjusted to reflect estimated increases in building operating costs and depreciation, which are estimated to result from the construction of a new Headquarters Building.

The basic information for developing the data summarized in this report was obtained by completing the following steps:

1. The 1977 administrative budgets for the Imperial Council, A.A.O.N.M.S. and Shriners Hospitals for Crippled Children were obtained.

2. Details of salaries and employee classifications for present employees were obtained and adjusted in the other three locations based principally on Bureau of Labor Survey Reports.

3. Estimated building operating costs and construction costs were obtained from

a prominent Dallas real estate firm and factors calculated in order to prepare comparative data. In this connection, the calculations utilized the present estimated square footage operating costs for the office building located at 323 N. Michigan Avenue. No allowance has been made for site preparation or land costs in the presentation of comparative construction costs.

4. Airline schedules and fares to some twenty-four cities were analyzed.

5. A minimum number of hotel rates were obtained and submitted in this report as statistical data only, since we could not determine a meaningful basis for any adjustment to these costs.

6. Estimated moving costs for the office and employees were calculated based on information obtained from Mayflower Van Lines.

I will summarize the results of these steps. Slides will be used to support some of the data. Also, in some cases, our original report has been condensed for this oral presentation.

Since the financial data reflected in our report is substantially based on information furnished to or obtained by us from sources which could not be independently audited, and because of the uncertainty in any projection of future events, we do not expect an opinion on the accuracy of the financial projections and other data, nor on the validity of the assumptions on which they are based.

Now, in relation to administrative operating costs, the 1977 operating budget for the Chicago office location has been adjusted for changes based on government and industry data available for the cities of Tampa, Atlanta and Dallas. Based on an analysis of the data, the most significant changes between locations is found to be in salaries and building operating costs. Since the cost of living index is greater in Chicago than the other three locations, there are probable savings in the "other costs" of \$2,321.

Also, included in "other costs" are employee benefit costs, which vary with salary costs. However, we have projected "other costs" at the same amount in each location, since we do not have a specific criteria upon which to project changes.

[SLIDE]: A summary of these adjusted budgets are shown on the slide.

For example, our figure was \$3,355,000 for Chicago; \$3,303,000 for Atlanta and \$3,267,000 for Dallas, and also \$3,243,000 for Tampa.

Insofar as salaries are concerned, Bureau of Labor statistics data used to determine differences in salaries show that salaries and the cost of living index are higher in Chicago than in Tampa, Atlanta and Dallas.

Furthermore, selected key employees will be provided an opportunity to move to the new location. For these reasons, we estimate salaries of these key employees would remain at the same level for all four locations.

However, other staffing would be obtained from the local employment market and would have to be paid the local market salary. While it is difficult to compare salaries among cities, the Bureau of Labor statistics data does provide a reasonable estimate of differences.

Based principally on this data for comparable positions in the Imperial Council and Shriners Hospitals' central office organizations, outlined in this table is the percent of salaries estimated for three proposed locations in relation to Chicago.

[SLIDE]: Accordingly, the present budget for salaries in Chicago would be reduced by the below amount for each location.

For Atlanta the figure would be \$28,581; for Dallas, \$70,319; for Tampa, \$87,973 and then we have also shown the percent of these estimated totals then to the present Chicago salaries.

These salary adjustments do not reflect possible savings which would result from a forty-hour work week in Tampa, Atlanta and Dallas versus the present thirty-five hour work week in Chicago.

Building operating costs for selected categories that were applicable to the Imperial Council and Shriners Hospitals' administrative operations were selected from industry data. Items included in each cost category differ from the 1977 building operating expense budget for the Chicago office.

For this reason, the Chicago industry data was used for comparison with the other three locations.

Based on this data, operating costs in Tampa, Atlanta and Dallas are estimated to be lower than those in Chicago.

[SLIDE]: This slide shows building operating costs, including depreciation, for the three locations at a percent of that estimated for Chicago. It also shows the estimated amount of deductions.

In Dallas, the deduction was estimated to be \$18,333. In both Atlanta and Tampa \$24,259.

Regarding travel and hotel expenses, the present budget provides for travel costs of staff members, Officers, Directors, Trustees and committee members of the two organizations from Chicago and home locations to other cities. While these expenses have been projected to remain unchanged, air transportation costs would change based on frequency of travel to cities outside the office location and per diem expenses would change based on the available hotel rates.

Also, based on one-way coach fares, air transportation costs from the other three locations are higher than from Chicago. However, studies completed by the central office staff indicate that any increase in air transportation costs would be generally offset by the reduced hotel cost.

In our written report, we have presented a tabulation of the airfares between Chicago, Atlanta, Dallas and twenty-four principal cities.

Now, in relation to the one-time costs, first of all, construction cost information has been obtained through Marshall and Swift Evaluation Service, which indicates that construction costs, excluding land and site improvement costs, in the four proposed locations would bear the following relationship to costs in the Chicago area.

[SLIDE]: Now, for depreciation purposes only, we have utilized the following costs, excluding land and site preparation costs, and a life of forty years.

For Chicago the figure would be \$1,935,000; for Dallas, \$1,800,000; for Atlanta, \$1,710,000 and for Tampa, \$1,710,000.

The Imperial Council, in 1977, purchased land for a possible future office site in Chicago at a cost of approximately \$1,200,000.

In 1976, Shriners Hospitals earned approximately 5.9 percent on their book value of their investments.

If the Imperial Council, A.A.O.N.M.S. and/or Shriners Hospitals were to secure land at a lesser cost upon which to build its headquarters, it could invest these land costs regardless of location at a return of 5.9 percent and its annual investment income would of course, be increased.

Now, as to moving expenses.

Estimated moving expenses are based upon estimates obtained from Mayflower Van Lines in January, 1978.

The cost of moving the office furnishings and records is reported separately from the cost of moving employees.

Office employee moving costs are based on an estimated 165,000 pounds at a rate of \$21.52 applied to the mileage from Chicago to the three cities. Costs of cartons and costs at origin and destination are the same for all three cities.

The cost of moving the office is estimated as follows: To Atlanta, \$20,000; to Dallas, \$25,000 and to Tampa, \$30,000.

Now, we did not include in our original report the cost of moving from 323 N. Michigan Avenue in Chicago to the Cumberland Avenue property in Chicago. This cost has been determined to be approximately \$13,000.

In our calculations of the cost of moving each employee or family, we have included the cost of moving household items and travel expense for both husband and wife to the city for house hunting. Therefore, we estimate the costs for each employee or family of relocating to each of the cities to be as follows:

Atlanta, \$2,972; Dallas, \$3,345; and Tampa, \$3,710.

Mr. Chairman, that completes our report.

IMPERIAL SIR OLFENE: Thank you for that very fine detailed report, an independent

study that was commissioned by the Committee to help us in determining the cost comparisons in these various communities.

Now, let us move on for a moment to the next slide.

[SLIDE]: If you will recall, one of the categories I mentioned had to do with environmental aspects.

Now, the categories that we broke "environment" down into, are on the screen as follows—political, economic, Shrine relationships with the public, quality of living, publicity value of location, climate and accommodations.

Now, gentlemen, it was in this category, following the cost analysis presented to us, that the Site Selection Committee decided not to continue to pursue either Atlanta or Dallas.

Under the heading of "political", it was the feeling of the Committee that the political atmosphere in Atlanta was not perhaps quite in order for the smoothness of running our fraternal order there.

In relation to the capacity of Shrine relationships with the public, we were eminently aware of two very fine outstanding hospitals in the State of Texas, the Orthopedic Unit in Houston and the Burns Unit in Galveston. There was an excellent relationship there.

Also, in Dallas, we would be located near the airport, which was indeed a plus for our thinking. It is an excellent airport that they have in Dallas but it happens to be midway between the two principal cities of Dallas and Fort Worth and consequently, a bit distant and away from these metropolitan areas.

Therefore, in this category, we brought our thinking down to a continual comparison of Chicago versus Tampa.

One might say that it is quite evident, I believe, from the report submitted by Jim Hendrix, that Chicago is unquestionably the most expensive of the four communities in which to build and operate. However, we continued to pursue that community because we presently, and will have for some years, operated in Chicago and, secondly, we do own a site which I will allude to in a few moments.

Now, let us proceed to category number three, which was the availability of the qualified personnel.

This was broken into two areas—"key management" and the area of "others".

Now, let us go on to the next category.

[SLIDE]: This is the category of "accessibility".

Now, this category we broke into three categories—intercity transportation, ground transportation and mail service.

Now, gentlemen, let us return and review these categories one at a time, as did the Committee.

I am going to take you back for a moment to the cost section.

You will recall in the remarks of Noble Hendrix he did not consider a site selection cost in his report. However, the Committee knew what we have in Chicago.

We then turned our attention to Tampa. As has been indicated to you earlier, we visited here many times. We met with the Chamber of Commerce, met with a special committee called the Committee of One Hundred, who are civic-minded, aggressive leaders of this community who are helping this community to grow and bring good economic growth and balanced industry to the area.

After considerable review of several sites in the greater Tampa area, the Committee decided that it was in our best interest to try to secure a piece of land on the Courtney Campbell Causeway.

Now, I believe that each and every one of you have had an opportunity to have gone by this property and to have looked at it, so to speak.

The property is 6.5 acres, approximately 450 feet on the main highway and, by the way, I have learned that this is the main highway that travels from Tampa to Clearwater.

We were able to obtain an option on this site, the option price being \$25,000, which we were able to buy only up to April 15, 1978. The total purchase price of

the property is \$500,000, to which the \$25,000 option would apply if we exercise the option.

Further, there is great flexibility in this piece of land because of its size and, as you will see later on, from the remarks of the engineer, there is more than adequate space for what we need today and what we may need for the future. There is, for example, plenty of parking. Also, there are various advantages, such as accessibility of the land to the airport, to hotels and restaurants, which I will allude to later.

This is an excellent piece of property. There have been test borings that have been finalized on this site and I might say, we have, from the Insurance Agency of Tampa a letter guaranteeing title insurance on this piece of property.

Now, if we then are going to talk about it, I want to speak on the site because it was not in the report as given by Jim Hendrix. Let me take you now to the next slide.

[SLIDE]: Here we have a comparison of cost figures that were used in the Main Laffrentz Report and now, knowing what our comparative site costs would be, I did this analysis and it is as follows.

If you will follow the slide, the site cost for Chicago is a minus \$700,000 for Chicago. This, gentlemen, is assuming that the property in Chicago can be sold for what we paid for it.

Now, referring back to another proceedings of a meeting at which time the Board voted to purchase this property, it is very evident that proponents for the purchase of the property very clearly and repeatedly informed us that this was a very valuable piece of land and unless the economy of the country went bad, we could not only sell it for what we paid for it but we would probably make a comfortable profit on the sale of the property. However, being a good Northeast Yankee, I used a conservative figure in my presentation by saying that I believe we have to be realistic and approach it on a return for what we paid for the property. Therefore, there would be a \$700,000 minus to Chicago.

The construction costs to which the report alluded, if we built the 45,000 square foot building that was referred to in the report, and that is the size building that, apparently, after talking with our key people, we do need to consider building at this time, or at least approximately that size, the construction cost in relation to Chicago would be \$1,935,000 and in Tampa the figure would be \$1,710,000 but, again, a minus of \$225,000 for Chicago.

Now, let us look at the moving of the office equipment that was alluded to in the report. I have, in this case, used the \$13,500 that has been mentioned to you as the cost of moving from downtown Chicago to the so-called Kennedy-O'Hare site, \$13,500. To move to Tampa, our office equipment would be \$30,000, a credit to Chicago of \$16,400.

Now, next is the cost concerning the moving of our key employees or the employees who would be desirous of coming with us and, on a hypothetical basis, the figure of six was used and carried forward. It could be one, two or three more. However, it is in that range.

Further, it might be of interest to you to know that we are presently now employing totally about fifty-six people in our total operation in Chicago.

Let me also say to you that when we reviewed the move, if we were to move from Chicago, our key people tell us that to move back that distance from downtown out to this location, we would lose between forty and fifty percent of our present employees from moving from downtown out to the outer strips. Consequently, we will have to lose another forty percent here but it would be in the range of key people, in the vicinity of seven or eight. I have used, as I said, the figure of six as a round number.

Now, if that were the case, it would cost us nothing to move those people in Chicago. It would cost us \$22,300 to move them to Tampa.

One other item the Committee felt was of concern and one that was not in Jim Hendrix' report, would involve the training of employees. Of course, these are all one-time costs, by the way, as it says at the top.

Now, if we were to move in Chicago and lose forty percent of our staff, un-

doubtedly we would have some training costs there. We plotted in a figure of some \$25,000 in relation to Chicago.

Now, if we move to Tampa there we used the figure, on a one-time basis, of \$50,000 for the training of new employees—a plus for Chicago.

Now, gentlemen, again, these are one-time costs. If you add the difference up at the bottom line called "the total", you will see that the move to Tampa and the sale of the property in Chicago at the price at which it was originally paid, on that basis, we would be saving \$861,300.

Now, if you take the accurate figure as given to you by the report, of 5.9 percent return on our present book value and apply it to this situation, we would have additional income earned on the one-time savings of \$5,817.

[SLIDE]: Now, let us go to the next slide, where we are going to talk about the annual operating costs in comparison, again taken from the report.

With regard to the salary figures here, you can see a savings of \$87,900 in relation to the Tampa site.

Also, with regard to the building operating costs, a savings of \$24,000 over Chicago.

Also, we see employee benefits and a list of other things that would be in the operating costs and no change was made here and, therefore, no change.

In the final analysis, moving to Tampa would save us \$112,200.

Now, with 5.9 percent added to this on a one-year basis and, believe me, this would be indexed as you moved into the year ahead, but in the first year, you would gain another \$6,600 in that. This is annual operating expense. Now, adding to that the income earned on the one-time savings on Tampa versus Chicago, this would show you an annual savings, and I say this conservatively, of close to \$170,000 a year.

Now, in order for us to get that kind of return at 5.9 percent, we would have to take, in new funds, in the amount of excess of \$2.8 million.

It is this kind of information and facts, as best we can determine, that the Committee had before it in making its determination and final decision.

Now, gentlemen, let me go another step forward here and go to the next slide.

[SLIDE]: Now, in the report given by Jim Hendrix, it was indicated they did not give a detailed report of comparative travel costs because, in relation to their findings, it seemed to appear that although maybe the travel cost was a little bit more in the various communities, to a great degree it was offset by the difference in hotel rates. However, I thought it would be interesting for you to know that we in the Committee had this information available to us and, therefore, on the screen are the 1977 travel costs of our Chicago staff.

They are named on the left-hand side, many of whom I am sure you recognize by name. For example, there is Miss Baird, our Administrator; Charlie Cumpstone, Paul Ibach and so on down the line.

These are the people on our staff who, from Chicago, during 1977, traveled from there to some point into some other area and the cost of that total travel was \$13,073.

Now, had those same people gone to those same locations from Tampa, the cost would have been \$15,296, or an increase overall cost of \$2,023. Now, that was the travel.

I am not going to go into this in detail but I would like to have you know that before me I have all the detailed breakdowns that involve this particular summary up here—exactly where they went, when they went and the whole routine. In other words, it is all documented.

Now then, let us go to the next slide.

[SLIDE]: Here we have a travel and hotel comparison of all Board Meetings, Committee Meetings, etc., held in Chicago during 1977. Again, we have it in detail.

For example, each Committee Meeting; what the Committee Meeting was about—Investment Committee, Board Meeting, Evaluation Committee, Budget Meeting—all of these various meetings being here in details, also as to who attended, the date

and their individual expenses. This is all in the summary sheet. This likewise includes their air fare to Chicago and return, likewise their total hotel expenses.

Now, you can see the difference in air fare, Chicago versus Tampa, is pretty much offset by the difference of hotel costs, Tampa versus Chicago. Also, when you put the two together for the entire year of 1977, the difference would have been \$816. This, in our judgment is relatively small compared to the projected savings of close to \$170,000 per year.

I would now like to move on to the category called "Environment" to which I earlier alluded. It is in this area that we eliminated Dallas and Atlanta.

Let us take them into consideration, if you will bear with me, one at a time.

Now, what did we find in Tampa in relation to the political atmosphere? Well, as I earlier alluded to, we found great friendship, hospitality and, of course, one could say, "Well, yes, you could expect that, you are coming here, they are going to butter you up, going to do all these nice things." However, we did not just take it as superficial but we studied it thoroughly.

We had meetings with the Chamber, meetings with the Committee of One Hundred and I think another thing that is evident today of the interest and political atmosphere that is here before us is the attendance of the Honorable Governor, the President of the Senate and the Speaker of the House. These things, in turn, helped us tremendously.

We had some movies made available to us that we looked at with great interest concerning the Tampa Bay area.

Now, let me show you and hold up here before you a very important letter, which I will not read in its entirety, but I will tell you that this letter is on the stationery of the State of Florida, Department of Revenue, signed by Harry L. Coe, Jr., Executive Director and addressed to Governor Askew of Florida.

The meat of the letter is saying, gentlemen, that if the Shrine of North America, a charitable, nonprofit organization, which operates Childrens' Orthopedic Hospitals and Burns Centers moves here, we are assured of the fact that our building will be exempt from real property taxation and that all purchase of personal property by said organization will also be exempt from sales tax.

Now, I think this is very helpful and I want you to note that it is things like this that made us feel wanted in this area.

Also, in relation to another area of economics, we discovered that this area has a very favorable and very stable economic environment. We believe that the property that we have under option, if you agree with the recommendation of the Committee to purchase this property and proceed, that nothing can happen to that property but that it will increase in value, again assuming general economic conditions remain stable in the country. Now, if it were to go down, then it is likewise going to go down in every other state in the country.

Also, I would like to call to your attention a recent article in the Sun-Times relating to Chicago's Mayor Bilandic, asking the federal government, the Carter Administration for funds for urban development and, in that article, it indicated that the city has said goodbye to some 260,000 of its residents and twenty percent of its jobs since 1970.

Now, let us go to Shrine relationships with the public. Well, I don't know if I need to say much about that. You are kind of seeing it. It is kind of nice, isn't it?

For example, take this beautiful building here. These Units have been extremely active. They participate in many community activities in the surrounding areas. They open the annual State Fair here, have done so for many years. Egypt Temple, its people and Mosque have built an exceptionally fine relationship with the public in this area.

Now, how about the quality of living? Well, we found, as did some of our key employees that had the opportunity to come down and spend an extra day or two and look around the area, that there are here comfortable living conditions—year round outdoor recreation—a good education system and, in general, a higher pace of living which, in turn, allows for a better overall content and improved lifestyle.

Also, to a degree, there is a lower cost of living involved here and, further, satis-

factory homes and other living quarters can be obtained near this proposed location which, in turn, will allow our employees to arrive for work on time and with a minimum of delay.

As to the publicity value of the location, well, you gentlemen have seen the location on the Causeway. This location produces approximately 25,000 cars a day. Yes, that is considerably less in number than the projected 150,000 that passes the location in Chicago. However, it is also to be noted that the riders in those vehicles are of two different types in relation to their reason for passing the location.

In relation to the one at Chicago, a tremendous amount of this traffic involves going and coming to the airport. It is commercial traffic. Also, workers going back and forth to their jobs in the city whereas, on the other hand, we feel that many of these people who pass this location here are people who have moved to this area from other communities for recreation purposes and, consequently, feel that many of these people because of, we might say, their financial status, could become more interested in participating in our Wills and Gifts Program.

I would also like to indicate to you that the nearest Shrine Hospital to this community is in Greenville, South Carolina, approximately some seven hundred miles away.

Now, this move would not mean, in any way, shape or form, that we would forget about Chicago. Quite to the contrary. You will remember that we, in New York City, voted unanimously to build a new \$11.5 Orthopedic Hospital in Chicago. That is our selling point in relation to Chicago. This involves the further exposure of a hospital that has been there many years and your approval for the Board of Directors to move forward and build this new facility, which, gentlemen, I have seen the preliminary plans for, will involve something of great excellence, a new concept in hospitals and it is going to be looked upon from all over the world. Therefore, we will not be deserting Chicago. Quite to the contrary.

Now, let us talk about the next area, the area of climate.

Now, first let me indicate that it isn't bad out there this morning, is it? It is a heck of a lot better than the snow where some of us come from. However, the general weather conditions here are good for all types of travel and, of course, this is likewise important to our function.

This is another reason for this choice. We are away from strong weather problems. This is excellent weather for air travel. As a matter of fact, the airport here if, at all, is rarely ever shut down and, further, because of the good weather conditions, we eliminate the possibility of having our office closed and people not being able to get to work because of weather conditions and this, consequently, involves a minimum of absenteeism on the part of our employees.

Now, let us look at this last item in this category, that of accommodations.

There are three first-class motor inns or motels and at least five good reputable restaurants within walking distance of the site on the Causeway.

As all of you noticed when you went there the other day, this site is adjacent to the Bay Harbor Motor Inn, a very fine operation, with year-round hotel rates in the range of from \$18 to \$22 per night.

Now, compare that with the cost of other communities. Chicago, for example, we are paying as high as \$30 per night at this very moment and, further, I might say to you that, in relation to our Chicago site, there is one motor hotel that can be reached by walking and that is the Rodeway Inn. That is just off to one side of the property.

Of course, there are others across the Expressway but, as I can see it visually, there is no way of walking unless you walked into heavy traffic because the overhead bridge has no sidewalk facilities and, therefore, it would appear that to go to any place other than the Rodeway Inn or to any of the restaurants than at the Rodeway Inn, it would take a taxicab fare.

However, let us go to the next slide.

[SLIDE]: This indicates availability of key management and qualified personnel as previously alluded to.

The key management people have indicated their desire and willingness to move with us.

Now, let us, when we talk about these other people, say that we are talking about the availability of other help. We found, for example, that the labor market in this area is excellent and, as most of you would recognize, it is mostly secretarial and clerical help that we require—mostly female.

The work force in the area is excellent and the employees are nearby for their work.

Now, I am going to call on another individual who is going to briefly touch on something you may find of interest. This involves one of the largest corporations in this country, the Stromberg-Carlson Corporation. They studied this area and made a complete survey when they moved some of their offices here. After much study and determination of several other sites, they decided to move to Tampa, Florida and just to tell you the kinds of results they found and the cooperation and the labor market they found, I would like to present to you, to say a few words along this line, the Vice President of Stromberg-Carlson Corporation, Noble Clifford Marquette.

NOBLE CLIFFORD MARQUETTE: Imperial Sir, Imperial Sirs, Illustrious Sirs and Fellow Nobles and especially those from Los Angeles: Let me say that I do not have my Fez but it is en route between Rochester, New York and Tampa, Florida.

At any rate, I want to welcome you to the biggest little town in the United States. I think this might suggest to you the welcome that your people will receive.

Our corporation has five manufacturing plants that we operate around the United States. Some years ago, Mr. Stromberg and Mr. Carlson moved the plant from Chicago to Rochester, New York. Within the last five years, however, we have been looking at a site for a headquarters location and, as your Committee has done, we have used similar criteria and, after all of our deliberations, we have settled down in Tampa, Florida.

Now, from what I heard yesterday during our rehearsal and here again this morning, I would like to compliment the Committee. The same information they indicated to you was likewise what caused us to move to Tampa.

We used the same criteria in terms of need to have a continuity of business down here that would provide us with a minimum of interruptions and we knew that we had to get key people down here who had worked with us in the Rochester area.

In addition, we had to insure to ourselves that where replacements might be necessary, we could find them in the area—both clerical and secretarial—and then even attract people from outside of the area to come in and help us in key management areas.

If anything, your Committee has understated the labor variance that they talked about. That is, from our experience to date, we have found a positive labor variance of twenty-plus percent in terms of clerical and secretarial help.

We have found key talent in the form of new college graduates, technical people, engineers, qualified managerial people. We have been able to attract them to Tampa from all parts of the United States.

The main thing that I believe has enabled us to get an eighty-plus percent of our key people to come here from Rochester included things such as less than a fifteen minute ride from North Tampa to our downtown office in the Barnett Bank Building. I gauged it this morning and, gentlemen, from our downtown office to out here was fourteen minutes.

It takes us approximately fourteen minutes, from our downtown office in Tampa, to board the airplane at this beautiful airport. Also, we have been aware of the fact that there is no state income tax, a reasonable property tax, and the differential between the four percent sales tax and what we were paying up there of over seven percent.

We have been saying among our people that there is nothing finer than a Stromberg-Carlson product. I would like to say that the people here in Florida, including the Governor and others, have made us feel, as individuals, there is nothing finer than a Stromberg-Carlson employee.

Thank you very much. (Applause)

IMPERIAL SIR OLFENE: Nobles and gentlemen, I thought you might like to receive

the remarks of one whose company has made this move and their feeling as to their results.

Now, we have spent quite a bit of time this morning with many of these items and so, if you will bear with me, we are going toward the end of the iceberg and so I would suggest you stay with us just a little bit longer.

Let me say that I overlooked one piece of material that I had previously mentioned. Here at Tampa, for example, we also have had a professional appraisal done of this site and perhaps I should read this to you. It is very brief and it says, "In accordance with your request and for purposes of estimating the present market value, we have inspected the property. It is assumed that the property is free and clear of encumbrances and our legal people say that the property rates appraised are fee simple. We have inspected the property in the neighborhood. All data bearing on our investigation are from sources deemed reliable. In our opinion, the market value of the subject property as of April 5, 1978, was \$660,000."

Now, I thought you might like to know that we did have a qualified appraisal done on that piece of property that we have under option and they indicate it has a value of some \$660,000.

Now, let us go to the next factor, that of accessibility.

There is intercity transportation, excellent airline service by nearly all of the major carriers.

Now, I am sure you have all seen this beautiful airport here, the building terminal. I am told that there is only one other like it in the world and I am led to believe that it is in Germany.

I might add that I always knew those Germans were smart people because that is where my Granddad came from. (Laughter) Nevertheless, you have seen the airport and I am sure you will agree there is excellent service in and out of here with a minimum of bad weather conditions.

What about ground transportation? This is important to us when we arrive for meetings of the Board and committee meetings that were earlier alluded to. Each of the major motels and motor inns that surround the airport, all of which I believe you have been staying in, all of them provide regular, free shuttle service to and from the airport.

Next, what about mail service? This is extremely important for the Shrine, especially in relation to getting out a lot of mail on time.

There are seven major mail depots in the United States. One of them is located in the complex of the Tampa Airport. We believe the mail service from here to be excellent.

Now, gentlemen, at this point the Committee felt that we had reviewed with you most of the items that would be of interest in making this decision, with one exception. We required some professional architectural and engineering advice and for this information we called in a qualified engineering firm and they are here today to present to you the identical information that they presented to the Committee.

I am going to call on Noble George Register from the well known firm of Register, Cummins and Willis. I will ask him, at this time, to give an explanation of the materials he provided to the Committee.

NOBLE GEORGE REGISTER: Imperial Sir, Imperial Sirs, Nobles and Representatives: The program for the Shrine Headquarters Office Building has been written prior to any design after many hours of internal study and three trips to the Michigan Avenue and O'Hare properties and three trips to the Tampa property. During all of the trips, many manhours were spent meeting with all of the staff and people that will be involved in the policy-making in your new Headquarters Building. Many more hours will be involved in refining this building.

This five-story building consists of approximately twenty-five thousand square feet and has served the Shrine well. However, at best, it is inefficient and outdated. It is time to move forward and seek a better home for the administrators and employees of the Shrine. It is time to use the people more efficiently so

that the Headquarters can better serve the fraternal membership and the tremendously important Hospital program.

As an aside and for your information, it was estimated that the data processing functions in the Headquarters are presently only about forty percent of what could be realized if there were better facilities to better serve the fraternity, the hospitals and the research of the medical profession and other areas that we perform in so well.

This building has been appraised by Mr. Jack Witkowsky of Chicago and his MAI appraisal gives it a value of \$500,000. It is our understanding that there are offers for the building exceeding \$750,000.

The O'Hare property is approximately 290 feet by 470 feet fronting on Kennedy Expressway, with access at the rear through West Bryn Mawr Avenue. This property contains approximately 3.12 acres. This property was purchased by the Shrine for \$1,200,000.

Water and sewer are available to the property however, there are the following alternatives to accomplish this end:

Now, in developing this information, I might say that I met with Mr. Dick Pavia, Commissioner of Sewer and Water of the City of Chicago, his top administrative assistant and several members of his technical staff. They presented these as alternatives that they would require to furnish water and sewer to the site.

1. Run a forty-eight-inch sewage and storm drain from the property via the south boundary of Delphia Street to connect at West Bryn Mawr Avenue, for a distance of approximately five hundred lineal feet, for a total cost of approximately \$62,500.

2. Run a twelve-inch sewage line only via the same route at fifty dollars per lineal foot, for a cost of \$25,000 and dig a one-half acre retention pond on-site for storm drainage. This pond will require excavation of approximately 15,000 cubic yards at about three dollars per yard, or a total of \$45,000. This alternate would cost a total of approximately \$70,000.

Now, regarding the Tampa property, this property is approximately 6.5 acres and fronts on Courtney Campbell Causeway, with a view of Tampa Bay. This property is well located, with access to hotels, ground transportation and all major airlines. This site is less than two miles from the Tampa International Airport.

Water and sewer is available to the property and is located immediately adjacent to the site. This site will cost \$500,000.

The proposed building will fit on either site and there would be room for added parking for staff and employees on each site. However, the Tampa site lends itself better to expansion due to the fact that it is nearly twice as large.

At this time, an exact square footage cannot be ascertained; however, an educated guess would put the total facility at approximately 48,000 square feet or less.

We are presently in the process of refinement of this program.

Any building we would design at any site would be the best and the most modern. We would take advantage of all the most modern techniques, particularly insulating with glass.

There is also a possibility of solar system heat pumps and solar hot water heating to try to save as much energy as possible.

[SLIDE]: Now, as a comparison between the two sites, Tampa has five hundred 71-degree days in its heating season; Chicago has sixty-two 100-degree days. Now, by way of explanation, a degree day is for any day for which the temperature drops below 35 degrees F. That is a degree day. It is very nearly proportionate to the energy cost of heating a building.

[SLIDE]: Heating costs, based on similar buildings located in Chicago and Tampa, is 900,000 btu per hour here and 1,800,000 btu per hour in Chicago.

The heating costs are projected at \$2700 here and at \$22,000 per year in Chicago, with a net savings in relation to Tampa of some \$19,300.

[SLIDE]: Again, comparing similar buildings Chicago and Tampa. As to air-

conditioning cost, Tampa would be \$21,000 per year and the same figure for Chicago would be \$15,000 per year. Now, I might point out that the difference is primarily because of the duration of the cooling season. It is a longer season in Tampa than in Chicago.

I point out, however, that the extremes in Chicago are greater. Tampa, for example, has never experienced a 100-degree day.

[SLIDE]: Now, as to other costs in energy related fields. For example, water heating costs, \$1,000 more per year in Chicago.

Maintenance costs, primarily related to heating and air-conditioning and its maintenance, \$5,000 more per year and, in the final analysis, as you can see on this slide, a savings of some \$19,300 per year in relation to Tampa.

[SLIDE]: Now, as to development cost comparison.

In relation to Tampa, we project a building cost of \$2,304,000 in relation to our program, which, as I say, is now in the process of refinement. Site cost involves a figure of \$500,000, for a total of \$2,804,000 for total developmental cost concerning Tampa.

In Chicago, you project \$2,928,000 in building cost. The site cost is \$1,200,000 and the total development cost there would be \$4,128,000.

[SLIDE]: This particular slide shows the overall site location and points out its proximity to the two major communities, Tampa and Clearwater.

It shows, for example, the Interstate Highway System, the airport connecting to all parts of Florida and the United States.

[SLIDE]: This more directly shows the entrance to the airport at Tampa and this site is less than two miles from the Tampa International Airport.

[SLIDE]: Now, as to site influences.

One of these is accessibility to motels and restaurants, shopping malls, beaches.

Further, the proposed site has a beautiful panoramic 180-degree view of Tampa Bay and the proximity to Tampa International Airport.

[SLIDE]: And here we have another picture of accessibility—convenience, environment and availability.

Thank you very much. (Applause)

IMPERIAL SIR OLFENE: Thank you, Noble Register.

Well, fellow Representatives, you have now been given the identical information this morning that the Committee received, from which a final, unanimous decision was made.

I want you to know that within the Committee there was open and free discussion, criticism and the tearing of things apart. We had a tremendous Committee Chairman. He worked his heart out but in a fair manner and treated us fairly.

I know, of course, this is the only way you would have wanted it and I can tell that it is the only way we would want it to be anyway.

Now, Nobles, let me review the highlights of this report.

A one-time cost savings of over \$800,000, providing the sale of the Chicago property is at \$1.2 million.

Annual savings costs of upwards of \$200,000.

A favorable political and economic atmosphere.

A high quality of living.

Favorable climate.

Excellent location for publicity value which, in turn, lends itself to widening Endowments, Wills and Gifts participants.

Unlimited availability of qualified personnel and readily accessible by excellent air service.

Airport shuttle service and first-rate mail service.

Now, it was the desire of this Committee, whose first interest is to do what is best for the Shrine both for today and for the future, to provide to you all the

pertinent facts and information available which will assist you in making a major and long-lasting decision.

It was from like information, following thorough investigation and discussion and using our best judgment that the Site Selection Committee unanimously recommends to the Board of Directors that Shrine Headquarters be moved to Tampa, Florida, acquire a site, construct the necessary physical plant and place it in total operation as soon as possible.

Now, based on the facts and not on personal-interest or emotionalism, I ask that each of you, as did the Committee, apply your best judgment when the question on the resolution is called for.

The Committee unanimously concluded that the best interests of the Shrine and its hospitals would be served by locating the new Headquarters in Tampa, Florida.

Fellow Representatives, we are hopeful that you will agree with us by voting to implement this unanimous Committee recommendation.

Imperial Sir and my fellow Representatives, this is the report of the Site Selection Committee and I now yield the floor to the Committee Chairman, who will present the resolutions.

Thank you very much. (Applause)

IMPERIAL SIR THOMAS: Thank you for an excellently given report.

Fellow Representatives, the State Legislature went into session last Tuesday and this next resolution that I am about to present to you was unsolicited by me. However, this is Senate Resolution 619, and I would like to read it as follows:

"WHEREAS, the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America, a fraternal organization incorporated in the State of Iowa, and the Shriners Hospitals for Crippled Children, a fraternal order incorporated in the State of Colorado, are known and greatly revered throughout the world for their humanitarian and philanthropic work, especially in the areas of treating serious burn victims and crippled children, and

"WHEREAS, these fraternal and charitable corporations have a membership of between 900,000 and one million persons in the United States, Mexico and Canada, and

"WHEREAS, the corporation headquarters for these organizations have been located in Chicago, Illinois, since 1949, and

"WHEREAS, there are 183 Shrine Temples in North America which have elected representatives to the Imperial Council, with between four and five representatives and members from each Temple, and

"WHEREAS, in Tampa on April 10, 1978, approximately 800 representatives and members of these entities will meet as shareholders to consider a change of location of the International Headquarters of both corporations from Chicago, Illinois, to Tampa, Florida, and

"WHEREAS, the Site Selection Committee of these groups, chaired by Mr. Randolph (Randy) Thomas of Jacksonville, Florida, a member of the Boards of Directors of both corporations, and an Imperial Officer in the fraternal unit, has met, considered and recommended the move from Chicago to Tampa, and

"WHEREAS, the Boards of Directors of both corporations have concurred in the recommendation of the Site Selection Committee and have voted to recommend the change of headquarters sites, and

"WHEREAS, a site has been tentatively selected for the new headquarters on scenic Tampa Bay on the causeway between Tampa and Clearwater, Florida, and

"WHEREAS, the Tampa headquarters site recommendation will be voted upon by the approximately 800 leaders of these corporations in assembly in Tampa on April 10, 1978, and

"WHEREAS, Governor Reubin Askew, Senate President Lew Brantley, and House Speaker Don Tucker will meet personally with the group in convention in Tampa on April 10, to convey officially to the representatives of all 183 Temples the welcome of the Sunshine State of Florida, and to inform the group that this

state is sincerely and genuinely desirous of having this most worthwhile group locate within our state, now therefore

"BE IT RESOLVED, by the Senate of the State of Florida, the House of Representatives concurring:

"That the Legislature of the State of Florida adds its own special invitation to the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America and the Shriners Hospitals for Crippled Children to adopt Tampa, Florida, as their new home and extends to the corporate members of these prestigious organizations every means of cooperation and assistance within its authority to aid in the move and the accompanying relocation in Florida.

"BE IT FURTHER RESOLVED that a copy of this resolution, signed by the President of the Senate and the Speaker of the House of Representatives with the Great Seal of the State of Florida attached, be transmitted to the members and representatives in conference at Tampa, Florida, as a permanent record of encouragement by the members of the Legislature of the State of Florida."

Let me say, Nobles, that this resolution was adopted by the Florida Senate April 4, 1978, approved by the House of Representatives on April 5, 1978 and filed in the office of the Secretary of State, April 7, 1978.

This resolution is likewise signed by Bruce A. Smathers, Secretary of State and also by Governor Reubin Askew and contains the seal of the State of Florida.

At this time, Nobles, we bring you to the point of the first resolution entitled "Shriners Hospitals for Crippled Children, a Colorado Corporation," and which reads as follows:

"RESOLVED, that the principal office and place of business of Shriners Hospitals for Crippled Children, a Colorado Corporation, be moved from Chicago, Illinois to the metropolitan area of Tampa, in Hillsborough County, Florida."

I would move the adoption of the resolution.

... The motion was severally seconded...

IMPERIAL SIR KISSELBURGH: Imperial Sir, Imperial Sirs, Illustrious Sirs and fellow Representatives: From the rocky coast of Maine from which Imperial Sir Dick Olfene comes to the sunny shores of California, where I come from, I think it is quite significant that the two of us represent the greatest distance that you can travel and still be in the continental United States.

Your Site Selection Committee represented a good cross-section of North America; Imperial Sir Dan Bowers, Peoria, Illinois; Imperial Sir Dick Olfene, Lewiston, Maine; Imperial Sir Gene Bracewell, Atlanta, Georgia; Imperial Sir Walker Kisselburgh from Los Angeles, California; Imperial Sir Russell Anthony, Cedar Rapids, Iowa; Imperial Sir Voris King, Lake Charles, Louisiana; and Imperial Sir C. Victor Thornton, ex-officio member of the Committee, from Fort Worth, Texas.

After several months of intensive deliberation, we come to the unanimous conclusion that it is in the best interest of the Shrine of North America that we move our headquarters from Chicago to Tampa, Florida.

There were many reasons as to why we unanimously reached this conclusion but the overriding factor was, and which as a businessman I am most interested in, that it will save us on an overall basis approximately \$190,000 a year.

Fellow Representatives, this is the bottom line of all the facts and figures that have been presented to you this morning.

Therefore, I am most happy to second the resolution because it is in the best interest of the Shrine to do so.

Thank you. (Applause)

IMPERIAL POTENTATE MORRISON: We will call on Bob Cooper from the Jurisprudence and Laws Committee, to report on this resolution.

NOBLE ROBERT COOPER [Reading]:

To the Members of the Colorado Corporation:

There has been referred to your Committee on Jurisprudence and Laws a Resolution, the text of which is as follows:

"BE IT RESOLVED, that the principal office and place of business of Shriners Hospital for Crippled Children, a Colorado Corporation, be removed from Chicago, Illinois, to the metropolitan area of Tampa, in Hillsborough County, Florida."

The Committee reports that the proposed Resolution is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-laws.

Respectfully submitted,

COMMITTEE ON JURISPRUDENCE
AND LAWS

R. J. Turley, *Chairman*
Robert E. Cooper
Walter S. Jeffries
Theodore Corsones
Mahlon Hessey
Edward G. Maag
Robert Morrison

NOBLE COOPER: Imperial Sir, I would move the acceptance of the report.

... The motion was severally seconded. . .

IMPERIAL POTENTATE MORRISON: Thank you, Noble Cooper.

You have heard the resolution and the report of the Committee on Jurisprudence and Laws. I believe there is some discussion.

Would you, Imperial Sir Weck, come to the podium, please.

IMPERIAL SIR WECK: Imperial Sir, Imperial Sirs, and fellow Representatives: A number of you have come to me and inquired as to what other information you should consider in making an intelligent decision as to whether or not our office should be moved from Chicago to Tampa, Florida. Needless to say, we do not all agree on the same facts.

At this time, and in the interest of saving time here, I would like to have you know that the things that I am going to discuss with you today have been concurred in by your Imperial Chief Rabban, Charles Claypool; your Imperial Assistant Rabban, Dr. H'Doubler; your Imperial Treasurer, Tom Melham and your Past Imperial Potentate, who is also a member of the Board of Directors, Peter Val Preda.

Before going into my presentation, I think there are a few things I would like to call to your attention that have been discussed previously.

The first of these concerns the matter of real estate taxes.

Now, for example, it has been said that if we locate our central office in Tampa, you will not have to pay real estate taxes.

Now, I would like to point out the following facts:

1. That the Shrine has never paid real estate taxes on its central office in Chicago.
2. We would take title to the property in the name of Shriners Hospitals for Crippled Children, which is a charitable corporation and is thus exempt from taxes.
3. Your engineers here commented with regard to sewer and water connections being necessary. However, let me indicate to you that before the property was acquired in Chicago, there was a presentation made by the community leaders there—the Chamber of Commerce, stating that the water and sewer connections be provided to our property.

I have right here in my hand, a letter which reads:

"This will confirm our verbal understanding, sewer and water service will be delivered to the Shriners property near the Kennedy Expressway and Cumberland."

That is signed by the Executive Director of the Economic Development Commission of the City of Chicago. There would be no cost to the Shrine to bring this in.

Now, there has also been stated to us that the Imperial Council faces one of the

most critical decisions we have had to make in the past thirty years. Back in the late forties we decided to move our Shrine International Headquarters from Richmond, Virginia to Chicago.

The move that was made was from an outer edge of Shriner territory to a central location. The logic was obvious—to make it possible to run the vast Shrine organization and Hospitals with greater efficiency.

Our paid headquarters staff has long been characterized in personnel terms as being a lean and devoted staff. A few paid people sticking faithfully to the job and at a very modest pay scale, I might add, for many years. Many, for example, for some fifteen years, some for twenty-three years and others for twenty-five years. Twelve of them have more than a decade of service. Over half of the staff have been on the job for five years or more.

This, of course, is a remarkable record. Keeping the vital wheels of the organization turning for 180 Temples all over North America, some 950,000 members strong and growing and administering liaison with 21 Hospitals and Burns Units and have cared for over 200,000 patients over the years. Show me any other organization that has done as well.

So that the decision to move to a central location thirty years ago was sound. The Shrine and hospital work we support has grown and prospered and we now need a new and larger headquarters building.

The decision that this Council must now make is to choose between locating our new headquarters back out on another fringe of Shriner territory or moving it five minutes away from the travel hub of the North American Continent, O'Hare International Airport in Chicago.

I want us to move to the Chicago O'Hare area. The location had previously been carefully considered by the Imperial Divan and decided upon. The Shrine, fortunately, owns free and clear a choice piece of ground there on the Kennedy Expressway, the main route to and from the airport. The Shriner site is fully visible from this highway and immediately adjacent to a cloverleaf on an off ramp.

In support of my position, I will speak of four major considerations that need to be reached by this body before your decision is made.

First is the question of costs, a few that seem to have been forgotten in the recent rush.

Second, is the relative efficiency and economy of each location in serving our widely dispersed organization.

Third, is the impact of wasted travel and time.

Fourth, and lastly, I will comment upon the future of our hospital work and what the future will require.

I will touch on these points in a minute but, first, I want to say something about the decision you now hold in your hands. In many ways, it is like an established business deciding where to locate a new headquarters. The wrong decision can be destructive.

Now, I know that none in this room would consciously make a wrong choice and so your decision is not like, if I may so, some business decisions that are made at the whim of a chief executive. Your decision is not like that.

Our fraternal and hospital work must be served by more than a whim. We must serve the fraternal members. We must facilitate the functioning of staff and future officers and God knows, we must serve the needs of the children.

All things considered, this important decision should not be rushed. It should not be ill-considered or subject to poor advice, undocumented facts or vague promises.

Rather, this special meeting of the Imperial Council should be one that gives due consideration to all opinions and documented facts before a decision is made. All who have light to shed on the decision should have an opportunity to be heard, no matter what distant Temple they represent. Contrary opinions should be given a fair chance.

Chicago has been interested in having our central office. It has been said that they have not shown an interest in having a Shrine Headquarters there. To the

contrary. The Mayor's Office and the executive in charge of the Chicago Economic Development Commission has repeatedly called our Headquarters over the months, only to have their calls go unanswered. Now, in the few remaining minutes allotted to me, let me try as best I can to present the facts you need to know about the original choice of the Imperial Divan for locating our International Headquarters in the Chicago O'Hare area.

[SLIDE]: There is no complex of airport hotels, meeting facilities, roads and transportation options to match Chicago O'Hare. Within two miles of the airport are seven thousand hotel rooms, plus 150 conference rooms and hundreds of restaurants and dining options, all primarily geared to handle the 17,000 corporate and organizational meetings with almost 600,000 people attending that take place annually in the O'Hare complex.

[SLIDE]: The 600,000 people who came to meetings at O'Hare are just a small fraction of the 1,690,000 that attended the 11,550 conventions and trade shows that metropolitan Chicago hosted in 1977, counting all those with an attendance of at least 100 people.

In contrast, the Tampa-St. Petersburg metropolitan area last year hosted only 300 conventions and trade shows, counting those with an attendance of 50 or more for two nights.

The point that I am making is that the Chicago O'Hare Airport complex is unique in the world. It is set up to serve the exact needs we have for the International Headquarters of the Shrine of North America. O'Hare is not Chicago, it is not Tampa; O'Hare is where our headquarters should be.

[SLIDE]: Now, less than five minutes from O'Hare incoming baggage counters lies a plot of ground that formerly belonged to the Hilton Hotel Corporation. Two years ago, the City of Chicago turned the operation of their airport hotel over to Hilton. Not being in need of two hotels minutes apart, Hilton sold the ground to the Shrine of North America.

Here we see the ground.

What made the location good for Hilton makes it of importance to the Shrine. Travel convenience and visibility.

[SLIDE]: And here is what Mayor Bilandic of Chicago has to say about it—"We have responded to each of these concerns and have continued ready to work with you to solve any problems which may arise in erecting your headquarters here. We are sure that this could be done so that the headquarters can be erected in the minimum amount of time at a point where a quarter million people who pass each time will be reminded of the continuing good work of the Shrine."

What a great exposure we would have for our Shrine symbol shining from the building. Over forty-four million people travel in and out of O'Hare from all over the world. Most of them pass our plot of ground. In comparison, Tampa has little to offer. I will have more to say about O'Hare but first let us turn to documented facts that have been overlooked.

[SLIDE]: At an expense to the Shrine, the Fantus Corporation was hired a few weeks ago to put this location decision into balanced perspective.

Fantus is a subsidiary of Dun and Bradstreet and are an internationally known leader in the field of office and plant location. Their clients include such names as American Airlines, American Express, Exxon, Prudential Insurance, Texaco and Honeywell, to name a few. Time does not permit us to go into the hundreds of facts they have researched for us.

Let me say just this, however, that those of us who have taken the time to study the report are confirmed in our judgment that Chicago O'Hare is the place we should be.

[SLIDE]: Now, the Fantus study went thoroughly into every aspect of this move and the true operating costs. I will stake my reputation as a banker and my experience with business and numbers that the Fantus report has given as accurate an estimate of the true costs as can be found at this date.

Now, if you think I am going to say they found that Chicago/O'Hare is cheaper to operate than Tampa, well, you are mistaken. They did not. The Fantus Report

says, after all previously considered costs and hidden costs are considered, it will cost us \$71,000 a year more to operate in Chicago/O'Hare than it will in Tampa. Only \$71,000. Now, that is a bargain.

However, before I tell you as to why that small cost differential is a bargain, I want you to be familiar with some hidden costs.

[SLIDE]: Now, let me touch on a key, but up to now a glossed over point, that of total employee relocation cost.

In a mass move like this, people are not being promoted and given raises. Normally industry practices through "make the employee whole"—move selected employees without personal expense so they can make the move in a positive frame of mind.

Without the detail which is in the report, a modest and minimally fair arrangement for each chosen Shriner staff member would cost an average of \$13,601.

Typical costs include legal and real estate expenses for changing from old to new homes; the cost of the move; the cost of before and during move trips for the family to find new housing and wait for furniture to arrive; and a "gross up" to compensate for the income tax addition to income charged by the IRS.

[SLIDE]: A long distance move to Tampa would require termination payments to all those who cannot or are not invited to move. The first cost factor involved is an estimated \$63,852 in severance pay, calculated to equal one week's pay for each year of service to a maximum of twenty-six years. No such expense would be necessary for Chicago/O'Hare.

[SLIDE]: But there is yet another and more serious expense to consider. Every employee knows that we are here today deciding upon their employment fate. If we vote for Tampa, it will be next summer, or the way building complications go, well beyond that before the move can be made.

The normal practice is to offer "stay" bonuses for employees who will not go along on the move to stick on the job until the move is made. A typical bonus is \$250 or \$500, depending on the salary level of the employee. An estimated total of \$12,250 for the Shrine Headquarters staff estimated not to go. No such expense, however, would be necessary for Chicago/O'Hare.

[SLIDE]: However, who will do the work? What if the "stay" bonus doesn't work? People who have devoted years of their lives at very modest salaries to Shrine work, five, eight, ten, fourteen, twenty-three, twenty-five years—are now told, "We don't want you" or they cannot go. Will they stick for our convenience? I think not.

So what happens to the workload this devoted staff has to turn out over the next year or more? We are not a for-profit corporation with tax write-offs to take up the slack by hiring temporary employees. Therefore, can we maintain fraternal and hospital operations on such a tenuous basis? I think not.

[SLIDE]: Likewise, we had better think about the hidden costs before a disaster decision is made. Each of us must weigh the imponderable impact on an organization stripped of staff for a year or more.

Can temporary people handle what devoted employees who have worked for many years can do? Well, let me tell you something. What is contained in the heads of our employees is a lot more than what you will find on the papers in the files. The loss could be terrible, not just for a year or more, but for a long term.

But the loss of knowledge, devotion and know-how of our present staff does not have to be lost. In a move to Chicago/O'Hare, we would lose a few secretaries and possibly a few others. Transportation facilities of all kinds, private and public, make it easy for most of our present staff to make the move if they so desire and even if later on some would move on, the turnover would be more like normal.

[SLIDE]: Training costs.

The Fantus Study estimated it would take \$9,000 to train ten new employees after the O'Hare move. This is based on studies that indicate it takes three months on the job to reach normal productivity for clerical workers. This loss of productivity is estimated to be close to a month's pay.

For Tampa, it would cost \$27,000 to train new employees at clerical level esti-

mates, not to mention the unknown loss of know-how or time wasted from higher executives that may be entailed in the move.

[SLIDE]: Now, concerning the long distance move to Tampa, the conservative estimate from the Fantus Study of the move to Tampa, assumes that ten employees will be relocated, is \$259,000, including employee and office relocation costs, severance pay, stay bonuses and extra training expense above that of the Chicago/O'Hare move.

[SLIDE]: As to hidden construction costs, it is true, for example, it is cheaper to build a comparable building in Tampa than in Chicago, a net of \$13 a square foot cheaper, but that is assuming the Chicago/O'Hare building would not have a basement. Obviously, it would. In Chicago we don't have a high water table. Basements are the cheapest space to build in new construction, not much more than what a slab costs for a building in Florida.

Does a basement make a difference? Sure it does. Records and computers could fit nicely into a basement.

You have been told that a study has been made of the Tampa property, including drilling, but nobody told you what those drillings indicated.

However, I have been reliably told, and I am sure that you can readily see this, that this property requires from four to eight feet of fill before it is buildable, plus whatever pilings might be necessary because of the water table. The difference in cost for truly comparable space in Florida could be significant. This is one of the imponderables you have to calculate in relation to the Tampa options.

[SLIDE]: Now, as to operating efficiency.

After all, the moving and building expenses are merely one-time costs. Of much greater importance are the on-going operations and of greatest importance is the question of whether or not a border location, such as Tampa, can effectively serve our far-flung organization of 181 Temples and 21 hospitals. In sum, it cannot do it as well as Chicago/O'Hare and the difference may be disastrous.

[SLIDE]: Headquarters and meetings.

Meetings are what knit our fraternal and hospital support organizations together. The Shrine organization includes 36 committees. The hospital organization has 17.

We can operate with a lean staff if the meetings are held in or near our headquarters and the reason is simple. Traveling the staff to another city costs salary pay time and travel expense. In addition, someone has to take up the slack of the staff members missing from the office.

[SLIDE]: Next, business versus tourists.

Spread over Hillsborough County, which is the county which includes Tampa, there are 10,000 hotel rooms and I don't have to tell you these rooms are primarily serving the tourist trade and what season that trade comes here—in the winter.

During the tourist season, the occupancy rate in this area is over ninety percent.

At Chicago/O'Hare, with its 7,000 business oriented rooms within a mile of the airport, the occupancy rate averages 75.6 percent year-round. These hotels also provide free airport transportation.

The point is there is a long season when Tampa rooms can be hard to get on short notice and most of our meetings are on short notice and often require an extension of stay, something that does not work in a tourist oriented locale or environment.

As a matter of fact, I called the Bay Harbor Hotel-Motel on March 3rd to verify the rooms rates. It is true that they were lower than O'Hare but I also found I could not get a room until after April 1. I also called two other hotels in the area and found the same result.

[SLIDE]: Now, consider the far-flung dispersion of our Temples in North America.

Look at the big map for the big white square located near Springfield, Illinois. That is the minimal distance point which is the shortest distance from all Shrine Temple points. Theoretically, it represents the place requiring the shortest total travel time from all 181 Temples. In reality, the point of shortest total travel time is the big city nearest the point of minimal distance. That is Chicago. Tampa is over one thousand miles off center. Put another way, seventy percent of all North American Temples are located closer to Chicago than to Tampa.

[SLIDE]: Regardless of the headquarters location, travel time required can never be equal for all members. Generally speaking, in a voluntary organization, those who travel the farthest will find it harder to attend meetings and are those least likely to participate.

Because our organization has continued interest, the Shrine of North America must encourage as broad participation as possible. This is more easily accomplished to a Chicago headquarters than to Tampa.

However, I ask that you consider another imponderable in your decision. Can we as Representatives of this vast fraternal organization ignore the impact of these travel time differences on the future participation of our officers and members?

This question of needless travel time cannot be casually turned aside. Granted, the time we give to the vital work of the Shrine and its hospitals is freely given in devotion to our cause but just because the time is given free does not mean we should be profligate.

[SLIDE]: This bar chart shows the difference a move to Tampa would make.

We took as our base the actual trips taken by the Imperial Divan in 1977 which was 97 in all. Calculating from the point of origin and back for Chicago, which was the actual trip versus a comparison to Tampa if that had been the headquarters location. In number of round trips, in the shorter time, there would be 79 to Chicago and only 17 to Tampa. One trip from Dallas-Fort Worth would have been equal in time.

[SLIDE]: Also, the major difference, other than distance, comes in flight facilities.

O'Hare, for example, has direct flights to 231 cities. With 88,000 passengers a day, O'Hare serves as the international, national and regional hub for North America.

Tampa International Airport has approximately 75 direct flights. It cannot be classified as a hub, since international traffic in the Southeast centers on Miami, while national and regional traffic centers on Atlanta.

[SLIDE]: The factor of flight service cannot be ignored because the flight hubs such as Chicago and Atlanta, receive priority in timing of flights. Thus ample service to and from such cities is available at the beginning and end of a business day, while service to other cities is relegated to less convenient hours when the demand for equipment is lower.

The importance of morning in and evening out flights is of utmost importance to the Shrine operation. Chicago is obviously the place for those convenient flights since 17,000 corporate meetings, involving 600,000 people, were held there last year.

In many cases, it will require an extra night's lodging in relation to Tampa because of inability to return home after a meeting until the next day. This, in turn, will double the lodging cost in relation to Tampa.

[SLIDE]: Consider the trips taken by staff in 1976-1977.

There were 51 cities visited. Chicago serves 43 of those cities with a non-stop flight—Tampa only 19. Of those same 51 cities visited by staff, 49 of them are served with direct flights from Chicago. Tampa served only 31.

Saying it the other way around, cities requiring connecting flights require extra travel time waiting in airport hubs, like Atlanta. Among the cities visited by the staff from Chicago, only two require connections, while Tampa would require 19. The net result is you reach 46 of the 51 cities in shorter time from Chicago. It is shorter from Tampa for only 5.

[SLIDE]: Put it in terms of costs. Salary and travel costs together. For 1976-1977, travel time here in Chicago and cost expenses were \$25,698, while a move to Tampa would have increased travel costs to \$36,466. Now, since fare increases are based on a percent of existing fares, the additional costs must be even greater in future years.

[SLIDE]: Now, let me turn to the impact of the Eastern Time Zone upon communications to a vast organization stretching from the East Coast to the Central, Mountain, Pacific, Yukon to Alaska-Hawaiian time zones.

A caller from East is at a disadvantage when conducting business across the continent. This can be seen best in calls from the Eastern to the Pacific zone. It is noon in Tampa before most business opens in Los Angeles. Because the luncheon

hour begins at noon, communications are disrupted until one o'clock. Then they are normal until three o'clock, Eastern time, when the West Coast lunch period begins. Communications begin again at four and go on until five.

In total, there are only three hours of normal communication in an eight-hour working day from the Eastern to the Pacific zone. The communications are cut to two hours Tampa to Hawaii. Locating in Chicago boosts communication time thirty-three and a-third percent to the West Coast and fifty percent to Hawaii.

[SLIDE]: Lastly, let us consider mail service.

We do a lot of mailing of letters and literature. This is mostly by bulk mail. The mail is picked up locally and must reach a bulk mail center before the post office can process it.

The Chicago bulk center is in a suburb, Franklin Park, only minutes from the new O'Hare Shrine location, permitting direct delivery to the bulk center. For Tampa, the bulk center is in Jacksonville, Florida.

The net is that delivery time can be reduced by a day or more for the new move from downtown Chicago to O'Hare. For Tampa, it will be increased.

[SLIDE]: Is it any wonder the 120 of the nation's top one thousand corporations have their headquarters in Chicago? Chicago is the home of more major headquarters than any other city in the United States, except New York. Tampa is the home of only two.

[SLIDE]: This map shows the location of our 21 Hospitals and Burn Units. The big red dot, as we saw in the Temple map, is Quincy, Illinois and, as in the case of the Temples, O'Hare is the shortest travel time point to all hospitals.

[SLIDE]: Needless to say, travel time is of utmost importance to maintain liaison with the hospitals, both our staff and those of the hospitals. The case for Chicago is overwhelming. O'Hare has direct flights to every Shriner Hospital and Burn Unit location, including Quebec, Hawaii and Mexico City.

Tampa does not have direct flights to our Hospital cities of Erie, Honolulu, Portland, Salt Lake, Shreveport and Spokane.

[SLIDE]: However, there is something even more important about our Hospitals for you to consider—the future role they must play.

As medicine advances, the role of research grows even more critical. We are very important in orthopedic and burn research but medical research is not just a number of narrow specialty fields. They are cross related to surgery, to orthopedics, to anesthesiology and on and on. We must be in that mainstream if we will continue the growth of our cause, the crippled children and burn victims, that we care for.

It is quite possible that in the near future we will have a full-time medical director at our central office and such a person will need convenient access to advanced medical centers.

[SLIDE]: Chicago is the place for that necessary future fertilization of research. Shown here are the University of Illinois Medical Center, the Cook County Center and the Rush-Presbyterian-St. Luke's Medical Center in Chicago—the largest complex of medical centers in the world.

[SLIDE]: Here you see the University of Chicago Medical Center. Over 42 Nobel Prizes have been awarded to people affiliated with the Chicago University group. Incidentally, that is the largest collection of Nobel Prize winners anywhere.

[SLIDE]: But that is not all. Don't forget Northwestern Medical Center. This is just the downtown campus.

[SLIDE]: And the Loyola Medical Center complex—the most comprehensive series of medical facilities the world possesses.

[SLIDE]: Also, this is why over 125 health and medical organizations are located in Chicago. I have put them there on the screen, not so you can read the names, but merely to show you the great number. Yes, the American Orthopedic Association and the American Medical Association and the American College of Surgeons, the American Hospital Association and on and on.

[SLIDE]: Now, what does Tampa offer? Only two—the American Society of Abdominal Surgeons and the American Board of Pathology in Tampa.

Now, let me say that here I see your decision as one of having to consider whether or not we should move our headquarters back to a peripheral Shriner territory or to improve our headquarters efficiency by moving to Chicago/O'Hare. The disruption to our vast organization is too fraught with difficulties to contemplate if we decide to move to Tampa. Immediately our organization will falter with the Fraternity and our Hospitals and our opportunity for liaison with the medical community will decline.

Finally, let me comment on the \$71,000 annual operating cost differential. That is honestly all the savings that can be claimed by operating in Tampa, given every stretch of the imagination for a reasonable staff size. Is that too much of a handicap to pay for the efficiency and convenience of Chicago/O'Hare?

If it was money saving we wanted, we could find cheaper places than Tampa or Chicago/O'Hare. No, what each of us in this room wants, I am sure, is the secure and prosperous growth of our fraternal organization so that it can continue to support our most important work—the work of giving crippled children a chance to walk and child burn victims a chance to live.

Is \$71,000 too much to ask for that? Well, I'll tell you how much it really is. Among our 950,000 members, it is only 7.5 cents each.

Are we going to risk the long distance move and all the disruption it will bring for just 7.5 cents? No.

I am certain you will give solid consideration to the facts you see and hear and push aside all blandishments. I know you will consider the imponderables that will affect the future of this great organization. I have faith in your judgment. I know you will do it for the best of the Fraternity and for our Hospitals and for the kids.

Thank you for your courtesy. (Applause)

IMPERIAL POTENTATE MORRISON: Gentlemen, you have been sitting here for a long time. Why don't you just therefore stand and have a brief seventh-inning stretch for about ten seconds.

... A brief pause ensued at this point. . .

IMPERIAL POTENTATE MORRISON: Now, Nobles, we are going to, in conformity with Robert's Rules of Order, provide that everybody who desires to speak will have an opportunity to do so.

Now, as the first individual, I will recognize Imperial Sir Charles Claypool.

IMPERIAL SIR CLAYPOOL: Imperial Sir, Nobles and Representatives: In your hands today rests a great decision for Shrinedom.

I can say that last night, in talking with a lot of the Representatives, there were some questions brought to me and there was some question as to the fact of whether there was a clause in the contract to the effect that they could take our Chicago property away from us.

Now, we have our General Legal Counsel and the Chairman of Jurisprudence and Laws here and, I am sure they will agree with me when I say that that ground there is free and clear and that nobody can take it away.

Is that right, Ed?

NOBLE MAAG: I will respond to the question as General Legal Counsel, Imperial Sir.

We own the property in Chicago but in fee simple title. I believe it is the Kennedy-Cumberland property you are talking about. We own it without restrictions, except the usual exceptions. We have it in fee simple title and we do have a title insurance policy on it.

The same answer to the same question would be given if it were asked with regard to the property here. We have a commitment from the title insurance company to insure title to the full value just as title is insured to the full value in Chicago.

IMPERIAL SIR CLAYPOOL: However, Ed, as I understand it, some of these Nobles were told that there was a special small paragraph in there indicating that, under certain circumstances, we could lose that ground in Chicago. With regard to this matter, I am really addressing you as General Legal Counsel of both corporations.

NOBLE MAAG: As I understand it, the question with regard to the Kennedy-

Cumberland Chicago property is whether or not the contract contains any reservation or restriction which would permit anyone to take that property from us if we determined not to build there or could build there and the answer to that is "no, we own it free and clear."

IMPERIAL SIR CLAYPOOL: Now, Nobles, there was also a statement made, I believe, earlier, indicating that we have a thirty-five-hour work week in Chicago. Well, that is true and that is because we are downtown and it takes so long to travel down there and, further, most of our employees have to spend an hour and a-half coming to work and the same amount of time going home.

Now, on the other hand, if we move to the O'Hare location, most of our employees will be living within ten minutes of our new headquarters.

Also, I still cannot comprehend all of this and I want to know, for example, if we could not have spent one more extra day in Detroit regarding this matter and thus save some \$400,000 which we now have to add to our cost.

IMPERIAL POTENTATE MORRISON: Well, that last statement may be either correct or incorrect, I don't know.

However, Dick, do you have something? I will recognize you.

IMPERIAL SIR OLFENE: Imperial Sir, let me say that as one who spoke for the Committee, I am not going to rebut all that has been going on because it is too lengthy. However, let me make a couple of quick observations in relation to some of the facts and information presented here by Warren in particular.

One of the things that seemed to be emphasized here, and I just want to clarify it in my own mind, and perhaps you are like me, you don't think as quickly either but there seemed to have been a lot of emphasis placed on this matter of travel and time involved.

Well, I ran for the Line because I wanted a job to help the Shriners some little way and, you know, I really did not particularly notice, when I ran for this job, as to where the National Headquarters would be located. It really did not make a great deal of difference to me. It could have been in Chicago, Tampa or somewhere else.

Now, just for my own interest, and excluding the present and past Imperial Officers, will those of you who have been to the Chicago Headquarters Office by call—not by a personal visit because you are in the area or at a convention, but those of you who have been there by call at least three times, will you raise your hands? Well, I don't think, on that basis, that the travel time is a real big factor.

... The question on the motion was then severally called for...

IMPERIAL SIR CLAYPOOL: May I speak again, Imperial Sir?

IMPERIAL POTENTATE MORRISON: According to Robert's Rules of Order, you cannot, at least at this time, until others have had an opportunity, to say anything further, Charlie.

NOBLE TURLEY: Imperial Sir, according to the rules if anybody else desires to speak, he has to wait.

REPRESENTATIVE: Imperial Sir, last year at the New York presentation, we were shown a proposed diagram of the new building. I wonder if we will be able to see such a similar proposal here in Tampa?

IMPERIAL POTENTATE MORRISON: Well, that is a good question. I really do not know because I have never met with the Committee as such.

Now, regardless of what people have said, I want you all to know that my hands are not only white, but they are clean. (Laughter)

REPRESENTATIVE: However, Imperial Sir, I think we ought to be informed as to what type of building is being proposed for this particular site.

IMPERIAL POTENTATE MORRISON: Well, again, I don't know.

Let me ask the Chairman of the Committee—do you have a plan of the building proposed for the site?

IMPERIAL SIR THOMAS: Imperial Sir, the Committee felt as though the issue before us today was mainly with relocating in Tampa and not getting confused with maybe choosing a particular type of structure, something which can be done later.

IMPERIAL SIR THORNTON: Imperial Sir, Imperial Sirs and fellow Representatives: I agree in many respects with Imperial Sir Warren, that moving either to Tampa or moving to Chicago will involve some trauma.

I also agree with him in the fact that it is the long-range consequences that our action must consider. However, I would like to speak to one issue which Imperial Sir Weck has raised—the matter as to whether or not centrality of location of the home office is important. Now, I bring the subject up because I think it has been in the minds of many of you, as it has been in my mind.

As Chairman of the Board of Trustees and President of the Hospital Corporation, I probably have more contact with the home office than anyone else, with the possible exception of the Imperial Potentate. Therefore, the home office and its location are important matters to me.

When I first heard of Tampa being considered, I had the same reaction that Imperial Sir Weck did, as well as others, that the home office should be located in a more central location, especially for communications reasons. However, recently I did analyze my communication with the home office over the last twenty-two months that I have served you and have found that the contacts consisted of the following:

With regard to mail, first class mail most of it, conservatively estimated, it was some fifty pieces of mail per week, times four and a-third weeks, times twenty-two months, approximately 4,763 contacts through this medium.

By telephone, conservatively estimated, ten calls per week, times four and a-third weeks, times twenty-two months, a total of 953 contacts.

By visits to the home office, actual count over twenty-two months, 13 contacts—a total of 5,729 contacts. 99.7 percent of these contacts were by mail or by telephone, leaving less than one quarter of one percent by visit.

I therefore arrived at the conclusion that the location of the home office did not matter insofar as communications were concerned.

Now, I had also concluded that the people to whom the location of our home office was important were our employees.

For example, while I visited the home office some 13 times during the past twenty-two months, our Executive Secretary for Hospital Affairs, Lew Molnar, visited it nearly every working day, for a total of approximately 428 times. That is 33 times as much as I went there. The same is true for the other employees.

What I am saying is that the most important factor in the home office location is having it where we can operate most efficiently and economically. We will get more hours of productive work from our employees if they can get from home to the office and back again in fifteen minutes rather than taking an hour and fifteen minutes as it takes many of them at the present time.

We will lose little, if any time, in severe weather. Last winter, in Chicago, we lost five days. It was, I will grant you, an unusual winter.

As one responsible to the Board of Trustees and to you for the efficient operation of our Hospital system, I have discussed this matter with those executives who have direct responsibility for management of the people in the home office—Lew Molnar, Paul Ibach (our Assistant General Counsel), Ann McGrath (our new Assistant Executive Administrator), and each of them has told me that they believe they can get more productive hours per day and more work for dollars spent by the establishment of the home office in Tampa.

Also, as a Shriner, I discussed the matter with Charles Cumpstone, the Executive Secretary for Fraternal Affairs and he said the same thing will be true for his office. I will not review all of the reasons.

The Site Committee found for Tampa for the reasons as indicated. I will merely say that you have heard their decision, which was unanimous.

I will also say that I am one of the ten of the fourteen Directors who voted in agreement with the Committee, because I believe, as I did, that it is in the best interest of the Shrine to move our headquarters to this city.

Imperial Sir, I call for the question on the motion.

...Cheers and applause...

IMPERIAL POTENTATE MORRISON: I do wish to be fair and I do want to do things properly and correctly. Now, there has been a call for the question.

IMPERIAL SIR CLAYPOOL: However, Imperial Sir, I previously did ask for the floor.

IMPERIAL POTENTATE MORRISON: I believe we have a Representative standing in the back.

REPRESENTATIVE: I have been led to believe, Imperial Sir, this property is going in the area of between \$120,000 to \$130,000 per acre, in that range.

Now, my question is simply this—is this total seven acres included in the cost of \$500,000?

IMPERIAL POTENTATE MORRISON: I will call on Dick to give you that answer.

IMPERIAL SIR OLFENE: To answer your question in the best manner I can, the amount of acreage was six and a fraction and the total cost of the six and a fraction acres that we have under option is \$500,000. However, in the report I called attention to an appraisal that we wanted to have done to substantiate this figure of \$500,000.

The appraisal says that in their estimation the property was worth something like \$660,000 and so, in answer to your question, yes, it is the total of six plus acres for a total price of \$500,000.

Does that answer your question? Thank you.

... The question was again severally called for...

IMPERIAL POTENTATE MORRISON: I believe that Imperial Sir Claypool wanted to make another statement. Will you kindly make it brief.

IMPERIAL SIR CLAYPOOL: As brief as possible, Imperial Sir.

Now, gentlemen, we were told by Dick Olfene that we obligated ourselves to give of our time. Well, that is true but what he did not point out in relation to hotel and other costs, is that most of the members of the Board of Trustees and Board of Directors have to come to Tampa a day early and they have to stay over a day longer when we meet here. Now, in relation to the Chicago location, most of us can get there and back home the same day and so, in relation to Tampa, you really would not be saving in hotel costs but, as a matter of fact, it is going to cost more.

... The question was again called for...

IMPERIAL POTENTATE MORRISON: Now, gentlemen, there has again been a call for the question. I will recognize that in so long as you are happy and believe you have all had your opportunity to talk on this matter.

Now, if there is no further discussion, I will ask that we use a ballot for this vote. I am not going to take a voice or standing vote. Is that all right with all of you?

... Cries of "yes"...

IMPERIAL POTENTATE MORRISON: We will then use ballot 7 in your large official ballot book and, for clarification, you are going to vote, gentlemen, on the resolution that was presented, to move to Tampa.

If your desire that resolution passed, you will mark "yes" on your ballot; if you don't want it that way, you make a "no".

Do you all understand the procedure?

Do you want to have that resolution read again?

... Cries of "no"...

IMPERIAL POTENTATE MORRISON: Well, again, use Ballot 7.

If you vote "yes" it means that we will accept the resolution to move to the metropolitan area of Tampa, in Hillsborough County, Florida. If you desire that, then you vote "yes". If you do not so desire, then vote "no".

Now, I would recognize the Chairman of the Tellers for some instructions to you at this time.

NOBLE HOWELL: When you vote, Nobles, tear the stub off and put in the ballot. The tellers will pass back and forth. Please do not get up from or leave your seats. If you do, we might miss you and, after collection of these ballots, it will only take a few moments to give you a total on this. Therefore, please keep your seat.

Tear the stub off and put the ballot in the box. Thank you.

...Whereupon, voting and collection of ballots ensued...

IMPERIAL POTENTATE MORRISON: Has everybody voted? If so, I will now declare the ballot closed. (Gavel)

Now, Nobles, I think that while the ballots are being counted, if you so desire, this would be a good time to recess for luncheon. Would you say an hour would be the proper time? Is that your desire?

...Cries of "yes"...

IMPERIAL POTENTATE MORRISON: Hearing no objection, I will now declare this meeting in recess.

...Whereupon, the meeting was recessed for luncheon for approximately one hour...

MONDAY AFTERNOON SESSION

April 10, 1978

IMPERIAL POTENTATE MORRISON: Now, Nobles, if you will take your seats, I would like to reconvene the meeting.

Now, gentlemen, will you listen to the report of the Chairman of the Tellers, Noble Joe Howell.

NOBLE HOWELL: Imperial Sir and Representatives, it is with pleasure that I give you the results of ballot 7.

There were a possible 721 votes and 713 actually voted. There were no spoiled ballots. Necessary for choice, 357.

The votes were distributed as follows: 560 "yes"; 153 "no". (Applause)

IMPERIAL POTENTATE MORRISON: Nobles, you have heard the report on the vote. I declare the motion carried and at this time I will recognize Warren Weck.

IMPERIAL SIR WECK: Imperial Sir, Imperial Sirs and fellow Representatives: At this time I would like to make a motion that this be declared a unanimous ballot of this group.

...Rising applause ensued...

IMPERIAL SIR WECK: I further want to say that you Representatives have spoken. Now we have to get back and carry on our work for the Shrine.

I therefore move that there be a unanimous ballot cast.

...The motion was severally seconded and, there being no discussion, was voted upon and declared to be unanimously carried...

IMPERIAL POTENTATE MORRISON: I will recognize Imperial Sir Claypool.

IMPERIAL SIR CLAYPOOL: Nobles, I thank you for your consideration of this matter and I can assure you that Warren and I and Dr. H'Doubler are going to do everything in our power to do the thing that you have voted here today and we will support your decision here. (Applause)

IMPERIAL POTENTATE MORRISON: Thank you. I will now recognize Past Imperial Potentate, Tom Melham.

IMPERIAL SIR MELHAM: If there is any doubt among any of you, may I tell you clearly and without any reservation, the decision has been reached and I, as an Imperial Officer, will carry it out to the best of my ability. (Applause)

IMPERIAL POTENTATE MORRISON: Thank you, Tom.

IMPERIAL POTENTATE MORRISON: Now, Nobles, I will call on the Chairman of the Finance and Accounts Committee. I do have to have a report from the Finance and Accounts Committee before we can take a vote. I will recognize Noble Robert Vetter.

NOBLE VETTER: Imperial Sir, Imperial Sirs and Imperial Representatives: This report concerns the resolution providing for the acquisition of a tract of land in Tampa, Florida. Its approval would increase the 1978 Building and Equipment expenditures of the Colorado Corporation by \$500,000.00. This added expenditure would create an estimated deficit for the year of approximately \$200,000.00. However, the Building Account of the Colorado Corporation has a fund balance, as of January 1, 1978, of \$18,444,803 and thus funds are available. (Laughter)

This is respectfully submitted by the Finance and Accounts Committee.

Imperial Sir, I would move that this report be received.

IMPERIAL POTENTATE MORRISON: Thank you, Bob.

By general consent, your report is declared to be received, is that correct, Nobles? ... Cries of "right" ...

IMPERIAL POTENTATE MORRISON: Now, Nobles, we will vote on the resolution as presented by Imperial Sir Bracewell. You heard the resolution and know what it is and Jurisprudence and Laws has reported to you that it is in proper form.

All in favor of this resolution will signify by saying aye; opposed nay. It is carried. Thank you.

I will now call on Imperial Sir Walker Kisselburgh from Los Angeles, California.

IMPERIAL SIR KISSELBURGH: Imperial Sir, Imperial Sirs, Illustrious Sirs and fellow Representatives: I am privileged to present a resolution concerning Shriners Hospitals for Crippled Children in the Colorado Corporation as follows:

"FURTHER RESOLVED, that the 1978 budget of this corporation be amended as required for prospective expenditure in 1978;

"FURTHER RESOLVED, that the Board of Directors be hereby authorized to provide for the transfer of the international headquarters of this corporation into such building upon the completion of its construction."

Imperial Sir, I would move for the adoption of this resolution.

NOBLE VETTER: Imperial Sir, Imperial Sirs and Imperial Representatives: This report concerns the report of the Mileage and Per Diem Committee of the Iowa Corporation, A.A.O.N.M.S.

The expense of the mileage and per diem of this Special Session will be approximately \$369,219, chargeable in the year 1978. This expense will create an estimated deficit for the year of approximately \$345,069. However, the Iowa Corporation has a fund balance, as of January 1, 1978, of \$5,060,169 and, therefore, the funds are available.

This is respectfully submitted by your Finance and Accounts Committee.

Imperial Sir, I would move that this report be received.

...The motion was severally seconded...

IMPERIAL POTENTATE MORRISON: All in favor say aye all opposed nay. I declared the motion carried.

IMPERIAL POTENTATE MORRISON: Our Imperial Treasurer and Imperial Sir Melham, wishes to speak.

IMPERIAL SIR MELHAM: Maybe I am old and forgetful but I am asking for an understanding relative to your letter, Imperial Sir, that called this meeting.

As I understood it, it was \$45 for one day and I assume that meant for all of us. Please answer my question.

...Cries of "right"...

IMPERIAL POTENTATE MORRISON: I think that was what was said, was it not?

I will ask Bob Turley to approach the microphone.

NOBLE TURLEY: The called for Session says it was a one-day Session and that the rate of mileage and per diem would be \$45 a day as prescribed in the By-laws. The report of the Mileage and Per Diem Committee recommends paying the Jurisprudence and Laws Committee for two extra days because they came for two extra days—came two days early in order to go over the resolutions and it has been the custom of the Imperial Council in the past where committees come in advance, committees such as the Finance and Accounts Committee, Jurisprudence and Laws and other committees, to pay those Representatives who have come in early because of committee meetings their per diem for the extra days that they attended the Session.

Does that answer your question?

IMPERIAL SIR MELHAM: May I have the floor again, Sir?

IMPERIAL POTENTATE MORRISON: Certainly, you may have all the time you desire.

IMPERIAL SIR MELHAM: I think this applies to you, Imperial Sir. This was a Special Session and if I understood your language in your letter, it indicated this was a one-day affair for everybody. Now, correct me if I am wrong.

...The question was severally called for at this point...

IMPERIAL POTENTATE MORRISON: I believe that Bob Turley has given you the explanation in my behalf. Now, I will put this to a vote.

All in favor of receiving Bob Vetter's report indicate by saying aye; opposed nay. It carries.

All in favor of the report of the Mileage and Per Diem Committee as presented by Imperial Sir Anthony indicate by saying aye; opposed nay. It is carried.

I would now like to call on Imperial Sir Hogan H'Doubler.

IMPERIAL SIR H'DOUBLER: Imperial Sir, Imperial Sirs, Illustrious Sirs and fellow Representatives: I think we must all congratulate Randy Thomas and his Committee for having done an excellent job with regard to this presentation. Some were not in agreement but obviously the vast majority were.

Therefore, I also want to commend all of you for your Masonic conduct in listening to both sides. You are to be commended. Everybody is to be commended and I urge that when we leave here today that we all go out as a united front.

Thank you very much. (Applause)

IMPERIAL POTENTATE MORRISON: Thank you, Hogan, for those kind remarks.

Now, Nobles, we are going to wind this up very shortly but I do want to show you here (indicating) a check for \$25,000 presented to me by Noble George Ingram in behalf of the efforts of the Nobles of Al Azhar Temple in Calgary, Alberta, Canada.

This is presented to me as Imperial Potentate for the Hospital fund. George, will you stand up and take a bow. (Applause)

Thank you very much and I know that all these Nobles appreciate things like this going on.

NOBLE VAUGHAN [Kazim Temple]: Imperial Sir, I would like to thank those present here today for one of the best presentations of anything I have ever seen done. Now, one final thought is that I hope, as time goes on, that we will get to see drawings and pictures of what it is we are going to have here in Tampa.

Thank you very much. (Applause)

IMPERIAL POTENTATE MORRISON: I am sure that will be done in due time.

Now, Nobles, I have a couple of announcements that I would like to make at this point.

I want to thank very much, Illustrious Sir Keel, the Potentate of Egypt Temple, his Divan, the Past Potentates and all of the members of Egypt Temple that worked so hard for this meeting and gave us this fantastic help in the manner in which they have done so.

Let us give them all a big hand, please.

... Rising applause ensued ...

IMPERIAL POTENTATE MORRISON: I also want to thank a couple of other gentlemen.

Ralph Chapman and the Chamber of Commerce of Tampa. Is Ralph here? Well, anyway, I would like those thanks to be on the record.

I also want to thank Noble Lang, a Past Potentate of Egypt Temple, for his unselfish dedication in carrying out all of the tasks that he was asked to perform, many times by the Committee and at a sacrifice of his own business operations and time.

Stu, are you here? (Applause)

Now, does anybody have anything to say for the good of the Order? Now, I want you to hear from the Transportation Chairman, Ernie Green. Where are you, Ernie? Are you going to give them any instructions?

... At this time Noble Green outlined the instructions for transportation back to the various hotels and to the airport ...

IMPERIAL POTENTATE MORRISON: Are there any questions about this?

If not, I am going to call on Reverend Norton for the Benediction.

REVEREND NORTON: Heavenly Father, may we never stand so tall that we cannot stoop to help our fellowman and now may the good Lord guide you safely on your way back and may we meet again here in His wonderful fellowship. May the good Lord bless you and keep you. Amen.

IMPERIAL POTENTATE MORRISON: Thank you, Reverend and, Nobles, thank you very much for your cooperation.

I now declare this meeting closed.

... Whereupon, at one-fifty-five o'clock p.m., the meeting was adjourned ...

Thou holy and lofty one who dost inhabit eternity, we thank Thee for the endless line of splendor that brings us to the drama and the dignity of this moment.

We know that we live in the present, we dream of the future, we learn from the past.

We thank Thee, O God, for the goodness and greatness of the past that is our noble heritage. We thank Thee for the bright shining hope of the future but, most of all, O God, we thank Thee for this brief shining moment which we call "now".

We invite Thy spirit into all of our deliberations and we dedicate our efforts to help relieve the giant agonies of the suffering of the world.

All this we pray in Thy name and to Thy great glory. Amen.

DIRECTOR GENERAL MORRISON: Please be seated.

I now declare the 104th Annual Session of the Imperial Council duly opened.

Let us give a nice round of applause to the Moslem Temple Band for their wonderful entertainment prior to the opening and their assistance in receiving dignitaries. The director of the Band is Mike Pesamosky. (Applause)

Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Illustrious Sirs, Distinguished Guests, Nobles and Ladies: As Director General of the 104th Imperial Council Session. I want to thank you and welcome each of you to the Public Opening of this Imperial Session.

I wish to take this opportunity to thank the Governor of the State of Michigan, the Mayor and Officials of the City of Detroit and the Convention Bureau of our City for their cooperation, courtesies and the assistance which they rendered to us in the past two years during which we have been planning, organizing and preparing for this Convention.

The last time that the City of Detroit and Moslem Temple had the opportunity to host a National Shrine Convention was back in 1956. That Convention still lives in our memories and it was not a difficult task to reach back and put together a great staff of committee persons who have worked hard to make your stay a memorable one.

A special thanks goes to Moslem Temple's Potentate, Divan and Nobility for the wonderful spirit of cooperation.

To our Imperial Potentate, Fred R. Morrison, I will always be grateful for appointing me as Director General of this 104th Imperial Council Session.

Before we know it, the next four days, which will certainly be busy ones, will have passed and the 104th Imperial Council Session will have come to a close.

I trust that when this time comes that you can sincerely and genuinely say "I have enjoyed the Convention and much was accomplished for the good and betterment of Shrinedom."

Again I say, welcome, and thanks for attending. (Applause)

We are privileged to have with us today some distinguished leaders from government, Masonry and the Shrine and it is my pleasure now to introduce them to you at this time.

It is first my pleasure to introduce to you the Illustrious Potentate of Moslem Temple, Billy D. Semanson. (Applause)

ILLUSTRIOUS SIR SEMANSON [Moslem Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs, Illustrious Clergy, Nobles and Honored Guests: As the Illustrious Potentate of Moslem Temple, your host Temple and on behalf of its 11 county jurisdictions, we welcome you to this 104th Imperial Council Session of the A.A.O.N.M.S.

We of Moslem Temple are justly proud of our Imperial Sir Fred as the Imperial Potentate of the Shrine of North America and also of his son, Fred Morrison, Jr., the Director General of this Convention.

America needs the Shrine for everything the Shrine does and stands for is truly American. It believes in free schools, good education, personal and individual liberty and in the principles of free government.

It does not tolerate the dictator, does not condone the oppressor and does not believe in usurping the right to the pursuit of happiness.

It instills in your blood the free spirit of the Shrine.

It believes in the brotherhood of man and the fellowship of God.

It gives to its Nobles the courage of patriotic service, reverence for the laws of this country and grants to them the realization that every Noble is a man.

It will continue to grow because I care; it will continue to grow because we care; it will continue to grow because you care.

Thank you very much. (Applause)

DIRECTOR GENERAL MORRISON: Thank you, Illustrious Sir.

We are likewise elated to have with us the Mayor of our host city. This is the Motor Capitol of the World and we have, quite frankly, an outstanding Mayor.

I would like to present to you The Honorable Coleman A. Young, Mayor of the City of Detroit. (Applause)

THE HONORABLE COLEMAN A. YOUNG [Mayor, City of Detroit]: Thank you very much, Mr. Director General.

To the Imperial Potentate, Governor, the rest of the Imperial Officers, Delegates and Members here at your Imperial Council Session, let me say it is certainly a great pleasure for me as the Mayor of this great city to welcome you to Detroit.

Your great Convention, which is undoubtedly one of the greatest and certainly one of the most colorful conventions in this nation, means an awful lot to this city.

At this time, I would like to extend the gratitude of our citizens to your Imperial Potentate, Fred R. Morrison, for his efforts in bringing this important Convention to our city.

You know, some four years ago, when we first started talking about the possibility of having this Convention here, this great city was on its knees.

We were in the midst of one of the worst economic recessions that this country has known in this century. What to most of the nation was a "recession" was to us a "depression".

We were building and we had confidence and, further, you are here, which shows that you likewise had confidence.

On behalf of the people of my city, I want to thank you and want you to know that as you go among our people in our streets and various places, you will find that extra degree of warmth which would greet a very full and respected friend.

Thank you so much for coming. (Applause)

DIRECTOR GENERAL MORRISON: Thank you, Mayor Young.

We are indeed honored to have with us this morning the Governor of the Great State of Michigan. I am now pleased to present the Honorable William G. Milliken.

THE HONORABLE WILLIAM G. MILLIKEN [Governor, State of Michigan]: Thank you very much.

Imperial Potentate, Imperial Sirs, Ladies and Gentlemen: Let me say, on behalf of all the nine million people of Michigan, that we welcome you here very warmly to our State and to the great City of Detroit.

This is, as the Mayor has already indicated, the largest single convention that we have had ever in Detroit and in Michigan and, I understand, the largest convention anywhere in the United States and, for that and for your presence, we are indeed very, very grateful.

I want to commend Imperial Potentate Fred Morrison, Sr., who was so instrumental, as Mayor Young has indicated, in bringing this Convention to Detroit.

During his term as Imperial Potentate, his theme has been, as you know, "I am Proud to be a Shriner".

Well, I want to say that we in Michigan are proud that Fred Morrison is in Michigan and are proud of the commitment that he has made to the service of others and to the future of this great City of Detroit.

Your organization is a very unique organization, one which has a good deal of fun and fellowship while carrying out the world's greatest philanthropy.

Since the first Shrine Hospital was begun in 1922, more than 200,000 children have been cared for in your 21 Hospitals. Each of these children had nowhere else to go because they could not afford to pay for the treatment concerning their physical disability or burn and without the Shrine, as I say, they would have had no place to go.

The fact that you carry on this good work totally independent of any governmental or private agency, that you raised more than \$43 million in operating expenses last year alone and that only one percent of that total is used for administrative costs, all of this is truly a remarkable feat.

You are to be commended and admired for your commitment.

Now, I also know that you have a very busy schedule ahead of you with both Business Sessions, Parades and Competitions, for which you have become famous. I hope, however, that you will spend some time this week and get out around the Southern Michigan area and to get to know us a little better.

You will find an area which has experienced and continues to experience its share of problems but which is coping with those problems with optimism and a vigor which is unsurpassed.

You will find that this area, this State, offers much to the visitors as any other place in the country, whether you are interested in recreation, museums, cultural attractions or sporting events.

Just as you are justifiably proud that you are Shriners, we are proud to be from Michigan and we are proud that we can serve as host to the A.A.O.N.M.S. this week.

I hope again, on behalf of the over 9 million citizens of the State of Michigan that your time here is very fruitful and very enjoyable.

Thank you very much. (Applause)

IMPERIAL POTENTATE MORRISON: Ladies and gentlemen, I know the Governor has a very busy schedule, the same as we do and so let me say to you, Mr. Governor, we are very appreciative that you planned and came here and were with us this morning.

As I say, we know you have a busy schedule and if you would like to leave, you certainly are welcome to do so.

Let us have a rising applause for our Governor. (Applause)

DIRECTOR GENERAL MORRISON: And now, Nobles and Guests, I am going to tear up my script because the Honorable Mayor of this City would like to come to the podium.

MAYOR YOUNG: Ladies and gentlemen, this comes as almost as much a surprise to me as it does to Mr. Morrison, I believe, but as a token of the great esteem in which we hold you here in our City, Mr. Morrison, I would like to present you with the beautiful painting of the Detroit Renaissance. Again, I present this to you in recognition of your presence here this year at your 104th Imperial Council Session. Congratulations.

... Presentation of painting and applause ensued...

DIRECTOR GENERAL MORRISON: I am informed by the Mayor that there is a line waiting in his office. (Laughter) As a matter of fact, he is the only one that has the key. (Laughter)

Therefore, he has asked that he be excused and, as he is leaving here, how about a rising ovation for the Mayor of the Great City of Detroit.

... Rising applause ensued...

DIRECTOR GENERAL MORRISON: And now, ladies and gentlemen, I am honored at this time to introduce and present the current number one Mason in this jurisdiction. An able leader and a wonderful individual. A good friend of our Imperial Potentate and, further, I am delighted to say that he is a member of Moslem Temple.

I present the Grand Master of Masons of the State of Michigan, Most Worshipful Brother Holm A. Swenson.

... Rising applause ensued...

MOST WORSHIPFUL BROTHER SWENSON [Grand Master of Masons, State of Michigan]: Imperial Potentate Fred R. Morrison, Sr., Imperial Officers, Most Worshipful Grand Masters, Distinguished Guests, Nobles, Brethren and Ladies: It gives me much pleasure, as Grand Master of the State of Michigan and in behalf of all of the other Grand Masters present today, to welcome you to Michigan and the Nation's Water Wonderland.

It is hoped that you will take full advantage of your Michigan visit, which has become a great summer vacation center.

May I also bring greetings to you from this, the largest Masonic District in the State of Michigan. May your presence here be enjoyable and rewarding.

Thank you very much. (Applause)

DIRECTOR GENERAL MORRISON: I know that out in the audience there must be some additional Grand Masters from other states. Will you please rise and be recognized collectively.

...The assembled guests applauded as the other Grand Masters present from other jurisdictions arose...

DIRECTOR GENERAL MORRISON: Brethren, we thank you for coming and sharing with us this Session.

At this time I would like to present to you those members of the National Board of Trustees who are not Imperial Officers.

Will they please stand and be recognized as their names are called.

From Kerbela Temple, Knoxville, Tennessee, Illustrious Sir C. Howard Bozeman. (Applause)

From Arabia Temple, Houston, Texas, Illustrious Sir William E. Mattison. (Applause)

From LuLu Temple, Plymouth Meeting, Pennsylvania, Illustrious Sir Winner F. Delp. (Applause)

Thank you, gentlemen, for your presence here this morning.

It is with great pleasure that I present this next group, our leaders of past years, each of whom have contributed so much to the growth and success of the Shrine.

Will the Past Imperial Potentates please stand as their names are called and receive our applause.

Thank you, Past Imperial Sirs.

We are honored by your presence.

At this time I would like to present the current leaders of the Shrine, members of the Imperial Divan. Will they please stand and be recognized as I call their names.

And now, ladies and gentlemen, it is an honor and personal pleasure for me to present to you the number one Shriner of North America—a man who has contributed so much to the Shrine over a period of years.

I would like to present to you my father, the Imperial Potentate of the Shrine of North America, Imperial Sir Fred R. Morrison.

... Rising applause ensued...

IMPERIAL POTENTATE MORRISON: This is the greatest satisfaction you get out of all of this, believe me, when you have the gavel. (Applause)

Director General, Imperial Sirs, Distinguished Masonic Guests, Ladies and Nobles: Last year, at the 103rd Imperial Council Session held in New York City, I sat in a similar setting and listened to my son, then Potentate of Moslem Temple, nominate me as Imperial Potentate of the Shrine of North America. Today, in my home city of Detroit, as we open the 104th Imperial Session, I listen to my son, now Director General of this great Convention, introduce me again.

To his credit, he got my name right both times. (Laughter)

Seriously, his presence at both occasions represents not only his untiring support but also that of my entire family. I thank him, I thank them, but, above all, I thank my wonderful wife, Rita, whose graciousness, strength and patience have added a special beauty to this year. She has been an outstanding First Lady of the Shrine.

I think that you will have to agree that Moslem Temple, your host Temple and my own Temple since 1949 has done a terrific job.

I want everyone here to enjoy their stay in Detroit. It is a great city.

I am proud to say that I grew up here, played DeMolay baseball and basketball here, became a Mason here, became a Shriner here and raised my family here. Now my home is your home.

An Imperial Session is a time to report and reflect on the accomplishments of the past year and to plan for the next.

Rarely has there been a year like this one.

We held an historic Special Session on April 10th. There, the Imperial Representatives selected Tampa, Florida, as the site for the new Shrine Headquarters. There are no words to describe the pride I felt as I broke the ground for what I believe will be the launching pad for tremendous growth for our Fraternity.

The Shrine broke ground again on June 11th, when we turned the earth for the new \$11 million building for the Chicago Unit of Shriners Hospitals.

In another sense we broke ground last Fall when we opened the \$1.5 million second half of the research facility at the Montreal Unit of Shriners Hospitals. This facility reflects the Shrine's growing commitment to orthopedic research—an ongoing effort to find the very cause of crippling.

This year, four Shrine Temples celebrated their centennials.

A new Temple building was dedicated and another added to the roster of what are now 181 Shrine Temples throughout North America.

During 1977, Shrine Temples sponsored hundreds of fund raising events, bringing in nearly \$5 million for the Shriners Hospitals for Crippled Children.

The Shrine has experienced a tremendous year, a historic year.

It has been an incredible year for me as your Imperial Potentate.

My gratitude and pleasure for being a part of this year are profound.

At the close of the 103rd Imperial Session, I announced that my theme for the year would be "I am proud to be a Shriner".

I thought then that I thoroughly understood those seven words but I only understood in part. In many ways, my entire Imperial Year has been a process of re-learning the meaning of my own slogan.

As I traveled throughout North America as Imperial Potentate, visiting Temples, presiding over historic occasions, holding the hands of children in our marvelous Shrine Hospitals, addressing the crowd at the 53rd Annual Shrine East-West Game, attending Ceremonials, banquets and fund raising events—I began to learn.

We worked hard this year. Every single member of your Imperial Divan gave an incredible amount of time and energy to our Fraternity and its Hospitals. You can be proud of all of them.

Much has been done this year to ensure the vitality of the Shrine and its Hospitals. Much remains to be done.

I can personally testify that we have the quality of leadership throughout our organization to see that it will be done.

To you and all of the nearly one million Shriners whom you represent, I extend my personal thanks for giving me the opportunity to serve during this historic year.

I have learned much about the meaning of my slogan during my year as Imperial Potentate. My understanding has deepened but the words have become only more accurate and more meaningful.

With all of my heart, I am proud to be a Shriner.

Thank you very much.

...Sustained rising applause ensued...

DIRECTOR GENERAL MORRISON: Thank you, Imperial Sir.

The Director General's job takes a lot of time and is coming to a close because if our staff has not carried out its scheduling properly, you will know that within the next few days but there is nothing to do about it now.

To my staff, to the Representatives, to the Temples who were so cooperative with us in our endeavors here in putting together this Convention and housing our people, we are very appreciative. You are outstanding, and I thank you.

I will now call upon the Reverend Dr. Mercer for the benediction.

REVEREND DR. MERCER [Imperial Chaplain]: Let us unite our hearts in prayer.

And now, unto Him who is able to keep us from falling; unto Him who is able to make each and every one of us as a prince or a princess in His sight, be under that one and everlasting God honor and glory now and forever more. Amen.

DIRECTOR GENERAL MORRISON: This marks the close of the Public Opening Session of the 104th Imperial Council Session. The Imperial Council will reconvene immediately after the close of this Session.

...Whereupon, at 9:50 o'clock a.m., the General Opening Ceremonies were adjourned...

MORNING SESSION

MONDAY, JULY 10, 1978

TEN-FORTY-FIVE O'CLOCK A.M.

The One Hundred and Fourth Annual Session of the Imperial Council, A.A.O.N.M.S. convened in the Renaissance Ballroom of the Detroit Plaza Hotel,

Detroit, Michigan, on Monday July 10, 1978, at ten-forty-five o'clock a.m., Imperial Potentate Fred R. Morrison opening the meeting.

IMPERIAL POTENTATE MORRISON: Gentlemen, will you please take your seats? We are running a little bit late.

We are going to expedite as much as we possibly can so that you will be able to have some time to yourselves.

Nobles, I would now like to call upon our Imperial Chaplain, Dr. Mercer, for the invocation.

DR. MERCER: Let us pray.

O God, our Father, we know that we live in Thy world.

We breathe Thy air, we taste of Thy bounty. We thank Thee for the glory and goodness of life and we invite Thy spirit, Thy guiding hand into our deliberations and we pray for Thy will to be done.

We ask this in Thy name and to Thy glory. Amen.

IMPERIAL POTENTATE MORRISON: Thank you, Dr. Mercer.

Nobles, I will now declare the 104th Annual Session of the Imperial Council open for business, waiving all forms and ceremonies.

Before proceeding, let me say this to you—that this is a five-day Session and not a four-day Session. This, in turn, should provide us with plenty of time to handle our legislation and, also, not hold you here until four-thirty or five o'clock. We are going to endeavor to get done as early as we can because I know that your Temples are housed in several hotels which are fifteen to twenty miles away and I also know that a lot of your Potentates and Representatives want to attend functions of your Temples. However, I am not going to tell you what time we are going to recess each day but, believe me, Nobles, it is going to be as early as possible, and with your cooperation, gentlemen, when we take on a subject, if you will not belabor the point, we will have time at this Session of the Imperial Council to do other things and not waste a lot of time.

At this time I would like to call on Roger Murdock, Chairman, Committee on Credentials, for a preliminary report.

NOBLE ROGER E. MURDOCK: Imperial Sir, Members of the Imperial Council and Representatives of this Imperial Council: I will not read all of the names but I will give you the total figures and the names will appear in the proceedings of this Session.

Representatives that are members, there are a total of 730.

Representatives that are not members, a total of 43.

Members of the Colorado Corporation only, 2.

The total is 773.

Imperial Sir, I move adoption of this report.

... The motion was duly seconded. ...

IMPERIAL POTENTATE MORRISON: You have heard the motion and the second, for the adoption of the report. Is there any discussion?

If not, all in favor will indicate by saying aye; any opposed? It is carried and so ordered.

... Business was transacted in the Colorado Corporation at this time. ...

IMPERIAL POTENTATE MORRISON: Nobles, if you will please be seated and pay attention, we will continue with our business.

Now, Roger Murdock, are you again ready with the report of the Committee on Credentials? You are not ready?

If not, let me say that I just received instructions from the Jurisprudence and Laws Committee, gentlemen, as we do every year and that is, the Potentate or the Chief Rabban or anybody that wants a picture taken with the new Imperial Potentate, we will take it over there in that (indicating) corner of the room. There will be a sign placed on the wall and when it says "Pictures being Taken" then that will be the time to get them taken. Of course the best time to get these pictures taken is when it gets a little dull up here. (Laughter)

Now, gentlemen, there is one other thing that I do want to say to you and I certainly hope it is all right.

In fact, I would like to have a motion to that effect when I am finished.

Past Imperial Potentate George Stringfellow is scheduled to be operated on next Wednesday and I would like to have your authority to send him a telegram signed by all of the Imperial Council Representatives and wishing him Godspeed, is that all right?

...The motion was severally made, seconded and unanimously carried that this be done...

IMPERIAL POTENTATE MORRISON: Thank you very much.

Let me say that Past Imperial Potentate George Stringfellow tried his very best to be here but his doctor indicated he should not come. I am assured however, that his contemplated operation is not very serious.

Well, as a matter of fact, all operations are, to some degree, serious, even when you take your dog to the doctor.

Now, Nobles, there is a quorum present and so I declare this Session open for business to be transacted in the Iowa, Colorado and all of our appendant charitable organizations or corporations and it will remain open until the Session is adjourned.

Now, I do not believe I have any vacancies that exist in committees at this time and so we have nothing to do with that particular item.

I do want to say to you, Nobles, as I have said to you before, that it has been a very fine year, a fruitful year not only for myself as Imperial Potentate but for all of Shrinedom.

All of my remarks are contained in the Annual Report and I certainly hope you will take the time to read them.

At this time, I will call on Tom Melham for the report of the Chairman of the Committee on Transactions of Imperial Officers.

...Whereupon, Imperial Sir Thomas W. Melham, as Chairman, read the report of the Committee on Transactions of the Imperial Officers as below indicated...

REPORT ON TRANSACTIONS OF IMPERIAL OFFICERS

Imperial Potentate and Nobles, your Committee on Transactions of Imperial Officers, to whom the more detailed report of the Imperial Potentate, Fred R. Morrison, was referred, submits the following recommendations.

1. That all matters relating to finance, revenue, budgets, expenditures and bonds be referred to the Committee on Finance and Accounts.

2. That all matters relative to edicts, orders, decisions and recommendations as to statutes and laws be referred to the Committee on Jurisprudence and Laws.

3. That all matters pertaining to grievances and appeals be referred to the Committee on Grievances and Appeals.

4. That all matters pertaining to dispensations and charters be referred to the Committee on Dispensations and Charters.

5. That all matters pertaining to jurisdictional lines be referred to the Committee on Jurisdictional Lines.

It is a pleasure for this Committee to express gratitude and appreciation to our Imperial Potentate, Fred R. Morrison, for his dedicated efforts expended throughout the year past in the work of our great Fraternity and the world's greatest philanthropy, Shriners Hospitals for Crippled Children.

He and his lovely wife, Rita, have never hesitated a moment in giving of their utmost in their visitations to our Shrine Temples, Hospitals and other Masonic organizations. They each deserve the sincere thanks and appreciation of all Nobles for their dedication to Shrine work and ideals. They have endeared themselves to the hearts of all with who they have come in contact.

Their year of service will long be remembered as one in which the image of our Order grew in not only the minds of all of our Nobles, but also the public as well.

We, the members of your Committee, are pleased to have had the opportunity to serve under such a fine Imperial Potentate and are delighted to make this report to the Representatives of this, the One Hundred Fourth Session of the Imperial Council and move for its adoption.

Respectfully Submitted,

... The motion to adopt the report as presented was severally seconded...

IMPERIAL POTENTATE MORRISON: We have a motion and a second before us to adopt the report as presented. Is there any discussion?

If not, all in favor indicate by saying aye; opposed no. It is carried and so ordered.

We will refer those matters to the appropriate committees at this time.

The Jurisprudence and Laws Committee will handle all legislation proposed in both the Iowa and Colorado Corporations and all resolutions.

The Time and Place Committee will consider proposals to amend Section 208.7(e), which is item 2 in the Call.

The Regalia and Emblems Committee will consider the proposal to amend Section 213.1, which is item 3 in the Call.

The Jurisdictional Lines Committee will consider the proposal to amend Section 449.3, which is item 9 in the Call.

Also, to the Dispensations and Charters Committee will go the application of Joppa Temple, U.D., for a Charter.

Now, gentlemen, I am going to call on the Chairman of the Jurisprudence and Laws Committee, Bob Turley, to explain the procedures. Please pay attention so that we do not later have any conflicts. In other words, he will explain how the proposals will be presented, how you will vote or make motions on them and, therefore, Bob, at this time, I would like to call on you to handle that order of business.

NOBLE ROBERT TURLEY: Thank you, Imperial Sir.

Imperial Sir, Imperial Sirs and Representatives: The Jurisprudence and Laws Committee will again, as in the past, report to you on the form of each proposed amendment to the By-Laws and upon its consistency with other provisions of the By-Laws and the Articles of Incorporation of the Iowa or Colorado Corporations, as the case may be.

The reports of the Jurisprudence and Laws Committee are not meant to indicate to you that the Jurisprudence and Laws Committee as such is either in favor of a proposed amendment or against it. In his capacity as a Representative, each of the members of the Committee may have strong feelings as to the merits of a particular proposal and any of us, like you, may wish to participate in the debate concerning one or more proposed amendments. In so doing, that member will speak as an individual Representative and not for the Jurisprudence and Laws Committee as such.

I would also suggest that those who have proposed amendments that are indicated in the Call, that you be prepared to come to the podium and to move the adoption of your proposal when it is reported on by the Jurisprudence and Laws Committee and then, at that time, you will be given the opportunity to make your motion to adopt your proposal and to make whatever remarks you wish to make in support of your proposal.

Finally, we hope that you will understand that the Jurisprudence and Laws Committee is prepared to answer questions concerning the legal effect of proposed legislation and we will make every effort to serve this Imperial Council Session as you see fit.

Now, are there any questions about this procedure?

If not, thank you, Imperial Sir.

IMPERIAL POTENTATE MORRISON: Thank you, Bob.

I would now like to call on George Saunders for the purpose of announcements and reports on absentee members and Emeritus Representatives of the Imperial Council.

IMPERIAL SIR SAUNDERS: Imperial Sir and Imperial Representatives: It is not possible to tell you at this particular time the absentee officers and Emeritus Representatives until we receive the final report of the Committee.

However, I would move at this time that the Imperial Council send a telegram of greetings to all of those absentees, the Imperials, the Past Imperials, Emeritus Representatives when we do get that information.

... The motion was severally seconded...

IMPERIAL POTENTATE MORRISON: You have before you the motion and the second. Is there discussion?

If not, all in favor indicate by saying aye; opposed?

It is carried and so ordered.

Now, I would like to call on the Jurisprudence and Laws Committee who is going to report in connection with several By-Laws amendments. Who is going to give the first report.

NOBLE THEODORE CORSONES: [Reading]

GENERAL ORDERS

THE IMPERIAL COUNCIL

of the

Ancient Arabic Order of the Nobles of the Mystic Shrine for North America (An Iowa Corporation)

GENERAL ORDER NO. 1
SERIES OF 1977-1978

OFFICE OF THE IMPERIAL POTENTATE
CHICAGO, ILLINOIS, SEPTEMBER 14, 1977

*To the Representatives of the Imperial Council, Potentates,
Chief Rabbans, Recorders, Temple Legal Counsels
of Subordinate Temples, and the Nobility of the Order:*

"ES SELAMU ALEIKUM"

In order to assure compliance by all Temples with the provisions of Section 334.2 of Article 34 of the By-laws of the Iowa Corporation, and it appearing that the interests of the ORDER and the Nobility would be well served by the issuance and observance of the following, it is ORDERED:

I. Insurance Advisory Committee

That each Temple shall appoint an "Insurance Advisory Committee" which shall consist of at least four members, three of whom shall be skilled and knowledgeable

in property and casualty matters relating to insurance and the fourth member shall be the Temple Legal Counsel.

II. Duties and Responsibilities

The Insurance Advisory Committee shall have the following duties and responsibilities:

a. Review all Temple, Shrine Club and Unit Operations and activities, including fund-raising events of any kind or nature.

b. Review, analyze and where appropriate, appraise all Temple properties, whether real, personal or mixed, (including properties held by any holding corporations and affiliated corporations operated in conjunction with the Temple) as well as Shrine Club or Unit properties.

c. Review and analyze the current Temple insurance program and all insurance policies owned by the Temple, its Clubs or Units, or any holding or affiliated corporations, to determine the adequacy and the extent of the coverage afforded by those policies in light of the guidelines established by this General Order.

d. Prepare a written report to the officers of the Temple setting forth their findings with regard to the sufficiency and adequacy of the present insurance program and their recommendations with regard to additional insurance coverage or policies necessary to assure adequate protection. This report shall include the Committee's estimate of the annual cost of the insurance program proposed and recommended. A copy of this report shall be sent to the Imperial Recorder at the time it is filed with the Temple. The report of the Insurance Advisory Committee shall be completed and submitted to the Temple officers in sufficient time for it to be available to the Chief Rabban for his use in preparation of the proposed Temple budget for the year 1978.

III. Guidelines for Insurance Coverage

The Insurance Advisory Committee shall in their review and analysis of the current and proposed insurance program for the Temple (including Shrine Clubs, Units, holding corporations, appendant and affiliated corporations) consider all Temple and affiliated bodies, operations, activities and fund-raising events. The Committee shall evaluate the Temple insurance program under the following *minimum* insurance guidelines:

a. *Policy Considerations*

Determine the advisability of securing fire and extended coverage; theft; surety bond coverage for all persons holding funds of the Temple and its collateral activities; boiler and machinery; auto comprehensive liability for both owned, non-owned, leased or hired automobiles (including bodily injury, property damage and medical payments); host liquor liability or "dram shop" insurance covering potential liability relating to the sale, consumption, use or dispensing of alcoholic beverages; fire legal liability, including explosions, for real and personal property, for premises, whether owned or leased; products liability and completed operations coverage; premises medical payments for guests or members; workmen's compensation as required by state laws, including coverage for both paid employees and "volunteer" workers; blanket contractual liability coverage for all written (oral if available) agreements; owned and non-owned watercraft and aircraft liability; parade; spectator's liability; carnival liability; and any other additional insurance coverages warranted by the operations and activities of the Temple under the circumstances.

b. *Minimum Limits on Liability*

Comprehensive-liability insurance for the Temple, Shrine Club, Units, holding corporations, appendant or affiliated corporations should have minimum primary limits of \$500,000 for each occurrence—NOTE: these primary limits may be increased depending on the operations and activities of the Temple and its appendant bodies, and the locale thereof. Great reliance should be placed upon the advice and recommendations of the Insurance Advisory Committee and Temple legal counsel in establishing policy limits. It should also be noted in establishing the limits of the

basic primary Temple insurance program that the availability to the Temple of excess liability coverage which is recommended (commonly referred to as "Umbrella" liability coverage) may be governed by an underwriting requirement that the basic primary coverage shall be a minimum of \$500,000.

c. Named Insureds

In all Casualty or Liability insurance policies written for the Temple and its appendant bodies, the following SHALL be included as an additional named insureds, only as respect to the operations and activities covered under the policies: "The Imperial Council A.A.O.N.M.S., an Iowa Corporation, Shriners Hospitals for Crippled Children, a Colorado Corporation and all its affiliated Corporations."

IT IS FURTHER ORDERED that the Potentate of each Temple is charged with the duty and responsibility of personally seeing to compliance with this General Order; and he shall cause to be sent to the Imperial Recorder on or before February 15, 1978, Certificates of Insurance on all Casualty and Liability coverage evidencing compliance with this General Order.

IT IS DIRECTED that this General Order No. 1 be read to the Nobility of each Temple at the first session following its receipt, that a record of its receipt and reading be made upon the minutes of the session at which it is read.

Given under our hands and the seal of the Imperial Council this 14th day of September A.D., 1977 and of the Order, A. H. 1397.

REPRESENTATIVES ELECTED TO EMERITUS MEMBERSHIP

Representatives for 15 years: Peter Val Preda, Cairo Temple; Roy T. Reynolds, El Bekal Temple; Roy T. Lord, Morocco Temple and Robert W. Leonard, Moslah Temple.

NEW TEMPLE

A dispensation was granted to JOPPA TEMPLE, U.D. of Gulfport, Mississippi, to become our 181st Temple.

SOLICITATION OF DEMITS

It appearing to the Imperial Potentate that the interests of the Order would be well served by the issuance and observance of the following, IT IS ORDERED:

That the proselytization of members of other Temples by soliciting them to demit from the Temples to which they belong and affiliate with Temples across state lines pursuant to § 328.6(e) is prohibited; and

It shall be the responsibility of the Potentate and the Recorder of any Temple to which such a petition for affiliation is presented to ascertain that the petitioner was not solicited.

CORPORATIONS

The Recorder of each Temple shall send to the Imperial Recorder at the close of each calendar year a copy of the audit report (preferably by a C.P.A.) and a copy of the budget report of the succeeding administration of the Temple. This also should be supplied for each and every Corporation under the Temple's control. This includes all the following types of corporations.

1. Temple Corporation and/or Temple Holding Corporation;
2. Shrine Club Corporations and/or Shrine Club Holding Corporations;
3. Any other appendant or affiliated Corporation of his Temple.

ENDOWMENTS—WILLS AND GIFTS

It appearing that the interests of all Temples, the Nobility, and Shriners Hospitals for Crippled Children would be well served by the issuance and observance of the following in connection with Shrine Hospital bequests and gifts, it is ORDERED:

Potentates and Recorders of Temples are directed to immediately notify and send full particulars to the General Counsel's Office in Chicago of all bequests and gifts of which they may obtain knowledge and which have been made to or for the benefit of Shriners Hospitals for Crippled Children, or designate in some manner crippled children or similar charitable purpose.

Potentates of Temples are further directed to inform all Shrine Clubs to follow this same procedure should the Shrine Club itself be designated in some manner as a conduit for the legacy or gift to Shriners Hospitals for Crippled Children. Such information is necessary in order that full and complete records may be maintained and so that the General Counsel may take proper steps to protect the interests of our philanthropy.

All Temples and Shrine Clubs should be aware that the only person with authority to act for Shriners Hospitals for Crippled Children are the officers of that corporation or its duly authorized representatives. Any acceptance of a distribution from an estate or trust in the form of cash or securities and the signing of a Court Receipt by a representative of the Temple or Shrine Club (which is required in each instance) may prejudice the interests of our charitable organization, as such signing constitutes a written release to the executor or trustee. Such Court Receipts, where our charity is referred to in any manner, should only be executed by authorized officers of Shriners Hospitals for Crippled Children.

Potentates and Recorders of Temples are further directed to see that their Temple counsel reviews for accuracy the subject matter of all articles scheduled to appear in Temple publications relating to ways of making charitable gifts to Shriners Hospitals for Crippled Children.

Chief Rabbans of Temples have full authority to make plans for attending this Session with the Units of their Temples, and this includes the authority for making contracts for rooms in the Detroit area as well as making contracts for transportation facilities incident to this Pilgrimage, provided, however, that such plans have been approved by a vote of the membership of the Temple in accordance with the Temple's by-laws.

The Imperial Potentate desires to bring to the attention of all Temple Officers the following:

HOUSING—Imperial Council Session in Detroit, Michigan in accordance with past and present instructions, to enable the Housing Committee of future Imperial Council Sessions to properly negotiate with hotel authorities of the city in which an Imperial Council Session will be held, and instructing all Potentates and Recorders to refrain from making housing arrangements for their units through anyone except the Convention Housing Committee—**CONTACT WITH THE CONVENTION HOUSING COMMITTEE MUST NOT BE MADE THROUGH A TRAVEL AGENCY**—and then only after an official announcement by the Imperial Potentate naming the city in which the next Imperial Council Session will be held, with the further direction that any Temple having made arrangements for housing its units in violation of this order is hereby directed to cancel same forthwith, the following order in compliance with the previous directive and expressly confirming the same, is now issued relating to the 1978 Session in Detroit Michigan.

Potentates, Recorders, and all other Nobles, are reminded that an Imperial Session must house (1) Official Imperial Representatives (2) Uniformed Units, (3) the General Nobility and (4) the general public—in that order of precedence. The official Representatives are annually paid mileage and per diem to transact the business of the Imperial Session; the Uniformed Units are present, at the expense of their respective Temples, to assure the pageantry, music and color so characteristic of the Shrine. Their housing requirements are paramount. Without the Representatives there would be no business transacted to justify the Imperial Session; without the Uniformed Units there would be no parade. It is not intended by your Imperial Potentate that the Uniformed Units of sundry small Temples are to be quartered contrary to their desires in third rate, back street hotels, merely to afford facilities for large delegations of visiting Shriners and tourist agency customers who attempt to corner the hotel room facilities to the detriment of those who make the Imperial Session possible.

Hotel room assignments at Detroit are to be obtained through the Housing Chairman. The Chairman of the Housing Committee in Detroit is Patrick B. Duthie, 434 Temple Avenue, Detroit, Michigan 48201. Telephone Area Code 313, 832-3900.

The Executive Secretary-Fraternal Affairs will handle the room assignments for the Representatives and other Temple Officers who are not Representatives, and the distinguished guests.

The Director General is requested to report to the Imperial Potentate any violations of the above directive. It is hoped that no disciplinary action will be found necessary in the case of any Potentate or any Temple violating either the spirit or the letter of this order.

RESPONSIBILITY OF POTENTATES

The Potentate of each Temple is reminded of his individual official responsibility for the operation of his Temple in accordance with the By-Laws of the Imperial Council.

IMPERIAL POTENTATE VISITATIONS

It will be the desire of your Imperial Potentate to make as many official visitations as are possible. It will also be his desire to fully co-operate with all Temples requesting visitations. The Temples will understand that it is physically impossible to make every official visitation on the requested date, but every effort will be made to accommodate.

The Imperial Potentate wants you to use his official visit for the best interests of your Temple and Shrinedom. He would like to have a short meeting with the Temple Divan and Representatives who are not members of the Divan.

It is suggested that if convenient time is available that a press conference of newspaper, radio and TV representatives be arranged for the Imperial Potentate during his official visitation.

In preparing a program for the official visit of the Imperial Potentate, it is requested that a complete resume of your Temple program and what you desire the Imperial Potentate to do, be sent to him (copy to the Executive Secretary-Fraternal Affairs) as far in advance as possible. He should be informed at what function you want him to speak and the type of audience he will have, that is, whether Shriners only, Shriners and their ladies, Shriners and Masons and their ladies, or whether he is to talk to the public. This will acquaint him with your plans and also give him the opportunity to advise you on your program.

REQUESTS FOR DISPENSATIONS

IN REQUESTING DISPENSATION FOR SPECIAL MEETINGS YOUR LETTER SHOULD BE ADDRESSED TO THE IMPERIAL POTENTATE WITH COPY TO THE EXECUTIVE SECRETARY-FRATERNAL AFFAIRS, AND BOTH LETTER AND COPY WITH ANY WAIVERS INVOLVED BE SENT TO THE EXECUTIVE SECRETARY-FRATERNAL AFFAIRS.

PROPER DISPLAY OF 3 NATIONAL FLAGS

Each Temple of the Order is instructed to provide and display at all Shrine parades and Shrine functions the three National flags under which Shrine Temples, chartered by the Imperial Council operate, i.e., United States, Canada and Mexico.

These three National flags should also be properly displayed at all Shrine meetings. **NATIONAL FLAGS SHOULD NEVER BE DIPPED AT ANY TIME.**

Information concerning the proper display of these national flags may be obtained from the Office of the Executive Secretary-Fraternal Affairs.

A SPECIAL NOTE FOR COLOR SQUADS

IMPORTANT

It is noted that some Color Squads dip the Canadian and Mexican flags in salute at the reviewing stand. **THIS IS NOT PROPER.** No National flag is to be dipped at the reviewing stand. Please inform your flag bearers so this disrespect to National flags will be eliminated. All flags, other than National flags, may be dipped.

THE IMPERIAL COUNCIL

SHRINE PROTOCOL

All Temples are urged to use the provisions of this section of Shrine Law which will be found in the forward eight pages of your Imperial Council Directory. This is a guide which should be used at all times. It will bring order out of chaos in setting up any Shrine activity, be it parade—meeting—banquet—seating arrangement, or program of any kind. It explains the rank and proper position of officers, organizations, dignitaries, visitors, etc. Please use it and eliminate confusion and embarrassment and hesitation. You can be positive if you study, understand and use this system of protocol adopted by the Imperial Council. If you have any questions please write the Imperial Recorder. **AT SHRINE ACTIVITIES, MASONIC DIGNITARIES ARE GUESTS. THEREFORE PROTOCOL REQUIRES THAT THE HIGHEST RANKING SHRINE OFFICER BE INTRODUCED AND SPEAK LAST.**

IMPORTANT

In order to eliminate problems it is suggested that Chief Rabbans submit their plans and information on their proposed fund-raising activities for their administration to the Temple membership at a meeting and proceed in accordance with the vote of the membership.

TOURS AND CRUISES INSTRUCTION

1. The Potentate of any Temple which intends to sponsor a tour, shall give notice in writing to the Executive Secretary-Fraternal Affairs of such intent; and the notice shall include the proposed dates and itinerary of such tour. This provision shall not apply to those pilgrimages which are limited to Shrine Association Meetings and Imperial Council Sessions, and return.

2. No tour, the itinerary of which includes any point outside the continental United States, Canada, or Mexico, shall be scheduled for dates which will conflict with the dates of either the Imperial Council Session or the Imperial Potentate's tours and cruises.

3. The Potentate of any Temple which intends to sponsor a tour, the itinerary of which includes any point outside the continental United States, Canada, or Mexico, shall be responsible for seeing that such tour is made in strict compliance with all public laws and governmental regulations, including the regulations of the Civil Aeronautics Board.

4. The Potentate of any Temple which intends to sponsor a tour, the itinerary of which includes any point within or without the continental United States, shall be responsible for seeing that the promotional material for such tours shall clearly state the limits of liability of the carrier and/or its insurer for injury to and loss of life of each passenger, the total for each occurrence, and for damage to or loss of personal property.

5. All pilgrimages tours and cruises when sponsored by a temple or otherwise identified with the Order are "public appearances." Such public appearances are not permitted in any place until notice of such appearance has been given to the Potentate of the Temple having jurisdiction of the territory where such public appearance is to be made. The notice hereby required shall be given at least ten days in advance of each public appearance.

6. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see that the attorney for the Temple is consulted as to the legality and sufficiency of all contracts and other documents required to be executed with respect to such tour or cruise.

7. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see the fiscal responsibility of the tour agent handling the tour or cruise; and he may satisfy this requirement by either (1) requiring a performance bond of the tour agent, or (2) making provision for the deposit of tour receipts in an escrow account of which he himself has at least partial control.

8. No tour or cruise may be sponsored by any Temple unless the proposal therefor

has been first approved by the members of the Temple at a stated meeting after a full and fair disclosure of all terms of the proposal, including the nature and amount of any personal profit or gain to be realized or enjoyed by any member of the Temple. For the purposes of this paragraph, complimentary or reduced fares, hotel accommodations, or other benefits for himself or any member of his family shall be considered to be profit or gain.

9. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see that a full and fair accounting of all receipts, disbursements, and profits or losses realized from such tour or cruise be made to his Temple no later than its second slated session next following the conclusion of the tour or cruise; and a copy of such accounting shall be furnished at the same time to the Executive Secretary-Fraternal Affairs.

10. Tours and cruises sponsored by Shrine Clubs, Units or other organizations affiliated with or appendant to any Temple shall be considered as having been sponsored by such Temple and shall be subject to all of the terms and provisions of this General Order.

11. Tours and cruises sponsored by Associations of Temples, Associations of Units, and other organizations not affiliated with or appendant to any Temple shall be subject to all of the terms and provisions of this General Order in the same manner as if they themselves were Temples; and the President or other chief executive officer of any such group which intends to sponsor at tour or cruise shall have the same responsibilities as those of the Potentate of a Temple which intends to sponsor a tour or cruise.

SPECIAL PURPOSE FUNDS

Inasmuch as Shriners, Hospitals for Crippled Children are the primary charitable concern of the Order, it is necessary that the Imperial Council exert every effort to insure that Shriners Hospitals for Crippled Children are financially stable and have adequate funding for operational needs. The reports of the Special Funds and Entities Committee have indicated to the Imperial Potentate and the Board of Directors that some Temples, either directly or through special purpose funds, have accumulated funds and assets which are in excess of amounts reasonably needed for local purposes such as transportation of patients and could be better utilized for our orthopedic hospitals and burns institutes if they were administered together with the other endowment funds and accounts of Shriners Hospitals for Crippled Children.

It therefore appearing that the interests of the Order would be well served by the issuance and observance of the following, IT IS ORDERED:

1. Neither the Temples nor their Shrine Clubs, nor their Units, nor their members shall solicit charitable gifts or bequests for any purposes, organizations, or charities other than Shriners Hospitals for Crippled Children; except only that, with the prior written consent of the Board of Directors of the Iowa Corporation, a Temple may maintain a fund for transportation of patients, purchase of braces and prostheses, or like purposes, subject to the following provisions of this General Order.
2. All receipts, disbursements, funds and assets related to charitable activities shall be clearly designated and classified as such in the books of account of all Temples, Temple-affiliated corporations, Shrine Clubs, Uniformed Units, committees, boards, or other entities subject to the supervision or control of any Temple; and such books of account shall be audited annually in a manner consistent with the requirements of Section 334.5 of the By-Laws of the Imperial Council.
3. The custody and administration of all charitable funds and assets under the control of any Temple, including those of Temple-affiliated corporations, Shrine Clubs, Uniformed Units, committees, boards and other entities subject to the supervision or control of any Temple, shall be the responsibility of the same Temple Officers, committees, or boards who are charged with the custody and administration of the general funds of the Temple.
4. Any Temple may be required by the Imperial Potentate to show cause why any part of its charitable funds or assets not reasonably needed for purposes

permitted under Paragraph 1 hereof should not be transferred to Shriners Hospitals for Crippled Children; and the Board of Directors of the Iowa Corporation shall have the power to require the transfer to Shriners Hospitals for Crippled Children of any such charitable funds or assets not reasonably needed for the purposes permitted under Paragraph 1 hereof after the Temple has been given a reasonable opportunity to be heard by the Board of Directors or by a committee thereof with respect to the matter.

LOTTERIES AND RAFFLES

It has come to the attention of the Imperial Potentate that one or more Temples and several Shrine clubs have recently promoted lotteries or raffles. Federal law in the United States prohibits the use of the mails for lotteries or raffles and the practice is also contrary to state law in most states. Attention is invited to § 335.1 of the Imperial By-laws which makes such a practice contrary to Shrine law as well.

ADORNMENT OF FEZZES

Your attention is called to § 213.1 of the Imperial By-laws, which deals with the fez and which reads as follows, viz:

§ 213.1 FEZ.

The exclusive head covering of the Order shall be the red Moroccan fez with a black tassel.

(a) Jewel and Name of Temple. The name of the Temple of which the Noble is an active member, together with a facsimile of a scimitar and that portion of the jewel of the Order consisting of the crescent, sphinx head and star may be embroidered on the fez with gold or silver bullion or silk.

(b) Titles. The Imperial Chaplain, Potentates, Past Potentates, Recorders and Divan members may have their titles embroidered in small letters in gold or silver bullion or silk beneath the emblem on the fez. Active members of official uniformed units of a Temple may likewise have the names of their units beneath the emblem on the fez.

(c) Imperial Officers. The Imperial Potentate shall have a row of 5 gold stars beneath the emblem on his fez. Each Past Imperial Potentate shall have a row of 5 stars, the 2 outermost of silver and the other 3 of gold. Each of the other Imperial Officers, past or current, shall have a row of 3 gold stars beneath the emblem on his fez.

(d) Adornment. The embroidery on the fez may be adorned with rhinestone jewels of a size no larger than the those officially recognized by the Imperial Council as number 12. One pin may be used to hold the tassel in place.

(e) Fez, how and when worn. The fez shall be worn in its proper shape without crushing, creasing or alteration; and no device, ornament, title, wording or adornment other than that permitted by this section may be used on the fez. The fez may be worn only at meetings and gatherings of Nobles held under the authority of some legal body of the Order. It may not be worn when or where prohibited by the Imperial Potentate.

The Potentate of each Temple is hereby requested to notify the members of his Temple of the provisions of § 213.1 and to encourage strict compliance therewith.

SHRINE PINS

Shrine Law, Section 213.4 Jewel, states—

"The Jewel of the Order is the Crescent, formed of 2 nails from a tiger's paw, united at their bases with a band of gold, with a ring at the base from which it is suspended with the points downward. The gold band is decorated with the Sphinx Head on one side and a Pyramid with Urn on the other; and engraved upon its sides are the name of its owner and the date he received the Order. Inside the circle is the word 'Allah' and the motto 'Robur et Furor.'

Every Noble is entitled to wear the Jewel. The Jewel may not be combined with emblems of any other organization, either Masonic or profane."

Nobles are reminded that the Shrine pin they wear is a miniature of this jewel and may not be combined with other emblems or worn any way but with the points downward.

GENERAL ORDERS No. 4
SERIES OF 1977-78

OFFICE OF THE IMPERIAL POTENTATE
MARCH 23, 1978, CHICAGO, ILLINOIS

*To the Representatives of the Imperial Council, Potentates, Records of the
Subordinate Temples, and the Nobility of the order:
"Es Selamu Aleikum"*

TAX RETURN INFORMATION—RECORDS AND REPORTING

The Internal Revenue Code affects United States Shrine Temples and their title holding, affiliated and appendant corporations. Informational tax returns are required and the Unrelated Business Income Tax applies. There are penalties for failure to file returns; and the penalties are assessed by the government against the person or persons in the Temple who are responsible.

The following General Orders shall be implemented immediately by the Potentate of each United States Shrine Temple and thereafter read to the Nobility of each Temple in accordance with the last paragraph hereof.

It appearing that the interests of the Order would be well served by the issuance and observance of the following, it is ORDERED:

1. That each Temple shall appoint Legal Counsel and an independent Auditor whose names and addresses shall be immediately furnished to the Imperial Recorder.
2. That all U. S. Temple Potentates shall see that their Temple independent Auditor and Legal Counsel are immediately furnished with a copy of this General Order.
3. That all Potentates shall see that all title-holding corporations, Units, Shrine Clubs, Shrine Club Holding Companies, and other appendant and affiliated organizations of the Temple maintain adequate accounting records of all financial transactions.
4. That all U. S. Temple Potentates shall ascertain the need for and, *where necessary*, secure a separate Employer identification number of the Temple, its title-holding corporations, Units, Shrine Clubs and other affiliated and appendant organizations.
5. That each U. S. Shrine Temple shall secure information on the financial transactions of their Units and Shrine Clubs for the year 1977, regardless of the amount of their annual gross receipts. For the year 1977, *two* informational tax returns will be required from each U. S. Shrine Temple, one of which would cover the financial transactions of the Temple and all of its Units with the second return to be labeled a "group return" being a consolidated return covering all the financial transactions of its Shrine Clubs, separately scheduled. See Recorder's Office Manual for sample suggested 990 I.R.S. forms. The informational tax return filed would include those Shrine Clubs which are separately incorporated and/or previously had their own federal tax-exempt status before being included under the modified group

tax exemption ruling of The Imperial Council, A.A.O.N.M.S. The return shall not, however, include those Shrine *Units* which are now separately incorporated and/or have their own federal separate tax-exempt status. For informational tax return purposes, each Temple constitutes a "central organization" for purposes of Section 6033 of the Internal Revenue Code and *shall be required to file a group informational return* described in Regulation Section 1.6033-2(d).

6. That by reason of a Treasury Department Revenue Ruling dated October 12, 1973, which had modified the group ruling letter to The Imperial Council, A.A.O.N.M.S., dated April 29, 1971 (copies of which rulings have been previously furnished to all U. S. Temples and can be found in the Recorder's office manual) it has the effect of recognizing the exemption of your Shrine Clubs under The Imperial Council's group ruling exemption letter, *effective January 1, 1970*, provided a complete listing of your Shrine Clubs was heretofore timely furnished to The Imperial Council for appropriate filing with the Internal Revenue Service.
7. That all Temple title-holding corporations, all Shrine Club Holding Companies, and all other appendant and affiliated organizations which are required by law to file tax returns or informational returns do so timely and with the advice and assistance of the Legal Counsel or independent Auditor who prepares the Temple informational tax return.
8. That if a subordinate Shrine Club covered by group exemption letter fails to comply with Section 6001 or 6033 of the Code and the regulations thereunder (for example, by failing to have its financial statements included in the Temple's group 990 tax return, as required) and the Internal Revenue Service terminates its recognition of exempt status by notice to the Temple as the "central organization", such Temple shall immediately advise the Executive Secretary-Fraternal Affairs and enclose a copy of the termination letter.
9. That copies of all Temple returns and returns of all Temple-related organizations shall be sent to the Executive Secretary-Fraternal Affairs at the same time they are filed with the Internal Revenue Service; and they shall be accompanied by a certification of the Potentate and either the Temple's Legal Counsel or independent Auditor that they are true and complete to the best of their knowledge and belief.
10. That the Potentate of each Temple is charged with the duty and responsibility of personally seeing to compliance with this General Order.

Individuals required to pay U.S. income taxes are entitled to list certain charitable contributions or gifts as deductions on their income tax returns. Under the proper circumstances, contributions or gifts made to Shrine Temples may be included in the list of deductible charitable contributions. By the terms of § 170 (c) (4) of the Internal Revenue Code, deductibility is recognized for a contribution to "a domestic fraternal society. Order, or association, operating under the lodge system, *but only if such contribution or gift is to be used exclusively for religious, charitable, scientific, literary, or educational purposes, or for the prevention of cruelty to children or animals.*"

In the Internal Revenue Code Regulations as to the annual informational return (Form 990) required to be filed by all United States Shrine Temples, the following statement appears:

Organizations described in section 501 (c) (8) or (10) that receive contributions or bequests to be used exclusively for purposes described in section 170 (c) (4), 2055 (a) (3), or 2522 (a) (3), must attach a schedule with respect to all gifts which aggregate more than \$1,000 from any one person showing the name of the donor, the amount of the contribution or bequest, the specific purpose for which such amount was received, and the specific use to which such amount was put. In the case of an amount set aside for such purposes, the organizations shall indicate the manner in which such amount is held (for instance, whether such amount is commingled with amounts held for other purposes). If the contribution or bequest was transferred to another

organization, the schedule must include the name of the transferee organization, a description of the nature of such organization, and a description of the relationship between the transferee and the transferor organization.

It appearing that the interests of the Order would be well served by the issuance and observance of the following, it is ORDERED:

1. That each United States Temple shall comply with the specific reporting instructions and requirements referred to above in filing their annual (Form 990) return.
2. That each United States Temple shall keep and maintain a separate set of financial records and a separate bank account for the receipt and disbursement of all contributions to the Temple which qualify as deductible contributions under § 170 (c) (4), 2055 (a) (3) or 2522 (a) (3), of the Internal Revenue Code.
3. That, notwithstanding the provisions of paragraph 2, the annual levy for the support of Shriners Hospitals for Crippled Children remains subject to the provisions of § 332.3 of the Imperial by-laws and shall still be treated as a segregated trust fund.

IT IS DIRECTED that this General Order No. 4 be read to the Nobility of each Temple at the first session following its receipt, that a record of its receipt and reading be made upon the minutes of the session at which it is read, and that a copy be furnished by the Recorder of each Temple to the head of each uniformed unit and club of his Temple.

Given under our hands and the seal of the Imperial Council this 23rd day of March, A.D., 1978 and of the Order, A. H. 1398.

GENERAL ORDERS No. 5
SERIES OF 1977-1978

OFFICE OF THE IMPERIAL POTENTATE
JUNE 5, 1978, CHICAGO, ILLINOIS

CALL FOR THE ANNUAL SESSION OF 1978

*To the Representatives of the Imperial Council, Potentates
and Recorders of Subordinate Temples, and the Nobility of the Order:*

"ES SELAMU ALEIKUM"

You and each of you are hereby notified that the One Hundred and Fourth Annual Session of the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America will be held in Detroit, Michigan on the

dates of July 10, 11, 12, 13 & 14, 1978. The PUBLIC OPENING Session will be held in the RENAISSANCE BALLROOM OF THE DETROIT PLAZA HOTEL at 9:00 A.M. on Monday, July 10, 1978. The PUBLIC is invited. The OFFICIAL OPENING will follow the PUBLIC OPENING in the RENAISSANCE BALLROOM OF THE DETROIT PLAZA HOTEL at 10:00 A.M. After the opening day the meeting schedule will be determined each day by the Imperial Potentate or the Imperial Council. The Imperial Potentate is calling this session as a five-day session and each Representative attending will receive per diem for five days, i.e., Monday, Tuesday, Wednesday, Thursday and Friday.

The Wednesday morning election of officers will be held at 9:00 A.M. in the RENAISSANCE BALLROOM OF THE DETROIT PLAZA HOTEL.

REPRESENTATIVES' HEADQUARTERS HOTEL

Representatives' headquarters hotel is the DETROIT PLAZA HOTEL. The Imperial Council Sessions and all Imperial Council Committee meetings will be held in the DETROIT PLAZA HOTEL as detailed in this General Orders.

THE OFFICES OF THE EXECUTIVE SECRETARIES OF FRATERNAL AFFAIRS AND SHRINERS HOSPITALS WILL BE IN THE BRULE ROOM ON THE FIFTH FLOOR OF THE DETROIT PLAZA HOTEL, AND THE OFFICE OF THE GENERAL COUNSEL WILL BE IN THE RAPHAEL ROOM ON THE FOURTH FLOOR OF THE DETROIT PLAZA HOTEL.

REGISTRATION

Registration headquarters for REPRESENTATIVES WILL BE IN THE RENAISSANCE FOYER ON THE FOURTH FLOOR and will be open as follows:

Saturday, July 8	12:00 Noon to 5:00 P.M.
Sunday, July 9	9:00 A.M. to 6:00 P.M.
Monday, July 10	7:00 A.M. to 8:30 A.M.

It is suggested that it would simplify the details of registration if the Representatives of the various Temples will arrange to register at the same time, if this can be done conveniently.

Attention is called to the fact that each Representative in coming to the Imperial Council Session should not overlook his CREDENTIALS, his CURRENT CARD and his HOTEL ASSIGNMENT CONFIRMATION. If he contemplates using his Directory at the meeting, he should not neglect to bring his individual copy with him.

NOTE: EACH REPRESENTATIVE WILL RECEIVE A BOOK OF EXCHANGE COUPONS FOR THE IMPERIAL POTENTATE'S BANQUET, REPRESENTATIVES' LADIES' LUNCHEON AND REPRESENTATIVES SOUVENIR. THESE MUST BE EXCHANGED AT THE EXCHANGE DESK FOR TABLE NUMBERED TICKETS ON A FIRST COME—FIRST SERVED BASIS. IF YOU WANT TO HAVE ALL REPRESENTATIVES FROM YOUR TEMPLE SIT TOGETHER, YOU WILL HAVE TO EXCHANGE YOUR TICKETS ALL AT ONE TIME.

CHURCH SERVICE

The church service will be held Sunday, July 9, at 4:00 P.M. at The Old Mariner's Church, conducted by the Imperial Chaplain, Rev. Dr. William D. Mercer.

1978 IMPERIAL COUNCIL SESSION HEADQUARTERS

The Office of Director General Fred R. Morrison, Jr. is located at Moslem Temple, 434 Temple Avenue, Detroit, Michigan 48201. On Monday, July 3, an office will be opened for the Director General in the NICOLET ROOM ON THE FIFTH FLOOR OF THE DETROIT PLAZA HOTEL for the duration of the Convention.

BANQUETS

The Imperial Potentate's Banquet for Representatives and their Ladies will be held in the Renaissance Ballroom of the Detroit Plaza Hotel on Wednesday evening, July 12, at 7:30 P.M. Refreshments will be available at 6:30 P.M.

REPRESENTATIVES LUNCHEONS

With all the fine restaurants in Detroit within walking distance of the Detroit Plaza Hotel, it was felt that it would be better to allow the Representatives to enjoy a luncheon of their choice, and enjoy the sights and sounds of lunch time in Detroit, rather than subject them to another catered function. Therefore, the Convention Corporation is drawing a check to each Representative which will be placed in his Representative's packet to help defray the expense on the 4 days that luncheons are normally held.

REPRESENTATIVES' LADIES LUNCHEON

Representatives' Ladies' Luncheon will be held in the River Room of Cobo Hall on Thursday, July 13, at 12:00 Noon. Doors open at 11:30 A.M. Admission will be by ticket only. Each Representative's registration packet will contain an exchange coupon that must be exchanged for a table assigned ticket at the exchange desk.

You will be advised of other social affairs through the medium of a program which will be in your registration packet.

Do not fail to visit the "Shrine Market Place" in the Ontario Room of the Detroit Plaza Hotel.

SPECIAL NOTICE TO RECORDERS

In order that proper tribute may be paid to our departed Nobility, Recorders of Subordinate Temples are requested to immediately send direct to the Chairman of the Necrology Committee, c/o The Executive Secretary of Fraternal Affairs, 323 N. Michigan Avenue, Chicago, Illinois 60601, memoranda relative to the distinguished Nobles of their membership who have died since the last session of the Imperial Council. The Committee on Necrology is dependent on the cooperation of the Recorders for this information.

ARTICLE 3, SECTION 203.4 EMERITI REPRESENTATIVES

"Upon the recommendation of the Committee on Emeriti Representatives and by a majority vote of the Representatives registered at any session, the Imperial Council may elect as an Emeritus Representative any Noble who is a Representative to that session and who has been a Representative for at least 15 years, including that session."

The Executive Secretary of Fraternal Affairs shall be notified of any Representative who qualifies not later than June 5, 1978.

NOTICE TO POTENTATES AND RECORDERS

In order to expedite the preparation of the necessary reports to the Imperial Council, it would be a great accommodation if the Potentates and Recorders would forward any changes in Representatives so as to reach the Chicago office on or before June 29, 1978.

With reference to the matter of appointing Representatives, PLEASE NOTE THAT SECTION 325.14 OF ARTICLE 25 STATES "IF THE VACANCY IS IN THE OFFICE OF AN ELECTED REPRESENTATIVE, AND TIME IS NOT SUFFICIENT TO CALL A SPECIAL ELECTION THE POTENTATE SHALL APPOINT A REPRESENTATIVE, AND NOTICE OF THE APPOINTMENT, BY LETTER OR TELEGRAM, MUST REACH THE IMPERIAL RECORDER'S OFFICE BEFORE 9:00 A.M. ON THE 5TH DAY PRECEDING THE NEXT

OPENING SESSION OF THE IMPERIAL COUNCIL, IN ORDER TO QUALIFY THE REPRESENTATIVE." THIS MEANS THAT SUCH APPOINTMENT MUST BE RECEIVED BY THE IMPERIAL RECORDER ON OR BEFORE 9:00 A.M. ON WEDNESDAY, JULY 5, 1978.

PAGEANT FOR NEWLY ELECTED IMPERIAL POTENTATE

The pageant for the newly elected Imperial Potentate will take place in the RENAISSANCE BALLROOM OF THE DETROIT PLAZA HOTEL on Wednesday morning, July 12, 1978, at 9:15 A.M. immediately following the election of the Imperial Potentate. All Nobles, their ladies and friends are invited to attend and honor our newly elected Imperial Potentate.

ROLL CALL

The Imperial Potentate advises there MAY be a roll call of Representatives at any time during the sessions of the Imperial Council.

Section 205.2 of Shrine law states "Each Representative who attends a Session of the Imperial Council shall be paid per diem. . . ."

Please take due notice and maintain constant attendance at all business sessions of the Imperial Council. Mileage and Per Diem are paid for this purpose.

SPECIAL NOTICE

BE SURE TO CARRY YOUR BALLOT BOOK AT ALL TIMES

1977-78 COMMITTEE LIST

Appointed by Imperial Potentate Fred R. Morrison

There have been occasions when members of Committees of the Imperial Council have informed interested Nobles of the results or probable results of a committee's consideration of a particular meeting. Embarrassing situations have resulted.

I refer you to Section 208.8 of the Imperial Council by-laws which states "All Committee reports shall be made in writing to the Imperial Council or to the Imperial Potentate as may be appropriate under the circumstances. Probable committee action or recommendations with respect to pending matters may not be disclosed to or discussed with persons not members of the Committee, except with express permission of the committee."

The strict observance of this request will make for more efficient functioning by the Committees with respect to the matters referred to them in the carrying out of their important assignments.

(a) In order to retain membership in a Temple, a Noble must maintain the requirements of §323.3 (a), *except as otherwise provided in this section.*

If such request be filed, the Recorder shall forthwith sign a complaint against such Noble based upon the same charges as those for which his membership in the prerequisite body was lost and he shall be subject to the disciplinary procedures of Article 30. During the pendency of the proceedings under Article 30, such Noble may retain his membership in the Temple unless he is otherwise disciplined in accordance with Shrine law; and, if he is acquitted by the Temple, he may retain his membership in the Temple notwithstanding his loss of membership in the prerequisite body.*

OFFICIAL PARADE ORDER

Much time and thought goes into the preparation of Official Parade Orders for Imperial Council Parades at Imperial Sessions, and in order to insure the very best for all concerned these orders must be strictly observed.

No Temple Officers will be permitted in the parades without their Temple Uniformed Units. No floats will be permitted in the parades unless they are approved by Fred R. Morrison, Jr., Director General of the Convention, whose office is located at Moslem Temple, 434 Temple Avenue, Detroit, Michigan 48201. The attention of all Potentates and heads of Uniformed Units is again specifically directed to the previous General Orders, with reference to explicit parade regulations quoted below:

SPECIAL MESSAGE RELATING TO SHRINE PARADES

I. The purpose of Shrine Imperial Session "parades" is to offer an opportunity for all participating Temples to display in public much of the pageantry and glamour of the Shrine. To effectuate their full purpose, however, the parades should also afford pleasure for all marching units who make a great display possible.

Especially in recent years, there have been very reasonable grounds for dissatisfied criticism by a growing number of Temples. Splendid marching units, and Temples with special display features, located by numerical precedence early in the parade on the actual line of march, have executed spectacular street drills which in themselves add much to the general picture but **which retard the forward movement** of the parade as a whole.

As a result, many of our newer Temples, located far back in the line of march, have unquestionably taken punishment. (1) The forward movement of the parading column has been repeatedly halted, (2) There have been exasperating delays, (3) Units have been required to stand in line,—not for minutes, but for hours—as a result of the cumulative loss of time due to repeated feature specialties and street maneuvers by units "marching" near the head of the line, (4) Due to repeated delays in the line ahead, units marching numerically nearer the end of the parade, have found themselves weary and disgusted, marching down deserted streets.

Suggestions have been made in vain for a correction of the above difficulties. Some have urged rotation in the order of precedence by Temples in future parades; others have demanded abolition of retarding street movements; others have suggested that performing units shall "march" at the end of the column.

Most recently, direct orders forbidding any but "forward marching movements," although complied with by many Temples, have been repeatedly disregarded by others. Dignified efforts by Imperial Marshals to enforce the orders have been brusquely ignored.

The order now issued by your Imperial Potentate, relating to parades in Detroit may prove unpopular or it may approach a reasonable solution; you have his assurance that the decision has been reached only after long and earnest consideration of the problem.

The parades in Detroit will be parades throughout, and in no part a pageant. Only so-called "forward marching movement" will be permitted; such a movement may be defined as a marching movement which at no time during the parades causes a following unit, in either the same Temple or any other Temple, to mark time, halt, or cease forward progress. The order is to be complied with not only according to the letter, but also the spirit of the ruling; in other words, units of no Temple are directly or indirectly to violate the order through the subterfuge or expedient of having undue distances between units. Your Imperial Potentate

believes that every Potentate, thus notified in advance, and with the order applicable to all, will graciously comply with the above directive. **Units not desiring to comply with this parade regulation are not to form in line for the parades.** The regulation will be rigidly enforced. Units of any Temple violating the parade regulations will be excluded from the parades; the Potentate of each Temple is responsible and accountable for the conduct of each unit of his Temple on parade, and the commander of each parading Temple unit is accountable for his unit. Your Imperial Potentate has every confidence that the loyal cooperation of the Nobility will permit no violation of any regulation which plainly assures fair play for all, and that no disciplinary action will be necessary.

Any question whether a given street maneuver is a retarding marching movement should be submitted to the Imperial Marshal at least 30 days before the Imperial Session.

II. Motor Vehicles. There has been growing criticism relative to the unreasonable number of motor vehicles in recent Shrine parades. The use of large numbers of cars in smaller local communities for the obvious purpose of padding and bolstering a small parade is quite understandable; not only do Imperial Session parades require no padding, but the constant interruption of spectacular marching features by the unreasonable use of motor vehicles for visiting officers and Divans, add unnecessary confusion and danger in the initial parade formation and spoils the pageantry from the spectator's viewpoint. In Detroit, only **ONE CAR for the officers of each Temple with uniformed units in the parades of 50 or more will be permitted.** Regulations issued through the office of the Director General will be enforced.

In no event is any Temple to have more than **ONE CAR in the parades**—the same to be occupied by the Potentate and Divan of the Temples. No more than five Nobles, including the driver, will be permitted in a car.

III. Marching cadence will be 110 steps to the minute.

IV. Intervals of not over 80 feet between Temples, and 40 feet between units, are to be constantly maintained.

V. At the Reviewing Stand, Temple Divans will give hand salute, but not stop to salaam. Temple Potentates will remain with their Units and not mount the Reviewing Stand.

VI. Appropriate markers, easily distinguishable, will be provided before reaching the Reviewing Stand, to designate points for hand salute.

VII. Special attention is called to the fact that the Imperial Marshal and his Deputies are merely enforcing the directives of the Imperial Potentate; courteous and prompt cooperation is expected of the Nobility.

VIII. Attention of all Potentates, with references to all Shrine parades, is also called to the requirement that no one shall be permitted to participate but members of the Order. No females or female impersonators shall be permitted to participate in parades. Read Paragraphs 335.11, 335.13 and 336.2 of the Imperial By-Laws (Iowa). A Potentate is personally responsible and accountable for knowingly permitting any violation of this regulation. Proper Shrine policing at successive points of any Shrine parade route should certainly guarantee against any violation of the above rule at an official reviewing stand.

PARADE REGULATIONS

It appearing that the interests of the Order would be well-served by the issuance and observance of the following regulations with respect to all Shrine parades, it is **ORDERED:**

1. The parade reviewing stand shall be at the right of the parade movement.
2. **No national Flag shall be lowered or dipped when passing the reviewing stand or elsewhere.**
3. Neither candy nor other objects shall be thrown to spectators along the parade route.
4. No vehicle shall be equipped with either flashing lights or sirens.

5. Motorcycle and scooter units shall obey local laws regarding use of hard helmets instead of the Fez.
6. Members of participating units shall not drink any intoxicating beverages before any parade, and should be circumspect in the use of soft drinks in public places so as not to give the impression that they are drinking intoxicants.
7. Parade marshals shall enforce all Shrine parade regulations, and shall report any violator to the Potentate of his Temple. Failure on the part of the Potentate to cooperate with parade marshals shall be reported in writing to the Imperial Potentate.

Furthermore, with respect to parades at Sessions of the Imperial Council, it is ORDERED:

1. The Potentate of each participating Temple shall designate an officer of his Temple to meet with the Parade Marshal prior to the day parade.
2. An appropriate number of experienced deputy parade marshals shall be provided with two-way radios and special transportation so that they can patrol the parade route; and they shall have the authority to remove from the parade any unit which is in violation of Shrine parade regulations or which causes a delay of the parade by failing to maintain its proper interval.
3. Except with express permission of the Imperial Potentate, no Temple shall be permitted to participate in a parade unless it has at least 50 Nobles in its parade display.
4. No Temple shall be furnished an official automobile for use of its Potentate in the parade unless it has at least 50 Nobles in its parade display.
5. No Temple shall have more than one official automobile in the parade; and no empty buses, trucks or trailers shall participate in the parade.
6. Drivers shall not wave, shake hands or call to people along the parade route; and passengers should not call out to friends along the parade route, but simply wave to spectators.

If your Uniformed Units attend the Imperial Council Session in Detroit it is desirable that you supply one member of your Temple to act as Provost Guard during the Imperial Council Session. Provost Marshal is Noble Harry Anderson. Provost Headquarters during the Convention will be in the Nicolet Room on the Fifth Floor of the Detroit Plaza Hotel. Each Potentate will kindly advise Noble Harry Anderson the name of the Noble who will serve on the Provost Guard. Correspondence with Noble Anderson prior to July 2 should be addressed to him in care of the Director General, Fred R. Morrison, Jr. at Moslem Temple, 434 Temple Avenue, Detroit, Michigan 48201.

UNAUTHORIZED EQUIPMENT ON MOTORIZED VEHICLES

NO CYCLES, CARS, SCOOTERS OR OTHER MOTORIZED VEHICLES SHALL AT ANY TIME BE EQUIPPED WITH ANY SIRENS, FLASHING OR COLORED LIGHTS (EXCEPT TURN INDICATORS AUTHORIZED BY LAW).

LOTTERIES AND RAFFLES

It has come to the attention of the Imperial Potentate that one or more Temples and several Shrine clubs have recently promoted lotteries or raffles. Federal law in the United States prohibits the use of the mails for lotteries or raffles and the practice is also contrary to state law in most states. Attention is invited to § 335.1 of the Imperial By-laws which makes such a practice contrary to Shrine law as well.

TOURS AND CRUISES INSTRUCTION

1. The Potentate of any Temple which intends to sponsor a tour, shall give notice in writing to the Executive Secretary-Fraternal Affairs of such intent; and the

notice shall include the proposed dates and itinerary of such tour. This provision shall not apply to those pilgrimages which are limited to Shrine Association Meetings and Imperial Council Sessions, and return.

2. No tour, the itinerary of which includes any point outside the continental United States, Canada, or Mexico, shall be scheduled for dates which will conflict with the dates of either the Imperial Council Session or the Imperial Potentate's tours and cruises.

3. The Potentate of any Temple which intends to sponsor a tour, the itinerary of which includes any point outside the continental United States, Canada, or Mexico, shall be responsible for seeing that such tour is made in strict compliance with all public laws and governmental regulations, including the regulations of the Civil Aeronautics Board.

4. The Potentate of any Temple which intends to sponsor a tour, the itinerary of which includes any point within or without the continental United States, shall be responsible for seeing that the promotional material for such tours shall clearly state the limits of liability of the carrier and/or its insurer for injury to and loss of life of each passenger, the total for each occurrence, and for damage to or loss of personal property.

5. All pilgrimages, tours and cruises when sponsored by a Temple or otherwise identified with the Order are "public appearances." Such public appearances are not permitted in any place until notice of such appearance has been given to the Potentate of the Temple having jurisdiction of the territory where such public appearance is to be made. The notice hereby required shall be given at least ten days in advance of each public appearance.

6. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see that the attorney for the Temple is consulted as to the legality and sufficiency of all contracts and other documents required to be executed with respect to such tour or cruise.

7. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see to the fiscal responsibility of the tour agent handling the tour or cruise; and he may satisfy this requirement by either (1) requiring a performance bond of the tour agent, or (2) making provision for the deposit of tour receipts in an escrow account of which he himself has a least partial control.

8. No tour or cruise may be sponsored by any Temple unless the proposal therefor has been first approved by the members of the Temple at a stated meeting after a full and fair disclosure of all terms of the proposal, including the nature and amount of any personal profit or gain to be realized or enjoyed by any member of the Temple. For the purposes of this paragraph, complimentary or reduced fares, hotel accommodations, or other benefits for himself or any member of his family shall be considered to be profit or gain.

9. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see that a full and fair accounting of all receipts, disbursements, and profits or losses realized from such tour or cruise be made to his Temple no later than its second stated session next following the conclusion of the tour or cruise; and a copy of such accounting shall be furnished at the same time to the Executive Secretary-Fraternal Affairs.

10. Tours and cruises sponsored by Shrine Clubs, Units or other organizations affiliated with or appendant to any Temple shall be considered as having been sponsored by such Temple and shall be subject to all of the terms and provisions of this General Order.

11. Tours and cruises sponsored by Association of Temples, Associations of Units, and other organizations not affiliated with or appendant to any Temple shall be subject to all of the terms and provisions of this General Order in the same manner as if they themselves were Temples; and the President or other chief executive officer of any such group which intends to sponsor a tour or cruise shall have the same responsibilities as those of the Potentate of a Temple which intends to sponsor a tour or cruise.

NOBLE MORRISON: Imperial Sir, I would move that the report be approved.

...The motion was severally seconded...

IMPERIAL POTENTATE MORRISON: It has been moved and seconded that the report be approved. Is there any discussion?

...There being no discussion, the motion to adopt the report as below indicated was voted upon and declared to be carried...

RULINGS AND DECISIONS

(Series of 1977-1978)

October 4, 1977

HEJAZ TEMPLE

Inasmuch as § 324.3 proscribes the transaction at a special meeting of business other than that specified in the notice, an election to fill a vacancy created by the promotion of an officer at a special election may not be conducted unless the notice of the special meeting so provides, notwithstanding the discretionary provisions of § 325.13(b) which permit the filling of such a vacancy if notice is given.

October 10, 1977

AKDAR TEMPLE

Section 332.1 does not permit different rates of initiation fees dependent upon the age of prospective candidates.

October 10, 1977

ALHAMBRA TEMPLE

Inasmuch as § 337.2 reserves to the authorizing Temple control over its Shrine Clubs, the Temple By-Laws may properly contain provisions related to the ownership of real estate by such Shrine Clubs.

October 10, 1977

AL KORAN TEMPLE

Any reassignment of duties among Temple Officers or employees must be accomplished in accordance with or by amendment to the Temple By-Laws, in a manner consistent with the Imperial By-Laws, and not simply by action of the Temple Board of Trustees in contravention of § 327.3 and 327.4.

November 16, 1977

AL KADER TEMPLE

The Potentate has control of the Shrine Clubs of his Temple pursuant to § 337. 3, and he may require changes in the By-Laws of such Shrine Clubs even though such By-Laws were approved by his predecessors in office.

December 9, 1977

ARABIA TEMPLE

A Noble against whom a complaint has been lodged but as to whom the formal

written charges described in § 330.2(a)(3) have not been filed, is "free from charges" within the meaning of § 323.9(b) and may resign his Temple membership.

December 21, 1977

KISMET TEMPLE

While the Recorder has the power under § 327.3(a)(7) to hire independent contractors and Temple employees, subject only to the consent of the Divan, a Board of Trustees which holds Temple real estate in trust for the benefit of the Temple has the power to employ personnel and contractors necessary for the maintenance and management of such real estate.

December 21, 1977

KISMET TEMPLE

A Temple By-Law which empowers its Board of Trustees to "execute all leases and contracts of the Temple" when read in its context, relates only to the matters under control of the Board of Trustees, such as Temple investments and properties; and a circus contract must be submitted to the Temple itself for authorization and approval in accordance with § 324.8.

January 9, 1978

AL KORAN TEMPLE

According to § 331.2(e) an amendment to Temple By-Laws takes effect immediately on approval by the Imperial Potentate.

January 12, 1978

KAZIM TEMPLE

A Temple By-Law which requires the payment of dues for not less than 50 "continuous, consecutive years" for election to life membership does not violate either § 323.13 or § 332.6.

February 28, 1978

ABBA TEMPLE

The display of advertising signs in a sports arena on Temple property is not violative of Shrine law.

April 19, 1978

AFIFI TEMPLE

Section 213.1(e) states that the Fez may be worn only at meetings and gatherings of Nobles held under the authority of some legal body of the Order; and this does not include meetings of ladies' organizations, because they are not a part of the Order.

May 15, 1978

ABBA TEMPLE

A Temple resolution or By-Law which would set aside a part of each initiation fee to the Temple Death Benefit Fund created under § 334.3 is violative of § 335.9.

June 6, 1978

AAD TEMPLE

Because § 325.8 requires that nominations for Temple office be made from the floor, the practice of suspending the rules in order that unopposed nominees may be elected by the casting of one ballot comes within the exception expressed in § 101.4 and Section 44 of Roberts Rules of Order, Newly Revised, does not apply because it contemplates the situation described in Section 45 of Roberts, which says that nominations for office are not necessary.

June 6, 1978

ALCAZAR TEMPLE

Under § 323.11(d) a Noble who has been suspended for nonpayment of dues may be restored upon terms authorized by the Temple, and such terms may be expressed either by the Temple By-Laws or otherwise in accordance with § 324.8.

IMPERIAL POTENTATE MORRISON: At this point I would like to call on Imperial Sir Dick Olfene for the report of the Membership Committee.

IMPERIAL SIR RICHARD OLFENE: [Reading]

To: Imperial Potentate and Imperial Representatives

Dear Nobles: The year 1977 provided both "good news" and "bad news" in our Membership results. The "good news" is that we again showed a net membership gain (however slight—1,996) raising our total Membership to 939,708, an all time high in our Order. The "bad news" is that the net gain of 1,996 was 7,331 less than the gain in 1976 and the smallest gain since the year 1942. The number

of newly created Nobles diminished by 6,187, as compared with 1976; this was the smallest number of Creations for many, many years.

Although the results are certainly far from being satisfactory, it by no means indicates a let-down by the Membership Committee, quite the opposite is true, as we continued the course of offering assistance to all Shrine Temples to achieve well planned and productive Temple membership programs.

Our base for membership begins at the Blue Lodge level and our base is rapidly shrinking. Once again I call your attention to the continuing massive decline in Blue Lodge membership. As in recent years Blue Lodge Masonry continues to show annual net losses of around 50,000 or more and 1977 was no exception.

Let us continue to pursue an active program to increase Shrine membership by working equally hard for growth in the entire Masonic Fraternity, for without eligibles we might someday be required to chart a course other than the present for determining the prerequisite.

With the leadership of the entire Masonic Fraternity working together, I am confident of growth in Masonry, consequently a greater number of Shriners. Let me once again assure you that the Membership Committee of the Shrine is pledged to this goal.

Just think what great strides we would make in increasing the ranks of Masonry if as much time, effort, and money was spent on getting new members, as we spend on promoting tours, cruises and social activities.

It is my pleasure to once again make this report as Chairman of a very important Committee and it is especially pleasing to stand here today and report that membership in Shrinedom is at a record high; may it continue upward in the years ahead.

I would be remiss if I did not "thank" a dedicated group of Nobles for their continuing interest and efforts—my Committee Members.

Imperial Sir, my Committee and I are appreciative of the cooperation and courtesies extended to us throughout the year by you and the fine staff in our General Office.

Respectfully Submitted,
Richard B. Olfene, Chairman
Imperial Council Membership Committee

IMPERIAL SIR OLFENE: Imperial Sir, I would move that this report be received and filed.

... The motion was severally seconded...

IMPERIAL POTENTATE MORRISON: You have before you the motion and the second to receive and file the report. Is there any discussion?

If not, all in favor will indicate by saying aye; opposed. The motion is unanimously carried.

Let me say, Dick, that I, as well as the Representatives, also wish to congratulate you for the work you and your Committee have put in on this. It has been a real fine job.

You worked very hard and diligently and the report indicates what you have achieved.

Further, you have been doing this for a few years now and I do want to very much thank and congratulate you. (Applause)

Now, gentlemen, it is now 11:30. We still have a lot to cover. However, you have been very patient this morning.

We are now going to recess until 1:30 this afternoon.

Now, also, let me add that we urge that you wear your badges in order to make it easier for you to get through the door when we reconvene. In fact, I do not have my own on, which is a bad example, but then I was in such a hurry to get out that I merely forgot it.

Now, if there are no announcements, we will stand in recess until one-thirty p.m.

AFTERNOON SESSION
MONDAY, JULY 10, 1978
ONE-FORTY O'CLOCK P.M.

The One Hundred Fourth Annual Session of the Imperial Council, A.A.O.N.M.S. was reconvened in the Renaissance Ballroom, Detroit Plaza Hotel, at 1:40 o'clock p.m., Imperial Potentate Morrison presiding.

IMPERIAL POTENTATE MORRISON: Representatives, if you will take your seats, we will attempt to proceed with our session for the afternoon.

I know that the elevators are a bit slow and that some of the Representatives may not as yet be here but we are, at any rate, going to convene.

Now, at this time, Nobles, we are going to proceed with the Necrology Service, which will be handled by Past Imperial Potentate O. Carlyle Brock.

IMPERIAL SIR O. CARLYLE BROCK [Past Imperial Potentate]: Imperial Potentate, Imperial Sirs, Illustrious Sirs and my Fellow Representatives: Carl Shures has said—"Ideals are like the stars, you cannot reach out and touch them with your hands, but, like the seafaring man on a desert of waters, having accepted them as their guide, and following their ideals lofty ever inspiring, they will lead us to our destiny."

Whenever we erect pretentious monuments, dedicate fitting memorials or celebrate distinctive anniversaries, we are virtually saying to the Noble dead "look down upon us from your emblazoned pathways of the heavens. Guide our stumbling feet, steady our trembling hands, fire our fainting hearts that we may serve well the generation of our time and cast our shadows of benevolence and beneficence down the dim vistas of unborn days and futures which lie ahead."

And so it is with these Illustrious Nobles who have passed away during this year but, in a larger sense, to those who have antedated them, it was their ideas and their ideals, their struggles and their battles, that built us, down through the century that has passed, into not only the world's greatest philanthropy but the world's greatest and most colorful.

Not long ago I stood on the shores of the Pacific watching a large ship as she eased from her moorings and proudly set out to sea. I observed attentively as she charted her course directly into the sunset to steadily grow smaller and disappear beneath the horizon. Many of the watchers exclaimed "she is gone" but beyond our sight to another part of the ocean, she was coming. The captain on the bridge with his charts, compass and sextant before him and in his mind's eye the port of call was safely guiding her to her destiny.

We pause momentarily during this proud 104th historic Session to pay to the Noble dead who once, as we now, carried on the activities of our inimitable Brotherhood and the world's greatest philanthropy; who now, each with his hand in the hand of God, is being guided to his destiny.

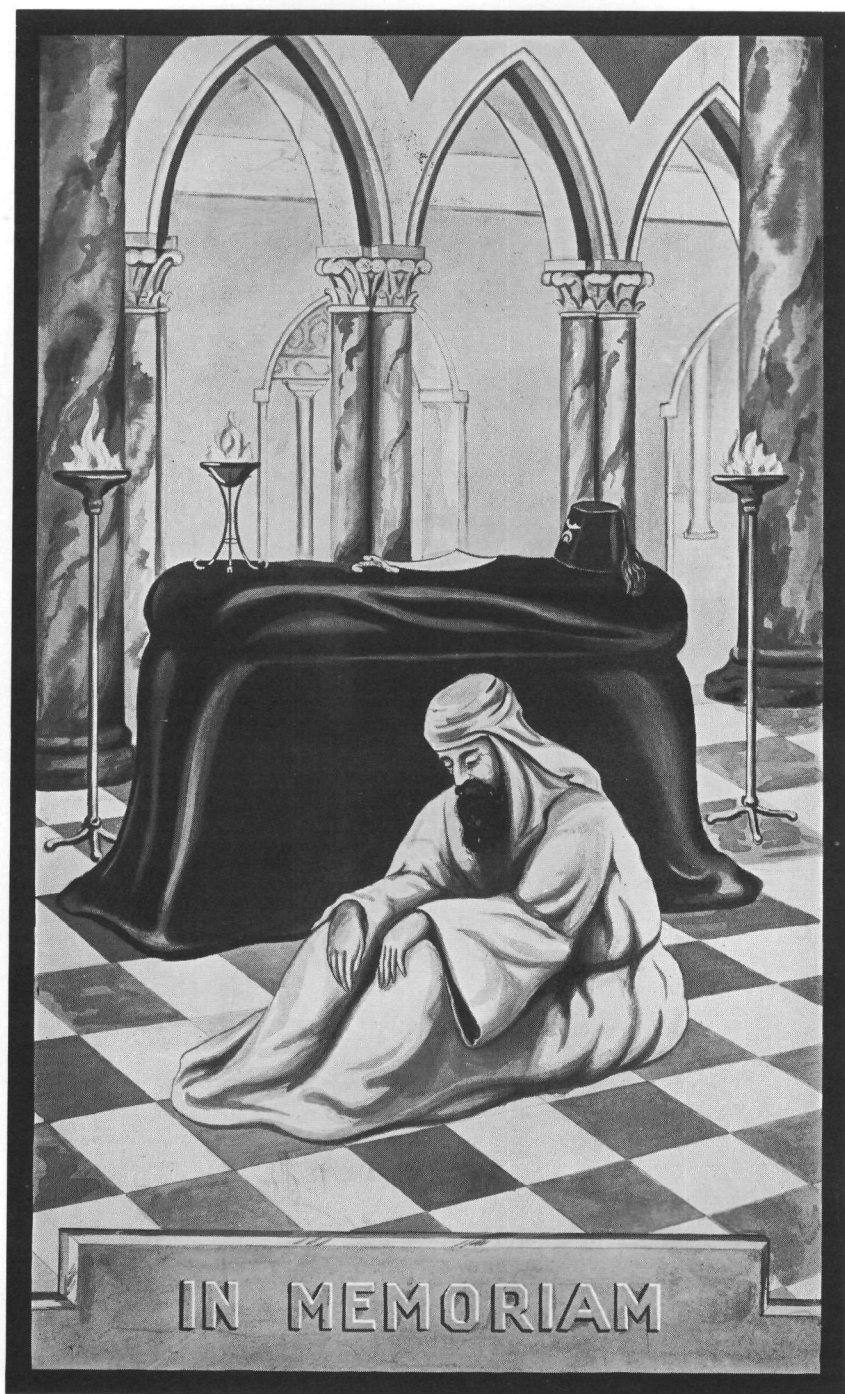

...A musical selection entitled, "I Walk With God" was rendered by the soloist at this point. . . .

"I am the resurrection and the life" saith the Lord, "he that believeth in me, though he were dead, yet shall he live and he who liveth and believeth in me shall never die."

"The Lord is my Shepherd, I shall not want. He maketh me to lie down in green pastures; he leadeth me beside the still waters. He restoreth my soul. He leadeth me in the paths of righteousness for His name's sake. Yea, though I walk through the valley of the shadow of death, I will fear no evil for Thou art with me. Thy rod and Thy staff, they comfort me. Thou preparest the table before me in the presence of mine enemies. Thou anointest my head with oil; my cup runneth over. Surely goodness and mercy shall follow me all the days of my life and I will dwell in the House of the Lord forever."

God is our refuge and strength, a very present help in time of trouble.

Therefore, will not we fear, though the earth be removed and though the mountains be carried into the midst of the sea; though the waters thereof roar and be troubled, though the mountains shake with the swelling thereof.

IN MEMORIAM

There is a river, the stream whereof shall make glad the City of God, the Holy Place of the Tabernacles of the Most High.

God is in the midst of her. She will not be moved. God shall help her.

The heathen raged, the kingdoms were moved. He uttered His voice and the earth melted.

The Lord of Hosts is with us. The God of Jacob is our refuge. Will you now reverently bow your heads that we may remember those who were thusly assembled in the years which have fled; those whose feet trod the streets of Imperial Council cities and graced the assemblages of those spectacular conventions. Their cheery smiles, their hearty hand clasps, their bursts of laughter, their voices raised in debate and rejoicing, no longer will be here for they have passed on to that Oasis far beyond the sunset, from whose bowers no traveler ever returns; to us they are gone but to other worlds they are coming to meet new challenges, accept new responsibilities and to become the architects of a more rewarding tomorrow.

I saw a hand embalmed as natural as it was in life, but as I approached the bier and glanced at the countenance of its person, there was no changing expression upon that face, nor did that hand even reach forth to grasp mine in eager friendly greeting, for only the tabernacle of clay is to return to earth, the soul has flown on the wings of forever to the giver.

O Lord, our Heavenly Father, may we prove worthy of the heritage which you have in us reposed, and may we worthily grasp the beacon of light, truth and freedom from their unclasped hands admonishing in true faith worthily and courageously "carry on" following in their footsteps. The light of truth, hope and freedom upon which our beloved Shrine and the governments of all free societies are built. In moments of wavering faith, when false prophets proclaim God is dead, when we may find our faith in Him and ourselves faltering, remember these:

No one has ever seen the wind, neither you nor I, but when the tall trees bow their heads, the wind is passing by.

No one has seen Almighty God, neither you nor I, but when Noble Shriners bow their heads, God is standing by.

In these adverse and troubled times of ours, O Lord, when devoted men are asking for signs—signs that Thou are surely in the hearts of Masons and Shriners in the enduring belief that God is real, that God lives manifesting his will like the wind in the affairs of men.

O Lord, our Heavenly Father, let us attune our lives to your voice. Speak to us as you did to the patriarchs of old, as you did Moses in the burning bush which was not consumed, when your voice put the shoes from off thy feet for where there standeth is holy ground.

Speak to us through the voice of thunder. Speak to us from the storm as it rushes across the plains and valleys, over the hills and the rugged mountain peaks beyond.

May we hear your voice in the ocean waves as they build up and are driven ahead of the tempest, crash across the breakers along the ocean shore.

Manifest yourself to us in the mighty roaring, foaming rivers in flood tide as they cascade down over the precipice and over the mighty avalanche forcibly out into the valleys below.

Assure us again and again that we are your children. Attune our ears, O Mighty One, in the hearing of babbling brooks, the placid lakes, the soft breezes as they playfully course through the trees in sweet, restful song. Give us that courage, understanding and faith that we may prove worthy of our priceless heritage of friends who have gone before us and those here and now who we this day honor, and who look down upon us in their eternal pathways of the Heavens. Amen.

... Singing of "The Lord's Prayer" by the choir ensued at this point...

"I will lift up mine eyes unto the hills, from whence cometh my help. My help cometh from the Lord which made heaven and earth.

"He will not suffer thy foot to be moved, He that keepeth thee will not slumber.

"Behold, he that keepeth Israel shall neither slumber nor sleep.

"The Lord is thy keeper. The Lord is thy shade upon thy right hand.

"The sun shall not smite thee by day nor the moon by night.

"The Lord shall preserve thee from all evil. He shall preserve thy soul.

"The Lord shall preserve thy going out and thy coming in from this time forth and even forever more."

A rugged tower of strength and dedication will be seen no more but the deeds he did here will live forever. Imperial Sir Walter Guy, dean of our Past Imperial Potentates, passed to his eternal reward.

OFFICE OF THE IMPERIAL POTENTATE
CHICAGO, ILLINOIS

*To the Representatives of the Imperial Council, Potentates of Subordinate Temples
and the Nobility of the Order:*

*And he will have some gentle word to say,
Some kindly deed to do,
For loving thoughts was warp and woof
Of which his life was wrought.
He is not Dead, Such souls forever live,
In boundless measure of the love they give.*

Walter C. Guy of Little Rock, Arkansas, Chairman of the Board, Arkansas Printing and Lithographing Company, Arkansas Stationery and Furniture Company, Ark-N-Sets, Inc., and Executive Services, Inc., was born at Princeton, Indiana, April 9, 1891, the son of Charles F. and Rosa Kwontz Guy. His education was obtained in the schools of his native State of Indiana, Wynona College and the University of Chicago. After devoting nine years in the field of education in Illinois and Missouri high schools he entered the commercial field as a salesman for Certainteed Products Corp., building material manufacturers. After traveling two years in Oklahoma for that company, he entered Federal Service in 1921 as an official of the United States Veterans Bureau with headquarters in Saint Louis, Missouri. In 1926 he re-entered sales work and after one year as representative of Remington Rand in Saint Louis, Missouri, that company promoted and transferred him to Little Rock, Arkansas, as the manager of their office. Two years later he was made Regional Manager of Remington Rand with headquarters in Memphis, Tennessee. In 1931 he returned to Little Rock and became president of Arkansas Printing and Lithographing Company. Through expansion efforts additional lines were added and in 1950, three Subsidiary Corporations were established. He served as Chairman of the Board of each Corporation having become permanently established in Little Rock. He devoted considerable time to the Civic Activities of his Community. He was a past president of the Little Rock Community Chest, the Little Rock Chamber of Commerce, and the Little Rock Kiwanis Club. An active member in the First Methodist Church, North Little Rock, Arkansas, he became President of the Men's Bible Class and served on the Board of Stewards. He was elected to the Board of Trustees of Arkansas Childrens Home and Hospital. He was a Past Governor of the 8th Region National Stationers Association and Past President of the South Graphic Arts Association, and was Vice President of the Arkansas Live Stock Show Association, and a member of River Dale Country Club. He joined the Masonic Order in 1926 while at University City Missouri and joined the Shrine in 1929. He was a Past Master of Trinity Lodge #694 of Little Rock serving as master in 1938 and was a Representative of Al Amin Temple, of Little

Rock, Arkansas in 1937 the year they surrendered their charter June 24, 1937. The Imperial Council immediately chartered Scimitar Temple in Little Rock, Arkansas and Walter C. Guy served as Illustrious Potentate in 1937 and 1938. He was coroneted a 33rd Degree Mason, he was a member of the Knights Templar and Occidental Council #1 Royal and Select Masters and was Past Director of the Royal Order of Jesters. He was Knight Commander of the Court of Honor and held the honorary degree of Legion of Honor of the Order of DeMolay. He served as President of the Central States Shrine Association, an association which included all of the Shrine Temples in the States of Arkansas, Oklahoma, Colorado, Kansas, Missouri, Iowa and Nebraska. His climb in the Imperial Council line started in 1946 when he was elected Imperial Outer Guard. He was elected to the highest office of the Shrine as Imperial Potentate in July of 1955, the first Arkansan to serve in that position. He was married in 1912 and his family consisted of his wife, Lura and son, Richard. Later on Lura died, and later in his life he married Mrs. Vestal Major who with his son Richard survives him. Imperial Sir Walter was a very active Shrine worker throughout his career, devoting his service to the promotion of the Shrine Membership Committee work and later on the promotion of the Shriners Hospitals for Crippled Children Program and the One Hundred Million Dollar Club Project. His efforts produced tremendous success for the work of Shriners Hospitals for Crippled Children and he carries the warm esteem of the entire Nobility, having carried out every assignment with dispatch and results. Funeral arrangements were by Griffett-Leggett, Healy and Grauff, with burial in Little Rock on September 22, 1977 at Roselawn Cemetery. He is revered in the memory of his host of friends in his Shrine Temple and in the entire Imperial Council, all of which join in expressing sincere condolences to his lovely wife, Vestal and son, Richard.

*Nay, but as one layeth his worn out robes away,
And taking new ones sayeth "These will I wear today,"
So putteth by the spirit, Lightly its garb of flesh
And passeth to inherit a residence afresh.*

ES SELAMU ALEIKUM

Let this memorial be read at the next Session of your Temple following its receipt and let the same be made a matter of record in your Temple's minutes.

Given under our hands and seal of the Imperial Council, this 23rd day of September, 1977, A.D., and of the Order A.H. 1397.

Imperial Potentate

Attest:

Imperial Recorder

I will include that which you have all read, his memorial, forwarded to you from the Central Office in this report.

Walter had a keen sense of humor and an imitable of oratory which served us well. I see him reaching upward for words and phrases as though it were just yesterday.

As Chairman of Wills, Gifts and Bequests, he found an avenue to build for a more abundant tomorrow. "Let us strengthen what we have" was his words to them. "Suffer little children to come unto me", was his philosophy.

The Fraternity is the richer because of his life and will be the loser because of his passing.

And now we will mention for the last time, the names of those who have recently departed.

I think, that it is fitting and proper that the Ode to the Dead by Pericles be a tribute to our fallen Nobles:

"Such were the men who lie here and such the country which inspired them.

"We survivors who pray to be spared their bitter hour, but must disdain to meet our foes with a spirit less triumphant, let us draw strength not merely from twofold arguments—how fair and noble a thing it is to show courage in battle—but from the busy spectacle of our great country's life as we have before us day by day, falling in love with her and remembering that all this greatness she owes to men who knew their duty and had the courage to do it; men who, in the hour of conflict, had the fear of dishonor ever present to them; men who freely gave their lives to her as the fairest offering they could make.

"They gave their bodies to the Commonwealth but received each one, man by man, for his memory, praise that will live on the lips, that will blossom in the deeds of their countrymen from sea to sea.

"For the whole earth is the sepulchre of heroes. Monuments may rise and tablets be set up to them in their own lands, but on far-off shores there is an abiding memorial that no pen or chisel can trace. It is graven not on stone or brass, but on the living heart of humanity.

Take these men for your example. Like them, remember that happiness can be only for the free; that the freedom is the sure possession of those alone have the courage to defend it.

Like the fallen heroes of who the philosophers spoke—we too, one by one, live and fall with the philosophy and embracing the rights, worth, dignity and infinite value of the individual, his birthright of freedom and his heritage of eternity.

I ask you to now bow your heads with me.

Great and glorious Lord God, who sleep in the rocks of the earth and the soil beneath our feet, in the rains as they fall from the heavens, and the streams as they course to the mighty seas, in the waters of the fathomless oceans and the rugged, everlasting hills. We know that you dream in the grasses that carpet the earth, the flowers that adorn the countryside, the trees as they raise their branches to the noonday sun in which birds come to build their nests and rear their young. You move in the beasts of the field, the fowls of the air, the fishes of the water, insects and all living things.

Truly and surely you awake in man and in every human being, be he humble or exalted, in every individual there is a soul spark of his Creator. Strengthen our faith, our Father, may we see Thy face and hear Thy voice in all of life.

Remind us that there are 200 million universes, each separated by a million light years, each populated by 100 million suns.

Knowing our inability to comprehend this complex vastness, rekindle our faith to know that there is and Thou art God.

May we rededicate our every waking effort to the preservation of our faith which is as eternal as the fathomless ocean and as enduring as the everlasting hills, ever keeping as our watchword, God, Country, Family, Fraternity and Charity.

Almighty God, who has decreed a place in your scheme of things for the Masonic Fraternity, the Shrine, that Fraternity of destiny upon which rests the hope not only of countries of this continent but of nations of the entire world, as we come to the close of this historic 104th Session and find our way to the various corners of the earth, our homes, go with us, O Father. Be with us until we meet again.

Strengthen us in our faith, Almighty God, for we are convinced and dedicated to the principles of the Fraternity of Masonry, its brotherhood under the fatherhood of all our fathers.

We are committed to the colorful marching legions of the Shrine and the world's greatest philanthropy of which there has been no peer since the dawn of civilization.

May the Lord bless you and keep you; may the Lord cause his face to shine upon you and be gracious unto you; may the Lord lift up the light of his countenance upon you and give you peace now, henceforth and forever more. Amen.

Will the members of the Credentials Committee see either George Saunders or Charlie Cumpstone and sign the report.

Imperial Sir, I would move the adoption of this report.

...The motion was severally seconded...

IMPERIAL POTENTATE MORRISON: It has been moved and seconded that the report as just presented be adopted.

Is there any discussion?

If not, all in favor indicate by saying aye; opposed? It is unanimously carried and so ordered.

Thank you very much, Roger.

I would now like to call on Dr. Palmer Burde for the Report of the DeMolay Committee. Palmer, where are you.

NOBLE PALMER BURDE: Imperial Sir, Imperial Sirs, Illustrious Sirs and my fellow Representatives: I can assure you it is a privilege for me today to render the report on DeMolay.

This Committee is composed of Distinguished Nobles and among them are people who have given many years of service to the Order of DeMolay.

One of our first senior DeMolay members to become an Imperial Potentate was Past Imperial Potentate George Klepper.

The Order of DeMolay would never have been created without the vision of an inspired and illustrious Mason. You, of course, know that in 1919, a youth in his teens, Louis Lower, entered the Scottish Rite Temple in Kansas City to talk with a man, seeking guidance and help. That man was Frank Land whom we all know today as the "Father of DeMolay". From their discussion, an invitation was extended to eight other teenagers, and the Order of DeMolay was founded. The same three ingredients have for more than fifty years served as a nucleus for all DeMolay Chapters—a boy, a man and Masonic sponsorship.

Masonic bodies caught the vision of this order and DeMolay has grown to more than 2500 chapters operating in the United States, Canada, Mexico and several other countries and territories.

Our purpose here today is not to go into detailed history of DeMolay, for this is a matter of written record and can be furnished to you by the DeMolay Supreme Council Office in Kansas City.

Instead, my hope is to point out what we might do respecting our Youth Group and why we should do it. The main reason I feel impelled to make this appeal is because we Shriners have demonstrated to the World our ability by establishing the world's greatest philanthropy, Shriners Hospitals for Crippled and Burned Children.

Our labors have been remedial in nature, healing and returning crippled and severely burned children to their rightful role in Society. Now our strength and dedications might well be directed in another field, preventative in nature, namely, the crippled or undernourished minds of young people. Which is more to be pitied, the child with a crippled or burned body and a sound mind, or the child with a crippled mind and a sound body? This is a difficult question to answer but it is nevertheless as important to prevent the latter as it is to cure the former.

Some of our t.v. and news media have concerned themselves too much about housing, poverty, inflation, nudity, drugs, alcohol, emotional illness and the rest—and too little about brotherly love. There is no doubt in my mind that this is the basis of our ills today. Every generation of new youth tries to fill the vacuum of

past error with turmoil and fault finding, unaware that the place to start changing the world is within ourselves. We must use our forces to work in the direction of a complete democracy by constantly instituting into their minds those ideals which inwardly prepare them for the principles upon which our nation was founded. We must maintain our Masonic Order and its principles in their hearts. We must help them in their hour of need and try to contribute to the solution of their perplexing problems of life. We must give them reason to support their faith in us by demonstrating our ideals of character, courage, charity and maintain their faith in God.

As Masons, we have an obligation and a duty to youth to contribute to and to assume their future welfare in whatever area necessary. It is not so much a matter of what we expect of a young boy, as what he expects of us. Regretfully, too often his expectations are not realized. If you don't think DeMolay expects things from Masonry, go back to your chapters at home and they will continually tell you what they expect from our Craft. They will often tell you that they want honest mature guidance, enthusiastic support and a willingness to go halfway in achieving the purpose of our two organizations. The best support which the Masonic Order can give to DeMolay is moral support. They would much rather see us at their meetings than all the dollars we set aside for them.

If you are not awakened to these duties, you cannot be blind to the fact that there are other groups which train our youth to come under their influences and are actively engaged and practicing principles diametrically opposite to ours, and subversive both to our standards and those of our nation.

Let these groups have a boy you hope one day will become a Master Mason, have him during a period of his life when he is susceptible to being molded, and you may sadly awaken one day to find that you have waited too long. Too many sons of Masons do not join Blue Lodge because of an interpretation of the basic principles of the Craft which states that he must join of his own free will and accord. Therefore, many of us refrain from discussing Masonry and the result is that both wait for the other to make the first move and nothing happens.

It is my belief the interpretation has been applied too rigidly, but I can assure you of this, no Mason is prohibited from encouraging or advising his son or any other eligible young man to petition a DeMolay Chapter so as to receive its benefits.

If this were done by only half of the 930,000 Shriners, DeMolay membership would more than triple overnight, as it should. Thus would be produced a finer quality of young manhood, many of whom, it can be expected, would join the Masonic Lodge and eventually the Shrine.

Now, what can our Shrine Temples do to promote the Order of DeMolay; just to point out a few interesting items:

1. Sponsor a DeMolay Chapter in your particular district and make the facilities of your Temple available to them for their meetings.
2. Set aside a youth night each year—perhaps a DeMolay-Rainbow Night.
3. Why not use the youth groups for parking and check room concessions on social gatherings at the Temple, so they may increase their treasury.
4. Set up a Scholarship Fund for DeMolay including all the Chapters in your jurisdiction.

These are but a few ways to promote DeMolay and I'm sure there are many other avenues of success that we may follow, so that our craft may prosper in the years to come.

Yes, Nobles, this is a challenge and your opportunity to carry the message back to your membership. Let us weed our children from the mentally confused and the crippled minds of today. Let us remember that dedication comes before education and being the best of ourselves comes before prestige. Why not re-dedicate ourselves so we can do a glorious job for DeMolay and the Shrine. They need us and we most definitely need them.

Imperial Sir, I move the receipt of this report.

... The motion was duly seconded...

IMPERIAL POTENTATE MORRISON: It has been moved and seconded that this report be received. Is there any discussion?

All in favor indicate by saying aye; opposed no. The motion is carried and it is so ordered.

Now, gentlemen, we are going to try to consider some of the legislation and we will take up the easy matters first. Is that all right with you?

I would like to call on you, Bob Turley, to report in connection with Item 1 in the Call.

NOBLE ROBERT E. COOPER: [Reading]

To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws by Robert J. Turley, Representative of Oleika Temple, a proposal to amend § 101.5(d) of Article 1 of the By-Laws of the Iowa Corporation, so that said section will read as follows:

“§ 101.5 Amendments.

(d) MODIFICATION: A proposed amendment may be modified by the Imperial Council while it is under consideration, but such modification must be germane to the subject matter of the proposed amendment and it may not go beyond the scope of the proposal submitted under § 101.5(a).”

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully Submitted,

IMPERIAL POTENTATE MORRISON: Gentlemen, that is Item 1 on your Call. I would now like to call on Bob Turley to present the resolution, please.

NOBLE TURLEY: Imperial Sir, Imperial Sirs and Representatives: Those of you who have your books with the By-Laws of the Iowa Corporation in them, if you will turn to page 11, you will see that § 101.5 requires that proposed amendments to the By-Laws of the Iowa Corporation must be sent to the Imperial Recorder's Office at least 60 days before the Session in order that they can be published in the Call.

That section also provides that the Imperial Potentate or the Jurisprudence and Laws Committee can submit admendments at the Session.

We found last year that this section that is now before you, § 101.5(d) differs from parliamentary procedure as it is promulgated in Robert's Rules of Order and other manuals of parliamentary procedure.

The purpose of this proposal is to bring our By-Laws into compliance with Roberts Rules of Order and other manuals of parliamentary procedure and if it is adopted as I recommend to you it be adopted, having proposed it, then any amendment from the floor that is offered to a proposal printed in the Call, is brought out by the Imperial Potentate or Jurisprudence and Laws Committee may not go beyond the scope of the proposal as it is printed in the Call or brought out by the Committee.

Now, the purpose of that, of course, is to prevent the publication of a proposal in some innocuous terms and then the proponent get to the Session after you have taken it to your Temples or discussed it among yourselves and then bring on the floor something that would go beyond the scope of what you have already seen in the Call.

Imperial Sir, I would move for the adoption of this amendment.

... The motion was severally seconded. . .

IMPERIAL POTENTATE MORRISON: It has been moved and seconded that this amendment be adopted.

Is there any discussion?

If not, all in favor of the adoption of the amendment indicate by saying aye; opposed no. Let the record indicate that this amendment is adopted by the necessary constitutional majority.

Now, before we get on with the next piece of legislation, I do wish to stop one rumor that I have heard, something that I heard last night.

Now, insofar as I know and, in fact, I do know because I have talked to the gentleman concerned, George Saunders is a candidate for Imperial Recorder. I have heard of no opposition whatsoever to him. There may be some but I do want to stop that rumor right now because George Saunders is a candidate for Recorder of the Shrine of North America and, insofar as I know, there is no opposition.

Is that right, George? (Applause)

... Business was transacted in the Colorado Corporation at this time.

IMPERIAL POTENTATE MORRISON: We will now proceed to the Resolution on page 15 of your Call concerning Aleppo Temple and I believe that Noble Corsones will report on that for the Jurisprudence and Laws Committee.

NOBLE THEODORE CORSONES: [Reading]

To the Representatives:

There has been referred to your Committee on Jurisprudence and Laws a Resolution, the text of which is as follows, viz:

"WHEREAS, Aleppo Temple has requested that its location be changed from Boston, Massachusetts, to Wilmington, Massachusetts; and

"WHEREAS, Aleppo Temple has acquired a Mosque in Wilmington, Massachusetts; and

"WHEREAS, it appears that Aleppo Temple has complied with Article 322.5 of the Imperial By-Laws; and

"WHEREAS, it appears to the Imperial Council that the move would be in the best interests of the Order;

"NOW, THEREFORE, BE IT RESOLVED that the proposal to move Aleppo Temple be accordingly amended."

The Committee reports that Wilmington, Massachusetts, is within the exclusive jurisdiction of Aleppo Temple, that the Resolution is in proper and legal form, and that it will not conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully Submitted,

IMPERIAL POTENTATE MORRISON: Thank you, Ted.

I would now like to call on the Potentate from Aleppo Temple.

NOBLE EDWARD T. JOHNSON [Aleppo Temple]: Imperial Sir, I would like to make a motion that this resolution be adopted.

... The motion was severally seconded. . .

IMPERIAL POTENTATE MORRISON: It has been moved and supported that the resolution as presented and as you have heard it, be adopted. Is there discussion?

If not, all in favor will indicate by saying aye; opposed no. Let the record show that it was unanimously adopted.

We will now proceed to Item 6 in the Call. I believe that Ed Maag will report on this item.

NOBLE EDWARD MAAG [Reading]:

To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws by the Board of Directors of the Iowa Corporation a proposal to amend § 325.5 of Article 25 of the By-Laws of the Iowa Corporation, so that said section will read as follows:

"§ 325.5 Ballot

(a) Election of officers shall be by separate written ballot and by a majority vote of those present and voting. A blanket ballot is prohibited.

(b) The ballots cast in any contested election for Temple office shall be retained in the custody of the Recorder for a period of 90 days following the election, after which they may be destroyed unless the Imperial Potentate otherwise orders."

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

IMPERIAL POTENTATE MORRISON: As this item was presented by the members of the Board of Directors, I will now call on Imperial Sir Charles Claypool to present this.

IMPERIAL SIR CLAYPOOL: Imperial Sir, I would move adoption of this report and also the adoption of the amendment proposed.

...The motion was duly seconded...

IMPERIAL POTENTATE MORRISON: It has been moved and seconded that the report and the amendment be adopted. Is there any discussion?

If not, all in favor indicate by saying aye; opposed no.

There were several "no" votes but I will declare it adopted by a constitutional majority.

Now, I would again like to call on Imperial Sir Claypool, for a report of the Endowments, Wills and Gifts Committee.

IMPERIAL SIR CLAYPOOL: Imperial Sir, Imperial Sirs and Representatives: You know, a good Chairman picks a good Vice Chairman. At this time I would like to have Walker Kisselburgh present the report in behalf of the Endowment, Wills and Gifts Committee.

IMPERIAL SIR WALKER KISSELBURGH: Imperial Sir, Imperial Sirs and Representatives: Under the leadership of Imperial Sir Charles Claypool, Chairman of the Endowments, Wills and Gifts Committee, we experienced a very active year.

Traditionally, this Committee holds an annual seminar for the Regional Directors and their Deputies. This year the seminar was held jointly with the Imperial Public Relations Committee.

The two-day Chicago session, involving more than 60 Nobles, provided a forum for mutual exchange of ideas. The main theme of the February session was that there can be no effective fund raising without effective public relations.

In the Shrine General Offices, Dr. Rick Weidmann was hired to fill the newly created position of Director of Development. It is this Director's task to

open new avenues for increased contributions to the Shriners Hospitals for Crippled Children Endowment Fund. Increases are needed to support our research projects which are being developed more intensely in many of our Orthopedic Units. While the on-going care for the crippled child will continue, we are now engaged in investigating the causes of crippling.

During 1977, 1,417 wills named Shriners Hospitals for Crippled Children as beneficiaries. This is an increase of one and one-half percent over the record-breaking 1976 figure.

As the Shrine Hospital network works to explore new horizons and meet new challenges, the Endowments, Wills and Gifts Committee will continue its efforts to provide those Hospitals with the funds they need.

We want to thank Allan Mallquist, the Secretary of the Endowments, Wills and Gifts Committee, for his untiring efforts, as well as thanking the Regional Directors and Deputy Regional Directors for the fine job that they are doing.

We also want to thank you 181 Temples for continuing the excellent job in promoting the One Hundred Million Dollar Club. Our average now is over 17.5 percent.

Gentlemen, your Endowments, Wills and Gifts Committee is doing an excellent job.

I would move for the adoption of this report.

... The motion was severally seconded...

IMPERIAL POTENTATE MORRISON: It has been moved and seconded that the report of the Endowments, Wills and Gifts Committee as presented be adopted. Is there any discussion?

Hearing none, all in favor indicate by saying aye; opposed no. It is unanimously carried and the report is adopted.

I am now going to call on the Chairman of the Public Relations Committee, Imperial Sir Charles Claypool.

IMPERIAL SIR CLAYPOOL: Imperial Sir, again I have a good Vice Chairman for this Committee and I will ask the report be presented by the Vice Chairman, Imperial Sir Gene Bracewell.

I also want to explain one thing to some of you fellows who did not like that last resolution that we acted upon.

At your Temple, when you nominate the Chief Rabban or the Potentate, you make the resolution to suspend the rules.

That does not change that.

If you will remember, last year we had a heated session on the floor because ballots were destroyed.

Those are the only ballots that we are talking about and asking you to hold and that is the only thing affected. That is all that was about.

IMPERIAL SIR GENE BRACEWELL: Imperial Sir, Imperial Sirs and Representatives: I have about a three-minute report here but I have been requested to do it in two and a half minutes.

In an on-going and expanding effort to improve communications both within the Fraternity and within the general public, many new services were inaugurated during this Imperial Year.

Perhaps the most obvious has been the publication of two issues of the Special Report to the Shriners.

This newsletter was designed to inform the general Nobility of the scope and depth of the Fraternity and current operations of Shriners Hospitals. This was mailed to every Noble whose address could be obtained by the General Offices.

The response to this special publication has thus far been overwhelmingly favorable.

Production of audio-visual materials also increased.

A new film on the Orthopedic Units is currently in production. A new sound/slide

show on the Shrine and its Hospitals was produced and distributed to all Shrine Temples.

The Temples also received copies of a new burns film entitled "Children under Glass".

The distribution of television and radio public service announcements continued, including two new television spots. Several more are in production and will be distributed by August.

During 1977-1978, three new brochures were created on Shrine Orthopedic Units, Shrine Burns Institutes and Shrine Membership. Other brochures were brought up-to-date.

In addition to the on-going production of Imperial Shrine News clip-sheets, Imperial Committee Kits, Speaker's Kits and press releases, new posters were produced.

The February Joint Seminar on Public Relations and the Endowments, Wills and Gifts Program provided a valuable opportunity for the exchange of information and ideas.

When requested, the Imperial Council Public Relations Department also provided assistance to the Temples for special projects and publications.

I would move, Imperial Sir, for the adoption of this report as presented.

... The motion was duly seconded. . .

IMPERIAL POTENTATE MORRISON: It has been moved and seconded that the report of the Public Relations Committee as just presented be adopted.

Is there any discussion?

If not, all in favor will say aye; opposed no. It is adopted.

Now, is the Most Worshipful Grand Master of the State of Illinois, Most Worshipful Brother Vance C. Van Tassell present?

... Cries of "yes" . . .

IMPERIAL POTENTATE MORRISON: Would you please come up and say a few words at this microphone?

MOST WORSHIPFUL BROTHER VAN TASSELL [Grand Master, Illinois]: Thank you, Imperial Sir.

First let me say, Imperial Sir, I appreciate your direction because I have been mixed up ever since I have been in this building. (Laughter)

Imperial Sirs and my Brethren: On behalf of the 165,000-some-odd Master Masons in the State of Illinois, I bring you fraternal greetings and best wishes for a very successful and enjoyable communication and, of course, I can see that you are having just that.

As the Grand Master of Masons for the State of Illinois, I would say to you, my brethren, that you have learned your lesson well and, of course, I am referring to the lesson that you were taught early in your Symbolic Lodge experience, the lesson of charity.

I especially referred to the scripture reading I heard from the Chaplain as he said to you—"Though I speak with the tongues of men and of angels and have not charity, I am become as sounding brass or a tinkling cymbal".

Brethren, it is a well-known fact that the great charities of Shrinedom are the flagship of all Masonic charities. For that you can be justly proud. For that, we of the Symbolic Lodge say "thank you very much, we appreciate it".

And now, Illustrious Sir, I would like to tell you a little story that pertains to this and that story happened down in Little Egypt.

In the event you do not know where that is located, let me say it is in the far part of Southern Illinois. That is down in Jack Dempsey and Ed Maag country. (Laughter)

We had a couple of Past Masters, devoted Masons of the little Lodge down there and they all knew the ritual. They could obligate a candidate, could give the lecture, they could test the candidate and they were the pillars of the Lodge. Further, they were thoroughly dedicated and devoted to their local Masonry.

They were also Deacons in the local Baptist Church and, brethren, when you

get two Baptist Deacons who are dedicated Masons, you have something, and I can tell you that for sure. (Laughter) However, I am sorry to tell you that these two Past Masters, I am afraid, were a little bit better versed in Masonic ritual than they were in their Sunday school teachings.

Well, all went well until they fired the preacher they had and hired a new one, a rather young fellow, who was not a Master Mason.

These grand Past Masters gave him every indication to become Master Mason but he just did not do it.

One Sunday morning this young preacher took for his text the twelfth chapter of Corinthians, and he read the entire chapter and, of course, he read it as only a young, enthusiastic Baptist preacher could do.

At the close of the service, as is the custom, he placed himself at the rear door of the church to greet the congregation as they dutifully filed out. Most of them indicated to him that it was a wonderful sermon.

Well, these two old Past Masters, they hung back and were the last ones to leave the church and, as they left, they went up and shook hands with the preacher. One of these old gentlemen said, "you know, preacher, that was a good sermon, probably the best sermon you have ever preached, but there is one thing we want to know, where in the world did you get all of that Masonic ritual?" (Laughter)

Thank you, my brethren, for extending me this courtesy. (Applause)

IMPERIAL POTENTATE MORRISON: Thank you Worshipful Sir, we do appreciate your brevity and levity.

I want to ask the other Grand Masters not to endeavor to keep trying to outdo the previous one because, on that basis, their remarks will soon get much longer and I will not be able to maintain my program.

At this time, I would like to have the Most Worshipful Grand Master from the State of Rhode Island, Worshipful Sir A. Sheffield Reynolds say a few words to us.

MOST WORSHIPFUL SIR REYNOLDS: [Grand Master, Rhode Island]: Imperial Potentate, Imperial Sirs, Most Worshipful Grand Masters, Brethren All: I come from the smallest state in the United States, Rhode Island, the home of Palestine Temple, better known as the Ocean State and perhaps others of you may also realize it is the home of the Rhode Island Reds.

It is my pleasure to bring to you the sincere Fraternal greetings of the Most Ancient Honorable Society of Free and Accepted Masons of the State of Rhode Island by some 13,000-plus Masons.

May I say that it is great to be a Shriner.

I wish you well, Imperial Potentate, in this Session.

I sincerely hope all of the ballots come out as well as they have so far. I understand they may not but I wish you luck. (Laughter)

You know, we have a saying in the Northeast, and this is no reflection upon you, Imperial Sir, but some of we Grand Masters only serve one year, just as you do and it is said, for example, that in the first four months of our term we can do nothing wrong; in the second four months we do nothing right and in the last four months nobody gives a damn. (Laughter and applause)

Now, just for a moment, I would like us all to recall that we are Master Masons and that we do carry the dues card of a Master Mason.

Let us never forget to nurture the roots of Freemasonry.

It has been mentioned here today that our roots lie in our Blue Lodges, our Mother Lodges, and so let us always put forth brotherly love and extend a hand of fellowship.

I would be remiss if I did not mention DeMolay and Rainbow. It has been mentioned here earlier today.

It is my aim, in the State of Rhode Island, to do far more work than we have done in the past in this particular area. It is our future and this is what we have to do, my brethren.

Imperial Sir, may you have just the best Imperial Session during these next few days.

Thank you very much for this courtesy. (Applause)

IMPERIAL POTENTATE MORRISON: Thank you, Most Worshipful Sir.

Now, I am going to jump around a little bit.

... Business was conducted in the Colorado Corporation at this time. . .

IMPERIAL POTENTATE MORRISON: Now, before I close the meeting for today, I have one other item that I would like to get taken care of at this point.

In other words, I want you folks to know what is going to happen tomorrow. Therefore, at this time, I would like to call on Joe Howell, Chairman of the Election Tellers, to instruct you on how to use your ballots.

NOBLE JOE C. HOWELL: Imperial Sir, Imperial Sirs and Fellow Representatives: I want to remind the 788 registered Representatives that you be sure and have your book here on Wednesday morning.

Now, our Tellers, as in the past, will circulate the ballot boxes back and forth and, therefore, if you get up and move elsewhere, we might not get your ballots. Therefore, please stay in your seats until we have collected the ballots at the time it may be requested.

Thank you very much.

IMPERIAL POTENTATE MORRISON: Golly, Joe, I had marked you down for five minutes. (Laughter)

Now, I am going to live up to my promise to you and declare this meeting, at this time, to be in recess until Wednesday morning at nine o'clock. Don't forget that tomorrow we will have our parade and I certainly hope you will all be there to watch it.

We are now recessed.

... The 104th Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at 3:24 o'clock p.m., to reconvene in the Renaissance Ballroom, Detroit Plaza Hotel, on Wednesday morning, July 12, 1978, at 9:00 o'clock a.m. . .

MORNING SESSION

WEDNESDAY, JULY 12, 1978

NINE O'CLOCK A.M.

The One Hundred and Fourth Annual Session of the Imperial Council reconvened in the Renaissance Ballroom of the Detroit Plaza Hotel, Detroit, Michigan, at nine o'clock a.m., Imperial Potentate Fred R. Morrison presiding.

IMPERIAL POTENTATE MORRISON: Nobles, it is now nine o'clock and I ask that you take your seats.

Will the Outer and Inner Guards get the Nobles in here please.

Again, gentlemen, it is nine o'clock and I will ask the Guards to lock the doors.

I would now like to call on the Reverend Mercer for the invocation. Please rise.

REVEREND DR. MERCER [Imperial Chaplain]: Let us unite our hearts in prayer.

O Lord, we thank Thee for all the gentle healing ministries of life, the gladness of morning, the freedom of the wind, the music of the rain, the joy of the sunshine, the deep calm of night and for the tenderness of human love.

We thank Thee, God, for the privilege of living and believing in Thee, whether in victory or defeat, life or death. We know that Thou art God, who goes on and we know that there is something immortal about us that lives on.

We invite Thy spirit into our deliberations this morning. We pray Thy guiding destiny and we think of the future and make our hopes and we seek to strengthen our organization.

We pray all of this in Thy name and to Thy great glory. Amen.

IMPERIAL POTENTATE MORRISON: Thank you, Dr. Mercer.

I will now call on our Director General.

DIRECTOR GENERAL MORRISON: Thank you, Imperial Sir.

Nobles, Ladies, Imperial Officers, Grand Masters: It gives me a great deal of pleasure to present to you this morning from the State Legislature of the State of Michigan, the Honorable Frank V. Wierzbicki.

THE HONORABLE FRANK V. WIERZBICKI: Imperial Potentate and Gentlemen, it gives me great pleasure on behalf of the Speaker of our House, Bobby Grim, and the other 109 members of the Michigan Legislature and the 38 Michigan Senators to present to you, Imperial Sir, this current resolution which was adopted on June 30th in recognition, Fred, of your outstanding achievements in the Masonic Order and specifically your accomplishments during the past year as Imperial Potentate of the Shrine of North America.

I should point out, Fred, that we do recognize your work in bringing these outstanding gentlemen to our city this year. We recognize you for that. We recognize you for your work as a business leader, as a Fraternal leader and as a great citizen of this great city.

Fred, congratulations.

...Presentation and applause ensued...

IMPERIAL POTENTATE MORRISON: Frank, I certainly appreciate this very much.

Please go back and thank all of your colleagues at Lansing and tell them that Fred Morrison is very happy with all of the things and everything going on there. Again, thank you, Frank.

Now, gentlemen, I declare this Session reconvened and I will now call upon the Potentate of Zuhrah Temple, and I believe it is George Reedy, at any rate, that is what it says on the sign. George, where are you? Will you please come up here?

NOBLE GEORGE REEDY [Potentate, Zuhrah Temple]: Imperial Sir, Imperial Sirs, Imperial Representatives: It is, of course, my pleasure at this time to nominate the new Imperial Potentate for the ensuing year.

Before I do, inasmuch as I have a captive audience, of at least 180 fellow Potentates, I would like to share a little story with them.

We, as Potentates of our Temples, tend to get carried away with out self-importance and so, if I can share this story with you, it may be helpful to you and to me.

Last Wednesday night, my wife and I had dinner at home and, as all of you Potentates know, this does not happen very often.

After we finished dinner, I lit up a big cigar and tried to make a speech to her. I reminded her, for example, that I was the Potentate of one of Shrinedom's largest Temples and, furthermore, it was my duty, honor and privilege to nominate the Imperial Potentate for the coming year.

Well, she looked at me (and you will all meet her in a little while) and said, "shut-up and do the dishes." (Laughter)

Now, I think this might be germane to the subject. Warren, whom I will nominate in a moment, has throughout these many, many years, remained humble and I think this is an important trait. He is easy to talk to.

Gen, in turn, his wife, during these last ten years has continued to serve as a Girl Scout Leader at the Minneapolis Shrine Hospital for Crippled Children and so, certainly, this shows that these people are of the type that I think we can all gladly back.

Now, for my nominating speech, I would like to borrow the text written ten years ago by Ted Waldor who, at that time, was Zuhrah's Potentate and who first nominated Warren at the Imperial Session in Chicago.

Nothing has changed during these years other than the time and so I would again use these notes in nominating Warren at this time:

"If you want a young man with a world of experience and a wealth of background for the Office of Imperial Potentate;

"Who is now only 54 years of age;

"Who is in excellent health and who is full of the vitality required to withstand the vigorous year;

"Who is a regular fellow, yet always conducts himself with true dignity, a diligent team worker, an inspiring leader and an effective speaker;

"Who is most successful in his business career, being Vice President of the largest Minneapolis Bank which is solidly behind him in this endeavor;

"Who has a fine legal mind, being a graduate of the University of Minnesota Law School and admitted to the Bar;

"Who is financially able to take all the time necessary;

"Who has a fine Masonic background and who was one of the most popular and successful Potentates of Zuhrah Temple, the 9th largest Temple in all of Shrinedom;

"Who has the 100 percent backing of myself as Potentate, the Divan, Past Potentates and 12,000 Nobles of Zuhrah Temple in Minneapolis;

"Who is a devoted family man, has a wonderful family and a most charming and gracious wife, Gen, who also will fit so well into the Imperial Family;

"If these are the qualifications you are looking for, then I urge you to cast your votes for the man from Minnesota, Warren Weck."

I take great pride in being accorded the privilege and honor to place in nomination the name of Warren F. Weck, Jr. for the Office of Imperial Potentate.

Thank you very much. (Applause)

IMPERIAL POTENTATE MORRISON: Thank you so very much, Illustrious Sir.

... The motion was severally seconded ...

IMPERIAL POTENTATE MORRISON: All in favor will say aye. Now, Warren, would you come up here and let the Nobles know if you will accept? (Laughter)

IMPERIAL SIR WECK: Imperial Sir, Imperial Sirs, Illustrious Sirs and Fellow Representatives: You just witnessed democracy in action. (Laughter)

I do accept and I wish to assure you that I will do everything to serve all of the Nobility of the Shrine of North America to the best of my ability and also I want to assure you that I will conduct myself to be a regular credit and honor to the Fraternity.

Thank you so much for your support. (Applause)

IMPERIAL POTENTATE MORRISON: Thank you and congratulations, Warren.

Now, Nobles, please keep your seats. We are going to recess for about fifteen minutes or as long as it takes to get into the Ballroom the folks on the outside. At this time, I would like to have the Imperial Marshals escort the ladies of the Imperial Divan and the Past Imperial Officers into the Ballroom.

... Whereupon, a fifteen-minute recess ensued so that preparations could be made for the forthcoming Imperial Potentate's Pageant ...

... The Imperial Potentate's Elect Pageant was reconvened at 9:55 o'clock, Noble Robert Potter presiding and with the various units of Zuhrah Temple marching in to the music played by the Zuhrah Band and assuming their respective places both on the floor of the Ballroom and on the stage ...

... At this point, presentation of the Colors by the Zuhrah Temple Color Guard ensued, following which ensued the Pledge of Allegiance and the playing of the National Anthems of the United States, Canada and Mexico...

NOBLE POTTER: Ladies and gentlemen will you please remain standing and I would now like to call to the microphone for the invocation, your new Imperial Chaplain, Reverend Charles V. Vogt.

REVEREND CHARLES VOGT: Let us pray.

Almighty God, you have created us in your image and in your likeness. You have endowed us with the ability to reason and to love.

Bless this great Fraternal organization in all its endeavors and give your special blessing at this time, O Lord, God, to Imperial Sir-Elect, Warren F. Weck and his lovely wife, Gen, in the year that lies ahead.

May Shrinedom be like the wings of the morning and fly into the uttermost parts of the earth, with that great vision which You have in store for all humanity. Amen.

NOBLE POTTER: Now, before we introduce to you the Imperial Sir from Zuhrah Temple, there are some members of his family here also and we would like to have them come forward now and take their places on the dais if they would.

I have reference to the children of Warren Weck; Mrs. Mark Jacobson (Genevieve); Lauren P. Weck; Mrs. Michael T. Kelley (Jacqueline) and Warren F. Weck, III. Also, they have some grandchildren of Warren's along with them.

We would like all of them to take their places on the dais now to pay homage to a very close relative of theirs.

... Whereupon, the children and grandchildren of Imperial Sir Warren Weck and Gen assumed their places on the dais...

NOBLE POTTER: We will ask now that the members of the Honor Guard form their arch of steel.

...At this point, Imperial Sir Warren Weck and his lady, Gen, assumed their places on the podium, first passing through the arch of steel formed by the Honor Guard of Zuhrah Temple...

[Applause]

NOBLE POTTER: And now, Nobles and ladies, if you would please be seated, we have a little pageant that we are going to present for your new Illustrious Sir from the members of Zuhrah Temple and so that you can all see it properly, we are going to ask the Drum Corps, the Oriental Band, the Legion of Honor and the Patrols now to leave the floor, along with the Color Guard.

...Whereupon, the above-mentioned units retired from the floor...

NOBLE POTTER: You know, I think we just learned something about music.

It is impossible to send a drum corps out of two different entrances and have them stay in time and tempo. We will have to remember this for the coming year.

However, let me say that this year it is the honor and pleasure of Zuhrah Temple to see one of its own members elected as Imperial Potentate of the Shrine of North America.

It is particularly significant, we think, because Zuhrah Temple has a history of being a vital participant in the programs and policies of Shriners everywhere.

Our Temple, with its Charter dating from 1886, with its 12,000 members, is No. 9 out of 181 Temples whose Nobles number nearly one million.

The Zuhrah Patrol is believed to be the oldest in all Shrinedom.

In the 1890's, the late Captain A. M. Shuey conceived the idea of a uniformed drill team to participate in Shrine parades. Shrine history credits Zuhrah Temple and this old time patrol with being the bud from which blossoms the present day pageantry and color of the Shrine.

Zuhrah Temple has also had two other Imperial Potentates; Potentate Ovenshire in 1917 and Potentate Rahn, in 1938.

With today's ceremonies, celebrating our own Warren Weck as new Imperial Potentate, we will have used up our share of Imperial Potentates until the year 2396.

What then is the nature of this Warren Weck who has been chosen to lead us for the next year?

Perhaps, first and foremost, he is a man who excels in leading others to the task at hand—whatever that might be.

In recognition of this most vital character trait, we have commissioned and now present the song, "There Was A Man", to be sung by the Zuhrah Chanters under the baton of Noble William Sowden.

...The Zuhrah Chanters rendered the edition of the musical selection "There Was A Man"... (Applause)

You know, Warren, or Joonie as he was called when he was growing up, is a native Minneapolitan, who took the unusual approach of introducing himself to his future wife, Gen, by jumping on her head at the beach in the summer of 1938. (Laughter) They were married on February 12, 1943 and it's a good thing, too, for Warren always suspected that if he did not marry her right then, she was not going to wait around for him to do it later.

His decision started what has turned out to be a 35-year partnership of loving and caring.

The Weck children, Bunny, Lauren, Jacqueline, and Warren the III, proudly share this moment as the Zuhrah Chanters, on behalf of Gen and the family, describe their feelings to Warren on this occasion.

...The Zuhrah Chanters then rendered the musical selection entitled "No One Is An Island"... (Applause)

Warren also is a musician and has thrilled audiences near and far with his classic rendition of "Oh Where Oh Where Has My Little Dog Gone" (laughter), a true piece of art.

He is also noted for his extreme patience; especially when trapped behind a slow moving car in rush-hour traffic. His vocabulary, we have been told is almost Gothic in scope on those occasions. (Laughter)

As a man of perception, Warren is always aware of specific things. For example, the distance from his home to the neighborhood market, as well as the distance from here to San Francisco, is "a couple of blocks". Well, you should walk with him sometime. (Laughter)

Warren has no time for movies or television and spends most of his leisure hours either gardening with his roses and marigolds at the cabin, or telling lies about the sizes of the ones that got away at the Annual Fishing Trip up in Canada. He learned to lie early in his married life, when he told Gen that he didn't mind her having 36 Pekinese puppies around the house. (Laughter)

Warren was Zuhrah's youngest Potentate. He is a graduate of the University of Minnesota Law School and a Vice President of the Northwestern Bank.

His acceptance speech in Zuhrah Temple, he said in part: "I would like to have every member become active in civic affairs. Secondly, I would like to bring Zuhrah Temple to the Nobility.

"Specifically, I believe that we as Masons and Shriners should participate in our community and National affairs. We are living in a troubled world, where many disagree with the principles which we believe to be right. Too many of us are not willing to stand and defend what we believe in, if it does not affect us personally."

Strong words, but that's the kind of man Warren Weck is—strong and sure, but always willing to listen and give the other side a chance.

Today's ceremony is particularly important to the Wecks because after last year's hectic schedule, Gen said, "Warren, you had better win—because if you lose and do this over again—you're going to do it with your second wife." (Laughter)

Now, before we turn the dais over to you, Warren, Zuhrah Temple would like to present you with some good advice for the coming year—advice on how to deal with those problems of leadership that involve unpleasant and petty problems.

Here to give you this sage advice, is the old philosopher, Wee Sandy Chernoff.

... A Scottish skit by Noble Chernoff ensued. . . (Applause)

NOBLE POTTER: Before I introduce our new Imperial Sir, I would like to introduce somebody who wrote the music, script, the songs and put it all together, for you, sitting at the piano there, John Davidson. Will you please stand up? (Applause)

Now, I take great pleasure in introducing to you our Illustrious Past Potentate and now your Illustrious Sir, Imperial Potentate, Warren Weck, Jr.

... Rising applause ensued. . .

IMPERIAL SIR WARREN WECK: Thank you very much. Please be seated.

Thank you, Bob.

You know, for many days I have been thinking what I would say when I stood up here this time. I thought of many things but when I see all of these wonderful things that these fellows have done today, words simply fail me. There are just no words that can express my appreciation to you.

It became apparent sometime ago, that I probably would be elected today and so when that time came, I sat down with my friends and we talked about what to do for a pageant.

Two things came to mind. First, I would like to have you know my family, my wife, my children and my grandchildren, all of these wonderful people up here.

Secondly, I would like to have you know my Zuhrah Family and when I say "Zuhrah Family" I mean all of the Past Potentates, the Divan and all of these fellows that you see here, the bandsmen, the Legion, the Patrol, and I could go on and on. These are truly a family.

You just do not realize all the wonderful things that they think of and do for you.

They are truly friends. To me, this is Shrinedom in action.

During the past year I have had the privilege of traveling about the country

and meeting all of you wonderful people, some who are not here today, but just the opportunity to visit you people has been a distinct privilege. If you have any needs, just call upon these people and I know they will come to you with open hearts and open hands.

We have had a wonderful pageant here. I would like to thank everybody by name but if I did, I would probably omit some names and so, to each and every one of you from Zuhrah Temple that has done such a magnificent job in relation to this pageant, I do thank all of you with my heart. It has just been wonderful.

Thank you all so very, very much. (Applause)

NOBLE POTTER: Now, Imperial Sir, we do have some presentations that need to be made at this time.

Some of these are quite traditional, I understand but first, of course, you should have the proper attire and so, at this time, I will present the Potentate of Zuhrah Temple, Illustrious Sir George Reedy.

ILLUSTRIOUS SIR REEDY: Imperial Sir, Warren, it is my pleasure and honor, on behalf of Zuhrah Temple, and all of the 900,000 Shriners of the Shrine of North America, to present you with your new Imperial Potentate's Fez. Wear it proudly.

... Presentation and applause ensued...

IMPERIAL SIR WECK: Thank you, George and thank all of you. Also, Fred, this is only temporary. (Laughter)

NOBLE POTTER: And now, for the presentation of a special flag to our Imperial Potentate, I will recognize our Imperial Recorder, Imperial Sir George M. Saunders.

IMPERIAL SIR SAUNDERS: Mr. Chairman, Imperial Sirs, Fred, Imperial Officers, Representatives, Nobles and Ladies and, of course, your newly elected Imperial Potentate: It gives me great pleasure to present to you, on behalf of the Imperial Council of the Shrine of North America, your Imperial Potentate's Flag, bearing the official title and your name.

The official Imperial Potentate's Flag is of royal purple silk, embroidered in gold to depict the flag of great leadership.

May this flag march along with our three National Flags of the Shrine, at the head of the Mighty Phalanx of nearly a million Nobles of the Mystic Shrine in their dedication to Freemasonry and Shrine tenets and principles and our devoted service to mankind in the greatest of all Fraternities and in our work of the world's greatest philanthropy, Shriners Hospitals for Crippled Children.

I know that you, as a Noble, will respect the symbolism of this Fraternal flag for all that it represents.

Imperial Sir, Warren, it is a personal privilege for me to present to you, in the name of all Shriners, your Imperial Potentate's Flag.

... Presentation of Imperial Potentate's Flag and applause ensued...

IMPERIAL SIR WECK: Thank you very much, George.

I do appreciate this lovely gift and I will be very proud to march behind it throughout the year.

NOBLE POTTER: There is one other presentation and that is by the Illustrious Potentate from Los Angeles, Al Malaikah Temple, Rudolph L. Yuhas.

ILLUSTRIOUS SIR YUHAS [Potentate, Al Malaikah Temple]: Imperial Sir, Imperial Sirs, fellow Representatives, Ladies and Gentlemen: It is indeed a pleasure to be here today to present the newly elected Imperial Potentate with a swagger stick. It has been traditional, in the years past, to present this gift to each incoming Imperial Potentate and to indicate to him by the bands on the stick, all the years that he has devoted to Masonry and Shrinedom.

...Whereupon, the swagger stick was presented to Imperial Sir Weck... (Applause)

IMPERIAL SIR WECK: Thank you very much. That is certainly beautiful.

I know it is a swagger stick but, on the other hand, it is more than that. It is a remembrance of all the wonderful things that have happened to me since I joined Masonry back in the 1940's. I am very proud of this and, believe me, it will be taken care of with tender loving care.

Thank you very much. (Applause)

NOBLE POTTER: Now, to conclude our celebration today, we have commissioned a very special march, for you, Warren, and I would like to have the band play it for you and then the Chanters will also join in.

This is called "The March of the Flower".

...The playing of the newly commissioned march "The March of the Flower" ensued... (Applause)

NOBLE POTTER: Now, Imperial Sir, again, you mentioned that Zuhrah Temple was your family and we would like to have the Representatives from each part of that family join you on the stage now in a sort of Grand Finale to the beginning of your Imperial Year.

Here then are the Officers of the various Units of Zuhrah Temple. (Applause)

NOBLE POTTER: Now, inasmuch as Imperial Sir Weck is now your newly elected Imperial Sir and no longer our Potentate, we would invite you, if you would like to do so, to say something to him on the stage. Thank you very much for joining us and the Pageant has now been completed.

...Whereupon, at 10:58 o'clock a.m., the Pageant was concluded, with an announcement by the Imperial Potentate that the Imperial Council Session would commence promptly at 1:00 o'clock p.m....

AFTERNOON SESSION WEDNESDAY, JULY 10, 1978 ONE O'CLOCK P.M.

The One Hundred and Fourth Annual Session of the Imperial Council, A.A.O.N.M.S., convened in the Renaissance Ballroom, of the Detroit Plaza Hotel, Detroit, Michigan, at one o'clock p.m., Imperial Potentate Fred R. Morrison presiding.

IMPERIAL POTENTATE MORRISON: Representatives, if you will please take your seats and the doors be closed in the rear, we will resume with our business.

Now, gentlemen, we are going into the election of the Officers but first of all I am informed that George Vander Wende from the Oriental Band Association desires to make a presentation.

NOBLE GEORGE VANDER WENDE: Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives: Representing the Oriental Band Association of North America, this Association is celebrating this year its 50th anniversary.

We have 154 bands in the United States and members of the Association total over 1600 members. We have our own Hospital Fund, the Oriental Band Hospital Fund, known as the Ladder of Smiles, to which Oriental Band Members contribute.

We have contributed this year, a total of \$26,564 to our Hospitals. This fund goes on every year and to date, from 1960, we have contributed approximately \$375,000 from the Oriental Bands. (Applause)

Now, Imperial Sir, we have this presentation for you.

...Presentation and applause ensued...

IMPERIAL POTENTATE MORRISON: Thank you, George.

If there are any other presentations, please let me know.

I do want to read this into the record and it will only take me a second or two.

Colonel Sanders contributed to our Shriners Hospitals for Crippled Children, \$36,000 this year and also \$18,000 to the Crippled Children's Hospital in Louisville. I do want that in the record and let us give him a big hand in absentia. (Applause)

Now, as I said initially, we are going into our elections.

The first is the election for Deputy Imperial Potentate. Do we have a nomination for Deputy Imperial Potentate?

NOBLE ROLAND ST. JOHN: Imperial Sir, Imperial Sirs and Representatives: I wish to place in nomination the name of a gentleman that has served you well

in all of these preceding years, of course, I know he now seeks the office of Deputy Imperial Potentate of the Shrine of North America, and that is none other than Charles (Chuck) Claypool.

Now, Imperial Sir, hearing no further nominations, I move that nominations be closed and that the Illustrious Potentate of Antioch Temple cast a unanimous ballot for the election of Imperial Sir Claypool.

NOBLE JIM WALKER [Potentate, Antioch Temple]: Imperial Sir, Illustrious Sirs, Representatives and Nobles All: I am Jim Walker, the Potentate of Antioch Temple, and I would like to cast the unanimous ballot for Charles J. IMPERIAL POTENTATE MORRISON: Congratulations, Chuck.

IMPERIAL POTENTATE MORRISON: Hogan, do you accept, Sir?

IMPERIAL SIR H'DOUBLER: I do. (Applause)

IMPERIAL POTENTATE MORRISON: You know, the last time he said "I do", that got him into trouble. (Laughter)

Nominations are now in order for the office of Imperial Assistant Rabban.

NOBLE HAL RUSH: Imperial Sir, Imperial Sirs and Representatives: I have the honor to appear before you once more and submit a man's name in nomination for the office of Imperial Assistant Rabban—a Shriner who has been an outstanding member and done a terrific job in relation to every assignment he has received since he has been on the Imperial Divan.

Therefore, at this time, it is my pleasure to place in nomination the name of Randy R. Thomas of Morocco Temple for the office of Imperial Assistant Rabban.

Imperial Sir, hearing no further nominations, I would move that nominations be closed and that the rules be suspended and that our Imperial Recorder, George M. Saunders, cast the unanimous ballot for Randy Thomas for the office of Imperial Assistant Rabban.

The motion was severally seconded, voted upon and was declared to be carried...

NOBLE T. K. ANDERSON: Imperial Sir, Imperial Sirs and fellow Representatives: My name is Anderson and I am the Potentate of Kora Temple.

IMPERIAL SIR MELHAM: Imperial Sir, let there be no question but what this very much relieved person accepts with great pleasure and deep thanks to all of you. (Applause)

IMPERIAL POTENTATE MORRISON: Thank you, Tom.

Now, the next office open for nominations is that of Imperial Recorder.

Now, before entertaining any nominations, I do want to say to you that our Imperial Recorder has been a Recorder for over 30 years and has done a fine job, a great job for our organization.

Before being Recorder, he was Assistant Recorder of Ararat Temple for some 10 years and then, following that, Recorder of that Temple. He has been a great Recorder and also a great Imperial Recorder for the Imperial Shrine of North America.

Now, let me further add that George Saunders has tendered his resignation as of December 31st of this year and so I want you to know that if you do elect George Saunders as your Imperial Recorder, that at the end of the year, according to the By-Laws, the Imperial Potentate, with the approval of the Board, will appoint a Recorder to take his place. I want you to know that.

Now, will Nelson Banks please come up to the podium.

NOBLE NELSON BANKS: Imperial Sir, Imperial Sirs and fellow Representatives: It is my pleasure and distinct honor today to place in nomination for the office of Imperial Recorder the Noble who has given more of his time and talents to the Shrine of North America than any person I have personally known of. His knowledge of the Shrine Fraternity and our beloved philanthropy of Shriners Hospitals for Crippled Children and Burned Children is surpassed by no one person.

He has given many years of service to the Shrine and he is known, loved and respected by all with whom he is associated.

His willingness to serve and ready knowledge has been invaluable to all of us and needed during these many past years.

During the 18 years that I have been privileged to serve as a Temple Recorder and during the past nine years that I have been an officer of the Shrine Recorders Association, I have had a lot of contact with Shrine Temples and our Imperial Office and I can say without any reservation that George Saunders is held in high esteem in relation to his work concerning the Shrine and Freemasonry.

George has said many times, for example, that the Office of Imperial Recorder is one of service to the Imperial Potentate, the Imperial Divan, the Imperial Representatives, the Temple Potentates, Temple Recorders and Nobles all. Not only has he made this statement, but he has constantly practiced this for many years that he has served as our Imperial Recorder.

We have truly had a need for George Saunders during these past years that he has given to us the leadership, the inspiration and service needed as we have kept our Shrine Fraternity moving ever forward.

His record is written, his abilities proven and his willingness to serve has been available and is still available

It is a genuine pleasure for me to place the name of George M. Saunders in nomination for the office of Imperial Recorder.

IMPERIAL POTENTATE MORRISON: Are there further nominations?

NOBLE NELSON BANKS: Imperial Sir, if there are no further nominations, I would move that the rules be suspended and that Spence' Johnson, Past Potentate of Isis Temple and a Past President of the Shrine Recorder's Association cast one unanimous ballot for George M. Saunders for the office of Imperial Recorder and that the response by you, my fellow Representatives, be one of a standing ovation to one who has given so much to so many.

Thank you, Imperial Sir.

IMPERIAL POTENTATE MORRISON: Before we proceed, let us have a vote on the motion before us.

I will declare the motion to be unanimously carried.

NOBLE SPENCE JOHNSON: Imperial Sir, Imperial Sirs and fellow Representatives: It is not only a distinct honor but a genuine privilege for me to cast one unanimous ballot of this great assembly for George M. Saunders for the office of Imperial Recorder.

... Rising applause ensued...

IMPERIAL POTENTATE MORRISON: George, do you accept?

IMPERIAL SIR SAUNDERS: Imperial Sir, Imperial Sirs and Representatives: This is quite an innovation, quite an ovation which gratifies me more than I can tell you in mere words.

I am grateful to each and every one of you for your thoughts, for your continued friendship.

I do accept, Imperial Sir.

Thank you so very much. (Applause)

IMPERIAL POTENTATE MORRISON: Thank you, George.

Nominations are now open for the office of Imperial First Ceremonial Master and I will recognize Albert Head, Potentate of Yaarab Temple.

NOBLE ALBERT HEAD: Imperial Sir, Imperial Sirs and my fellow Representatives: I am the Potentate of Yaarab Temple in Atlanta.

In 1975, you elected Imperial Sir Gene Bracewell as Imperial Outer Guard. He has served you well and it now gives me a great deal of pleasure to nominate Imperial Sir Gene Bracewell to the office of Imperial First Ceremonial Master for the ensuing year.

IMPERIAL POTENTATE MORRISON: Are there further nominations?

NOBLE ALBERT W. HEAD: Imperial Sir, if there are no further nominations, I would move that nominations be closed and that a unanimous ballot be cast in behalf of Imperial Sir Gene Bracewell for the office of Imperial First Ceremonial Master.

... The motion was severally seconded, was voted upon and declared to be unanimously carried...

IMPERIAL POTENTATE MORRISON: Gene, do you accept?

IMPERIAL SIR BRACEWELL: Imperial Sir, Imperial Sirs and my fellow Representatives: It is with sincere humility and deep gratification that I say to you that I do accept. Thank you very much. (Applause)

IMPERIAL POTENTATE MORRISON: Thank you, Sir.

And now we will entertain nominations for the Imperial Second Ceremonial Master.

I will recognize the Potentate of Al Malaikah Temple, Rudolph Yuhas.

NOBLE YUHAS: Thank you.

Imperial Sir, Imperial Sirs and fellow Representatives: The individual who I am going to nominate for the office of Imperial Second Ceremonial Master has been a personal friend of mine for many, many years. I would do anything for him, as he would for me and so, consequently, we are not doing much for each other. (Laughter)

Seriously, however, as the Potentate of Al Malaikah Temple, it is with great personal pride and pleasure that I place in nomination the name of Walker S.

Kisselburgh for the office of Imperial Second Ceremonial Master for the ensuing year.

IMPERIAL POTENTATE MORRISON: Are there further nominations?

Please proceed, Sir.

NOBLE YUHAS: Hearing no other nominations, Imperial Sir, I move that the rules be suspended and that the Imperial Recorder be instructed to cast the unanimous ballot for the office of Imperial Second Ceremonial Master for Walker S. Kisselburgh.

... The motion was seconded, voted upon and unanimously carried. . .

IMPERIAL SIR SAUNDERS: Imperial Sir and Representatives, it is a genuine pleasure for me to cast the unanimous ballot of this Imperial Council for Walker S. Kisselburgh for the office of Imperial Second Ceremonial Master for the ensuing term. (Applause)

IMPERIAL POTENTATE MORRISON: Now let me ask you, Walker, do you accept?

IMPERIAL SIR KISSELBURGH: Imperial Sir, having served you as your Imperial Marshal for this year and having been chastized so many times, it is a distinct pleasure to be elevated to the position of Imperial Second Ceremonial Master. Thank you, Sir, I do accept. (laughter and applause)

IMPERIAL POTENTATE MORRISON: Thank you, Walker.

We next come to the office of Imperial Marshal.

For that nomination, I recognize Clifford Underdahl from El Kahir Temple.

NOBLE CLIFFORD UNDERDAHL: Imperial Sir, Imperial Sirs and Representatives: I am Cliff Underdahl the Potentate of El Kahir Temple for this year.

It gives me a great deal of pleasure and I am very, very honored to be chosen the man to nominate our Imperial Marshal this year.

I wish to place in nomination the name of Dr. Russell H. Anthony.

IMPERIAL POTENTATE MORRISON: Are there other nominations?

NOBLE UNDERDAHL: Imperial Sir, if there be no other nominations, I would move that nominations cease and that a unanimous ballot be cast for Imperial Sir Anthony.

... The motion was severally seconded, voted upon and was declared to be unanimously carried. . .

IMPERIAL SIR SAUNDERS: Imperial Sir, I will cast the unanimous ballot of this assembly of Representatives for Russell Anthony as Imperial Marshal for the ensuing term.

IMPERIAL POTENTATE MORRISON: Russ, do you accept?

IMPERIAL SIR ANTHONY: Imperial Sir, I do accept.

May I say that since a precedent has been set up by our out-going Imperial Marshal, I would like to say that I am very proud to be a Shriner and to have served under Imperial Sir Fred R. Morrison. (Applause)

IMPERIAL POTENTATE MORRISON: Thank you.

Nominations are now in order for the office of Imperial Captain of the Guard. I will recognize Milton Frazier of Habibi Temple.

NOBLE MILTON FRAZIER: Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives: Last year in New York I appeared before you and gave the qualifications of a Noble we knew would make a great Imperial Officer. By your vote, you elected the first Noble from the great State of Louisiana to serve on the Imperial Line.

I am sure that Imperial Potentate Morrison and his Divan will agree that he has proven worthy of your vote.

Here today I deem it a great pleasure and a personal privilege to place in nomination for the office of Imperial Captain of the Guard, Imperial Sir Voris King.

IMPERIAL POTENTATE MORRISON: Are there further nominations?

If not, please continue, Sir.

NOBLE FRAZIER: Imperial Sir, if there be no further nominations, I move you

Sir, that the rules be suspended and that our No. 1 Recorder, George M. Saunders, cast the unanimous ballot for Imperial Sir Voris King to serve as Imperial Captain of the Guard for the ensuing year.

... The motion was severally seconded, voted upon and carried. . .

IMPERIAL SIR SAUNDERS: Imperial Sir, Imperial Sirs and Representatives, it is a genuine pleasure for me to cast the unanimous ballot of this Imperial Council for Imperial Sir Voris King to serve as the Imperial Captain of the Guard for the ensuing term. (Applause)

IMPERIAL POTENTATE MORRISON: Let me ask you, Voris, do you accept?

IMPERIAL SIR VORIS KING: Imperial Sir and Imperial Sirs, thank you so much for your confidence. I appreciate this wonderful promotion and I hope that I can give you another year of great service. I do accept, Imperial Sir. (Applause)

IMPERIAL POTENTATE MORRISON: Thank you, Voris.

Now, Nobles, and Representatives I have in front of me a list of, I believe, five candidates for the office of Imperial Outer Guard. Now, I wish they would come up here at this time. They are Billy Beaver, Edward McMullan, George W. Powell, Joseph Padgett, and Maury Leahy.

I would like to ask them to come to the platform at this time and if there are any other candidates, I would ask them to so inform me so that they also can come up and draw a number and be nominated in that order.

Are there any other candidates besides those five?

I hear no reply. Thank you very much.

I will also ask the nominators of these gentlemen to present themselves up here on the platform. Let me say that nominations are limited to five minutes but if you are smart, you will hold them to three minutes, or four. (Laughter)

Further, there will be no seconding speeches.

... At this point drawing of numbers between the candidates for nominating position ensued. . .

IMPERIAL POTENTATE MORRISON: Again, you probably have met and know all of these candidates but as I call their names, I want them to step forward and be recognized.

First of all, we have Joseph Padgett from Islam Temple.

Then we have George Powell from Crescent Temple.

We have Maury Leahy from Tehran Temple.

We have Billy Beaver from Abdallah Temple.

Lastly, we have Edward McMullan from Al Azhar Temple.

Now, the first nomination will be that for Joseph Padgett and I will call on Robert W. Morrison, the Potentate of Islam Temple at this time.

NOBLE ROBERT MORRISON: Imperial Sir, Imperial Sirs and fellow Representatives: I am doubly privileged this Session, first to have the privilege of serving as Potentate of Islam Temple, Home of the Annual Shrine East-West Football Games; and, secondly, to have the honor of nominating for the office of Imperial Outer Guard our Junior Past Potentate, Joseph P. Padgett.

Joe started out in life as a good old Southern boy. He was born in that suburb of Plains, Georgia, which I believe is known as Atlanta.

When he moved to San Francisco and joined Islam Temple some years later, we had to hire a translator. (Laughter)

Since receiving the endorsement of the Nobility of Islam Temple last January, Joe has energetically traveled the length and breadth of the North American Continent, visiting nearly every Shrine Association, meeting with many of your wonderful Temples. He has been a full-time candidate in his quest for Imperial Office and he will be a full-time Imperial Officer.

You have talked with Joe in his travels and here at this Session. You have received his brochures and are well acquainted with his achievements as a successful businessman, leader in his community and leader in Masonry and Shrinedom.

He is everything a Mason should be.

Having worked with Joe on many projects and gotten to know him intimately, as I served one notch behind him on the Islam Divan over the last seven years, I can personally vouch that he will bring to the Imperial Divan the same courage, willingness to serve, able, vigorous and aggressive leadership he brought to the Islam Divan.

It is, therefore, with pride and also humility that I place in nomination for the office of Imperial Outer Guard the name of Past Potentate Joseph P. Padgett and strongly urge your support.

Thank you very much.

IMPERIAL POTENTATE MORRISON: The second nomination will be made by Tom Dooley, who will nominate Billy J. Beaver.

NOBLE TOM DOOLEY: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Illustrious Sirs and fellow Representatives: It is a great pleasure for me to be here today and this afternoon I would like to remind you that you are going to have to make a decision which will have to be one of the most important decisions that you will be making during this entire Session. This has to do with the man you are seeking for the office of Imperial Outer Guard, the man who will eventually be the Imperial Potentate of the Shrine of North America. Therefore, I would urge you to cast your ballot with only one thought in mind—who is the most qualified candidate?

I present to you a devoted family man; married 26 years and with 5 children, 2 of which are Masons and Shriners and also one grandson.

He is a veteran of the Korean Conflict, served with the United States Army with distinction and wears proudly the purple heart for his efforts.

He is likewise a man who has been successful in business as a Chief Executive Officer and President of a large general manufacturing operation.

He is the President and owner of a data processing company and the owner of an industrial equipment repair company, a real estate developer, a gentleman farmer and a breeder of horses. He is also a Director of a bank, a member of the Board of Directors of the National Welding and Supply Association.

He is a charter member of his Lodge and also a Past Master of his Lodge and also a member of the Scottish and York Rite Bodies. He is also a Past Potentate of his Temple and is an officer in the Royal Order of Jesters and a member of the Cabiri.

He is also the recipient of the Legion of Honor from the Order of DeMolay.

I present to you for nomination to the office of Imperial Outer Guard, Billy J. Beaver, Past Potentate of Abdallah Temple and I would urge your support of him.

IMPERIAL POTENTATE MORRISON: Thank you.

I will now call on Billy Vaughan, who will nominate George Powell.

NOBLE VAUGHAN: Imperial Sir, Imperial Sirs and fellow Representatives: The time for Masonry, a brotherhood of man under the fatherhood of God, dedicated to taking good men and inspiring them and making them better, is now. The need was never greater than now.

If it is to be, it is up to you and me.

First, George Powell is a good Mason, a great Shriner.

Our great heritage challenges us to offer the best we have for these trying and demanding and frustrating days.

Today one word describes our greatest need in every organization and that one word is "leadership". Yes, inspiring, dedicated, knowledgeable experience and trustworthy and qualified leadership, about which there is no question or doubt. This is the greatest need in our land at every level and in every organization.

Shrinedom is no exception.

The Noble I am privileged to nominate today is that man—Illustrious George

Washington Powell, Past Potentate of Crescent Temple, who meets all of those qualifications.

He is, first, a good Mason, a good man and a great Shriner. George has the endorsement of his Grand Master and every other Masonic body in his state, Blue Lodge, York Rite, Scottish Rite, DeMolay and Shrine.

There is no substitute, Nobles, for experience, wisdom and dedication.

George Powell is a good businessman. He is a banker, heads the Personnel Committee and the Loan and Discount Committees of a bank with some 800 employees.

George Powell knows how to work with and for people, knows how to use prudent judgment with the money of other people. His experience and know-how will be most valuable on the Imperial Line.

He is an active Trustee of his Temple.

He is a recognized church and civic leader and has been a member of this Imperial Council for many years.

George is a Noble of great integrity, ability and enthusiasm, with dedicated leadership, makes things happen; a Noble we can depend on, a Noble we can count on as an Imperial Officer. George will accept the ball and carry it over the goal line. to higher heights.

Please vote to give George Powell the opportunity to carry Shrinedom's flag to higher heights.

George is a dedicated Shriner and family man who loves and lives his Masonry and Shrinedom every day; a Noble who can and will make the right decisions.

Yes, George Powell is what Shrinedom and our Imperial Line needs.

Nobles, vote for George Powell for Imperial Outer Guard to lead our honored Imperial Shrine to meet the challenges and demands that we are faced with today. Thank you very much. (Applause)

IMPERIAL POTENTATE MORRISON: I will now call on Truman Campbell to nominate Maury Leahy.

NOBLE TRUMAN CAMPBELL: Imperial Sir, Imperial Sirs, Illustrious Sirs and fellow Representatives: Today I have the high honor to address this Imperial Council for the purpose of nominating for Imperial Outer Guard our Immediate Past Potentate, my long-time friend, as well as counsellor in the Shrine, Maury Leahy.

You may have heard about us Westerners. We are mad as hell. There is a revolution going on out in California that is spreading like wildfire, a kind of prairie fire coming out East, our Proposition 13.

It all started in relation to taxes but, really, what it was all about was representation—taxation without representation.

Well, what has this got to do with the Shrine?

Let me tell you.

Almost a third of our Fraternity is in the West. We are represented by only one Imperial Officer.

Over ten percent of the Shriners of North America are in the Western Shrine Association and, again, only one Imperial Officer.

Almost ten percent of the Temples are in California. The last time California had an Imperial Potentate was in 1948, Harold Lloyd. As a matter of fact, the last time we had an Imperial Session in the West was over ten years ago, in California over fourteen years ago, and it is unlikely that until it is Walker's turn, that there will be another one. That is yet some seven or eight years.

Now, that is not right and we all know it. We are not going to have a revolution in the Shrine but I think we should do something about it and we can do something about it today.

Geography isn't what it is all about either. There is only one Imperial Officer in the Line that represents small Temples, Voris King. The small Temples have different problems from the larger Temples and their problems need to be understood and considered by the leaders in the Shrine and unless there is representation

on the Imperial Line, I don't think that can effectively happen. That isn't right either.

This is our chance to do something about that also.

Well, when Maury confided in me that he intended to run for the office of Imperial Outer Guard and as to what his plans were, I told him he should probably see a psychiatrist. He had just spent some eight or ten years on the line on Tehran Temple and now he was looking forward to another ten or twelve-year line.

Further, being a Westerner and a Californian and from a small Temple, there was practically no budget to support his candidacy. However, I became convinced, as I know you have, that he is sincere—that he sincerely wants to serve Shrinedom; that he sincerely desires to serve you.

I have become convinced that he can bring a new dimension to our Imperial Line. He is not looking for something personal but he wants to serve in a representative capacity.

I have known Maury virtually all of my life. I know about his personal qualifications.

He is a native son of Fresno, California; attended all of the public schools there; attended the University of Colorado. He played football, was on the track team.

He likewise served in our Armed Forces, in the Navy.

He is likewise a successful businessman. He commenced his business career with his present corporation, Lawson Products Company in 1960, and started the Western Region. At that time, they were not even operating in the West but in a matter of over the past eighteen years, he has built that Region to the second largest in the whole corporation.

He has received personal recognition within that company for outstanding leadership, outstanding sales, outstanding development and organization.

He has brought new people into the organization, developed them and then sent them out to do the job they have to do.

I know about his Shrine record and his record of achievement in our Temple, especially with our programs and our small budget. He left us with a surplus of over \$7,000, which is not a mean feat in the area of Fresno. He will bring this experience to the Imperial Line.

Maury is fully supported by his family. I believe that is an important qualification.

His wife has been with him on all of his travels during his campaign for the high office of Imperial Outer Guard. I met his daughter, Jerry. I am sure she probably conferred upon you the honorary degree of Irishman when you visited his home.

Further, this election is not an award for service—it is not a consolation prize—it is not another scalp for a Masonic biography. In short, it is not a sentimental journey or an ego trip.

Maury desires this office to be able to serve and to represent the unrepresented. He will bring youth and vigor to the Imperial Line.

He is capable, he is qualified. He comes from a Masonic family. All of his children are identified Masonically.

A vote for Maury is a reaffirmation of faith in what the Shrine is all about. It is my privilege and pleasure to place the name of Maury Leahy in nomination for the high office of Imperial Outer Guard.

Thank you. (Applause)

IMPERIAL POTENTATE MORRISON: Thank you.

Nobles, I will now call upon George Ingram who will nomination Edward McMullan.

NOBLE GEORGE INGRAM: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters and Fellow Representatives: My name is George Ingram and I am the Potentate of Al Azhar Temple, Alberta, Canada. As such, I come before you to

place in nomination for the office of Imperial Outer Guard, the name of Edward G. McMullan, Past Potentate of Al Azhar Temple, a man whom I have known and respected for many years.

Noble Ed is a young man, personable and vigorous. He has traveled all over North America, from the far North of Canada to the Gulf of Mexico and from the Atlantic to the Pacific, meeting and talking with you, the Representatives of your many Temples.

His devotion to our great philanthropy is demonstrated by the fact that this is his 4th year seeking office on the Imperial Council. The first year was in Toronto, in 1975; Kansas City in 1976; New York City in 1977, where he was a very strong runner-up to our present Imperial Officer, Noble Voris King, Imperial Outer Guard.

Only a man who has the stamina, devotion and the desire to win can be so dedicated.

Noble Ed has the 100 percent support of our own Temple and we trust that he has your strong support as well.

His knowledge of our Shrine Hospitals, Orthopedic, Research and Burns Units is most impressive. His extensive experience with financial institutions and on various Boards of Directors will be invaluable to the Imperial Council as he represents you.

Shrinedom—the great philanthropy, is an international Fraternity. Three great countries—the United States, Mexico and Canada—have demonstrated to the rest of the world how to live in peace and harmony. The way we have achieved it is by communication, cooperation, understanding and a sound interest in the other's problems.

Our brotherhood has a lot to do with these relationships, as we are all brothers under the Masonic Pledge. No one knows this better than our Noble Ed.

You are aware of Ed's Masonic background and of his distinguished wartime record.

Ed's aggressive and businesslike behavior complement his good nature and his pride in being a Shriner. He is proud of his lovely wife, Audrey, and their four children. This wonderful family has stood behind Noble Ed in everything he has accomplished.

They love him, we love him and you will also.

Nobles, it is with great pride that I place before you the name of Past Potentate Edward G. McMullan for the office of Imperial Outer Guard. Thank you very much. (Applause)

IMPERIAL POTENTATE MORRISON: Thank you George.

Nobles, I hope all of you are Representatives here in front and that the non-Representatives are out at the end of the railing.

We are going to now use ballot No. 3, which is the gray ballot for the office of Imperial Outer Guard.

First of all, let me ask this, are there any further nominations for the office of Imperial Outer Guard?

Hearing none, I declare the ballot closed. (Gavel)

Again, you will use Ballot No. 3, the gray ballot, and I will now call on Joe Howell, the Chairman of the Tellers Committee, for further instructions.

NOBLE HOWELL: Imperial Sir, Imperial Sirs and fellow Representatives: It is going to be rather hard to take up these ballots so I would request that you please stay in your seats. We will get to you just as fast as we possibly can. We will have several men passing these ballot boxes back and forth and so if you do get out of your seats it is going to be rather hard for us to take up the ballot. We would like to take up the ballot and get back to you right away. Therefore, please stay in your seats.

Also, regarding the little stubs that are on your ballot, you tear those off and maintain that. Drop your ballot in the box when it is passed to you. The Imperial Sir says to also put in the stub.

IMPERIAL POTENTATE MORRISON: Just a moment, Representatives. I would like to call on the Chairman of the Jurisprudence and Laws Committee.

NOBLE TURLEY: Imperial Sir, Imperial Sirs and Representatives: Let me say to you that you tear the little stub off and you mark the ballot. Then you put both of them into the ballot box and then also this gives us an attendance record because it has a number on the stub. However, nobody can tell how you voted and you cannot tell how somebody else voted.

IMPERIAL POTENTATE MORRISON: There is no number on the ballot.

Okay, you have received your instructions.

...Whereupon, balloting and collection of ballots ensued...

Is the Grand Master of Masons of the Great State of Texas in the hall? He is here.

Nobles, please pay attention while I call on Worshipful Brother Furman Vinson, the Grand Master of the State of Texas, for a few brief comments. I am sure he will not talk too long.

WORSHIPFUL BROTHER VINSON [Grand Master, Texas]: Imperial Sir, my fellow Grand Masters, Imperial Sirs and Nobles all: A few months ago we in Texas had the very great pleasure of hosting the Shrine Directors Association and for those of you who were there, I think that you will remember that I gave you some of the best advice possible and that was that you should make use of your time in Texas to improve your image.

I have a very fine young District Deputy, one of the best. He grew up in Massachusetts but, you know, for the first six months, I thought he had a speech impediment. (Laughter)

Nevertheless, I bring you the Fraternal greetings of the Grand Lodge of Texas and its appendant bodies, the York and Scottish Rites and the nearly 70,000 Nobles of our 13 Temples.

I think it is wonderful that we are meeting here in the City of Detroit and I would not be insensitive as to the symbolism that is represented here.

You know, back about the turn of the century, there was a then young man here who had an idea. He had some skill and he also had a lot of energy. As a matter of fact, he had a dream that he could put an automobile on the assembly line and he could build it at a price that you and I as average Americans could afford and that, in turn, America would be forever freed of the horse that was then its main mode of transportation.

Well, as history tells us and you all know, he turned this dream into reality and it has indeed freed America from the horsepower of that day.

He also had another dream and that was that a man should receive an honest day's pay for an honest day's work. Well, as we all know, Henry Ford went on to become the companion of Kings, Presidents and of the greats of the world. However, the thing that you and I as Nobles of the Mystic Shrine should remember was that the thing that made Henry Ford great was that he did benefit mankind.

As a Mason, I hope that we will never forget this lesson—that we grow only in proportion to what we do for mankind.

Imperial Sir, let me say that I am proud to be a Shriner. Thank you very much.

...Rising applause ensued...

IMPERIAL POTENTATE MORRISON: Thank you, Most Worshipful Grand Master from the State of Texas.

Now, gentlemen, has everybody voted and have all ballots been collected?

Hearing no comments to the contrary, I will now declare the ballot closed. (Gavel)

Now, Joe, please do the best you can. Count them properly but do it as fast as you can.

...Business was conducted in the Colorado Corporation at this time...

IMPERIAL POTENTATE MORRISON: I would like at this time to call upon the

Grand Master of the State of Idaho, Worshipful Brother Alton T. Kauffman. Are you present, Worshipful Master?

WORSHIPFUL BROTHER KAUFFMAN [Grand Master, Idaho]: Imperial Sir, Imperial Sirs, fellow Masons: I am cognizant of the fact that you are not too anxious to hear from me but, as soon as possible, hear the results of the forthcoming election.

As a matter of fact, I am sure that any one of the five candidates nominated would certainly make a real excellent Imperial Potentate.

Nevertheless, brethren, let me say that the Masons of Idaho wish to commend the Shrine for their great philanthropy. We in the Blue Lodges need the Shrine and I am sure that the Shrine needs us.

The cooperation between the different bodies of Freemasonry is something we can all be proud of.

Let us keep in mind that we are all working for the same thing and this refers to the tenets of our great Fraternity—brotherly love, relief and truth.

Let us never forget that there is a destiny that makes us brothers; no man goes his way alone. All that we send into the life of others, comes back into our own.

Imperial Sir, I, too am proud to be a Shriner. Thank you very much. (Rising Applause)

IMPERIAL POTENTATE MORRISON: Thank you, Most Worshipful Grand Master.

...Business was conducted in the Colorado Corporation at this time...

IMPERIAL POTENTATE MORRISON: Nobles, I just want to inform you that we just received a telephone call concerning the surgery of George Stringfellow. Surgery has been postponed. The doctors are going to try first other medication. I just wanted you to know that.

...Business was conducted in the Colorado Corporation at this time...

IMPERIAL POTENTATE MORRISON: I believe that Joe Howell is back.

I will recognize him for the report of the Tellers Committee regarding the election for Imperial Outer Guard.

NOBLE JOE HOWELL: Imperial Sir, Imperial Sirs and Representatives: It is with pleasure that I give you the results of ballot No. 3 for the office of Imperial Outer Guard.

There were a possible 788 votes, 778 actually voted. There were no spoiled ballots. Necessary for choice was 390.

The votes were distributed as follows: Noble Leahy 16; Noble Beaver, 29; Noble Padgett, 49; Noble Powell, 97 and Noble McMullan, 587.

...Rising cheers and applause ensued...

IMPERIAL POTENTATE MORRISON: At this time I will recognize George Powell.

NOBLE GEORGE W. POWELL: Imperial Sir, Imperial Sirs and fellow Representatives: On behalf of the other candidates, it is my pleasure and privilege to move that we have the record show that this vote was unanimous for Edward McMullan for Imperial Outer Guard. Thank you.

...Cheers and applause...

IMPERIAL POTENTATE MORRISON: I am going to call on Joseph Padgett.

NOBLE JOSEPH PADGETT: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters and Representatives: It has been a great year running for the Imperial Line. I would like to congratulate Ed McMullan for the real terrific campaign he put up and I would like to at this time move that a unanimous ballot be cast for Ed McMullan for the position of Imperial Outer Guard.

Thank you very much. (Applause)

IMPERIAL POTENTATE MORRISON: I will recognize George Ingram.

NOBLE GEORGE INGRAM: Imperial Sir, may I approach the stage for a presentation?

IMPERIAL POTENTATE MORRISON: You cannot make any presentations as yet. I will recognize Noble Beaver.

NOBLE BILLY BEAVER: Imperial Sir, Imperial Sirs and fellow Representatives: I would like to take this opportunity to congratulate you on the wise choice you made and I would like to congratulate Ed and I, too, would like to move this be a unanimous decision of this assembly.

Thank you. (Applause)

IMPERIAL POTENTATE MORRISON: Nobles, you have heard the results of the ballot. Let me ask you, Ed McMullan, do you accept?

NOBLE ED McMULLAN: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters and my fellow Representatives: I first of all want to say congratulations to the candidates I ran with and not against. Further, I have learned more in defeat than in winning and I trust that they, too, will carry on with their desires and not give in on the first ballot or second time around because I have learned, by traveling throughout this wonderful country of ours that unless you know what you are doing and where you are going and where you have been, you will not be of any use to the Imperial Line or to the Nobles that you represent.

There is one other thing that I must say and that is very ironically I am here in Detroit because my brother and sister were born here. I came here when a month old. My father came from Belfast and today is Orangeman's Day, July 12th. (Applause)

IMPERIAL POTENTATE MORRISON: I am glad that your heritage is right here in Detroit, Ed.

Now, George, you may approach the podium.

First of all, Nobles, you have heard several motions for a unanimous ballot made. Are you in favor of a unanimous ballot?

...Cries of "yes"...

IMPERIAL POTENTATE MORRISON: Is there any opposition?

If not, Ed, you are declared to be unanimously elected.

NOBLE GEORGE INGRAM: Imperial Sir, Imperial Sirs and Representatives: It is my privilege at this time to call up to the podium here Past Potentate G. W. "Web" Lomas and Past Potentate Harry E. Alger and Past Potentate Ernest Johnson. I want you to know, Representatives, that these three Past Potentates were part and parcel of Ed's original Divan and they are here to see him win.

Now, Ed, in behalf of Al Azhar Temple, I would at this time like to present you with your three-star Fez.

...Presentation of three-star Fez ensued... (Applause)

IMPERIAL POTENTATE MORRISON: Thank you very much.

Nobles, again, we are going to try to get as much done as we possibly can. I do not want to keep you here all day.

...Business was conducted in the Colorado Corporation at this time...

IMPERIAL POTENTATE MORRISON: Now, Nobles, you have been such a great group, we are going to recess until tomorrow morning at nine o'clock.

Now, listen to me, because I know it is going to take quite a while to count the ballots. I know we still have a lot of business to take care of but we are going to have plenty of time.

However, do me a favor—try to get dressed and get over to Cobo Hall a little bit early because I want you to take full advantage of everything that has been planned for you.

At this point, therefore, I will now declare this meeting in recess until tomorrow morning at nine a.m.

...The 104th Annual Session of the Imperial Council, A.A.O.N.M.S. recessed at 3:38 o'clock p.m., to reconvene in the Renaissance Ballroom, Detroit Plaza Hotel at nine o'clock a.m. the following morning...

**BANQUET SESSION
WEDNESDAY, JULY 13, 1978
8:00 O'CLOCK P.M.**

The Imperial Potentate's Banquet of the One Hundred Fourth Annual Session of

the Imperial Council, A.A.O.N.M.S., was convened at Cobo Hall, Detroit, Michigan, commencing at 8:00 o'clock p.m., with the Imperial Potentate and his lady, the members of the Imperial Divan and their ladies, the Past Imperial Potentates and their ladies, the Grand Masters from the various jurisdictions and their ladies and other distinguished guests assuming their assigned places at the Head Table.

DIRECTOR GENERAL MORRISON: Will you please give your attention to the Imperial Chaplain of the Shrine of North America, Reverend Dr. Mercer.

REVEREND MERCER [Imperial Chaplain]: Let us unite our hearts in prayer.

O God, we pray tonight for two particular people with one particular purpose.

We pray for Fred and Rita Morrison and for all they love.

We are reminded of the words of the poets—"The Captains and the Kings depart; still stand Thy ancient sacrifice; a humble and contrite heart."

We know that more important than all the pageantry, all the drama, all the power, all the prestige of this high office is the symphony of Thy love in their eyes.

We pray, O Lord, that life for Fred and Rita shall continue to be happy, abundantly creative and full of joy and happiness.

We pray all of this in Thy spirit and in Thy name. Amen.

DIRECTOR GENERAL MORRISON: Would you now join with me in the Pledge of Allegiance.

... The Shriners' Pledge ensued. . .

DIRECTOR GENERAL MORRISON: Now, ladies and gentlemen, enjoy your meal.

... The serving of the banquet dinner ensued. . .

DIRECTOR GENERAL MORRISON: If you will take your seats, we will start tonight's program.

To begin this evening's program, let me start by introducing the people at the head table. We know, of course, that the acoustics and the microphone system are not the best but we will ask you to cooperate with us for the next ten or fifteen minutes anyway.

I would like to start out tonight's introduction by introducing the Illustrious Potentate of the Host Temple, Moslem Temple, Billy D. Semanson and his wife, Virginia. (Applause)

Also, at this time, I would like to present to you in one group the people behind the Imperial Potentate, the Illustrious Past Potentates of Moslem Temple and their wives. Will you all please rise? (Applause)

I would also like to introduce the Past Imperial Potentates of the Shrine of North America: Harold C. Close, Imperial Potentate, 1963-1964 from Egypt Temple, Tampa, Florida and Mrs. Close. (Applause)

O. Carlyle Brock, from Zem Zem Temple, Erie, Pennsylvania, Imperial Potentate, 1964-1965. (Applause)

Orville Rush, Kena Temple, Fairfax, Virginia, Imperial Potentate, 1966-1967. (Applause)

From Chicago, Illinois, Medinah Temple, Thomas F. Seay, Imperial Potentate, 1967-1968. (Applause)

From Afifi Temple, Tacoma, Washington, Imperial Potentate 1968-1969, Chester A. Hogan and Mrs. Hogan. (Applause)

Imperial Potentate, 1970-1971, Aubrey G. Graham, Khedive Temple, Norfolk, Virginia, and Mrs. Graham. (Applause)

From Gizah Temple, Vancouver, British Columbia, Canada, Imperial Potentate in 1974-1975, Jack M. Streight, Q.C. and Mrs. Streight. (Applause)

The Immediate Past Imperial Potentate of the Shrine of North America, 1976-1977,

from Cairo Temple, Rutland, Vermont, Peter Val Preda and Mrs. Val Preda. (Applause)

As a special introduction, I would like to introduce to you Mrs. Margaret Struby, who is the widow of the Imperial Potentate of 1972-1973, Imperial Sir Henry B. Struby. (Applause)

It is also my distinct pleasure to introduce to you tonight the Grand Master of Masons, State of Michigan, Most Worshipful Brother Holm A. Swenson and Mrs. Swenson. (Applause)

Now, ladies and gentlemen, I must apologize to you tonight because, as Director General of the 104th Imperial Council Session, I have, as yet, not had an opportunity to introduce my wife and so I would like to have all of you meet my wife, Barbara. (Applause)

It has been my pleasure to serve you. I hope that our staff, the Potentates and Divan of Moslem Temple and the 16,500 members have made you feel welcome. We are very, very proud that you came to visit our city. (Applause)

And now, Nobles and guests, let me introduce to you the Imperial Potentate of the Shrine of North America, Fred R. Morrison, Sr.

... Rising applause ensued. ...

IMPERIAL POTENTATE MORRISON: Imperial Sirs, Illustrious Sirs, Worshipful Grand Masters, Nobles, Ladies and Guests: This is a great thing, a great evening and a great week.

I am going to, first of all, introduce a few of my friends, business and civic friends, who have given me their support throughout the last several years.

... Whereupon, Imperial Sir Morrison introduced a few of his business friends and their wives that were present. ...

IMPERIAL POTENTATE MORRISON: Ladies and gentlemen, would you give these guests of mine who have helped me all through these years a round of applause? (Applause)

You know, I sure hope that I have not missed anyone.

I would also like to introduce to you my family.

I am not going to do it individually because, you know, I have a pretty good-sized family. They are all down here in the front. I would like to ask all of my family to rise at this time and ask that you give them a round of applause.

... The assembly applauded as the Imperial Potentate's family members arose. ...

IMPERIAL POTENTATE MORRISON: I am going to go out of my way just a little bit at this time and introduce one or two other people that have taken the brunt of my abuse all year long, together with our Imperial Marshal.

I would now like to present to you my chief aide, Charles Kaufman and Jane. (Applause)

Now, I want to give special thanks not only to the Director General and his lady, because you all see what they have done all week, but the fellow that has worked hard for two years housing your people—the Housing Chairman of this great Convention Patrick B. Duthie and his wife, Lois. Where are you? (Applause)

I want to thank you from the bottom of my heart for all of the hard work that you did and performed.

As a matter of fact, let me say that he worked so hard that midway, I think about two months ago, he suffered a heart attack. However, he is back with us but, in the meantime, he most certainly did his job.

You know, when I started off this year I said, "no aides, I don't need any aides."

Well, you had better believe me when I say that I wound up with a lot of aides, especially all of these people who have worked here all week and especially all year for me. Will all of you please stand and take a bow, all of the Imperial Potentate's Aides, please. (Applause)

I, also, appointed Deputy Marshals from Moslem Temple.

Would you please rise?

Thank you very much. (Applause)

Again, I hope I have not missed too many people and, if I did, well, you would just have to give me the dickens later.

Before I left the office of Imperial Potentate of the Shrine of North America, I wanted to have a few friends over to say "thank you" to. I am glad that all of you came and I do want to thank each and every person here and the many more whom you represent.

Thank you a thousand times for the most tremendous year of my life. (Applause)

You know, I traveled from Canada to the Panama Canal Zone; from the Atlantic to the Pacific. Rita was with me. We visited Shrine Temples and Hospitals, attended banquets, meetings of all types, seminars, horse shows, football games, groundbreaking ceremonies, centennial celebrations and Ceremonials and, with all of these, I can report to you without qualification that we belong to the greatest organization on earth. (Applause)

Everywhere that we went, wherever we gathered, there was warmth and friendliness, the combination of hard work and laughter that makes the great Shrine Family what it is.

We are a family, you know, from Al Aska Temple at Anchorage, Alaska to Abou Saad Temple in the Panama Canal Zone. (Applause)

Also, my own family was a special part of this year. Each of them contributed to making my year wonderful for me.

Most especially, I want to thank my wonderful wife, Rita. (Applause)

She was truly a fine and gracious "First Lady" of the Shrine of North America and a patient and loving help for me throughout this Imperial Year.

I also want to thank and recognize not only the Potentates of this great Temple but the Divan of this great Temple who worked untiringly with the Past Potentates and the members of Moslem Temple. I would like to have the Moslem Temple Divan stand up and take a bow.

I do want to thank each and every one of you. (Applause)

I also know that most of the Past Imperial Potentates know how much work there is behind the scenes and these folks have done a tremendous job helping me and my son.

I also want to thank my son, the Director General, Fred R. Morrison, Jr., and his lady Barbara for all their help and support. (Applause)

He wanted this Session in my home city of Detroit to be a celebration of my year as Imperial Potentate and of this tremendous year in Shrine history.

For me, it has been just that and I thank Fred, Jr., and, as I said before, all of the people of Moslem Temple, for making all of this possible.

I also want to extend my special thanks to an individual who nominated me a number of years ago for this great position, Marvin Lane and his lady. Marv, I do want to thank you for your support over the years. (Applause)

You and Pat have been just great and it is just hard to thank you but I know you know what I mean.

You know, it is difficult to put into words the deep gratitude I feel toward everyone here and the entire Shrine family. One way, of course, was to have you all here tonight for a special evening of celebration.

The other is to repeat again what I have said from the moment I received my first Fez, "I am proud to be a Shriner". (Applause)

Now, we have with us a special guest here tonight, a lady that came here all the way from New Mexico.

Now, you may wonder why I am introducing her. Well, I will tell you why.

She is the head of an organization that has supported our Hospitals over many, many years and I want to introduce to you at this time the Supreme Queen of the Daughters of the Nile, Mary J. McKay. Where are you? (Applause)

And with your indulgence tomorrow, Nobles, and Representatives, she is going to make a presentation at our meeting. I do think backwards maybe but, after

all, theirs is a great organization, along with the other ladies organizations. I am not taking anything away from the other ladies organizations because they likewise have contributed an awful lot.

My mother, as a matter of fact, was a member of all of those organizations. She was also the local head of the Daughters of the Nile and the Eastern Star. You name it in connection with the ladies and my mother was at the top.

I would like to present to you at this time the Imperial Divan which I have had the pleasure of and privilege of working with all through this year.

The Imperial Divan of the Shrine of North America certainly is a great group of people. I hate to have to leave them at the end of this week because every meeting that we have had, every function that we have had, they were there helping and working with me.

One of the greatest Chaplains we have ever had, insofar as I know, is the Reverend Dr. William Mercer from Moslem Temple, Detroit, Michigan. Where are you, Sir? Please stand and take a bow. (Applause)

I would next like to introduce a fellow that I am proud is taking my place on the Imperial Divan, the newly elected Imperial Outer Guard-elect, Edward McMullan from Al Azhar Temple. (Applause)

I would next like to present to you, from Lake Charles, Louisiana, Habibi Temple, the Imperial Outer Guard, Voris King. (Applause)

You know, again, I have forgotten to present their ladies. I am sorry, but Frances, will you take a bow also? (Applause)

And Audrey, you also take a bow. (Applause)

And Elouise, you also. (Applause)

The next is the Imperial Captain of the Guard, Dr. Russell H. Anthony, and Shirley, from El Kahir Temple, Cedar Rapids, Iowa. (Applause)

From Al Malaikah Temple, Los Angeles, California, probably the second greatest Marshal that ever was in Shrinedom (laughter), Walker Kisselburgh and Neita. (Applause)

I am sure all of you know what I meant when I said the "second best Marshal".

After all, I was Imperial Marshal once. (Laughter)

From Yaarab Temple, from the great city of Atlanta, Georgia, Imperial Second Ceremonial Master, Gene Bracewell and Katharyn. (Applause)

From Kora Temple, Lewiston, Maine, the Imperial First Ceremonial Master, Richard B. Olfene and JoAn. (Applause)

Next, the greatest Imperial Recorder, insofar as I am concerned, that ever lived, from Kansas City, Ararat Temple, George M. Saunders and Mabel. (Applause)

From Tripoli Temple, Milwaukee, Wisconsin, a great Imperial Treasurer, Thomas Melham and Lu. (Applause)

From Peoria, Illinois, Mohammed Temple, Imperial Oriental Guide, Dr. Daniel Bowers and Virginia. (Applause)

From Jacksonville, Florida, Morocco Temple, Imperial High Priest and Prophet, Randolph R. Thomas and Olene. (Applause)

Imperial Assistant Rabban, from Abou Ben Adhem Temple, Springfield, Missouri, Dr. F. T. H'Doubler, Jr. and Joan. (Applause)

From Dayton, Ohio, Antioch Temple, Imperial Chief Rabban Charles J. Claypool and Becky. (Applause)

And the Imperial Potentate-Elect, from Zuhrah Temple, Minneapolis, Minnesota, Warren F. Weck, Jr. and Gen. (Applause)

And I am not going to be remiss but at this time would like to introduce and have stand and take a bow, my lady, Rita. (Rising applause ensued)

IMPERIAL POTENTATE MORRISON: Thank you very much? Isn't that a great group of people?

We still have two more days to go with our Sessions.

Also, as I told all of you Representatives today, you have been just great and if

you keep on the same way, we are going to wind up this Convention in great order.

I certainly know that the city of Detroit has appreciated the cooperation that each and every one of you fellow Nobles and your Temples that are visiting this great city have given all of us. We have not thus far had one incident that could be published in the newspapers with regard to blackening our name or anything else.

As you know, the other morning, the Convention was opened by remarks from the Mayor of the city of Detroit and also the Governor of the State of Michigan.

Now, I am going to finish here directly but first of all I would like to reiterate once again the cooperation I have received from all these great friends of mine—the civic leaders of the City of Detroit, the Past Imperial Potentates, the Board of Trustees, the Chairman of the Board of Trustees and this great Imperial Divan.

I want to thank all of you from the bottom of my heart and I hope that you have had a wonderful evening.

Thank you all very much for being here.

... Rising applause ensued...

DIRECTOR GENERAL MORRISON: Nobles and ladies I would like to make two small presentations if I may, at this time.

I have had the opportunity of serving my Temple as Potentate. I have had the opportunity of serving you in Shrinedom as Director General of this 104th Imperial Council Session.

I ask that you now allow me to make two presentations.

The first is to my wife for her outstanding contributions behind me, along with my children, in order to allow me to do the things that I have done. I would like to present my wife with some roses.

... Presentation of roses and applause ensued...

Secondly, of course, is that those of you that have not recognized, in the last nine years, how close the Morrison family really is, I would like to make a presentation on behalf of the Morrison Family, namely to present these roses to Rita.

... Presentation of roses and applause ensued...

Now, being a past Potentate of a Temple, I also know protocol and know that is against all rules but, nevertheless, I will apologize for that.

Also, let me tell you about an individual tonight who has been the mainstay for some 20 years, and, of course, the backbone of Director General.

Tonight we caught him with his Fez off and he indicated that this was the first time he had left it in his room in all of his 20 years of service. Nevertheless, I would like to present to you Edward Buckley, Deputy Imperial Marshal. (Applause)

Now, tomorrow we will have the ladies luncheon and tomorrow night we will also have the parade.

Our Convention is not over as yet. We hope you have enjoyed yourselves. The band will play, starting right now, at least for an hour or so. We hope you will enjoy yourselves.

I would like to introduce, at this time, by special request, the National Champs, the number one Drum and Bugle Corps of the Shrine of North America, from Al Koran Temple, Cleveland, Ohio.

... Whereupon, the Drum and Bugle Corps of Al Koran Temple, Cleveland, Ohio, presented a brief display of its particular music and maneuvers... (Applause)

DIRECTOR GENERAL MORRISON: Ladies and gentlemen, I hope that you have had a wonderful time. Thank you very much.

... Whereupon, at 10:40 o'clock p.m., the Banquet Session was adjourned...

MORNING SESSION
THURSDAY, JULY 13, 1978
NINE O'CLOCK A.M.

The One Hundred Fourth Annual Session of the Imperial Council, A.A.O.N.M.S.,

convened in the Renaissance Ballroom of the Detroit Plaza Hotel, Detroit, Michigan, at nine o'clock a.m., Imperial Potentate Fred R. Morrison presiding.

IMPERIAL POTENTATE MORRISON: Gentlemen, will you please take your seats and may I please have your attention.

Please close the doors and have the Representatives come into the room.

I would now like to call on our Imperial Chaplain, Dr. William Mercer, for the invocation.

REVEREND MERCER: Let us unite our hearts in prayer.

O Lord, we return to Thee in the goodness of a new day.

We are reminded that so many things in our lives must be reclaimed fresh every morning. We know that things must be renewed fresh every morning. We know that gratitude must be gathered fresh every morning. We also know that our dedication to Thee must be reclaimed fresh every morning.

O God, in the freshness of this morning, we reclaim the valiant virtues of life as we begin the struggles and the victory and the goodness of another day dedicated to Thee.

We pray all of this in Thy name. Amen.

IMPERIAL POTENTATE MORRISON: Thank you, Dr. Mercer.

... Business was conducted in the Colorado Corporation at this time. . .

IMPERIAL POTENTATE MORRISON: I will now call on Noble Armitage to report on Item 9 relative to Jurisdictional Lines.

NOBLE ARTHUR E. ARMITAGE JR.: [Reading]

To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisdictional Lines a proposal, identified as Item 9 in the Call, by Richard E. Hixson, Potentate and Representative of El Bekal Temple to amend Article 49 of the By-Laws which, in essence, would change Orange County, California from concurrent jurisdiction shared jointly by Al Malaikah and El Bekal to exclusive jurisdiction by El Bekal.

Your Committee met with the Temples affected and heard, questioned and discussed in depth the proposal and its possible effect.

After careful consideration, your Committee feels that the present concurrent jurisdiction is to the best interest of Shrinedom and therefore we recommend that the request for change be denied.

Respectfully Submitted,
COMMITTEE ON JURISDICTIONAL
LINES

Arthur E. Armitage, Jr., Chairman

J. D. Hill

Imperial Sir, I move the report be received and referred to the Committee on Jurisprudence and Laws for appropriate action.

... The motion was severally seconded. . .

IMPERIAL POTENTATE MORRISON: The motion is to receive the report and refer it to the Committee on Jurisprudence and Laws for appropriate action. All in favor indicate by saying aye; opposition?

It is carried.

We will now have a report from Walter Jeffries from the Jurisprudence and Laws Committee relative to this matter.

NOBLE JEFFRIES: Imperial Sir, Imperial Sirs and Representatives, this item appears on page 14 of your Call, Item 9.

To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws by Richard E. Hixson, Potentate and Representative of El Bekal Temple, a proposal to amend § 449.3 and 449.5 of Article 49 of the By-Laws of the Iowa Corporation, so that said sections will read as follows:

"§ 449.3 AL MALAIKAH TEMPLE

Has:

(a) Exclusive jurisdiction over all that part of California south of the northern boundary lines of San Luis Obispo, Ventura, Los Angeles and San Bernardino Counties, with the exception of Orange County, San Diego County and Imperial County and the City of Long Beach, including the City of Signal Hill and that part of Los Angeles County lying south of a line drawn due east from the northernmost line of the City of Long Beach to the Orange County Line.

(b) Concurrent jurisdiction with El Bekal Temple in Riverside County.

(c) Concurrent jurisdiction with Tehran Temple in Kern County."

"§ 449.5 EL BEKAL TEMPLE

Has:

(a) Exclusive jurisdiction in the City of Long Beach, including the City of Signal Hill, and that part of Los Angeles County lying south of a line drawn due east from the Northernmost line of the City of Long Beach to the Orange County Line, and exclusive jurisdiction in Orange County.

(b) Concurrent jurisdiction with Al Malaikah Temple in Riverside County."

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully Submitted,

COMMITTEE ON JURISPRUDENCE
AND LAWS

IMPERIAL POTENTATE MORRISON: I will recognize Noble Richard E. Hixson at this time.

NOBLE RICHARD E. HIXSON [Potentate, El Bekal Temple]: Thank you.

Imperial Sir, Imperial Sirs and fellow Representatives, I would move the adoption of the amendment as presented.

... The motion was severally seconded...

IMPERIAL POTENTATE MORRISON: We have before you the motion and the second to adopt the proposed amendment. It is now open for discussion and I will again recognize Noble Hixson.

NOBLE HIXSON: Thank you, Imperial Sir.

Gentlemen, at this time, I would like to request that the house lights be dimmed in order that we might provide you with a portion of our presentation in slides.

I would like to first pause at this moment and acknowledge receipt of several telegrams that I received this morning from various officials throughout the County of Orange.

Please allow me to quote:

"As Vice Chairman of the Human Services Commission for the County of Orange, I would like to commend the gentlemen of El Bekal Temple for their outstanding contribution to the general welfare and promotion of human values to the citizens of Orange County, for their special attention and concern for the less fortunate children in Orange County. It is indeed an inspiration to all of us."

That is signed, William D. Earl, Vice Chairman, Human Services Commission of Orange County, California.

I have another telegram here from the Chairman of the Board of Supervisors of Orange County:

"I support the move of El Bekal to Orange County. This County has witnessed fantastic growth and the establishment of El Bekal Shrine Temple in our County will make the County a better place in which to live and grow. Masonry is needed and so is the Shrine Temple as proposed by El Bekal.

"Please support this item.

"This is sent in grateful appreciation to the request and at no expense to the taxpayers."

That is signed by Thomas F. Riley, Chairman, County Board of Supervisors.

Now, gentlemen, I have six more telegrams from various city officials and they all substantiate the same feeling. I would also like to mention that in the past 26 years, El Bekal Temple has never refused a waiver of jurisdiction anywhere.

Now, Nobles, you have before you for your consideration a resolution from El Bekal Temple to retain our exclusive jurisdiction in Long Beach and respectfully request you grant El Bekal exclusive jurisdiction in Orange County, California.

In the attempts to block El Bekal Temple's Resolution and expand its vast area from the Mexican border to the Oregon Line, Al Malaikah Temple, on February 13, 1978, mailed a letter to the Potentates of all California Shrine Temples, over the signature of the Potentate, members of the elected Divan and three Imperial Representatives, which contained the following and please allow me to quote:

"Al Malaikah now proposes to all Temples in California the following:

"1. Each Temple will have exclusive jurisdiction in the City in which the Temple is located.

"2. All remaining territories in the State of California will be concurrent jurisdiction with all other Temples in California."

I wish to report that in Fresno, on March 14, 1978, this proposal was not, and I repeat "not" accepted.

Nobles, there are extremely important reasons why El Bekal's resolution should be granted.

We are certain many of you do not fully understand our problems and I will, in the next few moments, explain to you why we, El Bekal Temple, need Orange County, California.

Having failed to block our resolution with the previously discussed substitute proposal at Fresno, our sister Temple, in the June issue of its official publication, ran a front page editorial entitled "The Great Raid of '78", accusing El Bekal of supporting our pending resolution with misleading propaganda.

In addition, the editorial says, and I quote:

"Al Malaikah, its clubs and units, would not even be able to go to Disneyland or the Los Angeles Ball Game without El Bekal's permission."

Now, Nobles, if this were true, our Temple would have the same situation with the Los Angeles Rams, the Dodgers, Magic Mountain, Universal Studios, Hollywood Bowl and many more Southern California attractions.

This is absolutely not true.

I can assure you that any Temple, including our sister Temple to the North, and all members are more than welcome to attend the Orange County showplaces at any time they desire. Also, any prospective Noble in Orange County, who may desire to join Al Malaikah Temple or any other Temple, may simply do so by the simple method of a waiver of jurisdiction and I assure you El Bekal Temple will be most happy to provide this at any time.

Our sister Temple emphasizes that the population growth in their exclusive jurisdiction has come to a halt and that 30 percent of those living there are Black, Hispanic or Ethnic groups.

Now, in relation to Long Beach, it has not only suffered a drop of 16,919 in

population since 1970, but the present complexion of our population breaks down as illustrated on the slide before you.

Also, Nobles, allow me to refer you to two recent issues of the Long Beach Independent Press-Telegram.

The first of these, on Sunday, February 19, 1978, on the front page, contained the following headline—"Changing Face of Long Beach".

The accompanying article reads in part:

"The City's White population has dropped from 92 percent in 1970 to approximately 75 percent in 1977." It then goes on to predict that if the present trend continues, the City will be 35 percent minority in two years and 50 percent minority in six years.

Again, on Sunday, May 20th of this year, the same newspaper featured a front page story under the heading "YUS Rates Long Beach a Distressed City".

The lead paragraph of that article stated—"Long Beach has been rated as the sixth most distressed city in the country by the United States Treasury Department because of its decreases in population and a drop in average per capita income in recent years."

Al Maliakah, our huge sister Temple, has invested thousands of dollars, as you know, preparing elaborate literature. In addition, they have engaged the services of a professional marketing and research consultant at yet more expense.

El Bekal Temple has chosen not to deliberately use our Temple's funds on this type of propaganda but I have come here before you at the mandate of El Bekal Shrine Temple's entire Nobility to present the resolution and the facts about it.

Nobles, we are not talking about real estate, square miles, mountains or wasteland. Neither are we going to dwell on population statistics or the influx of minorities groups into Los Angeles or the Long Beach areas.

The White flight out of both cities is a problem common to both Temples.

Now, Nobles, enough about minority and economic problems.

El Bekal Temple wants to talk about the most important population factor before us—our own Masonic population.

This is El Bekal Temple's first and foremost interest with the presentation of this resolution before you. We need and want to grow and must, in order to help the Masonic population of the area in which we serve. We need the ability to devote our entire membership effort to help build not only our Shrine but the Blue Lodges, Scottish Rite and York Rite bodies. This is the real reason why El Bekal needs Orange County.

We asked you to look at some facts about the Blue Lodge and Masonic population within the jurisdictions of the two Temples—El Bekal and Al Malaikah.

These are actual statistics taken from the 1978 roster of the Grand Lodge of California.

For example, upon approval of El Bekal Temple's resolution for exclusive jurisdiction in Orange County, Al Malaikah Temple would still have exclusive and concurrent jurisdiction in seven counties containing 232 Blue Lodge Masons, with a membership of 79,894.

In this connection, I refer you to the slide presently on the screen.

Upon approval of El Bekal Temple's resolution for exclusive jurisdiction in Orange County, El Bekal Temple would gain only 25 Blue Lodges in Orange County with a membership of only 8,236 Masons—and again please refer to this slide.

Now, with this and your approval of our resolution, El Bekal Temple would have an exclusive and concurrent jurisdiction containing 50 Blue Lodges, with a combined membership of 18,422 Masons.

We can plainly see this membership is what El Bekal Temple needs to perpetuate our Masonry and Shrinedom in the area El Bekal Temple serves.

Look again at the bottom line. When El Bekal is granted Orange County, our huge sister Temple to the north will yet have 61,472 more, and I repeat "more" Blue Lodge Masons in their area.

Also, Nobles, allow me to show you this map published in the May issue of the Al Malaikahan, illustrating geographically exactly what is referred to in regard to the huge sister Temple extending its tentacles.

This points out the location of Al Malaikah's 69 Shrine Clubs; extending as far North as Paso Robles, California—228 miles from their Temple in Downtown Los Angeles and 151 miles to Ridgecrest, California—and try this drive—289 miles to Needles, California, on the Arizona border.

Again, Nobles, I ask you to again review our map on the screen.

Now you can see why we have a problem and why we feel it is not feasible for El Bekal Temple to promote membership from the vast concurrent jurisdictions which was proposed by Al Malaikah.

We in El Bekal Temple prefer to do much more for Shrinedom and Masonry within the specific geographic area which we are requesting—Orange County, California—where El Bekal Temple belongs.

Nobles, all of Orange County is El Bekal oriented. The membership statistics substantiate this statement.

Approaching half of our entire membership, 40.5 percent of El Bekal Temple membership reside in Orange County.

This compares to a scant 11.2 percent of Al Malaikah Temple's membership.

We wish to elaborate further on this matter.

Our sister Temple, in a recent publication which we believe you all received, also pointed out the same thing—El Bekal Temple is working hard in Orange County—our spring class this May consisted of 57 percent Orange County residents.

Now, can Al Malaikah Temple produce any comparative figures to show where their spring class resides, thus showing where the membership is drawn from?

On the front page of the Special Issue of the Al Malaikahan referred to, they also provided you with an opportunity to see Al Malaikah's beautiful Mosque, located in the City of Los Angeles.

Please, Nobles, allow me to show you a recent photo of El Bekal Temple's Headquarters located in Long Beach, the distressed city.

This is another reason we need to move our Temple to Orange County.

Questions have been asked as to why El Bekal Temple should want to change the jurisdictional lines under which the two Temples have lived for a quarter of a century.

The answer, Nobles, is very simple and needs no lengthy explanation.

In this amount of time, things have changed. The Imperial Council is moving from Chicago, Illinois to Tampa, Florida. If the entire Shrine can move, cannot a small Temple, El Bekal?

Once again, I wish to refer to the subject of membership.

El Bekal is only interested in serving to the best of its ability, the Masonic population within an area which it is capable of serving. If you allow us to relocate our Shrine Temple in the County of Orange, California, we will do just that; and, Nobles, I wish to repeat—the entire membership of our Temple (not two Shrine Clubs or a small percentage of our members) have unanimously voted on this matter and directed our Imperial Representatives to ask you, the entire Imperial Council, to approve El Bekal Temple's resolution for Orange County with a "yes" vote on Item 9.

Thank you very much. (Applause)

IMPERIAL POTENTATE MORRISON: You have heard some discussion on the motion. Is there any further discussion?

If anybody wishes to further discuss this motion, they are entitled to use the microphone right up here.

NOBLE EVERETT McMULLIN: Imperial Sir, Imperial Sirs and fellow Representatives: My name is Everett McMullin and I am Chief Rabban of Al Malaikah Temple.

Before presenting Al Malaikah's rebuttal, I would like, on behalf of Al Malaikah

Temple, to thank Illustrious Sir Arthur E. Armitage, Jr., and his Committee on Jurisdictional Lines, for their courtesy in hearing our arguments and for finding in our favor.

It is indeed appreciated. Thank you, Sir.

El Bekal Temple of Long Beach, California has appealed to this 104th Imperial Council Session for exclusive jurisdiction in Orange County, California, where they have had concurrent jurisdiction with Al Malaikah Temple for more than 26 years.

Al Malaikah Temple in Los Angeles, in the same County as El Bekal, objects to this appeal because it is not in the best interests of Shrinedom.

All of us who are Imperial Representatives have received literature from El Bekal in support of their cause. There are many misleading statements in this literature.

Let's tell the whole story.

In 1950, a group of Nobles, members of Al Malaikah living in Long Beach, appeared at the Imperial Session in Los Angeles and presented evidence that the City of Long Beach, with 200,000 population, could adequately support and maintain a strong Temple. Today, with over 400,000 people in their exclusive jurisdiction, they claim to be strangled by a jurisdictional line straight-jacket.

In 1950, on the basis of evidence provided by these Nobles, the long established policy of the Imperial Council was altered to permit a Shrine Temple in Long Beach, although a Temple already existed in the same County.

In 1951, under the authorization of this change in policy, El Bekal Temple was granted a dispensation and, in addition to the City of Long Beach, was granted exclusive jurisdiction in the City of Lakewood, Signal Hill, Artesia, Hawaiian Gardens and parts of Paramount, Bellflower, Norwalk and Cerritos, plus concurrent jurisdiction with Al Malaikah in Riverside County and Orange County.

El Bekal has had concurrent jurisdiction with Al Malaikah Temple in Orange County for more than 26 years and this association has been in the best interest of Shrinedom.

In 1954, El Bekal Temple appealed for an increase in its exclusive jurisdiction to embrace a considerable portion of the City of Los Angeles, as well as Los Angeles County and San Bernardino County, which lies in Al Malaikah's exclusive jurisdiction, and El Bekal petitioned for exclusive jurisdiction in Orange County and Riverside County which were, and still are, shared concurrently with Al Malaikah. This petition was tabled at Atlantic City in 1954.

In Toronto in 1975, El Bekal once more appealed for exclusive jurisdiction in Orange County.

That appeal was defeated on the floor of the Imperial Session.

Today, El Bekal is back again.

El Bekal wants to relocate their offices in Orange County.

Al Malaikah is in accord. Al Malaikah also agrees El Bekal should have exclusive jurisdiction in whichever city they choose for their new home. However, in a meeting of the membership of El Bekal, the General Nobility was told that in order to move to Orange County they must have exclusive jurisdiction in Orange County. Apparently no-one thought of the fact that El Bekal has had a Temple in Los Angeles County for more than 26 years without such exclusive jurisdiction. On this false premise, the General Nobility of El Bekal was urged to vote in favor of sending their representative to this Imperial Session to appeal for exclusive jurisdiction in Orange County.

This appeal should be denied because, I repeat, it is not in the best interest of the Shrine. Al Malaikah will show evidence to support this argument.

The following facts were compiled for Al Malaikah by Hoag Associates, Incorporated, independent marketing consultants of international reputation:

1. Population growth in Al Malaikah's exclusive jurisdiction in Los Angeles County has virtually come to a halt. Reliable projections indicate a mere 1.5 percent growth over the ten years from 1970 to 1980.

2. Fifty-four percent of those living in the Los Angeles area are of Black, Hispanic or other minority Ethnic origins and this proportion is increasing rapidly.

3. In the areas of concurrent jurisdiction (Orange County and Riverside County) growth has been extremely fast and will continue in the future. Hoag's figures reveal an 86 percent increase from 1960 to 1970 and project a 36 percent increase from 1970 through 1980.

4. Orange County is the fastest growing area in Southern California. In the 20 years from 1960 to 1980, population in Orange County will have increased by a massive 1,235,000 people, or 175 percent. This compares with 18 percent in Los Angeles County.

My fellow Representatives, the facts in favor of continued concurrent jurisdiction in the best interest of the Shrine go on and on.

Al Malaikah's jurisdiction, concurrent and exclusive, does cover a vast territory but more than 80 percent of this territory is mountains, desert, military reserves, National forests and parks. More than 75 percent of the population lives in 10 percent of this area.

That 10 percent is in Los Angeles and Orange County.

In the past five years, Al Malaikah has lost more than five percent of its membership. In the same period, El Bekal has enjoyed a steady growth in membership and they say they are being strangled by a jurisdictional lines straight-jacket.

During the past three years, Los Angeles County has lost more than 4,000 Masons. The area under Al Malaikah's exclusive jurisdiction has lost more than 5600 Masons, while the territory under concurrent jurisdiction with El Bekal has steadily grown in Masonic membership and a new Scottish Rite has been created in Orange County.

To grant exclusive jurisdiction to El Bekal in Orange County would not give them anything they don't already have, and will not create one additional new Shriner.

Because of the lack of growth in population in the area served exclusively by Al Malaikah and El Bekal, and because of the great influx of minority groups into these areas, and because there has been white flight from these areas into Orange County, severely reducing the numbers of Masons who are our only source of membership, Orange County has become the center of growth, the center of affluence and the major source of new membership for both Al Malaikah and El Bekal Temples. El Bekal had a ceremonial on May 6th of this year, at which they got 57 percent of their candidates from Orange County and 18 percent of them from Riverside County.

Nobles, that means that three out of four of their candidates came out of concurrent jurisdiction and El Bekal says they are being strangled by a jurisdictional lines straight-jacket.

To grant exclusive jurisdiction in Orange County to either El Bekal or Al Malaikah would be detrimental to the best interest of Shrinedom because it would remove the major source of new membership for one of these Temples.

El Bekal and Al Malaikah have lived side by side in the same county for more than 26 years, sharing in the support of our hospitals, North-South Football Games, participating together in parades, ceremonials and civic affairs and, in general, acting as Masonic brothers should.

Al Malaikah has offered El Bekal concurrent jurisdiction throughout all of our jurisdiction, including the counties of San Luis Obispo, Santa Barbara, Ventura, San Bernardino and Los Angeles Counties (except the City of Los Angeles) and exclusive jurisdiction in any city in Orange County where they might wish to establish a new Mosque.

El Bekal has rejected this offer, saying they have nothing to lose by going all out for exclusive jurisdiction.

Today, El Bekal has about 700 members in Orange County. Al Malaikah has more than 3,000 in Orange County and we have with us here today more than 2700 cards signed by members of Al Malaikah Temple living in Orange County who urgently request that Orange County remain under concurrent jurisdiction.

Al Malaikah's Shrine Clubs in Orange County, at open meetings, have unanimously passed resolutions urging this Imperial Council to maintain and continue concurrent jurisdiction in Orange County.

For the past ten years, Al Malaikah has produced approximately 10 percent of all the wills probated in the Shrine. Don't dim the enthusiasm of these hard-working Nobles.

Our membership in the One Hundred Million Dollar Club is five percent above the National average.

My fellow Representatives, I do not believe that any one here wants to cut the heart out of any Temple, especially when it will benefit no one. I urge you, in the best interest of Shrinedom, do not grant exclusive jurisdiction in Orange County to El Bekal, or any other Temple. The status quo is the way to go.

Please vote "no" on Item 9. Thank you. (Applause)

IMPERIAL POTENTATE MORRISON: Is there further discussion?

Will you please approach the microphone.

REPRESENTATIVE: [El Bekal Temple] Gentlemen, this is going to be brief but I would like to again ask that the house lights be dimmed for a slide presentation.

Now, Representatives, I again call your attention to the fact that we discussed in our proposal our Masonic population and that is actually what it should boil down to.

Now, Nobles, Al Malaikah has burdened you with a lot of details about why this request should not be granted.

Now, let me again indicate to you where all of the untouched potential lies and the opportunity to expand its membership can clearly be seen in these recent aerial photographs, which clearly show, for example, population growth and expansion areas right in their own yard, and before we start, please notice that there are thousands of people who live in the desert of California.

For example, we have expansion to the North of Los Angeles, towards the vast San Bernardino Valley, only 30 miles from Downtown Los Angeles, and then on into the very rapidly expanding areas North of Downtown Los Angeles and in Los Angeles County.

Also, continuing development is being evidenced to the West of Los Angeles, in the West Lake Village area, and then on into Ventura.

Further, more development and growth is evidenced East of Los Angeles and then these areas go on and on and on all the way to the Arizona border.

When El Bekal relocates its Temple in the central area of Orange, California, our entire membership and potential would be within the distance of approximately 30 miles in any direction, allowing us to concentrate on a specific geographic area to further perpetuate Masonry and Shrinedom.

IMPERIAL POTENTATE MORRISON: Is there any further discussion?

NOBLE SENECA ERMAN [Sabbar Temple]: Imperial Sir, Imperial Sirs and Representatives: I am Dr. Seneca Erman, Past Potentate of Sabbar Temple, Tuscon, Arizona.

Gentlemen, we are all Shriners and honorable men. Not one of us would espouse a cause that he believed was wrong and every one of us, I am sure, would fight to the end for a cause we believe was just.

When controversy among Shriners arises, it is not because one is right and the other is wrong—it is usually because each feels he is right and, from his point of view, he is. Unfortunately, each occasionally has some wrong but is not aware of it.

It is not for us, therefore, to come to the bar of judgment to approve one and condemn the other.

These are our brothers. It is rather for us to emphasize the right of each, minimize the wrong and in the most Masonic fashion endeavor to bring about, if not a reformation, then at least a reconciliation.

This has been a recurrent problem between El Bekal and Al Malaikah, all of

whose Representatives are my very dear friends and I have found great difficulty in trying to resolve this to myself.

Their problem has been linked to the midget versus the giant or David versus Goliath. However, Goliath is not the enemy, it is a great Shrine Temple. The midget involved here, on the other hand, is not so small. As a matter of fact, it is twice the size of my Temple.

Now, if the destruction or the despoilation of the giant could strengthen the midget, leaving the giant unimpaired, then, fine, let's do it. However, if the despoilation of the giant strengthens the midget but weakens the giant to Shrinedom's great detriment, then let us beware.

Our aim here should not be to strengthen one Temple at the expense of another but to strengthen both.

The fact that one is large should have no bearing. Our aim should be to strengthen both Temples as much as possible and, therefore, possibly we need a compromise.

For example, El Bekal requests exclusive jurisdiction over one county, from which they derived, as has been stated, 57 percent of their members last year and from which Al Malaikah derived an equal number, although, obviously, a much smaller percentage.

Al Malaikah, on the other hand, offers concurrent jurisdiction throughout all their territory, plus exclusive rights in any City where El Bekal desires to build a Temple.

This takes away from Al Malaikah but it leaves them with incentive and hope.

Let each go according to its own efforts and not according to exclusivity.

Competition will assure no prospect goes unrecruited and will benefit Shrinedom, which should be our goal.

The present controversy is expensive. It is destructive and non-productive of good will between sister or, rather, mother and daughter Temples.

Let us look for reasonableness and compromise rather than controversy.

Further, El Bekal and Al Malaikah Temples are only 15 miles apart and therefore, the argument of distance, at least to me, does not really make sense.

Let us try to think of what is best for both. Concurrent jurisdiction in all territories, that may be wise and statesmanlike. Exclusive jurisdiction for one over the other seems to me to be detrimental to the over-all situation in Shrinedom.

In this case, I would therefore urge you to vote "no" on Item 9.

IMPERIAL POTENTATE MORRISON: Nobles, is there further discussion on this motion?

I will recognize the Potentate of Al Malaikah Temple, Rudolph Yuhas.

NOBLE RUDOLPH YUHAS [Potentate, Al Malaikah Temple]: Imperial Sir, Imperial Sirs and my fellow Representatives: Throughout the past six months, El Bekal has repeatedly said that competition is great for Shrinedom. I could not agree more and for the past 26 years we have enjoyed friendly relationships with our sister Temple, El Bekal, and with concurrent jurisdiction in Orange County and they now want exclusive territory.

We are going to have a football game coming up on the 21st of this month. Regardless of the outcome of this situation here, I have invited El Bekal and their Divan to come as our guests to the Rose Bowl to enjoy what we had in the past—to enjoy good fellowship, Shrinedom and Masonry.

Seldom does a moment go by when we are not selling ourselves a product or, in this case, Shrinedom. I have a sales organization and I am sure many of us here are likewise salesmen. About six months ago, for example, I gave my salesmen exclusive areas in which to sell. As a result, the sales dropped drastically. I had to go back to open territory for that very simple reason.

It seems that these salesmen sat back and waited for the sales to come in.

Now, I know not every salesman is like that. I wasn't and I am sure you weren't, but there are some that are.

A vote in opposition to this matter will stop this bickering and get both Temples back to selling Shrinedom and Masonry as we should.

We have the President here from our Orange County areas and they came with their own contingent of Orange County Club personnel. They came here on their own, at their own expense, to volunteer their efforts to keep Orange County concurrent and minimize the confusion in obtaining new members.

Now, fellow Representatives, no matter how you pronounce the names of these Temples, the current pronunciation for your decision on this item is "no".

Thank you very much, gentlemen. (Applause)

... The question was severally called for ...

IMPERIAL POTENTATE MORRISON: Is there further discussion?

NOBLE HIXSON: Imperial Sir, I would request a written ballot.

IMPERIAL POTENTATE MORRISON: A written ballot has been requested and that is exactly what it is going to be.

As a matter of fact, both Temples have requested it and if there is no further discussion, we will vote on the question.

We will use the purple ballot, No. 5, which says "yes" or "no".

Please understand that you are voting in favor of the proposal.

If you vote "yes" you are in favor. If you vote "no", you are against.

Also, please handle your ballot as you did in the case of the others. Tear off the one portion and deposit both in the box when it comes around to you.

... Whereupon, at this time, balloting and collection of ballots ensued ...

IMPERIAL POTENTATE MORRISON: Now, has everybody voted?

Hearing no comments to the contrary, I will now declare the ballot closed.

Now, Nobles, may I have your attention, please?

I was going to give you this report the other day but then I decided it could wait until today.

I am sure you are all familiar with what happened in Tampa regarding our new Headquarters Building. I want to bring you up-to-date on what has happened to our property in Chicago.

As you all know, a year ago, we purchased a piece of property near the airport to build a new Headquarters Building on.

When it was brought up at the Session in New York, the Imperial Divan understood, by your reaction, that we should investigate it further, which we did.

Then you came to Tampa and you voted the way you voted.

Now, we had a meeting of the Board of Directors in May and your Board of Directors directed your Imperial Potentate, with the help of the Chicago Office, to promote the sale of that approximately three acres of property.

There were originally three interested purchasers regarding it. One was the Teamster's Union, one was the Illinois Tool Corporation and one was a private developer.

Our Chicago staff contacted each one of them to come up with a proposal relative to purchasing that property. Well, we received all kinds of promises over the telephone but no offers.

At the meeting of the Board of Directors, as I said, they authorized your Imperial Potentate to offer the land to any prospective buyer without any real estate commission, to offer this for \$1.5 million.

I might say that we paid \$1.2 million for it.

Consequently, we then went to the three prospective buyers and without explaining all the figures, asked them if they were interested. However, we did give them a figure of \$1.5 million.

Now, the only one of the prospective buyers that was interested was the Teamster organization, whose building is directly behind that particular piece of property.

Therefore, by directive of the Board of Directors, last Friday, we did sell that property to the Teamster's Union for \$1.5 million, which we felt was very good and involved a profit of some \$300,000. (Applause)

Therefore, as you can see, we have done everything possible.

Further, as you may well know, when you are attempting to sell a piece of property such as that, you do not have too many interested buyers but, nevertheless, we did receive that much money and so, as a result, as I say, that property has been sold with a very fine profit.

Now, regarding our 323 N. Michigan Avenue property, our present Imperial Headquarters, that has been bandied around with about four prospective buyers over the last two years, close to two years.

One firm came in with an offer on the property. The appraisal was \$493,000 and their offer was one-half million dollars. Well, we felt that we would be derelict in our job if we did not get another appraisal.

Well, we did get another appraisal and the figure came to some \$495,000, approximately. Therefore, as you can see, these appraisals as made by two different appraisal companies were approximately the same.

We subsequently had another offer from another firm in the amount of \$775,000. We would pay a real estate commission of approximately five percent. I presented that to the Board and then, at the same time, we had another offer of some \$794,000.

Now, we were not quite satisfied with that because we felt if it were appraised at a figure of \$493,000 or \$494,000, we should get a little more out of it.

Well, we were offered figures in the amount of a half million dollars and then another figure of \$775,000 and then we were offered \$794,000 but all the time we were paying real estate commissions.

Now, I have nothing against real estate brokers and commissions but, on the other hand, I hate like the devil to have to pay a commission if I do not have to do so.

Anyway, gentlemen, these offers were reported to your Board of Directors and they authorized your Imperial Potentate to sell the property for anything over \$800,000, if we did not have to pay any commissions.

In other words, if we paid a commission, we would have to get approximately \$840,000.

Well, we still had the three prospective buyers in Chicago for the property and so we bandied back and forth on it and I would now like to report to you that with the approval of your Board authorizing your Imperial Potentate to sell the property at a net figure of \$800,000, we did sell the property, net to the Shrine of North America, for \$920,000. (Applause)

Therefore, I think your Board of Directors, working with the Chicago Office, have done a fine job and, if not, then I also stand ready to be ostracized because, as I say, I have been a part of all of this also, along with the rest of those fellows.

At any rate, that is the report.

That brings you up-to-date in relation to our present property situation.

Now, is there anybody that desires to discuss any portion of my report regarding the property in Chicago?

Somebody asked as to who purchased it. It was purchased by the CIC Financial Corporation. Also, with regard to getting out, let me add that one of the basic factors there was that we get out whenever we are ready to get out. There is no deadline on us getting out and so when we have our new building fully constructed, we can give them 30 days notice and say "here you are, gentlemen, here is your building, we are leaving."

Therefore, there is no worry as to when we actually have to be out.

Now, Nobles, we do not have a report back as yet from the Election Tellers, but there are some things that I would like to bring up that I want you Nobles to know about.

First of all, I would like to mention to you that great Noble from Kena Temple, Ed Buckley. He is standing over there (indicating)

Now, for some 20-odd years, Ed has worked on the Imperial Marshal's staff. He has done a fabulous job behind the scenes.

Now, this year he is retiring and while I have no authority to do what I am about

to do (laughter) Ed, at this time, I do want you to come up here for a moment please.

Ed, I want to congratulate you on the job you have done over the past 20 years and I am going to declare you, legal or illegal, an Emeritus Member of the Marshal's Staff. Would you all please give Ed a great big hand.

... Rising applause ensued...

NOBLE BUCKLEY: Thank you, Imperial Sir, Fred, for your kind and generous remarks.

It was certainly thoughtful of you to call me to the platform and announce my retirement.

Imperial Sir, Imperial Sirs, Past Imperial Sirs, Imperial Representatives and Nobles: This is, in a way, a sad moment as I leave an area that I have been so greatly involved with for the past 20 years. I was appointed to the Marshal's staff in 1959, for the Session at Atlantic City. We were called Deputy Marshals in those days and I have served continuously since that time, with one exception, 1964, when I was Potentate of my Temple.

I was named Chief Deputy by Past Imperial Potentate Rush in 1960 and have held that position for 17 years.

That work over that span of time has been a challenge. The hours have been long, the deadlines many, papers prepared by the reams and orders given and taken by the hundreds.

Also, I must add that the monetary remuneration hasn't been too good. (Laughter)

I do wish to say, however, that the work has been most rewarding, it has given me the opportunity to meet so many fine people, to travel to so many great cities and to do my part in making the Annual Shrine Session a truly successful event.

In closing, I wish to take this last opportunity to thank the Imperial Marshals and the Imperial Potentates over the past 20 years, many of whom are on the platform today, for recommending me and appointing me head of staff. I express my sincere appreciation to all of the Imperial Sirs, their wives and families, for the cooperation continuously given and the courtesies always extended to me and, finally, to all my friends, both on the platform and in the audience, I cherish your friendship and trust our association will long continue.

Thank you very much. (Applause)

IMPERIAL POTENTATE MORRISON: Thank you, Ed.

Now, that was not planned, believe me.

As a matter of fact, I did not know he had a speech or anything else. (Laughter)

Now, let me also say that there is another gentleman that is an Emeritus Representative and who has worked on that staff for 32 years and I would ask him to take a bow—John Turner. (Applause)

I don't know whether he is going to retire or not because he certainly looks young.

Now, there are a lot of things we could do. Perhaps, at this point, you might want to take a seventh inning stretch while I look at my program.

Okay, Nobles, please be seated.

I would like, at this time, if he is here, to call on the Worshipful Grand Master of the State of Georgia, Most Worshipful Brother Bill Barrineau. Would you kindly say a few words to us, Worshipful Sir?

MOST WORSHIPFUL BROTHER WILLIAM BARRINEAU [Grand Master, State of Georgia]: Imperial Sir, Imperial Sirs and Fellow Representatives: If you would allow me, I would like to bring you the greetings of the more than 96,000 Master Masons in the Grand Jurisdiction of Georgia and, for a moment, I would like to direct my remarks to some figures and some facts that were given to you by Imperial Sir Richard Olfene on Monday.

If you will recall, he presented some facts and figures that showed that increases in the Grand Jurisdictions across our great nation are the uncommon rather than the common. I regret to say that my own Grand Jurisdiction last year suffered a loss

of approximately one percent. This year it is going to slow to a loss of about one-half of one percent.

Imperial Sir Dick made a remark in passing that I would like to call to your attention, when he said—can you imagine what we could have done if some of this work and pressure may have been applied perhaps to our Grand Lodges rather than to tours and cruises?

Now, I am not so naive as to stand before you and say that I would expect you to follow that admonition.

I have had the pleasure of serving my own Temple as Illustrious Potentate in 1971 and I am aware of the social and entertainment aspects of this organization and those aspects are part of this great Fraternity to which we belong.

However, the words "Freemasonry and Shrine" have been synonymous terms for more than 100 years. Let us keep it that way. (Applause)

I ask you to go back to your Grand Lodges, to your subordinate lodges and offer some of that great vim and vigor that has been previously spoken about from time to time during this meeting.

If you do, we can go forward and, together, we will remain great.

Thank you very much.

... Rising applause ensued...

IMPERIAL POTENTATE MORRISON: Thank you, Most Worshipful Brother Barrineau.

Now, I believe we have a report from the Tellers Committee.

NOBLE HOWELL: Imperial Sirs and Representatives, it is with pleasure that I give you the results of ballot No. 5.

There were a possible 788 votes; 762 actually voted. There were no spoiled ballots. Necessary for choice was 508.

The votes were distributed as follows—"yes", 221; "no" 541.

... Cheers and applause...

IMPERIAL POTENTATE MORRISON: You have heard the report of the Tellers Committee. I therefore declare the resolution defeated.

... Business was conducted in the Colorado Corporation at this time...

IMPERIAL POTENTATE MORRISON: Fellow Representatives, we are now going to have a report from Dr. Russell Anthony in behalf of the Committee on Resolutions. Are you ready, Sir?

Incidentally, fellows, while you are all in the room, I want you to understand one thing and that is that because we have discussions between the Past Imperial Potentates or the Imperial Officers, where you might think we are arguing one against the other, let me add that we really do not share the same opinion on every item because if you want a "yes" Imperial Divan, then you had better fire this one and get you a new Divan because these individuals do argue among themselves. They discuss all of these issues, either on one side or the other but when it is over with and finished, they are still friends.

They walk out of the Board Meetings as friends, and I think that is what you want. Therefore, please remember that one thing. (Applause)

We argue back and forth. As a matter of fact, sometime one individual will be on one side on one item and on another in connection with another and that is the greatest contribution your Imperial Officers, past and present, have made. I want you to know that just because they happen to disagree on a subject, that does not mean that they are disagreeable all the way around. They are a great bunch of fellows.

With that, please proceed.

IMPERIAL SIR ANTHONY [Reading]

 Bill D. Semanson
 Gerald W. Groat

IMPERIAL SIR ANTHONY: I would move for the adoption of this Resolution.

...The motion was severally seconded...

IMPERIAL POTENTATE MORRISON: It has been moved and seconded that the resolution as presented be adopted.

All in favor will say aye; opposed. It is unanimous and thank you for a very good report, Dr. Anthony.

I am going to speed this along.

I would now like to call on Marvin Lane for the report of the Committee on Nominations of Emeriti Members.

NOBLE MARVIN LANE: Imperial Sir, Imperial Sirs, Illustrious Sirs and Members All: I feel a little out of place this year taking the place of such a great Shriner who headed this Committee for many, years, Past Imperial Potentate Walter Guy, who I worked with on numerous committees since 1954. God bless him up above and I hope he is looking down upon us today.

First of all, I would like to call the Committee members up here who have been assigned to this Committee. I wonder if the members will please come up on the stage.

Now, we do have a few Nobles who have served their required 15 years as an active Representative of this Imperial Council and it is my pleasure at this time to ask them to come up on the stage.

Their names are Thomas E. Lucas of Al Chymia Temple; Johnson C. Moss of Acca Temple; Willard Mobley of Zamora Temple and Charles B. Snapp of Bahia Temple.

Imperial Sir, it is with pleasure at this time I offer a motion for the inclusion of these four Nobles as Emeritus Members of this Imperial Council. I would like to make that in the form of a motion.

...The motion was duly seconded...

IMPERIAL POTENTATE MORRISON: You have heard the motion and the second. All in favor will say aye; opposed. It is declared to be unanimously carried. Congratulations, gentlemen.

Now, gentlemen, and fellow Representatives, the Deputy Imperial Potentate-Elect, Warren Weck, at this time would like to say a few words.

IMPERIAL SIR WARREN WECK: Thank you, Imperial Sir.

There are two things I would like to address myself to today. One is to tell you about my program for the year, which will be quite brief.

One of the things that has concerned me in relation to this session in particular is the amount of printed matter that has been put out on the seats in relation to the various candidates. You know, it is one thing to be a candidate for Imperial Outer Guard and another thing to be a candidate for Trustee.

As I look upon it, the candidate for Trustee is not a political matter in any sense. We want the most capable individual.

Now, if it is agreeable with you, I would like to set the rule next year that we not have all this printed material lying around on all the seats and handed out in the auditorium. (Applause)

Now, by that applause, I believe I have your approval.

Now, just briefly. I would like to give you my program for the year.

In a few days, the Shrine of North America will have a new management team, but not new to each other or new to you.

In the next few moments, I would like to sketch my objectives for the coming year and give you the details of my strategies for reaching them.

In the past few years, it has become apparent to me that because of the increasingly complex society in which we find ourselves, our Temple Officers,

Unit Officers, Unit men and even the General Nobility are unable to cope with the problems that they face.

I have long been a supporter of seminars at all levels of our organization. That doesn't mean, however, that our Nobility should not have fun when a unit has a party or when they attend an Association Meeting.

It simply means that our idea of fun has changed from pranks to more constructive things, such as unit competition and relaxation with fellow Nobles.

Our program for our hospitals will include the One Hundred Million Dollar Club as well as an improved and enlarged patient recruitment period.

While the One Hundred Million Dollar Club has not reached the goal which we all hoped for, it has been an important part of our fund raising program.

With new direction under our Endowment, Wills and Gifts Committee, and at the Temple level, I am sure that we will make substantial gains during the ensuing year.

We have committed ourselves to operate our hospitals as long as there is a need. We know that there is a need but it is up to every member of the Shrine to participate in the patient recruitment program, to find those children who need our help. You cannot leave it to someone else or it will not get done.

It is my responsibility, it is your responsibility, it is the responsibility of every Noble. If everyone does his job, our hospitals will be filled and we will have a waiting list.

It has become apparent to me that the solutions to many of the problems which involve both our hospitals and fraternal organizations involve a continuing education program and improved communications at all levels of our organization.

A number of years ago, we established a policy of having National seminars every three years. While they were very helpful in solving Temple problems, they did not really accomplish the results we had hoped for.

Large Temples had problems which small Temples did not have and Temples in California had different problems from those in Kansas.

Even if the problems were similar, the solutions to those problems were different.

I believe that the proper way to approach these problems is at the Regional or Shrine Association level.

I propose to establish a program to strengthen our Shrine Association so that they become an effective link in the chain of communication between the Imperial Divan and the Temple Officers. A forum for discussion of Temple problems at the regional level.

Shrine Associations that meet without devoting at least a portion of its time to more than the election of officers and social events is not filling the needs of its member Temples.

The Representatives at our Imperil Council Session two years ago overwhelmingly voted to discontinue the National Seminars and requested that Imperial Officers and other knowledgeable Shriners participate in regional seminars at the various Shrine Association Meetings. This I propose to do.

I am asking the Officers of every Shrine Association to conduct a seminar in conjunction with their Annual Business Session and in the event they do not presently conduct a Business Session, that they arrange such a meeting in addition to their Ceremonial Session. Imperial Officers and such other speakers as are necessary will be available to participate at such seminars.

In 1977, the Shrine had a net membership gain of less than 2,000. Our new Membership Committee will present you with a positive membership program. Potentates, Chief Rabbans, Records and Temple Membership Chairmen will receive a membership kit in the near future. You will also receive a monthly membership newsletter.

I am not going to stand here and tell you that if you dissolve the newsletter in water, you will have an instant membership gain but I do know that if you follow these plans, the Shrine will have a substantial gain in membership in a very short time.

During the past year we hired a man who is an expert fund raiser. Now, I want

you to understand that we are not going to start a boiler shop money raising program but we have not even scratched the surface of our own membership as far as bequests and gifts are concerned.

This gentleman is here to help develop a program to inform potential donors of our various endowment and gift problems. In the event that you develop a prospect, he is available for consultation. He is also available if any problems arise as well as to help complete the gift.

I would like each of the major Shrine Associations to conduct these mini seminars where the Membership Committee and the Endowment, Wills and Gifts Committee present a half-day program at your Business Sessions. Use these people, they are there to help you.

I would also hope that similar seminars are sponsored at each level as soon as possible after the Annual Meetings of the Temples in January. This would provide the new unit and Shrine Club Officers and Committee Chairmen with information as to what is expected of them as well as to familiarize them with the operations of the Temple. The Potentate should be ready to present and implement his programs for the year at such a seminar.

Too often the year is half over before the Potentate has his program organized and ready to go.

Such a Temple Seminar should include Membership, Unit regulations, Shrine Protocol, House Rules, Insurance Programs, Parade Protocol and Rules, Temple Activities, Temple Finances, Shrine Hospital Responsibilities, Patient Recruitment, The One Hundred Million Dollar Club, Shriners Hospitals for Crippled Children Gifts and Wills Program, Shrine Circuses and other Temple fund raising activities.

These are but a few which may be applicable to individual Temples.

I do not intend to present a major program covering every facet of our operations. What we need to do is to concentrate on a few things and do them well.

In conclusion, I would like to summarize the two basic premises of my program—education and communication.

I am sure that such a program will not only benefit the Temple but will also make the job of the Recorders easier, as well as enabling them to do a better job.

I enlist your support in implementing this program.

Thank you very much. (Applause)

IMPERIAL POTENTATE MORRISON: Thank you, Warren, for your report.

I can see from that report that we are going to have another great Imperial Potentate. (Laughter) The other one I was talking about was about 20 years ago.

... Business was conducted in the Colorado Corporation at this time. . .

IMPERIAL POTENTATE MORRISON: Now, gentleman, it is getting late—pretty close to eleven-thirty. We are going to recess until one-thirty p.m.

... The One hundred Fourth Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at 11:30 o'clock a.m., to reconvene in the Renaissance Ballroom, Detroit Plaza Hotel, at 1:30 o'clock p.m. . . .

AFTERNOON SESSION THURSDAY, JULY 13, 1978 ONE-THIRTY O'CLOCK P.M.

The One Hundred Fourth Annual Session of the Imperial Council, A.A.O.N.M.S., convened in the Renaissance Ballroom of the Detroit Plaza Hotel, Detroit, Michigan, at 1:30 o'clock p.m., Imperial Potentate Fred R. Morrison presiding.

IMPERIAL POTENTATE MORRISON: Representatives, if you will please take your seats and the doors be closed, we will resume with our business.

We will first have the report of the Grievances and Appeals Committee.

NOBLE SEWELL LAMBIN: Imperial Sir, let me first say that I have been ready to report since the third day of the meeting.

To the Representatives of the Imperial Council:

An appeal on behalf of the Officers (except the Treasurer) and Board of Directors of the Sarasota Shrine Club from the action of Illustrious Daniel R. Manrique, Potentate, Egypt Temple, in suspending the operation of the Sarasota Shrine Club for sixty (60) days; removing the Officers (except the treasurer) and Board of Directors from office; and, appointing new officers and Board of Directors for the balance of the year 1977 and for the entire year of 1978, was referred to your Committee on Grievances and Appeals.

All the documentary evidence submitted in support of the aforesaid appeal was disseminated to the Members of the Committee on Grievances and Appeals and, upon the written request of the Nobles involved in this Appeal, the recommendations of the Committee on Grievances and Appeals are based entirely on the documentary evidence submitted together with the applicable Imperial By-Law provisions.

Your Committee on Grievances and Appeals is of the unanimous opinion that the Temple Potentate has the authority under Section 337.3 of Article 37 of the Imperial By-Laws to suspend the operation of the Sarasota Shrine Club for the sixty (60) day period and to remove the Officers and Board of Directors from office.

Further, the Committee on Grievances and Appeals reached the conclusion that the evidence presented did not support the contention that the Temple Potentate's action was arbitrary and capricious.

The Committee on Grievances and Appeals is of the opinion that a Temple Potentate has no authority to make any decision or pass any order, the effect of which would extend beyond said Temple Potentate's term of office. See Section 206.5 of Article 6 of the Imperial By-Laws sub-sections (4) and (5) which provide that Orders of the Imperial Potentate expire with his term of office.

In addition thereto, your Committee is of the opinion that the Egypt Temple Shrine Club By-Laws specifically provide the method for filling vacancies in office which occur in the membership of the Officers of a Shrine Club by reason of "****death, resignation or removal from office,****" such vacancy shall be filled by election****." See paragraphs VI and X of said Shrine Club By-Laws.

In view of the above, your Committee on Grievances and Appeals recommends to the Imperial Council that the action of the Temple Potentate in suspending the operation of the Sarasota Shrine Club for sixty (60) days, and removing the officers and Board of Directors from office, be sustained; and,

It is further recommended to the Imperial Council that the matter be remanded to the Temple Potentate with instructions that he comply with Paragraphs VI and X of the Egypt Temple Shrine Club By-Laws by scheduling an election to fill the offices in the Sarasota Shrine Club for the calendar year of 1978.

Respectfully submitted by the Committee on Grievances and Appeals.

NOBLE LAMDIN: Imperial Sir, I would move for the adoption of the report.

...The motion was duly seconded...

IMPERIAL POTENTATE MORRISON: It has been moved and seconded that the report, together with its recommendations be adopted.

Is there discussion?

If not, all in favor will say aye; any opposed?

It is unanimously carried and so ordered.

NOBLE LAMDIN: Imperial Sir and Representatives, by way of explanation, let me say that the Grievances and Appeals Committee works all year and the recommendation was accepted by the Temple Potentate and he did follow it and they did have an election and we think everybody is happy down there, at least we hope so.

IMPERIAL POTENTATE MORRISON: We had a good time in April anyhow. I believe you have another report?

NOBLE LAMDIN: [Reading]:

To the Representatives of the Imperial Council:

There was referred to your Committee on Grievances and Appeals an Appeal filed by Noble Clarence A. Duke of Za Ga Zig Temple from the action of J. Scotty McDonald, Potentate of Za Ga Zig Temple in upholding the decision of the Diplomat Unit of Za Ga Zig Temple in suspending Noble Duke from membership in said Unit.

All of the documentary evidence, including the transcript of the hearing held before the Diplomat Unit of Za Ga Zig Temple on June 9th, 1977, was disseminated to the Members of the Committee on Grievances and Appeals for their consideration.

After full consideration of the aforementioned documentary evidence and transcript together with the applicable Imperial Council By-Law provisions, your Committee on Grievances and Appeals is of the opinion that the Diplomat Unit of Za Ga Zig Temple acted within the scope of its By-Laws; and, that Noble Clarence A. Duke, by reason of his membership in the aforesaid unit, was amenable to the provisions of the said unit By-Laws.

Further, your Committee on Grievances and Appeals is of the opinion that the Temple Potentate under Section 336.1 of Article 36 of the Imperial Council By-Laws has complete control over Temple Units, and, had the authority to uphold the action of the Diplomat unit of Za Ga Zig Temple in suspending Noble Clarence A. Duke from membership in said unit. See 1975 proceedings, page 21, "Under Section 336.1 the Potentate has the power to suspend members of units and, indeed, to disband the units themselves".

In view of the above, it is the opinion of the Committee on Grievances and Appeals that the Temple Potentate's action should be sustained and the Appeal be dismissed.

Respectfully submitted by the Committee on Grievances and Appeals.

Imperial Sir, I would move the adoption of the report.

... The motion was duly seconded. ...

IMPERIAL POTENTATE MORRISON: It has been moved and seconded we adopt the report of the Grievances and Appeals Committee in relation to this matter.

Is there any discussion?

If not, all in favor indicate by saying aye; opposed. It is unanimously carried. I believe that you have one more, do you not?

NOBLE LAMDIN: [Reading]:

To the Representatives of the Imperial Council:

There was referred to your Committee on Grievances and Appeals, an appeal filed on behalf of Noble Ross Blodgett on behalf of Syria Temple from the action of the Potentate of Syria Temple, Frederick T. Hiller, seeking to summarily terminate the proceedings pending before the Temple Trial Committee. Said proceedings were begun during the term of Past Potentate, Kenneth F. Hittle, and had been continued at the request of Noble James Marshall Ecker, Attorney for the Respondent, in order that he could properly prepare his defense.

Thereafter, on June 25, 1977, Noble Gordon Dillon, Chairman of the Temple Trial Committee, notified all parties concerned that the Trial would be resumed on Saturday, July 16, 1977, at 9:00 a.m., E.S.D.S.T., in the auditorium of the Syria Mosque. Said notice was in writing.

Subsequent thereto, on July 12, 1977, the Potentate, Illustrious Sir Frederick T. Hiller, notified Noble Clyde E. Donaldson, Attorney for the Appellant, Noble Ross Blodgett, that the proceeding was cancelled in its entirety. Said notice was in writing and from which this appeal was filed.

After a full and complete discussion of the matter and the applicable Imperial By-Law provisions, your Committee on Grievances and Appeals is of the opinion that the Temple Potentate has no authority to dismiss proceedings pending before a Temple Trial Committee. (See 1977, proceedings of the Imperial Council Session, July 5, 1977, page 95.)

In view of the above, your Committee on Grievances and Appeals recommends that the Appeal be granted and that the Potentate of Syria Temple, be directed to permit the matter now pending before the Syria Temple Trial Committee to proceed to a prompt conclusion.

Respectfully submitted by the Committee on Grievances and Appeals.

Imperial Sir, I move adoption of the report.

... The motion was duly seconded. ...

IMPERIAL POTENTATE MORRISON: It has been moved and seconded that the report as just presented be adopted. Is there any discussion?

If not, all in favor say aye; opposed? It is unanimously carried and so ordered.

NOBLE LAMDIN: Imperial Sir, that completes the report of the Committee on Grievances and Appeals.

IMPERIAL POTENTATE MORRISON: Thank you very much.

We will next proceed with another report from the Committee on Jurisprudence and Laws.

Noble Cooper is recognized at this time.

NOBLE COOPER: [Reading]

To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws by George H. Ingram, Potentate and Representative of Al Azhar Temple, a proposal to amend Sec. 324.1 of Article 24 of the By-Laws of the Iowa Corporation, so that said section will read as follows:

"Sec. 324.1 STATED MEETINGS. Every Temple must hold a stated meeting at least once in each calendar quarter. The Imperial Potentate may grant a special dispensation to change the date of any stated meeting. The first meeting of each calendar year must be held at the seat of the Temple in January and it is the annual meeting at which the election of officers shall be held. One stated business meeting of the Temple may be held at the location of any duly chartered Shrine Club in the exclusive jurisdiction of the Temple."

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws; however, your Committee is of the opinion that the meaning and purpose of the proposed amendment needs clarification.

Your Committee, therefore, met with the proponent of the amendment, and with his consent and to accomplish the purpose of the amendment, proposes that the following amendment to Sec. 324.1 of Article 24 of the By-Laws of the Iowa Corporation be substituted for the amendment (Item 5) in the call:

"Sec. 324.1 STATED MEETINGS. Every Temple must hold a stated meeting at least once each calendar quarter. The first stated meeting of each calendar year must be held in January at the location of the Temple and it is the annual meeting

at which the election of officers shall be held. One stated meeting of the Temple during a calendar year may be held elsewhere than the location of the Temple, but within its exclusive jurisdiction. The Imperial Potentate may grant a special dispensation to change the date of any stated meeting."

The Committee reports that the substituted amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully Submitted,

IMPERIAL POTENTATE MORRISON: Thank you, Judge.

I will now call on George Ingram, the Potentate and Representative of Al Azhar Temple.

NOBLE GEORGE H. INGRAM [Potentate, Al Azhar Temple]: Imperial Sir, Imperial Sirs and Fellow Representatives: I move the adoption of the revised amendment as presented.

...The motion was duly seconded...

IMPERIAL POTENTATE MORRISON: It has been moved and supported. Is there any more discussion?

Do you, Sir, wish to discuss it?

NOBLE INGRAM: Yes I would, if I might, Sir.

I would like to explain to you Nobles as to why we are in a situation like this.

Our Temple in numbers is very small. Our Temple has approximately 2600 active members. Our area, however, is tremendous.

We have exclusive jurisdiction in the total Province of Alberta. Just so you know what that might be in entire miles, it is approximately the size of Texas and so you can appreciate that we do have a real problem in not only physically contacting each other but in communications.

We have eleven Shrine Clubs and each one of these Clubs has to travel great distances.

There is not any point in me telling you the various names of the Shrine Clubs but we do have Shrine Clubs that are as far away as 455 miles from the seat of the Temple.

Now, what we are attempting to do is this. We will hold our Annual Meeting at the seat of the Temple, in the Mosque, at which point in time, our officers will be duly elected. We would like to be able to take a stated business meeting out to one of our Shrine Clubs and thereby get participation of all the Nobles in that basic area.

Our Shrine Clubs run anywhere from 21 members up to 632 members. We have one just slightly higher but that is right at the seat of the Temple.

Nobles, this is basically what we are proposing in relation to this amendment—namely, to be able to take one of our stated business meetings out to our Clubs so that we can get the participation of all the Nobles over all of our jurisdiction.

Thank you, Imperial Sir.

...Imperial Sir Warren Weck assumed the Chair...

IMPERIAL SIR WECK: Is there anyone else who wishes to speak to this matter?

NOBLE M. L. DUNCAN [Bahia Temple]: This may or may not be out of order but I would like to know as a matter of opinion, were Item No. 5 to be changed, what would it do to Item No. 7 in the Call?

IMPERIAL SIR WECK: I will call upon Jurisprudence and Laws to answer that question.

NOBLE ROBERT TURLEY: Imperial Sir, Illustrious Sir Ingram has submitted two proposals.

Item No. 5 in the Call relates to the stated meetings. Item No. 7 in the Call relates to Ceremonial Sessions which are normally "called" meetings.

We understand that there is a distinction between the two.

Provision for stated meetings is made in the Temple By-Laws. They are held on a regular basis.

Notice of stated meetings simply tells the time and place where they will be held.

A special session may be called by the Potentate.

The notice of a special meeting must not only tell the time and place, it will be held, but also state what business will be transacted and no business other than that sent out in the Call for that meeting may be transacted at this meeting.

Therefore, Item No. 5 as proposed by Illustrious Sir Ingram deals with stated meetings, with the modification that was made by the Jurisprudence and Laws Committee with his consent.

Item 7, when we get to that, will deal with Ceremonial Sessions.

Does that answer your question?

NOBLE DUNCAN: Thank you.

IMPERIAL SIR WECK: Is there anybody else who would like to speak on this?

IMPERIAL SIR OLFENE: Representatives, I am approaching this with some caution.

Now, I am not up here to hurt Al Azhar Temple or talk against them but I approach this, as I read it, with caution because I could visualize a Shrine Club with a large membership—if I understand correctly and if I am incorrect I hope Jurisprudence and Laws will straighten me out—but this would indicate to me that they can transact Temple business at some location remote from the seat of the Temple on a once a year basis and if this is a large distance, several hundred miles, I can conceivably see why the Nobles in that District would attend and conceivably could make some changes in the operation and structure of the Temple which might be in their best interest or at least in their interest from that locale.

It just seems to me that this could be dangerous and that is just my thinking on it.

IMPERIAL SIR WECK: Is there anybody else that would like to speak on this?

... The question was severally called for...

IMPERIAL SIR WECK: I wish to call to your attention this is on the Substitute Amendment that has been read to you by the Jurisprudence and Laws Committee. It is not on the wording as in the Call here.

All those in favor of this amendment as proposed indicate by saying aye; opposed? It did not carry by the necessary two-thirds majority and so I will declare that it did not pass, not having secured the necessary two-thirds majority.

...Cries of "no, no" and "ballot"...

IMPERIAL SIR WECK: Do you desire a division of the House, in other words, a standing vote?

...Cries of "yes"...

IMPERIAL SIR WECK: All right, I will call for a standing vote.

All those in favor of this please stand; all right, be seated. All those opposed please stand. I would say here from the Chair that it is very, very close and if you call for it, you can ask for a written ballot.

...Cries of "ballot"...

IMPERIAL SIR WECK: All right, we will then give you a ballot. This is what we have the Tellers here for.

We will use ballot No. 8, the goldenrod ballot. It is a "yes" and a "no" ballot.

...Balloting and collection of ballots ensued...

IMPERIAL SIR WECK: Has everybody voted that wishes to vote?

If so, I will declare the ballot closed. (Gavel)

...Imperial Potentate Morrison resumed the Chair...

IMPERIAL POTENTATE MORRISON: We will now proceed to the next order of business here. Well, since the next item is related to this one and because our Tellers are out and there is a possibility we would need them, perhaps we should hold up on this.

I would now like to call upon Most Worshipful Brother Robert C. Coley, Grand Master of Alabama, for a few words of greeting.

MOST WORSHIPFUL BROTHER ROBERT COLEY [Grand Master, Alabama]: Imperial Sir, Imperial Sirs, Illustrious Sirs, my fellow Grand Masters, Nobles and my brethren all: It is wonderful to address this assembly of Masons from across this great nation.

As our colleague and brother from Georgia said this morning, we are Masons and we are Nobles and, brethren, it is good to be with each and every one of you and to bring you sincere greetings from the 70,000 Masons of the Grand Jurisdiction of Alabama and also, in a dual capacity, warm and sincere greetings from the Conference of Grand Masters of Masons in North America, of which I am proud to be the presiding Chairman this year.

Imperial Sir Morrison, may I congratulate you on the manner in which you have conducted this Imperial Session and commend you, Sir and also, Imperial Sir Weck, may I wish for you the very best of everything in instant success as you embark upon your year as the Imperial Sir of the Shrine of North America.

Brethren, let me just say, as a young Shriner, to those of you who have been toiling for so many years on behalf of crippled and burned children of our nation and of our world, keep up the good work.

Thank you and God bless you.

...Rising applause ensued...

IMPERIAL POTENTATE MORRISON: Thank you very much, Grand Master.

Is the Grand Master from Kansas, Chester L. Gilbert present in the audience?

Well, I understand that he has gone home.

I would now like to call on Roland St. John for a report from The Dispensations and Charters Committee.

NOBLE ROLAND ST. JOHN: [Reading]

To the Representatives of the Imperial Council:

Your Committee on Dispensations and Charters has before it a petition for a charter for Joppa Temple, U.D., Gulfport, Mississippi, operating as a Shrine Temple under dispensation since the last Imperial Council Session in New York City, New York in July of 1977.

Your Committee heard the provisional Potentate of Joppa Temple, U.D. explain in detail a brochure presented to each member of this Committee, the other provisional officers being present.

The presentation outlined the Temple activities including Unit activities, ceremonial paraphernalia, the places of meeting, their membership and financial statement.

The report reflected that Joppa Temple, U.D. had 1,158 members as of July 7, 1977 and its total membership on June 7, 1978 was 1,886, an increase of 62 percent. The audit balance sheet and the financial statement submitted reflected a current net balance in member equity of over \$90,000.00.

The Committee finds that Joppa Temple, U.D. has complied with all the necessary prerequisites provided by the Articles of Incorporation for the granting of a charter by this Imperial Council.

Your Committee is of the unanimous opinion that it will be in the best interest of Shrinedom to permanently continue the work of this newly formed group and to grant a charter to Joppa Temple, U.D., of Gulfport, Mississippi.

Accordingly, your Committee recommends the granting of this charter.

Respectfully Submitted,

IMPERIAL POTENTATE MORRISON: Noble R. A. Posey will report for the Jurisdictional Lines Committee.

NOBLE POSEY: [Reading]

To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisdictional Lines, the matter of territory for a new Temple in Gulfport, Mississippi, to be known as Joppa Temple.

There being no changes in territory of said Temple while under dispensation, your Committee recommends that Article 69 of the By-Laws of the Iowa Corporation remains as presently exists as to territorial Jurisdiction.

NOBLE HESSEY: [Reading]

To the Representatives of the Imperial Council:

As authorized by Sec. 101.5(a) of the By-Laws of the Iowa Corporation this Committee has submitted and now reports upon a proposed amendment to Sec. 469.3 of Article 69 of the By-Laws of the Iowa Corporation as follows:

Amend Section 469.3 of the By-Laws of the Iowa Corporation by deleting therefrom the letters "U.D." which presently follow the designation "Joppa Temple".

...The motion was severally seconded, was voted upon and declared to be unanimously carried...

IMPERIAL POTENTATE MORRISON: We will now have the members of Joppa Temple please come forward for their presentation.

Illustrious Sir and Members of the Divan of Joppa Temple, it gives me a great deal of pleasure to present your Temple with its charter of the A.A.O.N.M.S. It is dated the 13th day of July, 1978.

Illustrious Sir Ernest Melvin, believe me, it is a proud day in your life and a proud day in the life of all of your members.

I understand you have over 1800 members, is that correct? You have done a fantastic job and with that I want to present this charter to you.

...Presentation of charter and applause ensued...

IMPERIAL POTENTATE MORRISON: Would you like to say a few words at this time?

NOBLE MELVIN [Potentate, Joppa Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives of the Imperial Council: As the Potentate of Joppa Temple, I would like to express, in behalf of the Divan and the Nobles of our Temple, our sincere appreciation to all those who have helped us and encouraged us this past year. We leaned on the Imperial Recorder, Assistant Recorder and the Chairman of the Committee quite a lot and we are looking forward to working ever more so for the purposes of the Shrine of North America.

Thank you very much. (Applause)

NOBLE H. T. WARE [Potentate, Wahabi Temple]: Imperial Sir, Imperial Sirs and fellow Representatives, as the Potentate of Wahabi Temple of Jackson, Mississippi and in behalf of our 6,000 Nobles, we wish Joppa Temple every success and we assure them of our full cooperation in all their endeavors.

Thank you very much. (Applause)

NOBLE JAMES TOPP [Potentate Hamasa Temple]: Imperial Sir, Illustrious Sirs and Fellow Nobles and Representatives: As the mother Temple of Mississippi, we welcome to our Mississippi Family this new Temple and say that we will work with them and we are certainly all proud of them. (Applause)

IMPERIAL POTENTATE MORRISON: Thank you all very much.

I guess we do not have a report from the Tellers with regard to Item No. 5 as yet.

Now, Nobles, while we are waiting for the report on the last ballot, our Imperial Treasurer, Thomas Melham, is ready with his report.

IMPERIAL SIR THOMAS MELHAM: As I understand it, this is on insurance.

Imperial Sir, Fellow Representatives: I wish to report for the Committee on Insurance.

We have had a busy year trying to keep up. I want to report that your Committee has worked diligently this last year in trying to continue the types of coverages of insurance that were necessary in relation to our complete operations.

We have met many times with Alexander and Alexander and we have had some troubles. As a matter of fact, we have had carriers who did not really desire our insurance any more and so we had to accept some revised contracts in order to have the coverage continue.

Now, just as an example, in connection with our premium of excess liability coverage, in 1970, we increased the amount from five to ten million dollars in coverage and in order to get a renewal we had to accept a 50 percent co-insurance on the first \$5 million which could conceivably, and we hope not, involve liability insurance of two and a half million dollars.

The other \$5 million, however, has been accepted by our carrier with no liability on our part.

I could not conclude without giving special and great thanks to the third member of our Committee, William Blick of Kismet Temple, a man who spent his entire lifetime in the field of insurance and has been particularly effective in dealing with our brokers and even with the underwriting companies.

He is responsible for some savings to us, as well as for getting some additions put into the contract that even our broker could not have done.

Because of the importance of insurance to everyone, you businessmen, we as Shriners, we have seen, too, that the Board of Directors and the Trustees will have a complete record of the 32 contracts embodied in this report so that we can at all times be aware of what is happening.

Further, now then, too, of course, the number of court awards being given for professional liability is just a constantly increasing and staggering figure.

That, Imperial Sir, is the report of the Committee.

I would ask that this report be made a part of this Session and I would so move.

... The motion was duly seconded. ...

IMPERIAL POTENTATE MORRISON: It has been moved and seconded that the report be made a part of the Proceedings. Is there discussion?

... There being no discussion, the motion was voted upon and declared to be carried. ...

IMPERIAL POTENTATE MORRISON: Now, let me say, with regard to our building in Tampa, we did break ground on May 25th. The ground is presently being cleared.

The contracts concerning the building have been put out for bid by your Building and Equipment Committee, is that right, Woody?

Now, Woody, would you want to report on the building in Tampa? After all, you are the head man of the Committee.

IMPERIAL SIR BENNETT: Imperial Sir, Imperial Sirs, Distinguished Nobles All: It is a pleasure to report to you that we are moving ahead in Tampa.

We have an architect and a rendering has been out in the hall for your review and approval.

We plan on taking bids about the 24th. The first part of it will be in connection with site and ground preparation and then we will enter into a contract for general construction.

We are on schedule and we think we are going to have a delightful new headquarters and, insofar as I can tell, everything is moving along smoothly and we are quite pleased with the whole operation.

That pretty well completes that portion of it.

Our Building and Equipment Committee, throughout the years, has tried to answer to all the calls of the Hospitals as quickly as possible and we certainly appreciate the fine cooperation of the various Boards of Governors throughout.

Thank you very much. (Applause)

IMPERIAL POTENTATE MORRISON: Thank you very much, Woody.

I would now like to recognize Worshipful Brother Holm A. Swenson, Grand Master of Masons of the State of Michigan.

The podium is yours.

... Rising applause ensued. ...

MOST WORSHIPFUL BROTHER HOLM A. SWENSON [Grand Master of Masons, Michigan]: Imperial Potentate Fred R. Morrison, Sr., Imperial Officers, Most Worshipful Grand Masters, Masonic Leaders of the Appendant Bodies, Distinguished Guests, Nobles and Brethren All: It gives me much pleasure, as the Grand Master of Michigan and in behalf of all other Grand Masters present today, as representative of America's 3,400,000 Masons, to address this 104th Annual Session of Shrinedom's Imperial Council for North America. As I do so, I am reminded that Lou B. Winsler, a Past Grand Master of Masons and Grand Secretary for some 34 years, served as Imperial Potentate in 1896, when Detroit first played host to this body, which has become the greatest Masonic exponent of fun and benevolence in the entire world.

A few years ago, Gerald George, in a rather expansive article in the National Observer, stated that Masonry officially disdains "anything so unbecoming to them as seek publicity" regarding their important humanitarian programs regardless of race or creed. Obviously, we are all bound by the sacred vow to aid and assist our

distressed worthy brethren, their widows and orphans. These general principles have, however, been extended much further and in order to bring Masonic benevolence into proper focus, the Chairman of our Committee on Fraternal Relations, Past Master J. Fairbairn Smith, decided to research the entire Masonic benevolent field in 1976 and he found that Masonic philanthropy had reached an all-time high of nearly \$450 million in a single year.

Not the least of this amount was expended by the Shrine of North America through its crippled children's hospitals and burns centers.

These worthy projects alone have reached a fantastic expenditure of nearly \$45 million each year and it goes to all children, regardless of race, color or creed.

To further stress the broad aspect of Masonic benevolence, we must not lose sight of the fact that less than 14 percent of the vast sums expended for charity are used for Masons and their families. Indeed, we never let our right hand know what our left hand doeth and I personally think we have allowed our light of charity to remain under a bushel for far too long a period of time and it is surely time that we start emphatically spelling out the actual extent of our unselfish good works.

Needless to say, Imperial Sir, you are the third Michigan Mason to hold this top Imperial Office and quite obviously we, as Masons, are glad to extend to you our best wishes and, at the same time, voice a hope that your Administration will add further light and luster and thus increase still more to your justly esteemed reputation and thus secure for yourself the favor of heaven and the loud applause of all Nobles of the Mystic Shrine.

I am sure you realize that great, vast enthusiastic audiences are not always the lot of a Grand Master.

Some of our lodges are very small and sometimes the welcome and greeting leaves much to be desired and I trust that you will permit me to relate an incident which will perhaps add a note of levity to a serious but somewhat dry dissertation.

In Michigan we have 523 lodges and I have long expressed a hope that I might visit every lodge before I go out of office next May. Trying to double up on one occasion, I arrived at the Tyler's door unheralded and asked if I might be allowed admission. The Tyler head quite frankly said that the lodge would soon close and he hoped that I would not insist on sounding an alarm at this time.

The conversation continued back and forth without any apparent results. In fact, it was a classic example of hiding one's light under a bushel, until finally I said to the staunch guard of the outer door: "You know, I hate to pull rank, but I am the Grand Master of Masons in Michigan."

Without batting an eye, the Tyler finally said, "the hell you say".

Then he added—"three possessions I have always tried to pride—an unassuming Master Mason, a friend and my Grand Master." Having said that, he tapped on the door of the lodge.

Thank you very much.

... Rising applause ensued...

IMPERIAL POTENTATE MORRISON: Thank you, Worshipful Brother Swenson.

I got a kick out of the statement you made because I had one similar just recently, where I was in a conversation with a couple of Nobles. I cannot remember what it was now but we got conversing about the Shrine and I said, "well, I am the Imperial Potentate", and you should have heard the nasty laugh I got.

Well, after about ten more minutes of conversation, they were finally convinced that I was indeed the Imperial Potentate.

I now believe we have a report from the Tellers.

NOBLE JOE HOWELL: Imperial Sir and Representatives: It is a pleasure to give you the results of ballot No. 8.

There were a possible 794 votes. 728 actually voted. There were 5 spoiled ballots. Necessary for choice were 486.

The votes were distributed as follows: "yes" 440; "no", 288.

IMPERIAL POTENTATE MORRISON: You have heard the report from the Committee. Is that the right count?

If so, then evidently the motion is defeated.

We will now proceed to Item No. 7 and who is going to report on that?

NOBLE CORSONES: Nobles and Representatives, we are now going to discuss Item No. 7, which you will find on page 13 of the Call.

I would like to, before I read the report of the Committee, give you a little explanation because there will be two changes in what is printed on that page.

First of all, and these things are not necessarily of magnitude, we have changed the word "chartered" to "authorized".

Some do not have a charter but obviously they are all authorized and so, again, we have changed the word "chartered" to "authorized".

Then we have deleted, and this is of substantive importance we feel, the word "general". By deleting the word "general", therefore the effect is to require that the specific nature of business to be transacted be given to the Nobility.

These are preliminary remarks so you can follow the report.

To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws by George H. Ingram, Potentate and Representative of Al Azhar Temple, a proposal to amend Sec. 328.7 of Article 28 of the By-Laws of the Iowa Corporation by adding a new subsection (e) which will read as follows:

"Sec. 328.7(e) Notwithstanding the provisions of subsection (a), on one occasion during each calendar year, a Temple may transact other business at a ceremonial session held within its exclusive jurisdiction and at the location of a duly chartered Shrine Club. The general nature of the business to be transacted must be set forth in the notice for such ceremonial session."

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws; however, your Committee is of the opinion that the proposed amendment needs modification so that its language is uniform with other By-Laws.

Your Committee, therefore, met with the proponent of the amendment, and with his consent and to accomplish the purpose of the amendment, proposes that the following amendment to Sec. 328.7 of Article 28 of the By-Laws of the Iowa Corporation be substituted for the amendment (Item 7) in the call:

"Sec. 328.7(e) Notwithstanding the provisions of subsection (a), on one occasion during each calendar year, a Temple may transact other business at a ceremonial session held within its exclusive jurisdiction and at the location of a duly authorized Shrine Club. The nature of the business to be transacted must be set forth in the Notice for such ceremonial session."

The Committee reports that the substituted amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully Submitted,

IMPERIAL POTENTATE MORRISON: Thank you very much, Ted.

I will now again call on George Ingram.

NOBLE GEORGE INGRAM [Potentate, Al Azhar Temple]: Imperial Sir, Imperial Sirs and Nobles: Everything I told you before still applies. We are talking about the same thing.

I move the adoption of the revised amendment as presented.

...The motion was severally seconded...

IMPERIAL POTENTATE MORRISON: Please proceed, Sir.

NOBLE GEORGE INGRAM: You have heard the old adage about taking the mountain to Mohammed or Mohammed to the mountain.

In this case we are trying to move Mohammed to the mountain.

We have had stated business meetings at which we have had anywhere up to 50 and to possibly 100 of our Nobles attending. In many of our Shrine Clubs monthly meetings exceed 300 to 400 members at a meeting. Where would you, therefore like to see business better transacted than there?

This is democracy in action. That is all we are asking for.

I will leave it up to you, Nobles.

IMPERIAL POTENTATE MORRISON: Thank you. Is there further discussion?

NOBLE DUNCAN [Potentate, Bahia Temple]: Imperial Sir, Imperial Sirs and Representatives: I rise again because I asked our Legal Counsel what Item 5 would do to Item 7 if passed and they read it as two different things. However, I call your attention to Section 328.3 of our Imperial By-Laws, which state in fact that a Potentate already has the prerogative to have special meetings any time he wants and in lieu of No. 5, the only thing they changed or were trying to change was to allow a Temple to hold a stated meeting outside of its Temple.

Basically, in Item 7, that is all they are asking you to do again, whether it is a ceremonial or whatever it may be.

Therefore, in view of Item 5 having failed to pass, I move that Item No. 7 be tabled.

...The motion was severally seconded...

IMPERIAL POTENTATE MORRISON: It has been moved and seconded that Item No. 7 be tabled. All in favor will say aye; opposed? It only requires a majority vote and so I will rule that the matter is not tabled—that your motion to table is defeated.

Does anybody else wish to discuss this issue?

IMPERIAL SIR OLFENE: Imperial Sir and Representatives: I spoke on Item No. 5 and, certainly, I want to do nothing to hurt Shrinedom. I just again feel, as the gentleman before me said, this is allowing a unit to transact business at a ceremonial meeting and at some location other than at the seat of the Temple.

I can just see the possibility down the road of this creating some problems.

Therefore, I will vote "no" in relation to Item 7.

IMPERIAL POTENTATE MORRISON: Thank you. Does anybody else wish to discuss this motion?

REPRESENTATIVE: Imperial Sir, Imperial Sirs and Fellow Delegates of this Convention: I live approximately 200 miles away from this Temple. I have traveled to it probably five or six times a year and it is about a two and a half hour trip when the roads are good and speaking as a Noble for the Northwest Shrine Club, which is approximately 390 members, I think these members have just as much to say about the Temple as members living within the seat of that Temple. That is all I have to say. (Applause)

IMPERIAL POTENTATE MORRISON: Thank you. Is there further discussion?

If not, all in favor of the motion indicate by saying aye; opposed no. It takes a two-thirds vote to pass and, gentlemen, is there any objection if I say it is not passed?

...Cry of "written ballot"...

IMPERIAL POTENTATE MORRISON: Just a moment, why don't we stand.

Those in favor of the motion please stand; be seated. Now those opposed please stand. I will declare the motion defeated.

...Cries of "ballot"...

...Cries of "no, no"...

IMPERIAL POTENTATE MORRISON: Gentlemen, if you want a ballot, I will not make that decision. However, if somebody desires a ballot, they can so move.

Does anybody want to make that motion?

If so, we can vote on the motion.

Does anybody want to make that motion?

...Cries of "no, no"...

IMPERIAL POTENTATE MORRISON: Well, okay. Then I will again declare the motion defeated.

Now, Nobles, I will call on Imperial Sir Voris King to give us the report on Regalia and Emblems, on Item No. 3, which is on page 12 of your Call.

IMPERIAL SIR KING: [Reading]

The Regalia and Emblems Committee composed of Representatives of the major Shrine Associations throughout North America after due deliberation and consideration felt it to the best interest of the Order that no change be made in Section 213.1 of the Imperial By-Laws. The Committee therefore recommends that Proposal No. 3 in the Call for this Section be rejected.

Imperial Sir, I would move that the report be accepted.

...The motion was severally seconded...

IMPERIAL POTENTATE MORRISON: We have a motion to accept the report, which has been seconded. All in favor will say aye; opposed no, it is carried and accepted.

I will now recognize a member of the Jurisprudence and Laws Committee for a report on this matter.

NOBLE ED MAAG [Reading]:

To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws a proposal by Frank B. Plummer, Representative of Ben Ali Temple, to amend § 213.1(b) of Article 13 of the By-Laws of the Iowa Corporation, so that said Subsection will read as follows:

"§ 213.1(b) Titles. The Imperial Chaplain, Potentates, Past Potentates, Records and Divan members may have their titles embroidered in small letters in gold or silver bullion or silk beneath the emblem on the Fez. Active members of official uniformed units of a Temple may likewise have the names of their units beneath the emblem on the Fez. Past Potentates or Presidents of official uniformed units of a Temple may have the title Past Potentate or President, together with the year they served in said position, embroidered on their Fezes."

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

IMPERIAL POTENTATE MORRISON: I will now call on Frank B. Plummer.

NOBLE FRANK PLUMMER: [Ben Ali Temple] Imperial Sir, Imperial Sirs and Fellow Representatives: I move the adoption of Item No. 3 in the Call.

... The motion was duly seconded...

IMPERIAL POTENTATE MORRISON: It has been moved and supported to adopt the recommendation.

Please proceed with your comments.

NOBLE PLUMMER: Imperial Sir, Imperial Sirs, Fellow Representatives: All we are asking for in relation to this is that we be able, in essence, to put the year of our office on our Fez. This, in itself, is going to give additional fellowship and immediate recognition among your counterparts.

I have had requests concerning this many times concerning the various Shrine Club Officers and would appreciate your adopting this amendment.

Thank you, Sir.

IMPERIAL POTENTATE MORRISON: Does anybody else desire to discuss this motion?

NOBLE CLIFFORD UNDERDAHL [El Kahir Temple]: Imperial Sir, Imperial Sirs and fellow Representatives: I am very much against making Fezes a display board. After all, you all know what you are and your friends know who and what you are. This idea of having one, two, three, four lines on the Fez is silly.

If you give them a date, nobody said where they are going to put that date. They may put it either on the top, on the back or almost anywhere and, also, where do you stop.

The Fez we have, gentlemen, is a beautiful Fez.

As we know, the Potentates in the various Temples do not enforce the laws as they are today and they sure do not need to be changed to make them worse.

Please endorse the laws we already have. We do have good laws in Shrinedom concerning your Fez.

I believe we do not need any change, especially the changes recommended.

Thank you very much. (Applause)

IMPERIAL POTENTATE MORRISON: Is there further discussion on the motion?

... The question was severally called for...

IMPERIAL POTENTATE MORRISON: If there is no more discussion, we will vote on the motion or the resolution as presented by Frank Plummer.

All in favor of the resolution will please say aye; opposed. Item No. 3 is defeated. (Applause)

I think what we will do now is that we will go to Item No. 8 on page 14.

I will recognize the Jurisprudence and Laws Committee.

NOBLE JEFFRIES: [Reading]

To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws by Edward B. Condon and R. J. Aycock, III, Representatives of Omar Temple, a proposal to amend § 332.2 of Article 32 of the By-Laws of the Iowa Corporation, by adding a new Subsection (e) which will read as follows:

"§ 332.2(e) Subject to the requirements of subsection (a) as to the minimum amount, a Temple may provide by its By-Laws that its members who are sixty-two (62) years of age or older shall pay dues at a rate less than that required of its other members."

The Committee reports that the proposed amendment is in proper and legal

form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

IMPERIAL POTENTATE MORRISON: I would like to have Ed Condon speak to this report.

NOBLE EDWARD CONDON [Omar Temple]: Imperial Sir, Imperial Sirs and Fellow Representatives: First of all, I would move for the adoption of amendment No. 8.

... The motion was duly seconded...

IMPERIAL POTENTATE MORRISON: The motion has been made and seconded to adopt this amendment. Please proceed with your discussion, Noble Condon.

NOBLE CONDON: Last year in revising our By-Laws and in coming up with a dues increase, we attempted to give our older members a little benefit in dues to the amount of some \$5 or \$10.

Now, we found this was not in compliance with Article 332.2 and that we could not discriminate because of age in the setting of dues.

Therefore, we, in talking the matter over with Bob Turley and his Committee, had to put an amendment into the Imperial By-Laws.

I would like to invite your attention to the key words in the Imperial By-Laws—"may provide by its By-Laws", meaning this is an action that the Temple has to take in order to make this effective. If the Temples wish to raise dues, this gives you some leverage with the older members.

Now, the key words again, are "may provide by its By-Laws". Therefore it is no mandatory rule at all.

I would appreciate your serious consideration of this amendment and I am sure that many of our Nobles on fixed incomes would likewise appreciate it.

Thank you, Imperial Sir.

IMPERIAL POTENTATE MORRISON: Is there further discussion on Item No. 8?

... The question was severally called for...

IMPERIAL POTENTATE MORRISON: It has been moved and seconded that this amendment be adopted.

All in favor of adopting this amendment, Item No. 8 in your Call, will say aye; opposed? That just went down the drain, I will tell you, and I declare it defeated.

... Business was conducted in the Colorado Corporation at this time...

IMPERIAL POTENTATE MORRISON: I will now recognize Gene Bracewell for the purpose of reporting to us concerning Public Relations.

IMPERIAL SIR BRACEWELL: Imperial Sir, Imperial Sirs and Fellow Representatives: The other day I had the opportunity, as Vice Chairman of the Public Relations Committee, to bring you up-to-date on some of the activities that have transpired with your Public Relations Committee during the past Imperial Year and at this time, if you will give me about ten minutes of your time, I want to show you about a seven-minute slide and sound program which we have entitled "The Shrine on Parade".

Now, of course, I realize that a lot of you have seen this but we have about a 30 percent change in our Representatives each and every year and, therefore, if you will bear with me and let me give you this, it will be greatly appreciated.

...Whereupon, the seven-minute sound/slide show entitled "The Shrine on Parade" ensued...

IMPERIAL SIR BRACEWELL: Let me ask you, Nobles, how many of you out there in the audience have had the pleasure of viewing this film prior to this time?

...Several hands were raised...

IMPERIAL SIR BRACEWELL; Nobles, as I said, this is a seven-minute sound/slide show which, in the essence, tells the story of the Shrine and Shriners Hospitals.

Unfortunately, too many of our people and the general public are virtually unaware of what the Shrine actually is, what the Shrine actually does for the children of North America.

This presentation is available through the Central Office at Chicago and all you have to do is to write a letter to the Public Relations Department or anyone at the central office and it will be made available to you for your use for civic showings and in connection with your own Temple activities, your classes, ceremonials, etc.

Also, at this time, if I may be permitted to do so, Imperial Sir, I would just like to take a few additional moments and show the Representatives here a few new spot announcements that we have just made as public service spots.

These are 30-second spots and which will also be available within the next couple of weeks.

As most of you know, your television and radio stations are required to broadcast a certain amount of public service items and announcements.

Everytime we can show one of these public service spots regarding our Shrine and what we do in our hospitals, it has to, in turn, make the public more aware of what the Shrine is all about.

This is the critical thing we have to work on—that of public awareness. If we can get the message across as to exactly what we are doing, how we are doing it, how it can be done, this will not only help our patient recruitment, which is a problem, but will also help our Endowments, Wills and Gifts Program and, in general, our Membership.

Therefore, I would urge the Potentates of the various Temples represented here to ask for these film spots and use them whenever you can. Also, in connection with getting these disseminated, getting someone who knows how to speak or has contacts with radio and television stations in your particular area.

Now, we would like to show you some five or six of our public service spots that we have available for you merely by your asking for them.

...The various public service spot announcements were then shown...

IMPERIAL SIR BRACEWELL: Nobles, what do you think of those spots?

(Applause)

You know, the greatest thing about public service announcements is that they tell a story so simply and so quickly and, in turn, it makes people aware of what we are doing. However, fellows, and here I am talking about both you and I, if we don't get them presented, well, we are not doing the job that they are intended to do. We also have several more public service announcements we are having made at the present time.

We also have a new film coming out and next year, in this connection, what we are going to do is to establish, for example, a monitoring system so that when, for example, we send out one of these films to a particular Temple, we will have a log that we can also keep in connection with the use of that film, indicating to us where it was shown and other information of this type.

Also, in connection with these films, we are working on the possibility of, at the end of the film, for example, indicating some particular number to call for further information.

With that, Nobles, I thank you for your patience and for listening to this brief presentation. (Applause)

IMPERIAL POTENTATE MORRISON: Thank you, Gene.

I will now call on our Director General because we are shortly going to recess until tomorrow morning at nine o'clock. However, I would first like to have him say a few words.

DIRECTOR GENERAL MORRISON: I would like to inform you, Nobles, that the airport shuttle bus service has been contracted for by the hotel here and that there will be an increase in bus service. They will leave for the airport on the quarter hour, every half hour. The fare is \$3.75. There will be plenty of buses available starting tomorrow at about eleven o'clock.

IMPERIAL POTENTATE MORRISON: Did you say "a quarter hour on the half hour"?

DIRECTOR GENERAL MORRISON: Yes, at a quarter to eleven and a quarter after eleven; at a quarter to twelve and a quarter after twelve.

IMPERIAL POTENTATE MORRISON: I see. Thank you for the explanation.

We are now in recess until nine o'clock tomorrow morning.

...The 104th Annual Session of the Imperial Council A.A.O.N.M.S. recessed at 3:30 o'clock p.m. to reconvene in the Renaissance Ballroom, Detroit Plaza Hotel, the following morning at nine o'clock a.m....

MORNING SESSION FRIDAY, JULY 14, 1978 NINE O'CLOCK A.M.

The One Hundred Fourth Annual Session of the Imperial Council, A.A.O.N.M.S., reconvened in the Renaissance Ballroom of the Detroit Plaza Hotel at nine o'clock a.m., Imperial Potentate Fred R. Morrison presiding.

IMPERIAL POTENTATE MORRISON: Nobles, please come on inside, shut the doors and pay attention.

At this time I will call on the Reverend Dr. Mercer, the Imperial Chaplain, to give the invocation.

REVEREND MERCER: Let us unite our hearts in prayer.

O God our Father, at the beginning of our installation ceremonies this morning, we would be reminded of the words of the poet: "The old order changeth, yielding place to the new, lest one good custom should corrupt the earth."

We praise Thee, O God, for the good customs which give way to new customs this morning. We thank Thee for variety for that ever changing river that runs through the whole scheme of things.

We rededicate ourselves anew to that stalwart, steady, stable strength of Thine and to all of the variety and changing customs of our lives.

We pray all of this in Thy name and to Thy great goodness. Amen.

IMPERIAL POTENTATE MORRISON: Thank you Dr. Mercer.

Please remain up here, Dr. Mercer.

Fellow Representatives, I would like to show you (indicating) a picture made for Dr. Mercer, who has been our Imperial Chaplain.

This is signed by all of the members of the Imperial Divan and it says "Presented to the Reverend Dr. William D. Mercer, Imperial Chaplain, A.A.O.N.M.S., in token of our appreciation of his spiritual leadership which has enriched our lives during the Administration of Imperial Potentate Fred R. Morrison, 1978-1979."

I present this to you with appreciation, Dr. Mercer, and I do also want it in the record that we did receive it and I asked for it from Past Imperial Potentate George Stringfellow, who is very adept at this and so at this time I will present it to you, Sir, on behalf of the Imperial Divan.

...Presentation of picture and applause ensued...

REVEREND MERCER: Thank you so very much, Imperial Sirs.

In the words of the Clergy, "you have been one hell of an Imperial Potentate".

...Laughter and applause...

IMPERIAL POTENTATE MORRISON: We have an item called Item No. 12 and it really is not in the Call and so do not even bother to look through your book.

I have it up here and I would like to have this passed out at this time so that the Representatives can read what it is all about.

There are two different items involved here.

Now, while these are being passed out, I am going to call on the Imperial Potentate Elect, Warren Weck, to report on No. 2 in your Call. Please pay attention and do not be too noisy while these other items are being passed out.

IMPERIAL SIR WECK: Item No. 2 is to amend the Iowa Corporation By-Laws, Section 208.7(e) of Article No. 8 of the By-Laws by adding certain language and deleting certain language so that the Section as amended will read as follows:

"The Time and Place Committee shall consider and report to the Imperial Council concerning invitations from Temples desiring to be hosts for the first through the 5th next year succeeding annual sessions. The Committee shall consist of the thirteen Imperial Officers listed in Section 206.1."

Now, your Committee has met and reviewed this and at this time we would like to amend the section so that it will be changed from "the thirteen Imperial Officers" to eliminate the Imperial Recorder and the Treasurer. In other words, it will be the eleven moving elective officers that will make up this Committee.

I would move this amendment, as amended, be brought to the floor.

IMPERIAL POTENTATE MORRISON: Is there support?

... The motion was severally seconded...

IMPERIAL POTENTATE MORRISON: All in favor will say aye; opposed? It is carried.

Now, Ed Maag, are you going to present this on the part of the Jurisprudence and Laws Committee?

NOBLE MAAG: This is contained on pages 11 and 12—the bottom of page 11 and the top of page 12.

The report of the Jurisprudence and Laws Committee reads as follows:
To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws by the Board of Directors a proposal to amend § 208.7(e) of Article 8 of the By-Laws of the Iowa Corporation, so that said Subsection will read as follows:

"§ 208.7(e) The Time and Place Committee shall consider and report to the Imperial Council concerning invitations from Temples desiring to be hosts for the first through the fifth next succeeding annual sessions. The Committee shall consist of the 13 Imperial Officers listed in § 206.1."

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

IMPERIAL SIR WECK: I move that this be adopted as amended.

... The motion was severally seconded...

IMPERIAL POTENTATE MORRISON: We have a motion and a second to adopt the amendment as amended. Is there further discussion?

I believe we have to get our new wording in here, do we not?

NOBLE MAAG: I would move we adopt the report of the Jurisprudence and Laws Committee.

... The motion was severally seconded...

IMPERIAL POTENTATE MORRISON: As I understand it now, we have a motion to adopt the report and it has been supported.

NOBLE TURLEY: Now you want to make a motion to amend.

IMPERIAL POTENTATE MORRISON: Go right ahead.

NOBLE WECK: We are making a motion to strike "thirteen" from this, changing it to "eleven", taking out the Imperial Recorder and the Imperial Treasurer.

IMPERIAL POTENTATE MORRISON: I am going to call on Jurisprudence and Laws to explain it because I know it is in good order but there is some confusion. You have amendments and everything else.

Therefore, let Bob explain this to you.

NOBLE TURLEY: Imperial Sir, Imperial Sirs and Fellow Representatives: If you adopt the amendment that just has been moved and then if you adopt the proposal as amended, if you adopt both of those motions, then the section will read as follows:

"The Time and Place Committee shall consider and report to the Imperial Council concerning invitations from Temples desiring to be hosts for the first through the fifth next succeeding annual sessions. The Committee shall consist of the Imperial officers listed in Section 206.1, except the Imperial Treasurer and the Imperial Recorder".

Do you understand that?

...Cries of "yes" and "why"...

IMPERIAL SIR WECK: Let me explain.

The section as it presently reads now includes the Imperial Potentate, Imperial Chief Rabban, Imperial Assistant Rabban, Imperial High Priest and Prophet, Imperial Oriental Guide and a Representative of each of the five geographical areas, namely, the Pacific Coast, Midwest, Northeast, Southeast and Southwest.

This has never been done, insofar as I know with these Representatives from the various areas and I am sure none of you out there want to tell us where we are going to have our Conventions, whether it be out in Denver or something like that. Really, this is the responsibility of the incoming Imperial Potentate for the next five years and ensuing years thereafter.

We are the ones that are responsible for the organization of the Convention Corporations; responsible for having the Temples provide all the aid and services that are provided here and I don't think that you fellows want to tell us where we are going to have our Convention because, really, we might end up with some place where nobody wants us.

Basically what we are trying to do is to change it to what we actually have been doing and I think after being here at this Convention here in Detroit and participating in all of the wonderful things that have been done for you, you can see that it is working out pretty well the way we are presently doing it.

...The question was severally called for...

IMPERIAL POTENTATE MORRISON: We are going to vote on the amendment first. All in favor say aye; opposed. It is unanimously carried.

IMPERIAL SIR WECK: Now we will vote on the amendment as amended.

I move that it be adopted.

IMPERIAL POTENTATE MORRISON: It has been moved and supported. All in favor say aye; opposed.

It is unanimously carried.

Now, at this point, I would like to have Warren Weck take the gavel.

...The gavel was tendered to Imperial Sir Weck...

IMPERIAL SIR WECK: I will now recognize the Imperial Potentate.

IMPERIAL POTENTATE MORRISON: You have all had the material circulated to you. This concerns the Imprest Accounts.

I would like to read the statement concerning this, which is as follows:

"Imperial Potentate Fred R. Morrison, pursuant to authority granted him by

Section 101.5(a) of the By-Laws of the Iowa Corporation, proposes an amendment to amend Section 214.3 of the By-Laws of the Iowa Corporation so that said Section as amended will read as follows with new language italicized and the deleted language bracketed:

"Sec. 214.3 IMPREST ACCOUNTS: The Board of Directors may establish separate special accounts (,) employing the imprest system, not exceeding:

(a) \$10,000.00, for the prompt payment of budgeted expenses; and

(b) A further sum determined to be necessary by the Board of Directors, from time to time and as needed to pay the mileage and per diem as authorized and provided under Article 5 of these By-Laws (;). (employing the imprest system; and it)

The Board of Directors may authorize checks to be drawn thereon upon the facsimile or manual signature of any one officer (,) or the signatures of any two of such other persons as may be designated by the Board."

IMPERIAL POTENTATE MORRISON: Mr. Chairman, I would move the adoption of this amendment.

... The motion was duly seconded. . .

IMPERIAL SIR WECK: First of all, I will recognize Noble Corsones of the Jurisprudence and Laws Committee to make their report on this amendment.

NOBLE CORSONES: [Reading]

To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws a proposal submitted by Imperial Potentate Fred R. Morrison as authorized by Section 101.5(a) of the By-Laws of the Iowa Corporation, to amend Section 214.3 of the By-Laws of the Iowa Corporation so that said Section as amended will read as follows:

"Section 214.3 IMPREST ACCOUNTS. The Board of Directors may establish separate special accounts employing the imprest system, not exceeding:

(a) \$10,000.00, for the prompt payment of budgeted expenses; and

(b) A further sum determined to be necessary by the Board of Directors, from time to time and as needed to pay the mileage and per diem as authorized and provided under Article 5 of these By-Laws.

The Board of Directors may authorize checks to be drawn thereon upon the facsimile or manual signature of any one officer or the signatures of any two of such other persons as may be designated by the Board."

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws of the Iowa Corporation.

IMPERIAL SIR WECK: I will again recognize the Imperial Potentate.

IMPERIAL POTENTATE MORRISON: Let me say, gentlemen, that this is merely a house-cleaning job. You did pass this in relation to the Colorado Corporation last year. However, it was not thought, at that time to pass it in relation to the Iowa Corporation but at the request of our staff in Chicago, they are asking that you pass it in this form so that it will cover both corporations instead of just one.

So, again, Mr. Chairman, I would make a motion at this time to adopt this proposed amendment.

... The motion was duly seconded. . .

IMPERIAL SIR WECK: We have a motion and a second to adopt the amendment as proposed. Does anybody desire to speak on this?

If not, all those in favor of adoption say aye; opposed? I declare that it has passed by the necessary Constitutional majority.

Now, I will again recognize the Imperial Potentate.

IMPERIAL POTENTATE MORRISON: Now I would like to get into this other matter which concerns mileage and per diem.

I don't think we will have too much trouble with that one.

I would like to read this proposal to you. "To the Representatives of the Imperial Council:

Fred R. Morrison, Imperial Potentate, under authority of Section 101.5 of Article 1 of the By-Laws of the Iowa Corporation, upon the unanimous request of the Mileage and Per Diem Committee proposes the following:

Amend Section 205.1(a) of Article 5 of the By-Laws of the Iowa Corporation by deleting 35 cents and adding 40 cents so that the section, as amended, will read as follows:

"Article 5, Mileage and Per Diem.

Sec. 205.1 Mileage

(a) Each Representative who attends a Session of the Imperial Council shall be paid mileage at the rate of 40 cents per mile one way by the shortest available commercial route from the location of his Temple to the place of the Session, computed by using the routes of regularly scheduled railroad, bus lines, or airlines, but not using charter routes."

Mr. Chairman, again, I would like to make a motion that this amendment be accepted.

... The motion was duly seconded. . .

IMPERIAL SIR WECK: We will now have the report of the Chairman of the Mileage and Per Diem Committee concerning this matter.

IMPERIAL SIR ANTHONY [Reading]:

To Imperial Sir Fred R. Morrison:

Your Committee on Mileage and Per Diem met on Monday, July 10, 1978 at the recess of the Imperial Council Session. Chairman Russell H. Anthony asked the members for comments concerning mileage and per diem that they may have heard. Following comments by members, the consensus was the Representatives appeared satisfied with the per diem arrangement, but that the mileage rate of 35 cents per mile one way was not adequate. Chairman Anthony stated that he had had many Representatives speak to him about the inadequacy of the rate of 35 cents per mile.

It was brought out during discussion that if 25 cents per mile mileage was correct for the Representatives ten years ago, then 35 cents mileage today was not enough because travel expenses have nearly doubled in the last ten years, particularly within a radius of 300 miles.

Following general discussion, Chairman Anthony asked for a vote on an increase of mileage from 35 cents per mile to 40 cents per mile. The Committee was unanimous in its vote recommending that Imperial Potentate Fred R. Morrison be requested to submit an amendment to Section 205.1(a), Article 5 of the By-Laws of the Iowa Corporation increasing the mileage rate from 35 cents per mile one way to 40 cents per mile one way. The request by the Committee is under the authority of Section 101.5, Article 1 of the By-Laws of the Iowa Corporation.

IMPERIAL SIR ANTHONY: Mr. Chairman, I would move that this report be received and adopted.

...The motion was severally seconded...

IMPERIAL SIR WECK: Will the Chairman please advise whether or not this is effective with this Convention or next year?

IMPERIAL SIR ANTHONY: It was the consensus of the Committee, Mr. Chairman, that it be effective this year—immediately. However, I am sure you all understand it will be impossible for it to be included in your checks for this Session because they already have been made up. However, the Office could send additional checks out to the individual Temples by mail.

IMPERIAL POTENTATE MORRISON: This would then be included in your motion—that it be effective for this Convention?

IMPERIAL SIR ANTHONY: Yes.

IMPERIAL SIR WECK: Does everybody understand what they are voting on?

You are just voting on his report. All those in favor will say aye; opposed. It is unanimously carried.

Now we will have to have a report from the Finance and Accounts Committee.

NOBLE TURLEY: First of all, Mr. Chairman, a report is also due from the Jurisprudence and Laws Committee.

IMPERIAL SIR WECK: We will then next hear from the Jurisprudence and Laws Committee.

NOBLE CORSONES: [Reading]

To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws a proposal submitted by Imperial Potentate Fred R. IMPERIAL SIR WECK: Now we will have the report from the Finance and Accounts Committee.

NOBLE HENNING: Imperial Sir, Imperial Sirs and Fellow Representatives: This report concerns the proposal of increasing the mileage allowance from 35 cents to 40 cents. Its approval would increase the mileage and per diem budget for 1979 by approximately \$33,000. This would leave a proposed budgeted surplus for 1979 of \$58,000.

For 1978 it would increase the deficit to approximately \$483,000, however,

we have a fund balance of \$4,600,000 and there is sufficient money to pay this increase. (Laughter)

This report is respectfully submitted by your Finance and Accounts Committee and, Imperial Sir, I would move you that the report be received.

... The motion was severally seconded...

IMPERIAL SIR WECK: All those in favor of receiving this report indicate by saying aye; opposed?

It is unanimously carried.

I will now recognize the Imperial Potentate.

IMPERIAL POTENTATE MORRISON: Mr. Chairman, I would like to make a motion that the proposed amendment be adopted for this Session. Is that a proper motion, Mr. Chairman of the Jurisprudence and Laws Committee?

NOBLE TURLEY: Effective for this Session?

IMPERIAL POTENTATE MORRISON: Effective for this Session, yes.

... The motion was severally seconded...

IMPERIAL SIR WECK: You have before you the motion and the second to approve this amendment effective for the second. Is there discussion?

If not, all in favor will say aye; opposed? I will declare it to be unanimously carried.

... At this point, the gavel was returned to the Imperial Potentate...

IMPERIAL POTENTATE MORRISON: Now, let us go to Item No. 4, page 12, having to do with Temple membership.

I will call on Noble Hessey of the Jurisprudence and Laws Committee at this time.

NOBLE HESSEY: [Reading]

To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws by Tom Manning, Potentate and Representative of Al Kader Temple, a proposal to amend § 323.8 of Article 23 of the By-Laws of the Iowa Corporation, so that said section will read as follows:

“§ 323.8 RETENTION OF MEMBERSHIP.

(a) In order to retain membership in a Temple, a Noble must maintain the requirements of § 323.3(a), except as otherwise provided in this section.

(b) If a Noble holds membership in both prerequisite bodies, his membership in the Temple is not affected by the loss of his membership in one prerequisite body.

(c) If a Noble holds membership in only one of the prerequisite bodies and loses that membership for non-payment of dues, he loses his membership in his Temple until restored to good standing by that prerequisite body, whereupon, he is restored to good standing in his Temple without vote of the Temple. He may not be charged with dues to the Temple while deprived of membership.

(d) The acquisition of membership in the other prerequisite body subsequent to his loss of membership in his Temple does not restore him to good standing in the Temple, but he may be restored by ballot pursuant to § 323.5.

(e) If a Noble loses his membership in a prerequisite body for any reason other than nonpayment of dues either to that prerequisite body or its prerequisite body, he thereby loses his membership in his Temple until restored in good standing by that prerequisite body, unless within 30 days after the loss of his membership in the prerequisite body he shall file with the Recorder of his Temple a written request for a trial by the Temple. If such request be filed, the Recorder shall forthwith sign a complaint against such Noble based upon the same charges as those for which his membership in the prerequisite body was lost and he shall be subject to the disciplinary procedures of Article 30. During the pendency of the proceedings under Article 30, such Noble may retain his membership in the Temple unless he is otherwise disciplined in accordance with Shrine law; and, if he is acquitted by the Temple, he may retain his membership in the Temple notwithstanding his loss of membership in the prerequisite body.

(f) A Temple must honor an official written notice from a prerequisite Masonic body concerning the loss of membership in that body by a member of the Temple.

(g) The demit by a Noble from the only prerequisite body in which he holds membership shall be treated the same as suspension for nonpayment of dues unless he applies for affiliation or reaffiliation, as the case may be, within 60 days after issuance of the demit."

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

IMPERIAL POTENTATE MORRISON: I will next recognize the proposer of the legislation, Noble Tom Manning, Potentate of Al Kader Temple.

NOBLE MANNING: [Potentate, Al Kader Temple]

Imperial Sir, Imperial Sirs and Fellow Representatives, I would move for the adoption of this legislation.

... The motion was severally seconded. . .

IMPERIAL POTENTATE MORRISON: It has been moved and seconded that the legislation be adopted. Is there discussion?

Please proceed, Noble Manning.

NOBLE MANNING: Imperial Sir, Imperial Sirs and Representatives: We are submitting this legislation to create a uniform Code of Action for all Temples in North America. In no way does it delete, alter or change any of the existing rules or regulations.

It does, however, add the right for a Noble to request a trial in the Shrine if he so desires.

No group of Nobles selected to try a fellow Noble is going to sanction un-Masonic conduct. I cannot conceive that the Imperial Sir would allow any Temple, if this legislation is adopted, or any group of Nobles to get away with any un-Masonic conduct, nor can I conceive that any Potentate or any elected Divan member doing likewise.

However, if such conduct is of a nature which is sanctioned by the vast majority of Lodges and Temples throughout North America and found un-Masonic by a relatively few Grand Lodges, then this legislation would apply.

Now, I would like to give you a few examples.

For example, virtually every Temple in North America holds a circus. You use television to advertise, newspapers to advertise, store fronts to advertise, Temple publications to advertise—all of these to advertise your circus in one way or another.

In one state, to do this, is declared unMasonic conduct and, on that basis, that particular Noble or group of Nobles are subject to severe disciplinary action or loss of their Blue Lodge card.

The two great states of North Carolina and South Carolina hold an all star high school football game involving graduate seniors and they raise a fantastic sum of money, which you are going to learn about a little later on today.

One of the ways in which they do this is that they have a program of some 500 pages-plus. It is filled with advertising and yet, in another state, this is declared un-Masonic conduct.

I am sure that the Nobles of these two fine states of North Carolina and

South Carolina do not consider themselves un-Masonic. To the contrary, I think they are proud of their Masonic heritage.

At a recent meeting in a neighboring state I was shocked to learn that the meeting honoring our present Imperial Sir had to take place in an air flight hangar because the Grand Master of that state decreed that no meeting could take place in any building that had a bar, regardless of the location of this bar. To honor our Imperial Sir, under these conditions, in a first-class hotel, would be declared un-Masonic conduct.

Now, there is not a delegate in this room, there is not a Shriner in North America that would treat his Grand Master or any other Grand Master in this shoddy fashion.

Would you call this un-Masonic conduct?

I think not. This is one more reason, Nobles,¹ why we need a uniform code of appeal.

What I am saying is that we are Shriners, with a most profound respect for our Masonic heritage and I would like to think that we are capable of conducting ourselves in a Masonic manner and in no way can I conceive of any Shriner abusing his right to an appeal or any group of Shriners sitting in on a trial condoning any truly un-Masonic action.

We need uniform rules to govern ourselves. What is right in Florida should also be right in California, Texas or any other area in North America.

Fellow delegates, I urge your support for this legislation. (Applause)

NOBLE RICHARD HABERLEIN [Potentate, Al Bahr Temple]: Imperial Sir, Imperial Sirs and fellow Representatives: I would urge your support in favor of Item No. 4.

I come from California and I have before me a letter from my Grand Lodge and this is dated March 24th. It was mailed to the seven Potentates in California with regard to commercialism and Shrine circuses.

One of our Temples published this and I would like to read it to you.

It says "this year we are going out into the community for support. We would like to ask each Noble to sell a book of tickets to a friend, neighbor or business associate".

Our Grand Master interpreted this as commercialism and said "no public support may be solicited for such events".

Now, how can we run a circus if we cannot go to the public?

That is why I am saying we should support Item No. 4.

There is another story and this happened in the Southeast, where a Noble married a lady who owned a bar. The Grand Master took the man's Blue Lodge card and consequently he lost his membership in his Shrine Temple. He was a very active worker.

Well, they eventually got him reinstated back into the good graces of his Lodge when the new Grand Master came in. However, he subsequently lost his membership again and he said "to heck with it".

Also, there is a state in the Mid-Atlantic that is not allowed to have a Past Master's Club. In California, our Past Master's Club is one of the largest clubs we have in our Temple. It is a direct line back to the Blue Lodge, where the Past Masters, who are Shriners, go into the Lodge and put on a visitation and degree work.

Now, why cannot they have it in relation to that particular state when we are allowed to have it?

I think it is about time that the tail quit wagging the dog and the dog wag the tail.

Nobles, I ask for your support in relation to Item No. 4.

Please vote "yes". (Applause)

NOBLE G. WARREN AVERILL [Potentate, Nile Temple]: Imperial Sir, Imperial Sirs and fellow Representatives: I rise to speak to this matter because it is particularly timely insofar as my Temple is concerned and because I have become increasingly concerned during the last few years over the fact that a number of Temples who

are not likewise affected do not understand or are unaware of the problems existing for the Shrine in other states.

I am proud to be a Shriner, as I know you are. I am also proud to be a Mason, as I know you are.

I have the greatest respect for my Grand Master and for my Grand Lodge and I would never willingly or knowingly conduct myself in a manner which I would consider a breach of Shrine Law or of un-Masonic conduct.

However, therein lies a problem of growing concern for thousands of Shriners in many areas of North America.

It is difficult, very difficult to legislate morals and Codes of Conduct but we do have a great deal of such legislation. We have it from governmental bodies at all levels. We have it throughout our Fraternal organizations, including the Shrine, where they are promulgated by the Imperial Potentate and/or the Imperial Council.

However, my fellow Nobles, all such codes, edicts and laws are uniform. The First, Fifth and Fourteenth Amendments help it keep so nationally. Also, in the Shrine, all codes set forth by the Imperial apply uniformly to every Shriner in the world.

Unfortunately, my fellow Nobles, such is not the case among our Symbolic Lodges, particularly with respect to charges of un-Masonic conduct.

Each Grand Lodge is an island unto itself. Each Grand Master and his Grand Lodge have total independence and autonomy over Masonry within the areas under their jurisdiction.

Many of us are appalled at the inconsistencies in interpretation of un-Masonic conduct between Grand Masters and Grand Lodges among the states and provinces.

Some of these inconsistencies might be considered humorous were it not for their horrendous effect upon a very large number of our Shrine Temples.

Actions which are perfectly permissible in one state will bring immediate charges of un-Masonic conduct in another state.

Temples in one state can conduct bingo, raffles and Reno nights if done in conformity with Shrine and state laws. In others, a Temple cannot, by Grand Master rulings, even encourage the sale of circus tickets in their own publication.

The list of unbelievable inconsistencies is endless and many of our Temples sit like coveys of quail, never knowing when a Grand Master will take pot shots at them.

Every Potentate present would be interested to know that as Potentate of my Temple, I am now standing on the brink of a precipice in terms of pending action in my own Temple.

Twelve years ago, a Grand Master ordered our Potentate to cease a Temple action which we had followed for many years, which is done as a matter of course in a majority of your Temples, and which is done regularly by every other large Fraternal organization in my own state. Our Potentate declined to challenge the decision and yielded. Our Temple has tried, ever since, to get the ruling rescinded but to no avail.

Our newly elected Grand Master is a good Shriner of 26 years from another Temple in our State. We are good friends. He understands the problem but feels bound by previous rulings.

I have explained to him that we feel it necessary to resolve this problem—that if we cannot resolve it in other ways, it may be necessary for me to take the action needed, face a trial for un-Masonic conduct if need be and, if found guilty, to take the matter into state court, ask for an injunction and seek a Declaratory Judgment to determine whether the Grand Master and Grand Lodge have jurisdiction over concordant bodies above the Third Degree. He has asked me to wait until he meets with the Deputy Grand Master on August 5th. I am not an attorney by profession and would not proceed with such action without the concurrence of my Divan and Board of Trustees and without consulting our Imperial Headquarters.

If some interpretations of un-Masonic conduct by a Grand Master are right, and since other interpretations are diametrically opposed, it necessarily follows that some are wrong—but Shriners are bound by all of them.

I believe a good Shriner should be entitled to a trial by his peers in a Shrine trial.

If you vote "yes" on this motion, you will make this possible for the first time.

It will be a wonderful boon to each of our Temples and to Shriners everywhere.

Thank you very much. (Applause)

...At this point, a "point of order" was called for, it being indicated that the Imperial Potentate should entertain alternate pro and con discussion on the proposed amendment...

IMPERIAL POTENTATE MORRISON: With regard to your point of order, let me say that I asked that anyone who wanted to speak could come up here and talk. The matter of pro and con really does not make any difference to me. I don't care how you want to vote. Just line up over here, please.

As I say, I really don't know who is for or against but if you will just line up here, you can talk all you want.

Further, I have tried to caution all of these Nobles that I do not want to take too much time because I do want to break this meeting as early as possible.

With that, I will next recognize Noble Campbell.

NOBLE T. F. CAMPBELL: [Potentate, Tehran Temple] Imperial Sir, Illustrious Sirs and fellow Representatives: I won't take too much time because I think most of the points have already been made.

I support Item No. 4 in the Call. I don't think I am less a Mason or less Masonic by asking for support of Item No. 4 in the Call.

I have heard instances today that I really did not know much about. We in California, however, have problems enough. I don't pretend to know all of the rules concerning all of the Grand Lodges and Grand Masters throughout the United States but I know that I am on the mailing list of most of the Temples and receive most of the Temple publications.

I know, for example, that the Temple publications that have tasteful advertising of a commercial nature are not less Masonic, in my opinion, than those in California, where that is prohibited.

I do know that the football programs that I read coming from other jurisdictions, which contain advertising to support the costs of publication, are not less Masonic than those in California.

I do have an opinion about whether or not a Shrine Temple or a Masonic Order should be permitted to maintain a Mosque or Cathedral. I know, for example, that in other jurisdictions these are fine attributes, assets to the Masonic Order. Right here in Detroit, for example, I have seen a Masonic facility, a Cathedral, where all of the Masonic bodies meet. Libation is permitted. It is not un-Masonic here and I don't believe that any Mason, any Shriner, would consider himself un-Masonic to participate in that kind of activity within his own Temple, his own Mosque or Cathedral and yet, in California, it is illegal and un-Masonic because if any Potentate there permits this type of activity, he is guilty of un-Masonic conduct. Yes, it is in California where, for example, you cannot have a meeting in a hotel, a stated meeting in a hotel, if there happens to be a bar in another portion of the building not even connected with the meeting room.

For example, this room right here would not be a permissible meeting place in California for a stated meeting because there is a bar elsewhere in this hotel.

Well, I prefer to work within the system also and for all of the years that I have been coming up the line in the Shrine, I have heard talk about how we are going to change things in the Grand Lodge but it never happens.

To no avail, the same rules and regulations and oppressive activities on the part of our Grand Lodge prevail.

I think we are due for some timely relief.

I think the Masonic pool from which our Nobles will be coming is drying up.

I have heard a lot of biased and self-righteous conversation at this Convention about this item. To those who do not have to endure the oppression concerning such rules

and regulations, I would only ask you to walk a Masonic mile in a California Shriner's shoes.

Thank you very much. (Applause)

NOBLE RUDOLPH YUHAS [Potentate, Al Malaikah Temple]: I fully support this item and, Imperial Sir, I would like to call for the question on the motion.

...The motion was severally seconded...

IMPERIAL POTENTATE MORRISON: Nobles, hold everything. We are not going to vote on the motion but we will vote on the call for the question.

Gentlemen, there is a motion on the floor, and this is not to pass this, it is just to vote on the question so that we can get on with the vote.

All in favor of the question on the vote will say aye; opposed? I declare it passed by a Constitutional majority.

We will now vote on the matter before us.

...At this point several comments were made by people who had not yet been afforded the privilege of speaking in the negative...

IMPERIAL POTENTATE MORRISON: I am very sorry that some of you did not get the opportunity to speak before the question was called for.

You can vote the motion down, however, Sir.

Now, all in favor of the motion please say aye; opposed? It is not the necessary two-thirds majority and so the motion is defeated.

Does that satisfy you fellows?

...Cries of "yes"...

...Cries of "ballots, ballots"...

IMPERIAL POTENTATE MORRISON: Do you want to make a motion for a written ballot?

...Cries of "yes, yes"...

IMPERIAL POTENTATE MORRISON: Well, I will tell you at this time that we are then going to have a written ballot. We will take the vote over on a written ballot.

First of all, all in favor of a ballot will please say aye; opposed? We will use the ballot and we will use ballot No. 6, I believe it is.

...At this point, again, several Representatives expressed the desire to speak on the negative side...

IMPERIAL POTENTATE MORRISON: Again, I cannot help that you did not get to speak before.

Now, we will vote by ballot, using ballot No. 6.

You will vote either for or against, either "yes" or "no".

A "yes" vote will be in favor of the amendment and a "no" vote will be against it.

Again, for clarification, you are voting on the proposition as it has been put before you.

...Whereupon, balloting and collection of ballots ensued...

IMPERIAL POTENTATE MORRISON: Now, has everybody voted? If so, I declare the ballot closed. (gavel)

Now, while we are waiting here, we will proceed with other business.

...Business was conducted in the Colorado Corporation at this time...

NOBLE W. C. VAUGHAN [Kazim Temple]: Imperial Sir, Imperial Sirs and fellow Representatives: My name is William C. Vaughan and I am a Past Potentate of Kazim Temple, a Past Grand Master of Masons from the great State of Virginia and I am proud to be a Shriner.

I am also proud to be a Mason, and I stood here and saw this last item, not intentionally, but handled most undemocratically, and, I would say, even un-Masonically.

Nevertheless, this happens.

I am active in my church, have been going to the General Conference of the

Methodist Church for some thirty years and, you know, somehow we Christians, those professing Christianity, can sometimes be un-Christian when we get involved with legislative bodies.

I don't know why but we do.

I do want to also say this and that is however the vote comes out (and I personally hope it will be defeated) but for the good of Shrinedom and Masonry, let us go home and, as Masons, get off of our duffs.

You know, the greatest need of Masonry, the greatest need of everything worthwhile in our country today is leadership—dedicated, unquestionable leadership in every organization and our Blue Lodges need you fellows that are here raising hell to be back in your Blue Lodges being a leader there, showing Masons how to live and how to act and be good Masons and also good Shriners.

This is what we need, my brethren. Therefore, again, however this comes out, let us go home together as a team and as a group of the greatest organization in the world, dedicated to taking good men and inspiring them to be better for, if we do not do that, you will have wrecked the whole thing.

You know, my sons and my daughters maybe sometime did not agree with what I as a father said but, God, no judge or anybody else, as long as I was going to be reasonable, would say I did not have the right to try to tell them what is right.

Go home and get close to these Grand Masters. Work with them and get them to listen to reason. That is what is needed.

Again, my friends, whichever way the vote comes out, we are all Masons. Let us be proud, first, that we are Masons, proud that we are Shriners. Thank you. (Applause)

IMPERIAL POTENTATE MORRISON: Thank you, Bill.

As a lot of you Illustrious Potentates know, as I have gone around the country representing the Shrine my statements have been the same as what Bill just indicated.

I have talked Masonry, I have talked the Scottish and York Rites. As a matter of fact, I have only actually been snubbed as Imperial Potentate at one location and that is all—where, for example, I was told that they did not run their Shrine organization under Shrine Law—it was run under Masonic Law and I was almost told, for example, that if I did not like it, I could walk out, get on the first airplane out of town and leave. However, I acquiesced, although that decision was wrong. I am not going to tell you where that was because those involved know where it was. However, I did act like a gentleman under the circumstances.

Now, I suppose I should have had more conversation here on the “con” part of all of this but I actually did not pay that much attention to those Fezes. All I was doing was asking these fellows, as they approached the microphone, to keep their comments to a low point in time, not to spend too much time making comments.

I think there was a lot of work put into this by these Nobles. For example, in the State of Michigan, where you presently are, we have a very, very good relationship with our Masonic Lodge and our other Masonic bodies.

I want you to know that. However, as you heard from the comments, there are other states wherein this does not exist.

Again, I did not mean to cut off any debate but then we could have been here for another hour and, in relation to your vote, even if somebody would have gotten up to table the motion or talked against it, it would not have meant a darn thing insofar as I am concerned.

The best thing, in my opinion, was to make use of that ballot and that ballot book and let you fellows decide in that manner.

I know that some of you are a little upset in relation to the manner I have handled this and, if you are, I am sorry, but, again, I was doing this in the interest of time and, as it turned out, you have had an opportunity to use your ballot and the ultimate decision will be of you assembled Representatives marking your individual ballots regarding this question.

Incidentally, I also want you to know that I still have my ballot—I did not vote it for that reason. (Applause)

...Business was conducted in the Colorado Corporation at this time...

IMPERIAL POTENTATE MORRISON: I believe that we are ready with the report from the Tellers.

NOBLE JOE HOWELL: Imperial Sir and Representatives: It is a pleasure to give you the results in relation to Ballot No. 6.

There were a possible 794 votes. 692 actually voted. There was one spoiled ballot. Necessary for choice was 461.

The vote was distributed as follows:

"yes", 527; "no", 164.

...Cheers and applause ensued...

IMPERIAL POTENTATE MORRISON: I will declare the ballot as passed by the necessary majority. (Applause)

Now, gentlemen, in the interest of time, I will call on Imperial Sir George M. Saunders, Imperial Recorder, for his report.

IMPERIAL SIR SAUNDERS: Imperial Potentate, Imperial Sirs and Representatives: The report for the year of Imperial Recorder, Corporate Secretary of the Iowa Corporation and Secretary of the Colorado and appendant corporations to Shriners Hospitals for Crippled Children, is printed in the Book of Reports, along with the report of the Imperial Auditor and the Imperial Treasurer.

You have each been mailed a copy of these books and I would move, therefore, that the report of the Imperial Recorder be adopted.

...The motion was severally seconded, was voted upon and declared to be unanimously carried...

IMPERIAL POTENTATE MORRISON: We will next have the report of the Time and Place Committee and at this time I would like to call on your Imperial Potentate Elect, Warren F. Weck.

IMPERIAL SIR WECK: Imperial Sir, Imperial Sirs and Fellow Representatives: I would just like to speak briefly in relation to time and place and then I am going to turn it over to other members of the Committee to present the report.

As you know, we will be meeting in Minneapolis next year, in 1979, and we welcome all of you there.

Our Committee has had an office here in Detroit. If you did not have an opportunity to meet with them and would like to have rooms for your units, please communicate with our Director General, Rollin Chapple, Past Potentate of Zuhrah Temple. All you have to do is address him at the Temple and we will make the arrangements so that you can meet with our Housing Committee.

We welcome you to Minneapolis in 1979.

Somebody has asked as to the dates. Well, I don't know exactly, but it is one day off of this year. It is the 9th to the 14th—one day different from this year. It is the week following the fourth of July and we will meet from Tuesday through Friday.

Just to give you an idea, we are going to have our Recorders' Banquet on Monday; on Tuesday the Jesters will have their banquet; we will have the parade on Tuesday morning, a parade on Thursday night and then we will terminate on Friday.

The Public Opening Ceremonies will be in the afternoon and the Business Opening will be on Tuesday.

IMPERIAL POTENTATE MORRISON: Thank you very much.

IMPERIAL SIR WECK: I would like to call on Charles Claypool to report regarding his Convention.

IMPERIAL SIR CLAYPOOL: Nobles, the Great City of Cleveland, Ohio will be the Host Convention City in 1980. The businessmen of Cleveland are pooling their money and are going to give a check to the Shriners Hospitals for \$350,000 in order to get the Shrine Convention.

We have a nice city there to hold it in and I would like to introduce my Director General. However, before I introduce him, I move that you approve Cleveland for the 1980 Convention.

IMPERIAL POTENTATE MORRISON: You have heard the motion. Is there a second? ...The motion was severally seconded and, there being no discussion, was voted upon and declared to be unanimously carried. ...

NOBLE CLAYPOOL: The date will be July 7—four days starting on Monday and the regular session will start on Tuesday.

At this time it gives me great pleasure to present to you Bob Boylan, the Director General for this Convention in 1980.

NOBLE ROBERT BOYLAN: I know time is short but I would ask my Housing Chairman for 1980, if he is here, to stand. He is in the back of the room and he will be up at the Executive Secretary's Office if you want to talk to him today.

Also, we will have a suite in Minneapolis to talk to you for the following year. Some of you have been with us already and we look forward to having you. We are mighty proud to have you and will show you a great time.

Thank you very much. (Applause)

IMPERIAL SIR WECK: Now, Nobles, I would like to call on Dr. H'Doubler.

IMPERIAL SIR H'DOUBLER: Thank you, Warren.

Imperial Sir, Imperial Sirs and Fellow Representatives: I would like to call upon the Illustrious Potentate of Jerusalem Temple, John J. Avery, Sr.

NOBLE AVERY: Thank you, Illustrious Sir.

Illustrious Sirs and Fellow Representatives and Nobles All: My name is John J. Avery, Potentate of Jerusalem Temple.

In behalf of the Divan and entire Nobility of Jerusalem Temple and the City of New Orleans, I would like to extend an invitation to you to have your 1981 Imperial Council Session at New Orleans, Home of the Mardi Gras.

Our Temple has promised 100 percent cooperation and we would like to see you come to New Orleans—a City where you can have fun—from July 12th to July 16th being the dates.

IMPERIAL SIR H'DOUBLER: Imperial Sirs and Fellow Representatives: I would recommend that we accept this very generous invitation—as a matter of fact, I would move for its acceptance.

...The motion was severally seconded, voted upon and was declared to be unanimously carried. ...

IMPERIAL SIR WECK: I would next like to recognize Randy Thomas.

IMPERIAL SIR THOMAS: Imperial Sir, Imperial Sirs, Illustrious Sirs and fellow Representatives: It is indeed a happy occasion for me to say to you that Bahia Temple of the Shrine of North America, in the City of Orlando, has tendered to the Imperial Council an invitation to hold the Imperial Council Session in its jurisdiction in 1982.

We have met there with DisneyWorld and they have offered us some 1400 rooms.

Also, as to the time we are thinking about now, and I have a little bit different of an idea, it is the third week of June for an Imperial Council Session.

I would now like to recognize Mel Duncan, the Director General and the Potentate of Bahia Temple.

Before doing so, let me say that we in Central Florida would like to welcome you and have you come to Orlando.

We have an excess of 30,000 rooms in the Central Florida area, all within 30 minutes of DisneyWorld. We have already committed 15,000 rooms to this Convention and so we will have plenty of adequate, first-class housing.

We would like you to come to Central Florida.

Now, I would like to present to you the Potentate of Bahia Temple, Mel Duncan.

NOBLE DUNCAN [Potentate, Bahia Temple]: Thank you, Imperial Sir.

Imperial Sir, Imperial Sirs and Fellow Representatives: I, too, want to echo what our Imperial Sir Randy has just said. We want to host you in Orlando and in the jurisdiction of Bahia Temple and we are now getting our feet wet insofar as an Imperial Session is concerned and looking forward to hosting you and putting

on a terrific Imperial Session for what we hope to be our Imperial Sir Randolph Thomas.

IMPERIAL SIR THOMAS: Thank you very much.

I would now move that we accept the invitation of Bahia Temple.

...The motion was severally seconded, was voted upon and declared to be carried...

IMPERIAL SIR WECK: I will now recognize Dr. Dan Bowers.

IMPERIAL SIR BOWERS: Imperial Sir, Imperial Sirs and Fellow Representatives: I want to present to you at this time the Potentate of El Jebel Temple, Clyde Cantrell.

NOBLE CLYDE CANTRELL: [Potentate, El Jebel Temple]:

Imperial Sir, Imperial Sirs and Imperial Representatives: In 1960, Denver hosted the Imperial Session. Our people enjoyed the Shriners and I believe they likewise enjoyed Denver.

We are in better shape to serve you this time. We have a number of new hotels. We can house you in first-class accommodations. We also have a good Convention Center.

On behalf of my Temple, its Nobles and the citizens of Colorado, we invite you to Denver in 1983. We hope you come and enjoy our mountains and our people and have a good time. We will give you the dates later.

Thank you.

IMPERIAL SIR BOWERS: It is a pleasure for me to recommend to you and move that we accept the invitation of El Jebel Temple for Denver, Colorado for the 4th of July Week in 1983. I move, Sir, this date be approved.

...The motion was severally seconded, was voted upon and declared to be unanimously carried...

IMPERIAL SIR WECK: This completes the report of the Committee and I just want you to see how well it works when we have all of the Imperial Officers on the Committee.

Thank you very much.

IMPERIAL POTENTATE MORRISON: I believe that covers all of this item.

I will now call on Bob Vetter to give the Report of the Finance and Accounts Committee.

...At this point, Noble Robert Vetter presented the report as contained on the following pages concerning the report for the year 1977, the report of the revised budget for the year 1978 and a tentative budget for the year 1979 all items of which, in accordance with the recommendation of the Committee, were, by official motion, unanimously adopted...

Imperial Sir, I move that the Tentative Budget for the Year 1979 be approved and adopted, as submitted, so as to provide for the incoming Imperial Potentate.

The three above reports are respectfully submitted,

FINANCE AND ACCOUNTS COMMITTEE

B. W. Vetter, Chairman
 Webber C. Harrington
 Mervin D. Henning
 George W. Powell
 Charles Emmett
 Martin G. Browne
 Robert G. Evans

... Business was conducted in the Colorado Corporation at this time...

IMPERIAL POTENTATE MORRISON: At this time I will call upon Imperial Sir Weck and ask him to give us a list of his Committee appointments.

IMPERIAL SIR WECK: Nobles and Representatives, at this time I would merely like to announce the appointments to the Committees as required by our By-Laws. I wish to have you know that I have been giving a great deal of thought to these Committees. These appointments, for example, are not just something that happen. I have been giving serious consideration to all of them.

Now, all of the other Committees that I do not mention, the appointments to these Committees will be published in the subsequent General Orders but today I would merely like to mention these so-called Standing Committee appointments.

... Whereupon, Imperial Sir Weck announced the Chairmen and Committee Members pertaining to the various Standing Committees, with these, and the subsequent Committee appointments not announced, to be published in subsequent General Orders to the Nobility. . .

IMPERIAL POTENTATE MORRISON: Thank you, Warren.

... Business was transacted in the Colorado Corporation at this time. . .

IMPERIAL POTENTATE MORRISON: I will now call on Dr. Anthony for the report on Mileage and Per Diem.

IMPERIAL SIR ANTHONY: Imperial Sir, Imperial Sirs and Representatives: I would merely like to say that we certainly owe a great debt of gratitude to our Imperial Potentate for bringing all of this out on the floor.

Actually, and I don't think many of you know this, but in order for you to have gotten an increase this Session, this was the only way it could be done and this was through the auspices of our Imperial Potentate letting us do this. Of course, we could have gone through the Jurisprudence and Laws Committee but, on the other hand, that would have taken a lot of time and I am sure that perhaps maybe they would not have let us bring it up. Therefore, we are very fortunate in having an Imperial Potentate such as we have had during this past year.

Now, I am sure that the next question that is in your mind is as to how soon you will be able to get your check?

Well, I have consulted with our Imperial Treasurer and he said that he will do his utmost to get it into your hands within the next two to three weeks. Thank you very much. (Applause)

Imperial Sir, I would move the acceptance of the report as given.

... The motion was severally seconded, was voted upon and declared to be unanimously carried. . .

... Business was conducted in the Colorado Corporation...

IMPERIAL SIR SAUNDERS: Imperial Sir and Representatives, I would move that all the acts and transactions of the Imperial Officers, Board of Directors and others for the Iowa Corporation for the past year and those at this Session be ratified and approved.

... The motion was severally seconded, was voted upon and declared to be carried...

IMPERIAL POTENTATE MORRISON: Nobles, I will now call on the Director General.

DIRECTOR GENERAL MORRISON: Imperial Sir, Imperial Sirs and Fellow Representatives: I would like to present a short report to be placed in the record of this 104th Imperial Council Session which will reflect the support given to the Shriners by our community leaders.

This report has been signed proclaiming July 9-14, 1978 as Shrine Week in the State of Michigan.

It has been signed by 33 City Councils and Mayors and we are very proud to present this to you, Imperial Sir.

... Presentation and applause ensued...

IMPERIAL POTENTATE MORRISON: Thank you, Sir.

And now, Imperial Sirs, for a presentation on behalf of Shriners Hospitals for Crippled and Burned Children, I would like to present to you the General Manager of the Detroit Plaza Hotel, Mr. Jim Durham.

MR. JAMES DURHAM: Good morning, gentlemen.

You know, early in the on-going negotiations with Imperial Sir Fred Morrison, Sr., we found he was a shrewd individual at best. For example, upon his suggestion, we agreed that all of the coins that ended up in the reflection pool downstairs would go to Shriners Hospitals and the Shriners Hospital Fund. I am therefore

happy to present to you this morning, Mr. Morrison, a check in the amount of \$438, with all due credit to you.

...Presentation of check and applause ensued...

IMPERIAL POTENTATE MORRISON: Thank you, Jim, and on behalf of this great group of Nobles, Representatives and Shriners, I want to thank you and each individual member of your staff for the great work they have done and for the accomplishments and courtesies they have given all of us.

Your hotel staff has been terrific, you have been wonderful, you have lived up to everything you promised us and I could not ask for anything more.

Thank you very, very much. (Applause)

MR. DURHAM: Also, we would like to present this plaque to Mr. Fred Morrison, Jr., which recognizes the National Shriners Convention.

It is dated July 19, 1978.

...Presentation of plaque and applause ensued...

IMPERIAL POTENTATE MORRISON: I believe that our Imperial Recorder, George Saunders, at this time desires to say a few words.

IMPERIAL SIR GEORGE SAUNDERS: Imperial Sir, I am privileged to speak for the Representatives of this Imperial Council and in their names present you with this official Past Imperial Potentate's Jewel. This is a beautiful jewel, fashioned by Noble craftsmen from pure gold, diamonds and other precious stones—presented to you by the Nobility of our Order in recognition of your year of service as our leader for the past year and in appreciation of your devotion to our cause.

It is made of purest gold, symbolic of the true value of Masonic and Shrine Brotherhood; diamonds and precious stones, in recognition of individual character and the Fraternal and charitable effort you have expended throughout your year of leadership.

You have served beyond the call of duty and carried the message of the Shrine work to all parts of the jurisdiction in a most impressive manner. Your year of service as our leader will long be remembered.

Our sincere wish for you now is that you enjoy a much deserved rest as you return to the ranks as one of our noted leaders. You are welcomed into their sacred numbers.

It is, Imperial Sir, a pleasure for me to pin this Past Imperial Potentate's Jewel on your coat.

...Presentation of Past Imperial Potentate's Jewel to Imperial Sir Fred Morrison, Sr., and rising applause ensued...

IMPERIAL POTENTATE MORRISON: Thank you very much, George.

At this time I would like to call upon the Imperial Chaplain, Dr. William Mercer.

I would like at this time, Dr. Mercer, to pin on you the badge of your office. You are also a "past" just like I am.

Will you please step forward.

You know, when I go, you go and I could not do it with a better fellow.

At this time I would like to pin upon you your Past Imperial Chaplain's Jewel.

...Presentation of Jewel to Dr. Mercer and applause ensued...

REVEREND MERCER: You know, Imperial Sir, I still have some 30 prayers left and in this last few moments I am tempted to give them all to you. (Applause)

IMPERIAL POTENTATE MORRISON: Nobles, as my departing remarks to you here this morning, I would like to say to those of you still remaining, that every Temple visited by me, I was treated with the utmost respect and I want to thank each and every one of you Potentates and your Divans and your Temples for all the courtesies extended to me—even insofar as the one or two instances that did not appear proper are concerned. They still treated me like I was never treated ever before.

I want to thank each of you for the honor and the privileges that you gave me.

Likewise, I also want to thank my Imperial Marshal from that great Al Malaikah Temple in Los Angeles, Walker Kisselburgh for the tremendous job he has done for the Shrine of North America during this past year.

You know, he does an awful lot behind the scenes that you do not know about and, again, Walker, my grateful appreciation and thanks to you for everything you have done for me during this past year. (Applause)

Now, what is next, Bob?

You know, I have been asking you that same question for the past four or five days—what is next? Have I covered everything?

NOBLE TURLEY: Everything on our desk, Imperial Sir, is gone and I think everything on your desk is gone except the installation of the new officers.

IMPERIAL POTENTATE MORRISON: I do want to thank the Chairman of our Jurisprudence and Laws Committee, Bob Turley, as well as all of the members of his Committee for the fine job they have performed during this Convention.

Now, some of you may or may not know it, but his Committee has been working until midnight and sometimes to four o'clock in the morning getting all of these proposals properly prepared. Therefore, let us give him and his committee a rousing round of applause.

... Rising applause ensued. . .

Now, at this time, for the purpose of installing the new officers, I will call on Past Imperial Potentate, O. Carlyle Brock.

PAST IMPERIAL POTENTATE BROCK: Nobles, if you will give me your attention for just a few short moments, we will try to expedite this.

First of all, I am going to ask Past Imperial Potentate George Klepper to act as the Imperial Marshal.

... At this point, a brief pause ensued as the Imperial officers assembled in proper order for their installation. . .

PAST IMPERIAL POTENTATE BROCK: Imperial Sirs, will you pronounce your name in full and repeat after me the following obligation.

... The Imperial Sirs repeated their Obligation of Office. . .

PAST IMPERIAL POTENTATE BROCK: And now, Imperial Sir, Warren, will you please step forward.

... Whereupon, the Oath of Office concerning the Office of Imperial Potentate was tendered to Imperial Sir Warren Weck, to each part of which he nodded assent. . .

PAST IMPERIAL POTENTATE BROCK: And now I would like to have the privilege of calling the baby member of the Divan, Imperial Sir McMullan, up here and to welcome him to the Imperial Divan. This is the grandest experience that will happen in your entire lifetime. You will meet brothers and sisters here. You will fight with them and love them as brothers and sisters but it will be a glorious experience.

Ed, you have worked so hard for so many years and you have desired this so badly that I hope you will enjoy it more than anything else in your entire life. Godspeed and God bless you.

And now, I would also like to have the new Imperial Chaplain and the present Imperial Chaplain for 1978 please come forward and have him present the badge of office.

... Presentation of Fez by Dr. Mercer ensued. . .

PAST IMPERIAL POTENTATE BROCK: And now, Fred, I have had to admire, over the years, your guts, courage and dedication to our philanthropy. At this time, Fred, it is my pleasure and honor to welcome you to the ranks of the Past Imperial Potentates and wish for you a long life and happiness to enjoy the fruits of your labors.

Now, I am sure that your son, who has performed so nobly and admirably down through the years, and especially as Director General of this Convention, has a little pleasant duty to perform.

DIRECTOR GENERAL MORRISON: Imperial Sir, Imperial Sirs and Fellow Representatives: Last year I had the opportunity of nominating my father for the office of Imperial Potentate. This year I have the opportunity to present him with his Past Imperial Potentate's Fez.

You know, I am deeply indebted to my father for the many opportunities he has given me to meet these fine people, the finest people in the world, you people.

...Presentation of Past Imperial Potentate's Fez to Past Imperial Potentate Morrison, Sr. by his son ensued...

...Rising applause ensued...

PAST IMPERIAL POTENTATE MORRISON: Thank you.

I also want to commend you on a great job that you have performed as Director General of this Convention, one of the finest Conventions I have ever attended. Thank you again. (Applause)

...At this point, Imperial Sir Warren F. Weck, as the newly installed Potentate was presented with his Imperial Potentate's Fez by the Potentate of Zuhrah Temple ... (Applause)

IMPERIAL POTENTATE WECK: Thank you very much, George.

I am certainly proud of all these fellows from Zuhrah Temple, all who have done so much to make this week a highlight in my life. Thank you, Fellows.

PAST IMPERIAL POTENTATE MORRISON: Warren, it is now with a great deal of pleasure that I present to you your Imperial Potentate's Jewel, the one I have worn all year and kind of hate to give up. (Laughter) However, I cannot find anybody better that will wear it and wear it as well as I have tried to do during the past year.

...Presentation of Imperial Potentate's Jewel to Imperial Sir Weck ensued... (Applause)

IMPERIAL POTENTATE WECK: Let me say, Nobles, that I first met Fred Morrison back in 1968 when we started campaigning for the first time. I believe we were down in Texas. At that time, Fred walked up to me and said "I would like to introduce myself". Well, since that time, we have just been great friends and we have worked hard, fought hard and I want you to know that this is one grand fellow and that it has been a real privilege for me in knowing Fred.

PAST IMPERIAL POTENTATE BROCK: And now, Imperial Sir, the Captains and the Kings depart and it is all going to be yours. The mantle of your illustrious predecessors will now fall upon your shoulders.

Great have been the propositions of the past; the leadership has been out of this world and has brought the Shrine to the highest state of fraternalism the world has ever known and also to the status of one of the world's greatest philanthropies.

You have now been elected and it has been my honor to install you as the Imperial Potentate, the new leader of the Shrine for the coming term. I know you will be a great leader and, certainly, you will carry this great Shrine on to great heights as has been done in the past.

I now present to you the gavel of authority, knowing that you will wield it well and wisely and fairly and honorably.

In conclusion, I say to you, Warren, Godspeed and the best of everything to you.

...Presentation of gavel and applause ensued...

IMPERIAL POTENTATE WECK: Thank you, Carlyle.

I do wish to thank you for this beautiful installation ceremony.

Further, let me say that I am a man of few words, that I am not going to do it alone, that I have all of these other Imperial Officers up here with me and I am sure that with their help, with the help of all of the Representatives and others across the country, we are going to have a good year and that Shrinedom is going to progress.

...At this point, Past Imperial Potentate Klepper proclaimed all of the officers duly and regularly installed...

IMPERIAL POTENTATE WECK: I will now declare this Session closed.

...Whereupon, at 11:20 o'clock a.m., the Session was adjourned...

ANNUAL REPORT OF GEORGE M. SAUNDERS
IMPERIAL RECORDER A.A.O.N.M.S.

January 1, 1977 to December 31, 1977

*Imperial Potentate, Officers and Members of the Imperial Council,
A.A.O.N.M.S.*

GREETINGS:

The following detailed statements of transactions of the General Offices for the fiscal period January 1, 1977, to December 31, 1977, both dates inclusive, are submitted by your Imperial Recorder.

The report of the Imperial Auditor showing complete information on all receipts in the General Offices and all remittances made to the Imperial Treasurer together with the record of payment of all bills, checks for which are prepared in the General Offices, has been submitted and your attention is directed thereto.

The election returns for 1978 of the 181 subordinate Temples reflect that there are Representatives to the Imperial Council for 1978 as follows:

	*Total Number	Total Votes
At Large	13	13
Ad Vitam	17	16
Emeritus	83	67
Elected	716	716
Appointed	1	1
Total		813

*Includes duplications

At the end of our last calendar year, the Temples Annual Reports showed a total of 939,708 Nobles plus 3,108 Associate Members on the active rolls of membership, and Permanent Contribution Member certificates were held by 93,632 Nobles, which relieved them of paying the Annual Shriners Hospitals Assessment.

The net gain in total Shrine membership for the year 1977 was 1,996 Nobles. The membership details reflected in Annual Temple Reports are printed as a part of this report. It will be noted that 83 Temples report a loss in membership, with 98 Temples reporting gains over the previous year, some of which are extremely small.

The Associate Membership total of 3,108 must be added to the total membership figure of 939,708 for the year to make a total overall in all Temples of 942,816 members since Temples profit financially from Associate Memberships.

I want to urge all Temple Officers to give more of their time to working on the many facets of Temple membership. While the Shrine continues to

show some gain in membership each year, it is not as much as it must be to keep ahead as we should. Your greater effort personally will do the job. It is true that many of the other Bodies continue to show a loss each year and that in itself makes the Shrine need to work harder and devote more thought to the membership problem. Give more thought to holding in active membership those now on the rolls. Watch your suspension list very carefully and organize your membership committee to call on all Nobles that are delinquent in payment of dues. In most instances you can collect this item if you work at it. If they really cannot afford to pay, the Temple should remit the dues. As Shriners we must do our very best to keep our membership well on the increase each year. Lending help to DeMolay and grass roots Masonry may well be our method of salvation for the prosperous future of our Order.

Imperial Potentate Fred R. Morrison and his lovely lady, Rita, have done a magnificent job throughout the year in promoting the best interests of the fraternity. They have given every waking hour of their time to the work they love so much, and they have made a wealth of staunch friendships throughout the continent by their unselfish service. I want to extend my personal and sincere compliment to them for a big job so eminently well done.

Again we have many new faces in the ranks of the Temple Recorders and I want to welcome them to our service and extend to all Recorders and their staff members my sincere thanks for their splendid cooperation and dedication to Shrine service.

Membership is a subject that is uppermost in our minds as we close the year's work. Each Temple is urged to devote more time and effort on developing a gain in membership. We are now working in our second hundred years as a fraternal organization and we must apply more effort if we are to reach the million Nobles goal we have so fervently worked to attain.

"EACH ONE BRING ONE"

is not at all impossible if all Temples will "organize, delegate and supervise" the work of their Nobles. Every Noble can either bring in at least two new members by taking the petitions of his friends into a Lodge and following them through to the Shrine—

Or get the petition of those who are now eligible for the Shrine—

OR secure Nobles by affiliation who live in the area and are carrying a demit from their former Temple—

OR secure Nobles by reinstatement who have been suspended by their Temple.

GET at least TWO before you are through. One to replace you when you are gone and one for the Temple to grow on. REMEMBER GET TWO BEFORE YOU ARE THROUGH.

Let's all make the year ahead, Membership year, and a real drive for more Nobles. See that all Nobles are given something to do in Shrine work because busy Nobles are happy Nobles.

SHRINERS HOSPITALS FOR CRIPPLED CHILDREN

Our great charity work, Shriners Hospitals for Crippled Children, celebrated 56 years of service this year with our first hospital opening September 16, 1922. We now operate a chain of 21 such Units located at strategic points throughout North America, 18 orthopedic units and 3 burns units, with one hospital in Mexico, one in Canada, one in Honolulu and 18 in the continental United States.

Since our beginning in this great work we have treated without charge more than a quarter of a million underprivileged children as in-patients and as out-patients and this regardless of race or creed. We as Nobles of the Mystic Shrine can take great personal pride in these accomplishments.

Yet this is only a very small part of the work done by the Shrine in its program to make a great contribution to humanity throughout the entire world of today. Any place in this whole wide world you will find medical men who have either received a part of their professional training in our Units themselves or they have profited by the research done in our Units of Shriners Hospitals for Crippled Children or by the papers presented by the doctors in our hospitals, in seminar sessions.

The Shrine is the one organization operating today that operates its great charity work without the benefit of financial help from taxes or government. The funds to operate these charitable hospitals come from the Nobles and their friends who contribute their own time and effort without remuneration.

Shrine work is our work and we take great pride in the dedication of our staff to all the details of helping Temples with their problems. We are happy to lend our help in improving our image with the public as well as with our Masonic Fraters.

The Shrine is the organization that provides the greatest help in promoting membership in all prerequisites as well as the Shrine itself. This, of course, includes the work of the Order of DeMolay for young men.

The Order of DeMolay is a character building organization of young men from thirteen to twenty-one years of age, who are seeking to prepare themselves as better leaders and citizens for tomorrow by developing those traits and strengths of character of all good men.

The organization has carried out the aforementioned goals for well over 58 years through programs of athletic competitions, social activities, civic service and charitable projects.

We call upon all our Nobles to join in saluting the young men of the Order of DeMolay and in expressing our grateful appreciation of the fine examples set by these young leaders in contributing to the welfare and character of other young men in their community, thus aiding in the development and leadership of tomorrow.

Following you will find statistics that have been compiled for your use; study them and compare the history of membership of your Temple with that of others, your State with other States, and concern yourself with the statistics and history of membership of the principle Bodies of Masonry. We owe them our help.

May Allah guide us as we proceed on into the second hundred years of the work of the Ancient Arabic Order of the Nobles of the Mystic Shrine.

ES SELAMU ALEIKUM

Respectfully Submitted

GEORGE M. SAUNDERS
Imperial Recorder

FRED R. MORRISON, IMPERIAL POTENTATE
AND BOARD OF DIRECTORS OF
THE IMPERIAL COUNCIL OF THE ANCIENT
ARABIC ORDER OF THE NOBLES OF THE
MYSTIC SHRINE FOR NORTH AMERICA

We have examined the balance sheet of The Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America (an Iowa Corporation) as of December 31, 1977 and 1976 and the related statements of income and expense and fund balance and changes in financial position for the years then ended. Our examinations were made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, such financial statements present fairly the financial position of The Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America at December 31, 1977 and 1976 and the results of its operations and changes in its financial position for the years then ended, in conformity with generally accepted accounting principles applied on a consistent basis.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 1977 AND 1976

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization—The Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America (Imperial Council) is a non-stock, non-profit corporation incorporated under the laws of the State of Iowa. The organization is the representative and supreme authority of the Shrine Temples of North America. The organization is exempt from federal income tax under Section 501(c)(10) of the U. S. Internal Revenue Code.

Dues and fees—The Imperial Council's principal source of income consists of dues and fees received from its subordinate temples. Dues are assessed effective December 31 of each year and are transmitted by the temples to the Imperial Council during the subsequent twelve month period. Included in the annual dues of \$1.25 per capita is \$.20 (\$.15 for 1976) which is designated for the annual Imperial Council session. These designated amounts of \$88,563 and \$66,063 (net of advances of \$100,000 and \$75,000 to the session corporations) are included in current liabilities at December 31, 1977 and 1976, respectively. The amount designated was increased from \$.15 to \$.20 at the 1977 annual session and from \$.10 to \$.15 at the 1976 annual session necessitating charges to 1977 and 1976 operations of \$47,021 and \$46,532, respectively.

Marketable securities—Investments in corporate bonds are carried at cost, adjusted for amortization of premiums and discounts.

Expenses billed to Convention Corporations—The Imperial Council bills each Convention Corporation principally for Central office staff travel costs to the annual conventions and associated board meetings. The collection of these billings is dependent upon the financial results of the convention operations and other factors. Because of the uncertainty of the collection of these billings the Imperial Council does not intend to recognize these reimbursements for 1976 and 1977 until actual collection.

Land, building and equipment—The Imperial Council follows the policy of capitalizing major renewals and betterments and charging maintenance and repairs to expense as incurred.

Building and equipment are depreciated on the straight-line method based on the following estimated useful lives:

Building	25 years
Equipment	20 years

Depreciation in the amounts of \$28,586 and \$28,603 have been charged to operations for 1977 and 1976, respectively.

TRANSACTIONS WITH SHRINERS HOSPITALS FOR CRIPPLED CHILDREN

Shriners Hospitals for Crippled Children, ("SHCC"), a separate charitable organization(s) was established by the Imperial Council. Hospital assessments, donations and other receipts are collected and remitted to SHCC by the Imperial Council. SHCC pays rent for the use of the National Headquarters building owned by the Imperial Council in the amount of \$50,000 annually. In addition SHCC bears a substantial portion of the operating expenses of the building. The two organizations also prorate salaries and other costs based on the estimated value received by each organization. The amounts of \$618,636 and \$492,955 included as current liabilities at December 31, 1977 and 1976, respectively, represent the net amount due SHCC.

RETIREMENT PLAN

The employees of the Imperial Council are included under the Shriners Hospitals for Crippled Children Revised Retirement Plan. The cost of this non-contributory retirement plan allocated to the Imperial Council for 1977 and 1976 amounted to \$12,500 and \$12,300, respectively.

LAND HELD FOR POSSIBLE HEADQUARTERS SITE

The Imperial Council purchased approximately 3 acres of land in 1977 as a possible site for construction of a building. The cost of this land was \$1,218,638, of which \$1,128,900 had been appropriated at December 31, 1976.

The City of Chicago has tentatively indicated that the land will be exempt from property taxes. Therefore, no provision has been made for the liability for such taxes.

ACCOUNTANTS' OPINION ON SUPPLEMENTARY INFORMATION

Our examinations of the basic financial statements presented in the preceding section of this report were made primarily to form an opinion on such financial statements taken as a whole. Supplementary information, contained in the following pages, is not considered essential for the fair presentation of the financial position of The Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America or the results of its operations and the changes in its financial position in conformity with generally accepted accounting principles. However, the following data were subjected to the audit procedures applied in the examinations of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

SHRINE PROTOCOL

*For the Use and Guidance of Illustrious
Potentates and Divan Members of
the Subordinate Temples,
Shrine Clubs and Shrine
Associations*

VISITATION OF IMPERIAL POTENTATE

Reception Committee at airport:—

A Reception Committee appointed by the Potentate should be present at the airport to greet the Imperial Potentate upon his arrival. Appropriate and ready transportation should be available to transport him and his party to the hotel. Arrangements for handling of baggage should be pre-arranged so as to insure delivery of same to Imperial Potentate when he reaches hotel.

Hotel quarters:—

It is suggested that a suite of rooms be assigned for the use of the Imperial Potentate. Certain rooms of same should be kept strictly private for the Imperial Potentate as his personal quarters. Such quarters should be separate and removed from a general parlor or reception room for visitors. The Potentate should assign to the Imperial Potentate, an Aide, who should be in constant attendance and at his disposal during the entire time of his visitation. The arduous duties of the Imperial Potentate are many, and he is apt to be travel-weary. It is suggested that the Potentate arrange personally for the Imperial Potentate's comfort. The Potentate upon arrival at the hotel should immediately acquaint the Imperial Potentate, in writing, with the program of events planned and permit him to express his wishes as to his personal participation. Any program planned should give the Imperial Potentate ample time for whatever privacy he desires. A proffer of stenographic and clerical aid would prove helpful. Long automobile rides should be eliminated in any program of events unless previously planned and approved by the Imperial Potentate. Should the Imperial Potentate's lady accompany him on a visitation, the Potentate should make such arrangements for her comfort and entertainment as deemed necessary.

(Note: When an Imperial Officer is assigned by the Imperial Potentate as his official representative at a meeting and another Imperial Officer of higher rank is also in attendance at the same meeting, the Imperial Potentate's representative is permitted to speak any appropriate remarks he cares to make. Banquet seating, parade order, etc., will follow usual protocol pattern.)

PARADES

Colors:

Singly, or massed Colors should precede the first uniformed marching unit.

(Since our organization has Temples under three National Flags, these three National Flags should head the Color Squad. The National Flag of the Unit itself takes the honor spot at the right and the other two National Flags are to the left.)

TEMPLES PARADES

Order of Automobiles:—

Following the designated Parade Marshal and his Aides, the following order of automobiles is to be observed:

1. Imperial Potentate, or other ranking Imperial Officer present.
The Imperial Potentate will ride alone—or may invite any

distinguished male guest who may be in attendance at the function, to be a guest passenger. ONLY THE IMPERIAL POTENTATE WILL RIDE ON THE BACK OF THE SEAT OF HIS CAR; ALL OTHERS MUST REMAIN ON THE SEATS OF THEIR CARS.

2. Imperial Officers other than the Imperial Potentate (by rank).
(One officer to a car—no guests.)
3. Past Imperial Potentates (by seniority in rank).
4. Host Temple Potentate and his Divan.
5. Distinguished Guests other than those in groups 1, 2, 3, or 4.
6. Visiting Potentates, Divans, and Past Potentates.

Women, girls, school bands and school drill corps or marching units of any organization not identified with the Shrine are not permitted in Shrine Parades.

IMPERIAL SESSION PARADES

Order of Parade Formation (Day Parade):—

1. Police escort.
2. Parade Marshal and his aides.
3. Colors singly or massed.
4. Director General.
5. Uniformed Units of Host Temple.
(Uniformed Units of other Temples in the State or Shrine Association will take their place elsewhere in the parade formation according to charter date only.)
6. Automobiles of Imperial Officers.
7. Uniformed Units of Imperial Potentate's Temple.
8. Uniformed Units of all Temples, except Host Temple, will form in order of charter date—oldest date first. Night Parade will follow the same formation except that the Uniformed Units of the Temple of the Imperial Potentate-Elect will immediately follow (7) Uniformed Units of the Imperial Potentate's Temple.

RECEPTIONS

Ceremonial or Reception:—

The Potentate should provide suitable transportation from the hotel to the place of the meeting. Upon arrival at the Mosque or building wherein the Ceremonial or Reception is to be held, quarters should be provided for the Imperial Potentate. These quarters if possible should be separate from the general Reception area where it is quiet and away from undue disturbances that the Imperial Potentate may enjoy privacy for discussions, interviews, etc. An aide designated by the Potentate should be constantly at hand. In the event other Imperial Officers or Past Imperial Potentates are present, a similar room should be set aside for their use.

Reception for Ladies:—

At receptions or other functions where only Ladies are present,

the Ladies of Imperial Officers follow the same order of precedence as for Imperial Officers.

Reception Receiving Line:—

At receptions or functions where a Receiving Line is used, the Imperial Potentate is the last one in the order of reception, with others stationed as indicated below. When Ladies are present they should stand with their escorts.

Introduction and Reception of Guests:—

The Imperial Potentate should be made as comfortable as possible and not subjected to a long standing wait for his turn to be received and introduced. The order of reception should be as follows:

1. Visiting Potentates, Past Potentates and Divans.
2. Visiting Dignitaries and celebrities (other than the Most Worshipful Grand Master).
3. Past Imperial Potentates (in reverse order of their seniority rank).
4. Imperial Officers (presented individually in reverse order of their official station). The Nobility will stand after 3 raps of the gavel, on the presentation of the Imperial Officer of highest rank in attendance.
5. Imperial Potentate.

The first order of business shall be the reception of the Grand Master of Masons of the State or Province. In the absence of the Imperial Potentate, the Grand Master shall be received by the ranking Imperial Officer present; if none be present, he will be received by the Potentate of the Host Temple.

Introduction of Imperial Potentate:—

When uniformed bodies are used in receiving the Imperial Potentate, Imperial Officers and Past Imperial Potentates and Potentates, the unit used to form the Honor aisle should, at the command of the Officer in charge, Salaam. (Military salute prohibited.)

The escort appointed by the Potentate to introduce the Imperial Potentate walks at the left of the Imperial Potentate, and upon reaching the point on the floor from where the introduction is to be made, should Salaam the Potentate and make such remarks as he deems proper, and conclude with the following:

"Illustrious Potentate, I have the honor of presenting the Imperial Potentate of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America, Imperial Sir.....of.....
Temple, (City), (State or Province)."

or

"Illustrious Potentate, I have the honor of presenting Imperial Sir.....of.....Temple, of.....(City),.....(State or Province), the Imperial Potentate of the Shrine for North America."

Potentate: "You will conduct the Imperial Potentate to the East."

The Potentate concludes his remarks of welcome to the Imperial Potentate with the following:

"Nobles, I have the honor of introducing Imperial Sir....., Imperial Potentate."

The Gavel should be presented to the Imperial Potentate who, upon receiving same, returns Gavel to the Potentate.

The only address should be made by the Imperial Potentate.

There should be no other talks unless approved by the Imperial Potentate.

Ceremonial or program then proceeds as arranged.

Seating at Banquet:—

The Potentate should personally escort the Imperial Potentate to the Banquet table. The Imperial Potentate should be seated at the immediate right of the Potentate. When Ladies are present at banquets the Imperial Potentate should be seated at the right of the Potentate; the Imperial Potentate's Lady at the left of the Potentate; the Potentate's Lady at the right of the Imperial Potentate; with the other Imperial Officers, Past Imperial Potentates and their Ladies seated alternately at the right and left of the central group. The Imperial Potentate at his discretion may invite others to sit at the table. In the event no other Imperial Officer is present, the Officers of the local Divan should be seated according to seniority. Place Cards should be provided to expedite seating.

Seating at Ceremonials and Receptions:—

The Imperial Potentate should be seated at the immediate right of the Potentate; Chief Rabban at the left of the Potentate; the Assistant Rabban at the right of the Imperial Potentate; the High Priest and Prophet at the left of the Chief Rabban; and the other Officers of the Divan seated alternately at the right and left of the central group. When other Imperial Officers or Past Imperial Potentates are present they should be seated beginning at the immediate left of the Potentate according to rank in the Imperial Divan, to be followed by the Past Imperial Potentates, alternately at the right and left of the central group. When all of the Officers of the Imperial Divan are present, the Imperial Officers should occupy seats in front of the Temple Divan, seated alternately at the right and left of the Potentate of the local Temple.

Seating on Reviewing Stands:—

In instances requiring a Reviewing Stand same should be reserved for the exclusive use of the Imperial Potentate, Imperial Officers and Past Imperial Potentates and such other guests as invited by the Imperial Potentate.

The Imperial Potentate receives the Salute of all Temples.

When Temples from an Imperial Officer's state or province pass in review, he receives the Salute of these Temples with the Imperial Potentate.

PROTOCOL FOR SHRINE ASSOCIATIONS

Since the Imperial Council is the parent organization over all Temples and Shrine Associations there is only one protocol procedure that can be followed by a Shrine Association and that is the protocol procedure as adopted by the Imperial Council.

Officers of Shrine Associations will participate in protocol procedure throughout this entire protocol in the position as outlined for distinguished guests and, in accordance with Imperial Council protocol, the Officers of the Imperial Council will take precedence over the Officers of Shrine Associations at all times. At any meeting of a Shrine Association at which there is not in attendance any of the Imperial Officers, then and in that event the Officers of the Shrine Association will take their place and position as distinguished guests in accordance with Imperial Council Protocol.

In accordance with the above, Shrine Association Officers will occupy position No. 5 in "Order of Automobiles," and position No. 2 in "Introduction and Reception of Guests."

DRESS

The Fez:—

The Imperial Council has adopted the Fez as the exclusive type of head covering to be worn by all Nobles of the Mystic Shrine when appearing as such.

It is a Red Moroccan Fez with Black Tassel, bearing only the name of the Temple of which the Noble is an active member, with a facsimile of a scimitar, and that portion of the Jewel of the Order consisting of the crescent, sphinx head, and star combined, embroidered thereon with gold and silver bullion or silk. The Fez is to be worn in its proper shape and without creasing or alteration. It is permissible for Potentates, Past Potentates, Recorders and Divan members, as well as official uniformed organizations, to have their titles embroidered in small letters in gold or silver bullion or silk or jewels on the front of the Fez beneath the emblem.

It is permissible to adorn the name of the Temple and the emblem with rhinestone jewels of a size no larger than that known as #12 by the fez makers. It is permissible to use one pin to hold the tassel in place, said pin to be either plain or jeweled.

The use of any other wording or devices than those mentioned above is prohibited.

The Imperial Potentate wears the regulation Fez with five gold stars on the front near the bottom. Past Imperial Potentates wear five stars on the front of their Fez near the bottom, the outside stars being of silver, the three center ones of gold. Other Imperial Officers wear three gold stars on the front near the bottom.

Shrine Pins:—

The design of Shrine Pins worn by Imperial Officers may incorporate small stars as specified above.

Dress:—

Formal attire for a Shriner is Fez and Tuxedo. Tuxedo should not be worn before five o'clock in the afternoon unless continuous program for earlier hours makes same necessary or advisable.

ACCEPTED SALUTATIONS, ETC.

The Salaam:—

A Noble addressing the Potentate while he is presiding in the East should always give the Salaam.

The Salaam is always given by the Potentate and members of his Divan when receiving the Imperial Potentate, Imperial Officers and Past Imperial Potentates. The Imperial Potentate as well as the Imperial Officers and Past Imperial Potentates do not Salaam in return but give the sign of the Order.

Salutations:—

An Imperial Officer as well as a Past Imperial Potentate is always addressed as "Imperial Sir." A Potentate or Past Potentate is always addressed as "Illustrious Sir."

Salute:—

The Military Salute is used when reciting the Pledge of Allegiance and during the playing or singing of the National Anthem.

Pledge of Allegiance:—

"I pledge allegiance to my Flag and to the country for which it stands, one Nation under God, indivisible, with Liberty and Justice for all."

Salute to the Flag:—

A Noble who is wearing his Fez will execute a righthand salute when the Colors are within six paces of him; he will not remove his Fez. After the Colors have passed he should drop his right hand. In case the same Colors pass the same point again, as frequently happens in a Ceremonial procession or in display drills, the Colors need not be saluted a second time. The same rule applies to street parades.

Prayer:—

During the offering of a prayer, the Fez should be removed and held in the right hand over the heart.

Departure of Imperial Potentate:—

The Potentate of the Host Temple should be present at the hotel and at the airport when the Imperial Potentate departs. Such other Nobles as he designates should also be in attendance. Aid in securing transportation to the next destination should be proffered to the Imperial Potentate previous to departure. Arrangements should be made beforehand for the handling of all baggage from the hotel to the airport.

MEMORIAL—BURIAL SERVICE

A Shrine Memorial or Funeral Service should be permitted under unusual circumstances, where the deceased Noble's family requests it. Neither Service should preferably be held in place of the traditional Blue Lodge or other Masonic Service or Religious Rites. It may supplement the Blue Lodge Service but, except under unusual circumstances, should not take the place thereof. Both Services are intended as a tribute to Nobles who have performed unusual and meritorious service in behalf of a subordinate Temple, and the Shrine in particular.

The following protocol is suggested:

Upon arrival at the Church or graveside where the Memorial or Funeral Service is to be held, uniformed bodies are used to form the Honor aisle (from the curb to the entrance of the building or graveside).

The order of reception should be as follows:

1. Visiting Potentates, Past Potentates and Divans.
2. Visiting Dignitaries and celebrities (other than that listed below).
 - a. Most Worshipful Grand Master
3. Past Imperial Potentates.
4. Imperial Officers (in reverse order of their official station).
5. Imperial Potentate.

The escort appointed by the Potentate walks at the left of the Imperial Potentate and conducts the Imperial Potentate to the pew where the Imperial Divan is seated.

Seating at Memorial or Funeral Service:

Should be the same protocol as described in the seating of the Imperial Potentate and others at Ceremonials or Receptions.

The Imperial Potentate, Imperial Officers, and Nobles should remove their Fez upon entering the church edifice, undertaking establishment, or Memorial site (as well as the graveside) and remain uncovered until they return to the street curb.

Upon retiring, the same protocol should be followed as used in the entrance.

To avoid any embarrassing conflicts with traditional Masonic Services or Religious Rites, the following simple program is offered merely as a suggestion:

The Potentate can preside if he so desires or appoint another Noble or clergyman to conduct the Service. Shrine musical organizations and soloists can be used to good effect.

The following order of Service is suggested:

1. Organ or band in processional music.
2. Prayer.
3. Scriptural reading. Suggestion: 90th Psalm.
4. Biographical Sketch of deceased Noble.
5. Hymn.
6. Address by Minister, Rabbi, or guest speaker.
7. Hymn.
8. Benediction.
9. Processional.

Temple Charter and Location

- § 322.1 **Recognition.** Only Temples chartered or under dispensation by the Imperial Council are recognized as a part of the Order.

§ 322.2 **Authority.** A charter or dispensation from the Imperial Council constitutes the authority of a Temple to meet and work.

§ 322.3 **Exhibit of charter.** The charter must be properly preserved and prominently displayed.

(c) Before the expiration of 30 days after the receipt of the proposal by the Potentate, he shall fix the time and place of the meeting and notify the Recorder.

(d) Thereafter not less than 20 days nor more than 30 days prior to the meeting, the Recorder shall mail to each member a notice of the exact time and place thereof.

(e) If 2/3rds or more of the members voting at the meeting are in favor of changing the location of the Temple, the result of the election shall be certified to the Imperial Recorder who shall submit it to the Imperial Council at the next annual meeting.

(f) If the Imperial Council finds the move to be in the best interests of the Order, it may approve the proposal and order an amendment to the charter changing the location of the Temple.

ARTICLE 23

Temple Membership

§ 323.1 **Temple; how constituted.** A Temple consists of its officers and as many members as it admits.

§ 323.2 Petition, form. Each petition for membership shall bear the written recommendation of two members of the Temple to which application is made.

§ 323.3 Prerequisite for membership.

(a) A Temple may not accept a petition from a candidate unless he is in good standing as:

(1) A Knight Templar in a Commandery or Preceptory of Knights Templar in amity with and recognized by the Grand Encampment of Knights Templar of the United States of America; or

(2) A 32° Mason in a Consistory of the Ancient and Accepted Scottish Rite of Freemasonry of the obedience of either the Supreme Council of the Northern or of the Southern Masonic Jurisdiction of such Rite in the United States or of a Supreme Council in amity with and recognized by either of them.

(b) A Temple may not add to or take from the qualifications for membership in Temples as fixed by these By-laws. A Temple may not require that a candidate must be both a 32° Mason and a Knight Templar.

§ 323.4 Residence.

(a) A petitioner must be an actual resident for at least 6 months in the jurisdiction of the Temple to which he applies.

(b) Actual residence is defined as the place where the applicant in good faith makes his home.

(c) Any Temple may receive and act upon the petition of one whose residence is not within the jurisdiction of another Temple.

(d) Any member of the armed forces or diplomatic service of the United States, Canada or Mexico, may petition any Temple within the jurisdiction of which he may at the time be stationed without reference to his actual place of residence, and thereupon, after election as provided in § 323.5 may be initiated by and become a member of the Temple.

§ 323.5 Balloting.

(a) Subsequent to a report on a candidate's petition, the ballot

is passed, and if less than 3 black balls appear, he is elected.

(b) If the ballot reveals 4 or more black balls, the candidate is rejected. If the ballot reveals 3 black balls, another ballot is passed immediately. If 3 black balls appear a second time, the candidate is rejected.

(c) A written objection, signed by at least 3 members of the Temple in good standing, presented to the Potentate or the Recorder prior to the time balloting is commenced, has the same effect as an adverse ballot.

(d) In Temples where written notice of all candidates' petitions has been mailed to the members not less than one week before the date set for the balloting, any written objection provided for in subsection (c) must be received by the Potentate or the Recorder at least 48 hours before the time specified in the notice for balloting.

(e) After the balloting is completed and the candidates are declared elected and notified, no objection made thereafter with respect to the candidates may be considered unless ordered by vote of the Temple.

(f) A rejected candidate may not apply again for 13 weeks.

Amend. 1973

§ 323.6 Candidate; when initiated.

(a) A Temple may not initiate or obligate a candidate except at a stated meeting or ceremonial session, unless a special dispensation is granted by the Imperial Potentate.

(b) Application for special dispensation must be made at least one week before the dispensation is to be used, and must also be accompanied by a full statement of the facts and circumstances justifying the issuance.

§ 323.7 Associate Membership.

(a) Any Noble may apply for membership by affiliation in a second Temple and, if accepted by the second, thereafter hold associate membership subject to the provisions of this section.

(b) Application for associate membership shall be subject to the same requirements as those relating to affiliation by demit, including jurisdiction, except that the applicant need not hold a demit to make an application for associate membership. An application for associate membership must be accompanied by written evidence that the applicant is in good standing and eligible for a demit.

(c) Upon election of an applicant for associate membership, the

second Temple shall notify the other of which the Noble is a member that he has associate membership; and thereafter he shall be considered an active member of both Temples.

(d) Suspension of a Noble holding associate membership for nonpayment of dues to the second Temple shall not affect his membership in the Temple to which he first belonged; but his suspension for nonpayment of dues to the first Temple shall ipso facto effect his suspension in the second. His suspension for any other cause or his expulsion from either Temple shall ipso facto effect his suspension or expulsion, as the case may be, from the other. Immediate notice of his suspension or expulsion by either Temple shall be given to the other Temple and to the Imperial Recorder.

(e) Each Temple in which a Noble holds associate membership shall collect and remit the hospital levy for an associate member unless he has been issued a Permanent Contributing Membership certificate by the Recorder of that Temple.

(f) Election of an associate member to life membership in one Temple does not constitute his election to life membership in the other.

(g) An associate member shall have all the rights and privileges of membership in both Temples except that he may not hold elective office in the second.

(h) Associate membership is terminated by:

(1) Voluntary resignation upon payment of all indebtedness, assessments and voluntary obligations to the Temple by an associate member who is in good standing and free from charges;
or

(2) Expulsion; or

(3) Death.

Amend. 1972

Amend. 1975

§ 323.8 Retention of Membership.

(a) In order to retain membership in a Temple, a Noble must maintain the requirements of § 323.3(a), except as otherwise provided in this section.

(b) If a Noble holds membership in both prerequisite bodies, his membership in the Temple is not affected by the loss of his membership in one prerequisite body.

(c) If a Noble holds membership in only one of the prerequisite bodies and loses that membership for non-payment of dues, he

loses his membership in his Temple until restored to good standing by that prerequisite body, whereupon he is restored to good standing in his Temple without vote of the Temple. He may not be charged with dues to the Temple while deprived of membership.

(d) The acquisition of membership in the other prerequisite body subsequent to his loss of membership in his Temple does not restore him to good standing in the Temple, but he may be restored by ballot pursuant to § 323.5.

(e) If a Noble loses his membership in a prerequisite body for any reason other than nonpayment of dues either to that prerequisite body or its prerequisite body, he thereby loses his membership in his Temple until restored in good standing by that prerequisite body, unless within 30 days after the loss of his membership in the prerequisite body he shall file with the Recorder of his Temple a written request for a trial by the Temple. If such request be filed, the Recorder shall forthwith sign a complaint against such Noble based upon the same charges as those for which his membership in the prerequisite body was lost and he shall be subject to the disciplinary procedures of Article 30. During the pendency of the proceedings under Article 30, such Noble may retain his membership in the Temple unless he is otherwise disciplined in accordance with Shrine law; and, if he is acquitted by the Temple, he may retain his membership in the Temple notwithstanding his loss of membership in the prerequisite body.

(f) A Temple must honor an official written notice from a prerequisite Masonic body concerning the loss of membership in that body by a member of the Temple.

(g) The demit by a Noble from the only prerequisite body in which he holds membership shall be treated the same as suspension for nonpayment of dues unless he applies for affiliation or reaffiliation, as the case may be, within 60 days after issuance of the demit.

Amend. 1978

§ 323.9 Suspension or Termination of Membership

(a) Rights of membership in a Temple are suspended by:

- (1) Voluntary demission upon payment of all indebtedness, assessments and voluntary obligations to the Temple; or
- (2) Suspension for non-payment of dues; or
- (3) Suspension for other cause.

(b) Membership is terminated by:

(a) A Temple may not carry a member on the books who is more than 2 years in arrears. The Temple must either suspend him or remit his dues.

(b) Whenever adopted, any order of suspension shall be effective as of December 31 of the last year of the delinquency.

(c) A Noble may be suspended for nonpayment of dues in the following manner:

- (1) He must be notified by first class mail that he is in arrears;
- (2) He must be given an opportunity to be heard;
- (3) He must be admitted to the Temple for this purpose even though he is in arrears; and
- (4) A majority of members present at a stated meeting must vote to suspend him.

(d) One who has been suspended for nonpayment of dues may be restored in the following manner:

(1) Written application for restoration must be made, accompanied by written evidence that he is in good standing in his prerequisite body;

(2) Without a vote of the Temple upon terms authorized by the Temple; and

(3) The restoration must be reported to the Temple at its next stated meeting and recorded in the minutes.

ARTICLE 28

Temple Jurisdiction and Waivers

§ 328.1 **Sovereign.** Each Temple, subject to Shrine law, whether acting under dispensation or charter, is sovereign in its own territorial jurisdiction in all matters pertaining to the Order.

§ 328.2 **Extent.**

(a) Unless otherwise determined in Part IV of these By-laws, the territorial jurisdiction of each Temple extends in all directions to $\frac{1}{2}$ the distance by direct line between itself and the nearest Temple.

(b) In no case can jurisdiction extend beyond the limits of the state in which the Temple is located unless there is an agreement between it and the other Temples affected, or for the limited purpose authorized by Section 328.6(e), or upon the vote of the Imperial Council in accordance with § 328.3(d).

Amend. 1976

(c) Temples in the same state may agree upon concurrent jurisdiction within the state or an equitable division of their territory.

(d) Unless otherwise determined every Temple has exclusive jurisdiction in the city and county in which the Temple is located, except that a second Temple may exist in the same county in any city, not having a Temple, having a population of not

less than 200,000 as determined by the official statement of the State Chamber of Commerce or an equally responsible state or district authority for the current year.

(e) A signed copy of any agreement between Temples affecting or fixing territorial jurisdiction must be filed with the Imperial Recorder.

§ 328.3 Change in jurisdictional lines.

(a) Application for the establishment or change of jurisdictional lines must be filed with the Imperial Recorder at least 60 days prior to the annual session of the Imperial Council.

(b) The Imperial Recorder must notify the Temples affected and give full information on the application so that objections to the change may be presented to the Imperial Council.

(c) If the application for the establishment or change of jurisdictional lines is refused by the Imperial Council, no further application may be made until the 3rd annual Imperial Council session thereafter.

(d) By appropriate amendment to Part IV of these By-laws, the Imperial Council may declare concurrent jurisdiction or an equitable division of territory between all Temples, if it appears for the best interests of the Order to do so.

Amend. 1976

§ 328.4 Waivers.

(a) A Temple may not act upon a petition for initiation of any one residing within the exclusive jurisdiction of another Temple, without first obtaining a waiver from that Temple.

(b) A Temple may waive its jurisdiction and permit another Temple to initiate a candidate residing within its jurisdiction.

(1) Where the fee of the Temple granting a waiver is greater than the fee of the Temple requesting a waiver, the candidate must pay to the requesting Temple a fee equivalent to that he would have paid to the Temple granting the waiver.

(2) The requesting Temple then shall remit the difference in fee to the Imperial Recorder and that amount is paid over to the Hospitals.

(c) Where 2 or more Temples hold concurrent jurisdiction over territory, a waiver from each is necessary to enable a petitioner of that jurisdiction to be created a Noble of a Temple in any other jurisdiction.

(d) The Potentate does not have the power to grant a waiver, but it is given only by authority and under the seal of the Temple granting it.

(e) A Temple may not grant a blanket waiver.

§ 328.5 Another Temple may initiate.

(a) A Temple may request, under seal, another Temple to initiate an elected candidate as a favor to the requesting Temple.

(b) The Temple initiating the candidate must certify that fact, under seal, to the Temple in which the candidate was elected.

(c) The Temple which elected the candidate enters this official communication upon its record, places his name upon its membership list and he then becomes a member of that Temple.

§ 328.6 Where petitioner must apply.

(a) A petitioner, actually residing within a Temple jurisdiction, may not petition elsewhere for initiation without a waiver from the Temple.

(b) A Temple retains jurisdiction over an elected petitioner until his initiation, but not longer than one year, even though he subsequently removes from its territorial jurisdiction.

(c) A candidate must present himself for initiation within one year after his election; thereafter his petition and election are void.

(d) Temples in concurrent jurisdiction must notify each other of the names and addresses of all petitioners rejected or to whom objections have been made, residing in the territory of concurrent jurisdiction

(e) Notwithstanding any other provisions of this Article, a petitioner who resides in a city or county in which no Temple is located and when no Temple is located within 50 miles of petitioner's residence in petitioner's state of residence may petition for membership in the nearest Temple located in an adjoining state to his state of residence, if the location of that Temple is within 25 miles of his residence; and no waiver from any Temple is required.

Amend. 1976

§ 328.7 Where Temple may hold ceremonials.

(a) A Temple may open, elect candidates and initiate them at any place within its exclusive jurisdiction, but no other business may be transacted at that ceremonial session unless it is held at the location of the Temple.

(b) Where 2 or more Temples hold concurrent jurisdiction over territory, all ceremonial sessions must be held at the location of the Temple; but upon request of a Temple accompanied by written consent of the other Temples holding concurrent jurisdiction, the Imperial Potentate may grant a dispensation to hold a ceremonial session at any place requested in the concurrent jurisdiction.

(c) A temple may hold a ceremonial session in states, territories or countries where no Temple exists, providing it obtains a special dispensation from the Imperial Potentate.

(d) A Temple may hold a ceremonial session within the jurisdiction of another Temple upon written request and provided it obtains the written consent of the Temples affected within whose jurisdiction such ceremonial session is to be held.

§ 328.8 Affiliation by demit. The holder of a demit from a Temple is governed by the following:

(a) He may affiliate with a Temple within the jurisdiction of which he is and for at least 6 months has been an actual resident, and may be accepted only under the provisions of § 323.5.

(b) If he resides in concurrent jurisdiction, he cannot demit from one Temple and affiliate with another Temple holding the same jurisdiction without the consent of the Temple granting the demit.

(c) He may affiliate with any Temple if the Temple, within whose jurisdiction he has been an actual resident for the preceding 6 months, grants a waiver.

(d) If for the preceding 6 months he has been a resident of the jurisdiction of the Temple which issued his demit, and with which he desires to reaffiliate, he must submit his written application with the original demit attached, and may be restored to membership without a vote of the Temple. The application must be accompanied by written evidence that he is in good standing in his prerequisite body. The reaffiliation must be reported to the Temple at its next stated meeting and recorded in the minutes.

§ 328.9 Clubs, Units and Activities in Concurrent Jurisdiction.

(a) In all cases where a Shrine club exists or is hereafter organized in concurrent jurisdiction, only the Temple having control of that club may organize or maintain units composed of Nobles residing in the city, county or other geographic area served by that club and only that Temple may sponsor activities in that area.

(b) This section shall not apply to units in existence or to activities planned and publicized prior to May 1, 1975, or in any case in which the Temples involved may otherwise agree."

Amend. 1975

ARTICLE 29

Dispensation for New Temple

§ 329.1 Requirements.

(a) Dispensation for a new Temple may be granted only by the Imperial Council after a petition is filed.

(b) The petition must be signed by 1,000 Nobles in good standing whose dues are paid in full at the time the petition is signed and who reside in the proposed territory of the new Temple.

(c) The dispensation may not be granted in the event that the membership of any Temple in the same jurisdiction, or the nearest Temple in another jurisdiction, is or would be reduced to less than 3,000 members by the withdrawal of the petitioners for the dispensation.

(d) Notwithstanding the provisions of subsections (b) and (c), the Imperial Council may grant a dispensation for a Temple in any State in which there is no Temple or in the Capital City of Canada or in unoccupied territory; but such dispensation may be granted only on the petition of a least 500 Nobles in good standing whose dues are paid in full at the time the petition is signed and who reside in the proposed territory of the new Temple.

Amend. 1974

(e) Notwithstanding the provisions of subsection (c), the Imperial Council may grant a dispensation for a Temple if its proposed location is not less than 300 miles from any Temple in the same State and if its petition for a dispensation is approved and supported by all other Temples in that State.

Amend. 1974

(f) The petitioners must give satisfactory evidence of good standing in the Order, and that they have the ability to procure a suitable place of meeting together with an agreement to procure proper furniture and paraphernalia for the use of the new Temple.

Amend. 1974

§ 329.2 Application, form and procedure.

(a) The application for dispensation must be in the prescribed form furnished by the Imperial Recorder and must have printed therein in red ink § 329.4 (b).

(b) It must be in duplicate, one copy for the Imperial Recorder, and the other kept by the applicants for reference.

(c) The application as filed, must bear the date it was issued by the Imperial Recorder and will be void after the passage of 24 months from that date, unless specifically extended by appropriate action of the Imperial Council.

(d) Every name on the application must be the actual signature of a Noble who is one of the applicants, and when signed the name cannot be withdrawn from the application except as provided in (e) and (f).

(e) A signature may be withdrawn upon the written request of the signer and may be for no other reason than that his signature was obtained by false representations. The written request for the withdrawal showing the reasons therefore must be attached to the application for the dispensation when presented to the Imperial Council, otherwise the original signature must stand.

(f) If, after the application for a dispensation is filed with the Imperial Recorder, in accordance with (g), a signer of the application desires to withdraw his name, he must send his request in writing stating the reasons therefor directly to the Imperial Recorder who shall erase the name from the application, if the reasons are as provided in this section, and attach the authority for the erasure to the application before presenting it to the Imperial Council, and furnish the list of the withdrawing signatories to the applicants, or their representatives, proposing to organize the new Temple.

(g) The application must be filed with the Imperial Recorder at least 90 days prior to the annual session of the Imperial Council, and notice of the application must be published in the official call for the Imperial Council session. Unless the application is filed and published as herein provided, it must lie over until the next annual session of the Imperial Council. Supplemental lists of names may be added to the application for dispensation providing they are filed with the Imperial Recorder at least 60 days prior to the annual session of the Imperial Council.

§ 329.3 Action by Imperial Council.

(a) When the application for a dispensation is received by the Imperial Recorder he must notify the Temples which might reasonably be affected at least 30 days prior to the session of the

Imperial Council, giving full information in regard to the application, in order that objections to the granting of the dispensation may be presented to the Imperial Council.

(b) Every report of the Committee on Dispensations and Charters which recommends the granting of a dispensation for a new Temple must contain a specific designation of the territorial jurisdiction of the new Temple. This jurisdiction is determined on recommendation of the Committee on Dispensations and Charters and the Committee on Jurisdictional Lines, acting jointly, after affording all affected Temples an opportunity to be heard on the matter at a joint meeting of the Committees.

(c) A charter may not be granted to any Temple under dispensation pursuant to a petition filed under either § 329.1(b) or § 329.1(e) until it has been under dispensation for a period of at least the time elapsing between 2 annual sessions of the Imperial Council, and not then until it has provided itself with a proper place of meeting and the necessary paraphernalia for ceremonials, and has at least 1,250 Nobles in good standing on its roll of membership.

Amend. 1974

(d) A dispensation granted to a Temple under § 329.1(d) shall be effective only until the next annual session following the session during which it was granted. If the Temple under dispensation has provided itself with a proper place of meeting and the necessary paraphernalia for ceremonials, and has at least 750 Nobles in good standing on its roll of membership, then the Imperial Council, at the first annual session following the grant of the dispensation may grant it a charter.

Amend. 1974

(e) When a dispensation for a new Temple is refused by the Imperial Council, no further application may be made until the 3rd annual session thereafter. If a second or further application for dispensation is refused, no further application may be made until the 5th annual session thereafter.

Amend. 1974

§ 329.4 Effect if dispensation is granted.

(a) If the dispensation is granted, the members of the Temple under dispensation are liable for dues for the fractional part of the year remaining after the date of the dispensation, and the Temple is liable in full to the Imperial Council for the hospital

levy and fees for new members created.

(b) A Noble who signs an application for a dispensation becomes a member of the Temple under dispensation on the date the dispensation is granted, and is amenable only to it thereafter for dues, hospital levy and assessments. The Temple of which he was a member prior to the dispensation may retain the dues and assessments already received from him for the current year.

§ 329.5 Effect if dispensation or charter refused.

If the dispensation or charter is refused:

(a) All Nobles who signed the application are thereby restored to membership in the Temples of which they were members prior to the dispensation; and

(b) All members of the Temple created therein are entitled to certificates to that effect from the Imperial Recorder. These certificates have the force of demits for the purpose of affiliation.

§ 329.6 Status of Temple under dispensation.

(a) A Temple under dispensation has a legal existence and jurisdiction, and, whether it works or not, this jurisdiction cannot be interfered with except by action of the Imperial Council.

(b) It cannot adopt By-laws until a charter is granted and it is regularly constituted.

(c) It is governed by Shrine law to the extent applicable.

(d) It has no power to elect officers, but must retain its provisional officers until its charter is granted.

(e) The provisional Potentate of a Temple under dispensation is not entitled to the rank of Past Potentate, nor is the Temple entitled to representation in the Imperial Council.

(f) Any vacancy in office of a Temple under dispensation shall be filled by appointment by the Imperial Potentate from its Nobles.

(g) When a charter is granted, the members of the new Temple must hold an election of officers as soon thereafter as possible, in order that the elected officers may be installed at the same time the Temple is constituted.

ARTICLE 30

Discipline by Temple

§ 330.1 Jurisdiction. A Noble is subject to discipline by the Temple of which he is a member, or by the Temple within whose jurisdiction he resides, for conduct unbecoming a Noble of the Mystic Shrine.

§ 330.2 Procedure. Proceedings for the discipline of any Noble by a Temple are as follows:

(a) Before trial.

(1) Any Noble complaining against another Noble of conduct unbecoming a Noble must state the nature and character thereof in writing, sign the complaint and deliver it to the Potentate of the Temple.

(2) Immediately upon receipt of a complaint it is the duty of the Potentate to appoint a grievance committee of 5 members of the Temple, giving preference to Past Potentates, whose duty it is to thoroughly investigate the complaint. The committee by majority vote must determine whether there is probable cause for believing an offense has been committed, and shall report to the Potentate. The report must be made within 60 days after appointment of the committee.

(3) Immediately upon the receipt of a report from the grievance committee finding probable cause, it is the duty of the Potentate to refer the matter to the Assistant Rabban, or, if he is disqualified from acting, to any other Noble of the Temple designated by the Potentate to serve as alternate, and it is the duty of the Assistant Rabban, or of the alternate, to cause formal written charges to be preferred in the name of the Temple against the offending Noble. The charges, in plain and concise language, must apprise the offending Noble of the offense charged, and when signed by the Assistant Rabban, or the alternate, shall be filed with the Recorder of the Temple.

(4) Immediately upon the filing of the charges, it is the duty of the Potentate to appoint a trial committee of 9 impartial Nobles of the Temple, and to designate a date for the hearing of the charges before the committee, which shall be not less than 15 nor more than 20 days from the date of the selection of the trial committee.

(5) If any officer named in this section either files the complaint, is himself the accused, is related by blood or marriage to the Noble who files the complaint or the accused, or is in any way interested in the controversy, he shall be disqualified to act hereunder. No member of the grievance committee and no member of the trial committee may be a relative of the Noble filing the charges, the accused or any witness, nor in any way interested in the controversy. If a member of either committee is

disqualified, it is the duty of the Potentate to fill the vacancy with a disinterested Noble.

Amend. 1970

(6) Unless an officer or a Noble is disqualified under the provisions of (5), or excused by the Potentate, he is subject to discipline for refusing to serve.

Amend. 1970

(7) In the event the Potentate is disqualified under (5), or for good cause disqualifies himself, the Chief Rabban acts in his stead; and, if any other officer is disqualified, the Potentate shall appoint another officer or Noble to act in his stead.

Amend. 1970

(8) It is the duty of the Recorder of the Temple to cause to be served upon the accused Noble a certified copy of the charges, together with a notice apprising the accused of the time and place of the trial. Service shall be in person by a Noble, or by certified mail, addressed to the last known address of the accused Noble. The affidavit of the Noble making service, or of the Recorder of the mailing is prima facie evidence of the service of the notice and charges upon the accused Noble.

(9) It is the duty of the Assistant Rabban or the Alternate, in the name of the Temple, to prosecute the charges, and the Temple may have the assistance of counsel in the presentation of the charges, provided the counsel is a Noble. The accused also shall have the right of counsel, provided the counsel is a Noble.

(10) The accused may file written answer to the charges at least 5 days prior to the time set for the hearing.

(b) Trial.

(1) Upon the date set for hearing, the Noble prosecuting on behalf of the Temple may excuse 2 of the committee chosen by the Potentate, and the accused has the right to excuse 2 of the committee leaving a trial committee of 5. If the accused or the Noble prosecuting on behalf of the Temple fails or refuses to exercise his challenges, then the trial committee of 5 shall be chosen by lot.

(2) The trial committee selects one of its members as Chairman, who administers the oath to all witnesses who are Nobles upon their honor as Nobles. All witnesses who are not Nobles

shall be sworn by any officer qualified to administer oaths.

(3) Both the Temple and the accused have the right to summon witnesses, and disobedience of a summons subjects an offending Noble to discipline.

(4) The testimony of all witnesses shall be taken by a competent stenographer, so that it may be preserved.

(5) Either the Temple or the accused may take depositions of witnesses who cannot attend the trial, provided reasonable notice of the time and place of the taking thereof is given the opposite party.

(6) Any Noble of the Temple is permitted to attend the trial before the trial committee, but the deliberations of the committee upon guilt or innocence and fixing punishment are secret.

(7) The trial committee hears the evidence adduced on behalf of the Temple and the accused, and the arguments of counsel, and then proceeds with its deliberations, and ascertains the guilt or innocence of the accused. If the committee finds the accused guilty, it shall fix the punishment, which may be either reprimand, expulsion, suspension for an indefinite period, or suspension for a definite period.

(8) A majority vote of the committee upon the question of guilt and upon the fixing of the punishment shall be required. The report of the trial committee must be signed by the entire committee.

(9) After the committee has concluded, it shall report its findings to the Potentate in writing, and at the next stated meeting of the Temple after the trial the report shall be read to the Temple, and the Potentate shall pronounce judgment upon the report. The judgment dates from the time of the pronouncement of judgment by the Potentate, and from that date is final, unless the same is reversed or modified on an appeal therefrom to the Imperial Council.

(c) Appeal.

(1) Either the Temple or the accused has the right within 30 days to appeal to the Imperial Council from any judgment rendered.

(2) The Noble making the complaint has the right within

30 days to appeal to the Imperial Council from the decision of the grievance committee finding no probable cause.

(3) Notice of appeal under (1) or (2) must be filed with the Imperial Recorder within 30 days.

(4) In the event of an appeal, it is the duty of the Temple to file a complete transcript of the proceedings with the Imperial Recorder at least 30 days prior to the next annual session of the Imperial Council. The Imperial Recorder thereupon shall transmit all the papers pertaining to the appeal to the Chairman of the Grievances and Appeals Committee of the Imperial Council.

(5) If an appeal is taken, the party appealing must pay all the costs and expenses of the transcript of the evidence, unless in the judgment of the Potentate the party appealing is unable to pay the expenses, in which event the Temple must pay.

(d) Restoration.

(1) If the member is suspended for an indefinite period, he is not permitted to petition for restoration until after the expiration of one year from the date of judgment of suspension. Any Noble suspended for an indefinite period may be restored in the following manner: He must present an application for restoration, which shall be read at a stated meeting and laid over until the next stated meeting, and notice of the application must be sent to the members. At the next stated meeting after the presentation of the application, the following question must be put: "Shall the Noble be restored?" If $\frac{2}{3}$ rds of the members present vote for his restoration, he is restored. If a less number than $\frac{2}{3}$ rds vote for restoration, he remains suspended, and is not permitted to petition again for a period of one year thereafter.

(2) If the member is expelled he cannot be restored but may petition again for membership as if he had never been a member of the Temple.

Amend. 1967.

ARTICLE 31

Temple By-Laws

§ 331.1 Adoption. A Temple shall adopt By-laws and may adopt amendments to existing By-laws, if they are consistent with Shrine law and are approved by at least $\frac{2}{3}$ rds of the members present and voting.

§ 331.2 Procedure.

(a) Proposed By-laws or amendments must be presented in writing in the form of a resolution at a stated meeting.

(b) The resolution must be laid over to the next stated meeting or to a special meeting called for action thereon. The notice of the meeting must be sent to every member of the Temple and must recite the text or substance of the proposed By-laws or amendments.

(c) The Temple then may adopt the proposed By-laws or amendments.

(d) Upon the adoption of By-laws or amendments there must be sent to the Imperial Recorder:

(1) 3 copies thereof, together with a certificate of their adoption signed by the Potentate, attested by the Recorder, with the Seal of the Temple affixed,

(2) A copy of the notice given, and

(3) A copy of the Temple's current By-laws.

(e) He forthwith shall send them to the Committee on Jurisprudence and Laws. If the committee approves them they are so endorsed, one copy shall be retained by the Committee and 2 copies shall be sent to the Imperial Potentate for his approval. If approved by him, they at once become effective.

(f) Upon approval, the Imperial Potentate shall forward them to the Imperial Recorder, who shall retain one copy for the records of the Imperial Council, and shall forward the other copy to the Temple.

§ 331.3 Time for filing. All proposed Temple By-laws and amendments must be in the office of the Imperial Recorder at least 30 days before the session of the Imperial Council.

§ 331.4 Action by Imperial Council.

(a) At each session of the Imperial Council the Imperial Recorder must present a list of all new or amended By-laws which have been approved by the Committee on Jurisprudence and Laws and approved by the Imperial Potentate during the recess of the Imperial Council.

(b) The Imperial Recorder also must submit a list of any By-laws or amendments rejected by the Committee on Jurisprudence and Laws or the Imperial Potentate, giving their reasons for the rejection.

(c) Any Temple dissatisfied with the decision of the Committee on Jurisprudence and Laws or the Imperial Potentate, in the matter of its By-laws or amendments thereto, has the right to appeal to the Imperial Council, and the decision of that body is final.

§ 331.5 Change in Imperial Council laws; effect on Temple By-laws.

(a) When a change is made by the Imperial Council affecting Shrine law, and the change affects the By-laws of any Temple, the By-laws of the Temple are changed, ipso facto to conform with those of the Imperial Council.

(b) It is the duty of every Temple to make this change in its By-laws immediately upon receiving the printed copy of the proceedings of the Imperial Council from the Imperial Recorder.

(c) Thereupon the Recorder of the Temple must send to the Imperial Recorder a properly certified copy showing that the change was made, and must send copies to the Imperial Potentate and to the Committee on Jurisprudence and Laws for approval and confirmation.

PREFACE

These annotations are not "Shrine law". See §101.3(j). They are simply references to rulings, decisions, and interpretations of the Imperial By-Laws made by various Imperial Potentates in the past. As such, however, they are precedents which will probably influence future rulings, decisions, and interpretations under like or similar circumstances.

ANNOTATIONS TO BY-LAWS

(Iowa)

§ 101.3

1972 Proceedings, p. 155. *Obedience to Shrine law, as defined in § 101.3(j), is not optional but is required of all Shriners and of every Temple.*

1973 Proceedings, p. 99. According to § 206.5(a)(4), *General Orders expire at the conclusion of the Imperial Council Session next following their issuance; and, by the terms of § 101.3 (j), General Orders which have expired are no longer Shrine law.*

§ 101.4

1972 Proceedings, p. 153. According to Robert's Rules of Order, which apply by virtue of § 101.4, *an amendment which is germane and which does not enlarge the scope of a resolution at the time being considered by the Temple may be offered without prior notice.*

Unless appropriate points of order and appeals from rulings thereon are made at the meeting at which violations of parliamentary procedure are claimed to have occurred, the objectors waive any right to question the procedure by which action by the Temple was taken.

1975 Proceedings, p. 20. By the provisions of § 101.4, Robert's Rules of Order governs parliamentary procedure at Temple meetings; and the Potentate must permit a full discussion of any pending matter before putting it to a vote unless the Nobility adopts a motion calling for the previous question.

§ 101.7

1966 Proceedings, p. 208. *Independent organizations are not subject to supervision or control of Temple Potentate simply because they are composed wholly of Shriners.*

§ 101.9

1966 Proceedings, p. 208. *Individual Nobles are subject to discipline for violation of Shrine law in connection with activities not directly related to membership in the Shrine.*

§ 203.1

1976 Proceedings, p. 177. *An ad vitam and emeritus Representative who demits and affiliates with another Temple becomes an ad vitam and emeritus Representative of the Temple with which he affiliates.*

§ 206.5

1966 Proceedings, p. 211. *General Orders of an Imperial Potentate are not amendments to By-laws of Imperial Council.*

1970 Proceedings, p. 95. *General Orders expire at the conclusion of the term of office of the Imperial Potentate who issued them.*

1970 Proceedings, p. 96. *The Imperial Potentate may suspend from office a Representative to the Imperial Council.*

1973 Proceedings, p. 99. According to § 206.5(a)(4), *General Orders expire at the conclusion of the Imperial Council Session next following their issuance; and, by the terms of § 101.3 (j), General Orders which have expired are no longer Shrine law.*

§ 207.3

1976 Proceedings, p. 176. *While the minutes of the Boards of Directors*

ANNOTATIONS TO BY-LAWS (IOWA)

and Trustees must be produced and read to the Imperial Council upon its order, a Representative does not have the right to demand that copies of such minutes be routinely sent to him for his inspection.

§ 208.6

1971 Proceedings, p. 97. Nobles who believe the Potentate's exercise of his discretionary powers to have been arbitrary and capricious may file a grievance for consideration by the Grievances and Appeals Committee under §208.6(e).

1972 Proceedings, p. 153. An appeal from a decision of the Imperial Potentate made pursuant to § 206.5(a)(13) is made to the Imperial Council and should be referred to the Grievances and Appeals Committee in accordance with § 208.6(e).

§ 209.1

1966 Proceedings, p. 211. Shrine Club not eligible for membership in Shrine Association.

§ 210.1

1972 Proceedings, p. 154. Temples are neither required nor permitted under §§ 210.1 and 323.3 to look beyond membership in the prerequisite bodies for further certification of Blue Lodge membership.

§ 211.4

1965 Proceedings, p. 39, 43. Annual per capita tax not passed on to life members. Also, 1966 Proceedings, p. 208.

§ 213.1

1967 Proceedings, p. 83. The use of straw fezzes is prohibited.

1976 Proceedings, see p. 175. The use of the title "Ambassador at Large" on a fez is forbidden by §§ 213.1(b) and 213.1(e).

1978 Proceedings, p. 88. Section 213.1(e) states that the fez may be worn only at meetings and gatherings of Nobles held under the authority of some legal body of the Order; and this does not include meetings of ladies' organizations, because they are not a part of the Order.

§ 213.2

1972 Proceedings, p. 154. None but the Imperial Council itself should have exclusive rights to Shrine emblems described in § 213.2 and registration by an association of units of a trademark which includes such emblems is forbidden.

§ 322.5

1967 Proceedings, p. 83. Construction of a Mosque within the urban area of the seat of the Temple but beyond its corporate limits does not work a change in the location of the Temple.

1970 Proceedings, p. 93. Removal of a Temple from one municipality to another, even within the same urban area, may be effected only after compliance with this section.

1973 Proceedings, p. 99. A temple may not be moved to a city which is located in territory over which it holds only concurrent jurisdiction.

1975 Proceedings, p. 19. The removal of a Temple from one address to another within the corporate limits of the city named in its charter is not a change of location within the meaning of § 322.5.

1976 Proceedings, see p. 176. Approval by the Imperial Council for the change of location of a Temple may be given only by the Imperial Council itself at an annual session in accord with § 322.5(f).

§ 323.2

1967 Proceedings, p. 84. A petition for membership should not be signed by those who recommend the petitioner until the petition has been completed and signed by the petitioner.

§ 323.3

1967 Proceedings, p. 83. *Expulsion of a member of his Grand Lodge does not terminate Shrine membership until there has been a loss of Scottish or York Rite membership and that loss has become final.*

1972 Proceedings, p. 154. *Temples are neither required nor permitted under §§ 210.1 and 323.3 to look beyond membership in the prerequisite bodies for further certification of Blue Lodge membership.*

1973 Proceedings, p. 98. *Under § 323.8 a Noble is required to maintain membership in a prerequisite body in order to retain membership in the Shrine; but according to § 323.3(b) no temple may add to that a requirement that its members provide certification of membership in symbolic lodges.*

§ 323.5

1975 Proceedings, p. 20. *§ 323.5 requires that petitioners for initiation be elected by ballot, which by its very nature is secret; and a voice vote on petitions for initiation is contrary to Shrine law.*

§ 323.7

1973 Proceedings, p. 96. *A Noble holding associate membership under § 323.7 must pay the hospital assessment in each temple in which he holds membership and from which he does not have a Permanent Contributing Membership certificate issued pursuant to § 332.4.*

1973 Proceedings, p. 97. *Under § 323.7(b), the jurisdictional requirements for associate membership are the same as those relating to affiliation by demit under § 328.8. A Noble who lives in the jurisdiction of one temple may not petition another temple for associate membership without a waiver from the first.*

1973 Proceedings, p. 97. *Under § 323.7(b) a Noble who resides within the jurisdiction of one temple may apply for associate membership in another temple upon receiving a waiver from the temple in the jurisdiction of which he resides.*

1973 Proceedings, p. 97. *Under § 323.7(g) an associate member may hold office in a Shrine club of a temple which otherwise disqualifies members of other temples from office in its Shrine clubs.*

1974 Proceedings, p. 26. *Inasmuch as § 323.7(g) vests in an associate member all of the rights and privileges of membership in the Temple of which he is an associate member, except the right to hold elective office, he is entitled to a demit from that Temple if he qualifies under § 323.10(a).*

1975 Proceedings, p. 19. *§ 323.7 does not prohibit the holding of associate membership in more than one Temple.*

1976 Proceedings, p. 177. *Under § 323.7(g) associate members have all of the rights and privileges of regular membership except that of holding elective office in the Temple itself, so a Potentate may not forbid their holding office in Shrine Clubs or Units on the basis of their associate membership alone.*

1976 Proceedings, see p. 177. *One who holds associate membership in a Temple and wishes to convert that membership to regular membership must obtain a demit from his "mother" Temple and make an application for regular membership by affiliation in the second Temple under § 328.8.*

1977 Proceedings, p. 162. *By virtue of § 323.7(b), the 1976 amendments to §§ 328.2(b) and 328.6(c) apply to Associate Members.*

§ 323.8

1967 Proceedings, p. 82. *A suspended member is entitled to be automatically restored to membership upon demonstrating that he has been restored to good standing in the prerequisite body, but payment of dues cannot be required for any full year of suspension.*

ANNOTATIONS TO BY-LAWS (IOWA)

1973 Proceedings, p. 98. Upon receipt of official written notice from a prerequisite body that a demit has been granted to one of its members who does not hold membership in the other prerequisite body, a temple must treat the member as suspended in accordance with § 323.8(c) for having failed to maintain the requirements of § 323.3(a).

§ 323.9

1967 Proceedings, p. 83. Conviction of a crime, in the absence of Temple disciplinary proceedings or termination of prerequisite memberships, does not result in a loss of Shrine membership.

1972 Proceedings, p. 154. By the provisions of § 323.9(b) membership is terminated by expulsion, and one who has been expelled must apply again for membership under § 330.2(d) (2).

1975 Proceedings, p. 21. The issuance of a demit does not terminate one's membership in the Order, but under § 323.9 simply suspends his rights of membership in the Temple which issues the demit; so, under § 330.1, a demitted Noble is subject to discipline by the Temple in the jurisdiction of which he resides.

1978 Proceedings, p. 87. A Noble against whom a complaint has been lodged but as to whom the formal written charges described in §330.2(a)(3) have not been filed, is "free from charges" within the meaning of §323.9(b) and may resign his Temple membership.

§ 323.10

1971 Proceedings, p. 97. After adoption by the temple of an assessment pursuant to §332.7, a demit may be granted under 323.10(a) only if the assessment is paid.

1972 Proceedings, p. 155. A Noble who requested a demit before the levy of an assessment is not required by § 323.10(a) to pay the assessment before issuance of his demit, even though issuance be delayed until after the assessment has been levied.

1973 Proceedings, p. 97. To either withhold a demit from one who qualifies under § 323.10(a) or to delay its issuance beyond a reasonable time, for any reason, is a violation of § 323.10 (b).

§ 323.11

1978 Proceedings, p. 88. Under §323.11(d) a Noble who has been suspended for nonpayment of dues may be restored upon terms authorized by the Temple, and such terms may be expressed either by the Temple By-laws or otherwise in accordance with §324.8.

§ 323.13

1967 Proceedings, p. 84. A life member of a Temple who took a demit is entitled to be restored to life membership status upon reaffiliation.

1973 Proceedings, p. 97. Imperial By-law §§ 323.13 and 332.6 are permissive only, so that a temple must itself establish the conditions upon which it will grant life membership.

1973 Proceedings, p. 97. So long as the minimum requirements expressed in §§ 323.13 and 332.6 are met, a temple is free to fix its own policies with respect to creation of life members.

§ 324.1

1971 Proceedings, p. 97. Stated meetings of a temple must be held at the city named in its charter; and, at ceremonial sessions held elsewhere, §328.7(a) prohibits the transaction of any business other than the election and initiation of candidates.

1972 Proceedings, p. 152. So long as the Temple holds at least one stated meeting during each calendar quarter, as required by § 324.1, Temple By-laws may include a provision which permits the Potentate to dispense with other stated meetings.

ANNOTATIONS TO BY-LAWS (IOWA)

1972 Proceedings, p. 153. *All business meetings of a Temple must be held at the city named in its charter and, even at ceremonial sessions held elsewhere pursuant to § 328.7, the transaction of any business other than the election of candidates is prohibited.*

1973 Proceedings, p. 97. *The stated meeting of a temple is not the appropriate forum for debate of either a suspension Order issued by the Imperial Potentate or Masonic charges pending against a member of the Order.*

1975 Proceedings, p. 20. *A Temple may take action only at a stated or specially called business meeting, and cannot be bound by a mail referendum.*

§ 324.3

1978 Proceedings, p. 87. *Inasmuch as §324.3 proscribes the transaction at a special meeting of business other than that specified in the notice, an election to fill a vacancy created by the promotion of an officer at a special election may not be conducted unless the notice of the special meeting so provides, notwithstanding the discretionary provisions of §325.13(b) which permit the filling of such a vacancy if notice is given.*

§ 324.7

1972 Proceedings, p. 154. *§ 324.7 does not authorize the Potentate to select a Past Potentate to preside when the former is absent from a meeting or session of his Temple.*

§ 324.8

1966 Proceedings, p. 211. *The use of proxies or voting by mail is prohibited.*

1970 Proceedings, p. 93. *Any action of Temple officers or committees, unless pursuant to powers and duties expressly delegated to them, is subject to review and rescission by the Temple.*

1974 Proceedings, p. 26. *It is manifest from the provisions of § § 327.5, 324.8 and 334.4 that so long as it complies with Shrine law, the Temple itself has ultimate authority with respect to all of its financial affairs, including those of appendant or affiliated corporations.*

1975 Proceedings, p. 20. *In the absence of a Temple By-law delegating to some officer or committee the authority to dispose of Temple assets, § 324.8 requires specific authorization by the Temple itself to sell an asset belonging to the Temple.*

§ 324.14

1965 Proceedings, p. 43. *Honorary membership to Nobles only. Majority vote of Temple.*

§ 325.1

1971 Proceedings, p. 95. *A noble may not at the same time hold both the offices of Potentate and Recorder of his temple.*

§ 325.3

1975 Proceedings, p. 20. *The offices of Director and Outer Guard are incompatible, and one person may not be appointed to both offices.*

§ 325.5

1967 Proceedings, p. 84. *There is no objection to a waiver of rules and the adoption of a motion for casting a unanimous ballot for an unopposed candidate for Temple office.*

1975 Proceedings, p. 20. *Under § 325.5 Temple officers must be elected as individuals and the Nobility may not be required to vote for one or the other of two "slates" of candidates.*

ANNOTATIONS TO BY-LAWS (IOWA)

§ 325.7

1967 Proceedings, p. 83. *A Temple may create, by appropriate by-law, the office of Recorder Emeritus or Treasurer Emeritus.*

1974 Proceedings, p. 26. *Unless pursuant to § 325.7 a Temple has made provision in its By-laws for such officers, it may not elect an Assistant Treasurer or an Assistant Recorder.*

1974 Proceedings, p. 27. *Neither the Potentate nor the Board of Directors of a Temple may create additional Temple offices, for which provision may be made only by the Temple By-laws pursuant to § 325.7.*

§ 325.8

1978 Proceedings, p. 88. *Because §325.8 requires that nominations for Temple office be made from the floor, the practice of suspending the rules in order that unopposed nominees may be elected by the casting of one ballot comes within the exception expressed in §101.4 and Section 44 of Roberts Rules of Order, Newly Revised, does not apply, because it contemplates the situation described in Section 45 of Roberts, which says that nominations for office are not necessary.*

§ 325.10

1965 Proceedings, p. 40. *Use of written devices prohibited.*

1968 Proceedings, p. 121. *Shrine Club Meeting Notice cannot recommend candidates for Temple office.*

1971 Proceedings, p. 97. *The distribution among members of the temple of an "information sheet" containing the name of a proposed candidate for temple office and listing his Masonic history, military service record, and civilian work record is a violation of §325.10(a) even though the office to which he aspires is not mentioned.*

1972 Proceedings, p. 154. *The editors of unit and Shrine Club newsletters are responsible for violations of § 325.10(a) in publishing solicitations for support of candidates for Temple office.*

1972 Proceedings, p. 153. *A Temple By-law provision which prohibits the expenditure of money for gifts, favors or entertainment on behalf of candidates for Temple office is not inconsistent with Article 25.*

1975 Proceedings, p. 19. *A Temple is free to regulate campaigns for Temple office so long as the regulations are consistent with Article 25 of the Imperial By-laws; but without a trial under Article 30, only the Imperial Potentate may suspend one who violates such regulations or declare the election void.*

1976 Proceedings, p. 175. *An oral announcement by a prospective candidate for Temple office of his intention to become a candidate is not a violation of Shrine law, but the publication in a Temple newspaper of the fact that such announcement was made is contrary to § 325.10(a).*

§ 325.12

1977 Proceedings, p. 162. *A Temple officer who lives in an area which becomes a part of the jurisdiction of a newly organized Temple does not lose his office thereby, because § 325.12 requires only that he live within the jurisdiction of the Imperial Council.*

1977 Proceedings, p. 163. *A Temple By-law which restricts eligibility for Temple office to certain counties of residence is inconsistent with § 325.12 and void.*

§ 325.13

1967 Proceedings, p. 83. *Shrine law does not permit the election and installation of a Potentate, accepting his resignation from office, and the election and installation of his successor at the same meeting.*

1970 Proceedings, p. 96. *A special election should be held to fill a vacancy created by the suspension of a Representative to the Imperial Council.*

ANNOTATIONS TO BY-LAWS (IOWA)

1972 Proceedings, p. 152. *The Oriental Guide is not required to resign from his office in order to be a candidate for the office of High Priest and Prophet at a special election held pursuant to § 325.13; and, if he is elected, the vacancy in his office thus created may be filled at the same meeting.*

1973 Proceedings, p. 96. *A special election under § 325.13(a) is not mandatory; but the temple itself may direct that a special election be called, in which event a special election must be held at the time and place directed.*

1978 Proceedings, p. 87. *Inasmuch as §324.3 proscribes the transaction at a special meeting of business other than that specified in the notice, an election to fill a vacancy created by the promotion of an officer at a special election may not be conducted unless the notice of the special meeting so provides, notwithstanding the discretionary provisions of §325.13(b) which permit the filling of such a vacancy if notice is given.*

§ 325.14

1976 Proceedings, p. 176. *A vacancy in the office of Representative to the Imperial Council may be filled only by election, except in the special circumstances mentioned in § 325.14(a).*

§ 326.1

1968 Proceedings, p. 121. *The obligation of a Temple officer cannot be taken by proxy.*

§ 326.3

1966 Proceedings, p. 211. *Elected Temple officer continues to hold office until his successor is both elected and installed.*

§ 327.1

1966 Proceedings, p. 212. *Failure of officers having custody of Temple books and records to make them available for inspection or audit by authorized persons is contrary to Shrine Law.*

1974 Proceedings, p. 27. *The Potentate has no authority to suspend a member of his Temple; but, if he is of the opinion that the Noble is guilty of conduct unbecoming a Noble of the Mystic Shrine, he should see to the institution of proceedings under Article 30.*

1975 Proceedings, p. 19. *Neither § 327.1 nor any other provision of the Imperial By-laws empowers the Potentate of a Temple to suspend a member of his Temple without a trial under Article 30.*

§ 327.3

1966 Proceedings, p. 208 and 209. *Temple Recorder has custody and control of Records, subject to provisions of Temple By-laws or direct action of the Temple.*

1978 Proceedings, p. 87. Any reassignment of duties among Temple officers or employees must be accomplished in accordance with or by amendment to the Temple By-laws in a manner consistent with the Imperial By-laws, and not simply by action of the Temple Board of Trustees in contravention of §§ 327.3 and 327.4.

1978 Proceedings, p. 87. Any reassignment of duties among Temple officers or employees must be accomplished in accordance with or by amendment to the Temple By-laws in a manner consistent with the Imperial By-laws; and not simply by action of the Temple Board of Trustees in contravention of §§ 327.3 and 327.4.

1973 Proceedings, p. 99. Under § 327.5, temple by-laws may delegate specific powers to boards or committees subject to review by the temple at stated meetings; and the Potentate has no authority to countermand any lawful decisions properly within the scope of the responsibilities of such boards or committees.

1975 Proceedings, p. 20. Under § 327.4(f) and § 327.5 both the Treasurer and the Temple Trustees must account to the Temple for the expenditure of Temple funds in accordance with appropriations made pursuant to § 334.4(d).

§ 328.6

1966 Proceedings, p. 209. Applies to both petitions for initiation and affiliation.

1977 Proceedings, p. 161. § 328.7

1972 Proceedings, p. 154. By virtue of § 328.1 a Temple is sovereign in its own territorial jurisdiction and, accordingly, it may attach conditions to any consent given under § 328.7(d) that another Temple may hold a ceremonial within its jurisdiction.

1976 Proceedings, p. 177. One who holds associate membership in a Temple and wishes to convert that membership to regular membership must obtain a demit from his "mother" Temple and make an application for regular membership by affiliation in the second Temple under § 328.8.

1977 Proceedings, p. 161. While a Noble who lives in concurrent jurisdiction is entitled to a demit if he meets the requirements of § 323.10(a), he may not affiliate with another Temple holding the same concurrent jurisdiction without consent of the Temple from which he demits in accordance with § 328.8(b).

§ 329.1

1975 Proceedings, p. 21. § 329.1(b) requires only that the signers of a petition for a dispensation be in good standing with their dues paid in full at the time that the petition is signed, not necessarily at the time the petition is presented.

1974 Proceedings, p. 26. A revision of Temple By-laws having been disapproved pursuant to § 331.2(e), the Temple continues to operate under the By-laws in effect prior to the adoption of the revision.

1977 Proceedings, p. 162. Inasmuch as § 331.2(e) requires approval by the Imperial Potentate of any Temple By-laws, which become effective only upon his approval, a Board of Trustees constituted by Temple By-laws may not act prior to such approval.

1976 Proceedings, see p. 176. The fee for conferring the order having been established by the By-laws of a Temple, it may be changed only by an amendment to the By-laws pursuant to §§ 331.1 and 331.2 and not by simply adopting a Resolution at a stated meeting.

§ 332.6

1973 Proceedings, p. 97. Imperial By-law §§323.13 and 332.6 are permissive only, so that a temple must itself establish the conditions upon which it will grant life membership.

ANNOTATIONS TO BY-LAWS (IOWA)

1973 Proceedings, p. 98. Inasmuch as the Uniform Chart of Accounts does not provide for "contingency" appropriations, a temple budget which does so is violative of § 334.4(a).

1974 Proceedings, p. 26. It is manifest from the provisions of §§ 327.5, 324.8 and 334.4 that so long as it complies with Shrine law, the Temple itself has ultimate authority with respect to all of its financial affairs, including those of appendant or affiliated corporations.

1976 Proceedings, p. 175. A Temple budget may be amended only by action of the Temple itself under § 334.4(e), and Temple officers may not transfer appropriations from one budget classification to another.

1976 Proceedings, p. 176. Capital expenditures as well as operating expenses must be included in the Temple budget in order that appropriations may be made therefor in accordance with § 334.4.

1977 Proceedings, p. 161. Notwithstanding a provision of the Temple By-laws vesting control of all Temple funds other than those budgeted for operating expenses in the Temple Trustees, under § 334.4(e) the Temple may amend its budget at any meeting of the Temple and may increase the amount budgeted for operating expenses without consent of the Temple Trustees.

1977 Proceedings, p. 163. By § 334.4(d) the adoption of a budget by the Temple constitutes the appropriation of funds for the purposes indicated in the budget; but some officer, committee or other agent of the Temple must make judgments as to specific expenditures and determine whether such expenditures are within the scope of the appropriations. That power

ANNOTATIONS TO BY-LAWS (IOWA)

EXPENSE — DETAIL

The following subsidiary breakdown of the Expense Accounts is not necessary unless the Temple desires to keep such a breakdown. Many Temples will want to divide these accounts in a different manner than is shown in the Chart of Accounts. There is no objection to that if they maintain the general captions. ACCOUNT 102: PETTY CASH REVOLVING FUND

The amount of cash on hand necessary to meet all minor needs should be determined and that amount charged to this account. The fund should be operated on an imprest basis.

ACCOUNT 110: DUES RECEIVABLE

Under correct procedure at the beginning of the year, the total Accounts Receivable from members for dues should be computed and charged to this account. The part that goes to the Imperial Council should be credited separately under Account 200. The hospital fund should be credited separately for its part under Account 200-A. The remainder is the income available for the operation of the Temple and is shown in Account 401. In many cases, the accounts are not handled, in this manner, but if so handled, should follow the procedure above.

ACCOUNT 111: ACCOUNTS RECEIVABLE

This represents amounts due from commercial organizations arising from sales to them. An example would be sale of advertising space in the Temple Magazine.

ACCOUNT 112: CASH ADVANCES

From time to time, it may be necessary to advance funds to various organizations, such as uniformed units, etc. This account should be charged with the amount that has been advanced, and credited as payments are received.

ACCOUNT 120: INVESTMENTS—STOCKS & BONDS

In this account should be listed all the investments in stocks and bonds, except in the case where the Temple has corporate ownership in a Mosque, or a Temple, with Scottish Rite or other Masonic organizations. Where such stock is held, it should be considered as an investment in buildings and carried under Account 130. This account is charged with all securities purchased and credited with securities sold or otherwise disposed of.

ACCOUNT 121: INVESTMENTS—OTHER

There will not be many occasions where this account will be used. But, in case there should be other investments, they should be carried in this account.

ACCOUNT 130: MOSQUE BUILDING

This includes the cost of purchase, construction, or other carrying value of the Mosque Building only, and any subsequent improvement should be charged here. Please bear in mind that if you have an ownership in a building with other organizations as evidenced by stock this should be carried in Account 130.

ACCOUNT 131: OTHER BUILDINGS

This includes the cost of purchase, construction, or other carrying value of all other buildings owned by the Temple, including Shrine Club buildings, if paid for by the Temple, or acquired by gift.

ACCOUNT 132: FURNITURE & EQUIPMENT

All items of equipment and furniture which have a useful life of one year, or more, should be charged to this account. If any of the furniture or equipment be disposed of, it should be credited to this account.

ACCOUNT 133: PARAPHERNALIA

ACCOUNT 134: LAND AND REAL ESTATE

All land sites owned by the Temple should be charged here, including the land on which the Mosque Building is situated, a country club, or any other real property. The cost prices should be used. If acquired other than by purchase, a carrying value (market appraisal, etc.) should be determined for record purposes.

ACCOUNT 140: MERCHANDISE INVENTORY—FEZ

The Fez inventory should be charged with all fezzes purchased. If fezzes are given to candidates, they should be charged under Account 603 and this account credited.

ACCOUNT 141: MERCHANDISE INVENTORY—FOOD AND BEVERAGE

ACCOUNT 142: MERCHANDISE INVENTORY—JEWELS, ETC.

It also should include premiums on all types of insurance and credits will be made according to a schedule of insurance, and charged to Account 601-F.

ACCOUNT 151: OTHER DEFERRED CHARGES

This account should be charged with accrued interest and other items of a similar nature that apply to a subsequent accounting period.

GROUP II — LIABILITIES

ACCOUNT 200: ACCOUNTS PAYABLE—IMPERIAL COUNCIL HOSPITAL LEVY

On January 1st of each year, every Temple pays to the Imperial Council \$5.00 for members on the roll December 31st, preceding, who are not permanent members of the hospital. This account is charged at the time the payment is made to the Imperial Recorder. If the cash basis of accounting is followed, then dues are collected. The \$5.00 for the hospital is credited to this account, and the account is charged when payment is made to the Imperial Recorder. As new members are created during the year the same procedure as is used at the beginning of the year should be followed, that is, charge dues receivable and credit Account 200 for the hospital levy, and credit Account 200-A for per capita due the Imperial Council. Accounts 200 and 200-A are charged as remittances are made to the Imperial Recorder. If the member purchases a P.C.M., no credit is set up for the hospital levy.

ACCOUNT 200-A: ACCOUNTS PAYABLE—IMPERIAL COUNCIL

On January 1st, each Temple owes \$1.10 per capita dues to the Imperial Council for all members on the roll at December 31st, preceding. This account is charged at the time of the payment to the Imperial Recorder. Under the cash receipts basis of accounting, the dues are collected and one dollar and ten cents thereof credited to this account. For Temple Life Members, past Potentates, and delinquent members, a charge is made to Account 600, and a credit is made to this account at the end of the year to clear up the charges set up at the beginning of the year. All amounts due the Imperial Council are to be carried in this account. Unpaid balances of the installment option on Hospital Levy and the per capita dues would be carried here until paid. The same procedure as outlined under Account 110 and under the caption just preceding should be followed under 200-A.

ACCOUNT 201: ACCOUNTS PAYABLE—OTHER

This account is credited with all amounts payable other than to the Imperial Council, except as specified hereinafter.

ACCOUNT 202: SOCIAL SECURITY TAX WITHHELD

This account should be credited with the amount of taxes withheld and charged as the amounts are paid out for Federal Old Age Benefit tax.

ACCOUNT 203: WITHHOLDING TAX—FEDERAL

This account should be credited with the amount of withholding tax withheld from salaries and charged as payments are made to the Federal Government.

ACCOUNT 204: WITHHOLDING TAX—STATE

ACCOUNT 204-A: WITHHOLDING TAX—MUNICIPAL

These accounts should be credited with the amounts of withholding tax withheld from salaries and charged as payments are made to the State Government or the Municipal Government.

ACCOUNT 205: DUES PAID IN ADVANCE

To this account should be credited all dues paid in advance. They should not be credited to an income account until after the first of the year. To those Recorders who have set up the accounts receivable at the beginning of the year, the dues in advance should be credited to Accounts Receivable—dues, and charged to the dues paid in advance.

ACCOUNT 207: DEFERRED REVENUE

This account will be credited for income received before it is due, from sources other than dues or initiation fees. The credits thus received will be closed out to the appropriate income account at the beginning of the next year. Items which might fall into this account are Temple Magazine advertising and rental income.

ACCOUNT 208: P.C.M. AND V.P.S.

All permanent contributing memberships and voluntary permanent subscriptions purchased should be credited to this account, and the account charged as payments are made to the Imperial Recorder.

ACCOUNT 209: HOSPITAL LEVY PAID IN ADVANCE

This is to be handled in the same way as P.C.M.s and V.P.S.s.

ACCOUNT 210: ACCRUED YEAR END EXPENSES

Explanation of the Calendar

The Mohammedan year contains twelve months of thirty and twenty-nine days alternately, except leap years (indicated by a star), when the twelfth month has thirty days. The small numbers (printed in red) from 1 to 366 are the days of the Gregorian year, and are affixed to corresponding days in both calendars.

EXAMPLE

The 13th day of the 12th month, Dhu-l-Hijjah, 1398 (marked 46 in red) is the 15th day of November, 1978 (also marked 46 in red).

What day in the Mohammedan year is June 3, 1978?

Finding June 1, 1979 in the Gregorian calendar it is found to be marked 244 in the red figures. The corresponding figure in red on the Mohammedan calendar is found to be the 4th day of the 7th month, Rajab, 1399.

IMPERIAL POTENTATE MORRISON: I now proclaim this Session to be opened for business to be transacted in the Iowa, Colorado and all appendant charitable corporations and that the sessions will remain open until adjourned.

... Business was transacted in the Iowa Corporation at this time. . .

IMPERIAL POTENTATE MORRISON: I would now like to call on George Saunders, our Imperial Recorder, for a motion to elect the Representatives as members of the Colorado Corporation.

IMPERIAL SIR GEORGE M. SAUNDERS: Imperial Sir, in accordance with the provisions of Section 504.1 of Shrine Law, I would move that those Representatives who were not in attendance at the last Session, even those elected as Representatives of the Iowa Corporation at the Annual Meeting and appointed since and are not members of the Colorado Corporation, that they be now elected as members of the Colorado Corporation for their ensuing terms.

Now we will have a ten-minute recess for the registration of newly elected members.

IMPERIAL SIR SAUNDERS: Let me say that those who have not been elected previously have no ballot books in your registration envelope. AFTERNOON SESSION

MONDAY, JULY 10, 1978

1:40 O'CLOCK P.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was convened in the Renaissance Ballroom of the Detroit Plaza Hotel, at 1:40 o'clock p.m., Imperial Potentate Fred R. Morrison presiding.

... Business was conducted in the Iowa Corporation at this time...

IMPERIAL POTENTATE MORRISON: Now, gentlemen, under the By-Laws of the Shrine, a man may be elected to Trustee Emeritus if he resigns at the proper time.

Chester Hogan, a member of the Board of Trustees for twelve years, has requested that his resignation be taken up at this meeting.

I will say to you at this time, Chester, that your resignation has been accepted and if you gentlemen will agree with me, we will make a unanimous decision here that Chester Hogan has resigned as a member of the Board of Trustees and is now a Trustee Emeritus.

Is that all right with you, gentlemen?

... It was severally moved, seconded and unanimously carried that the resignation of Imperial Sir Chester Hogan from the Board of Trustees be accepted and that he be made a Trustee Emeritus...

IMPERIAL POTENTATE MORRISON: Chester, you are now a Trustee Emeritus. Do you have anything you would like to say at this point?

IMPERIAL SIR CHESTER HOGAN: Thank you very much, Imperial Sir.

I think it is time, after some 12 years, that I should step aside and have a younger man take my place. It has been great to be of service. I have enjoyed it. It is the greatest thing in the world working for our Hospitals and I wish that others can have the same opportunity.

Thank you very much, Nobles. (Applause)

IMPERIAL POTENTATE MORRISON: Thank you very much.

... Business was conducted in the Iowa Corporation at this time...

IMPERIAL POTENTATE MORRISON: Now I would like to call on Walter Jeffries to present item No. 10 as indicated in the Call.

NOBLE WALTER JEFFRIES [Reading]:

To the Members of the Colorado Corporation:

There has been referred to your Committee on Jurisprudence and Laws by Robert J. Turley, a member of the Corporation and of Oleika Temple, a proposal to amend § 501.2(d) of Article 1 of the By-Laws of the Colorado Corporation, so that said Subsection will read as follows:

"§ 501.2(d) MODIFICATION. A proposed amendment may be modified at the meeting while it is under consideration, but the modification must be germane to the subject matter of the proposed amendment and it may not go beyond the scope of the proposal submitted under § 501.2(a)."

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully Submitted,

COMMITTEE ON JURISPRUDENCE
AND LAWS

Robert J. Turley, Chairman
Edward G. Maag
Robert E. Cooper
Mahlon W. Hessey
Theodore Corsones
Walter S. Jeffries
Robert W. Morrison

IMPERIAL POTENTATE MORRISON: Thank you, Walter.

I again would like to call on Bob Turley at this time.

NOBLE ROBERT TURLEY: Thank you, Imperial Sir.

Again, Representatives, you will find this Item on page 25 and 26 of your Call.

As most of you know, we have two corporations. You have just adopted a similar amendment in the Iowa Corporation and this, in turn, will also bring the Colorado Corporation By-Laws into compliance.

I would move you, Imperial Sir, adoption of the amendment to Section 501.2(d), which is item No. 10 in the Call.

... The motion was severally seconded...

IMPERIAL POTENTATE MORRISON: It has been moved and seconded that this proposed amendment be adopted.

Is there any discussion?

If not, all in favor indicate by saying aye; opposed no. I declare the amendment adopted by unanimous ballot.

... Business was conducted in the Iowa Corporation at this time...

IMPERIAL POTENTATE MORRISON: I would now like to call on F. T. H'Doubler, Jr., M.D., for a progress report on the Chicago Unit.

IMPERIAL SIR H'DOUBLER: Imperial Sir, Imperial Sirs and Representatives: This is intended to be a progress report on the developments which have taken place in the construction of our new Chicago Unit since our last Imperial Council Session at New York.

You will recall that we came before you last year and requested and obtained your unanimous approval for an \$11 million appropriation to construct a new hospital facility on the site of our present Orthopedic Unit at Chicago, Illinois.

The past 12 months have been an eventful and busy period for the members of the Board of Directors, Board of Trustees, Chicago Unit Board of Governors and staff members of our Chicago Unit.

We have selected an outstanding architectural firm for the project and they have gained our complete confidence in their work to this point.

We initially received submissions of interest from approximately 100 architectural firms in the country who had learned of our proposed construction through various articles which appeared in newspapers across the country.

From this group, we narrowed our sights to ten firms, all from the Chicago area, who had previous experience in hospital construction.

After interviewing this group of architects, we finally selected Loebel, Schlossman and Hackl, a Chicago-based architectural firm, who have specialized in hospital construction for the past decade.

In May of this year, the architect presented schematic drawings of the facility to the Joint Board Meeting of the Board of Directors and Trustees. The schematic drawings represented many months of work on the part of the architects, staff members and various members of the Board and represents a giant step forward in the area of Orthopedic, Pediatric care delivery.

As you will recall from our presentation last year, our objective is to develop a center of excellence, placing emphasis not only on rendering superior patient care but also to make a significant contribution in the fields of Orthopedic research and teaching.

We, the members of the Board, as well as our staff members and the dedicated doctors serving on our Surgical Advisory Board feel that the plans we have developed will revolutionize the hospital industry.

We have obtained, from the State of Illinois, all of the necessary approvals for the construction of this facility and on June 11th, our Imperial Potentate presided over a ground-breaking ceremony that was attended by an excess of 2,000 people, including the Divan members of fourteen Temples which are affiliated with the Chicago Unit.

The architects are currently engaged in the process of developing working drawings which we expect to be accomplished by January, 1979, at which time the invitations to bid will go out to selected contractors. At this time, we estimate the building to be completed by early fall of 1980.

At the time of our presentation last year in New York City, we reported to you that we were requesting an \$11 million appropriation for the construction of this Unit and anticipated receiving a sizable contribution from the Walter E. Olson Foundation of Chicago, Illinois.

It is my pleasure to inform you that the proposed construction costs will be within the \$11 million appropriation granted by this body and also to inform you that we have received a grant from the Olson Foundation for construction purposes which is in excess of \$6.5 million. (Applause)

I will report to you again next year on the progress of construction and two years from now it is my intent to report on the completion of the project, which I know will put Shriners Hospitals for Crippled Children in the forefront of Orthopedic care delivery. (Applause)

Imperial Sir, I would move for the acceptance of this progress report.

...The motion was severally seconded...

IMPERIAL POTENTATE MORRISON: It has been moved and seconded that this progress report be accepted. Is there any discussion?

If not, all in favor indicate by saying aye; opposed no. It is unanimously accepted.

I would now like to have a report from Peter Val Preda with regard to the Investment Committee.

IMPERIAL SIR PETER VAL PREDA: Imperial Sir, Imperial Sirs and Representatives: As Chairman of the Investment Committee, I am pleased to report that our Committee has met throughout the year and carried out all assignments in accordance with Section 510.1(3) of the Colorado Corporation By-Laws.

My report covers the year ended December 31, 1977, which was not a particularly good year from a performance standpoint for our Endowment Fund.

While we had a record setting year insofar as new funds received and added to our Endowment Fund are concerned, the market did not perform well as the year ended with common stocks in a depressed state.

I do have some encouragement, however, in the fact that we have seen a substantial recovery in the first half of 1978, which was noted at our last Committee Meeting on June 12th.

One of the major responsibilities of our Committee is the Annual Evaluation of our Investment Managers Performance. This evaluation determines which accounts are among our best performers, our average performers and those below average.

New monies, as they are received, are deposited to our best performing accounts. Those with a below average performance are advised of their status and given every opportunity to improve their record. If we find that they are not capable of improving their performance, the assets under management are withdrawn and placed with one of our better performers. We feel very comfortable with our evaluation program and have noticed substantial improvement in our overall performance since the banks have been made aware that their account is being measured against the results of our other accounts.

I am pleased to report that our Endowment Fund, at December 31, 1977, reflected a combined market value of \$688,484,000.

The fund was invested 55 percent in common stocks, 41 percent in bonds and 4 percent in mortgages and cash investments.

The fund, at year end, was yielding a current return of 5.65 percent.

In closing, I would like to add that complete reports of Endowment Fund earnings, etc., are a part of your Book of Reports which you can review for more detailed information.

I may add, that in relation to the stock performance for the beginning of this year, I believe we can well say that our funds at this time may well exceed \$727 million.

However, the figures I just gave you were for the year-end.

Imperial Sir, I would move that this report be accepted.

...The motion was severally seconded...

IMPERIAL POTENTATE MORRISON: It has been moved and supported that the report be accepted. Is there any discussion?

All in favor will say aye; opposed no. The motion is unanimously carried and the report is accepted.

Peter, I want to thank you and your Committee for doing a wonderful job this year, in spite of all the adversities that we have had from the market and everything else.

...The Annual Meeting of Shriners Hospitals for Crippled Children, A Colorado Corporation, recessed at 10:58 o'clock a.m., to reconvene at 1:00 o'clock p.m....

AFTERNOON SESSION

WEDNESDAY, JULY 12, 1978

ONE O'CLOCK P.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was convened in the Renaissance Ballroom of the Detroit Plaza Hotel, at one o'clock p.m., Imperial Potentate Fred R. Morrison presiding.

IMPERIAL POTENTATE MORRISON: Representatives, if you will take your seats and the doors be closed in the rear, we will resume with our business.

...Business was conducted in the Iowa Corporation at this time...

IMPERIAL POTENTATE MORRISON: We do have an update concerning our Chicago Hospital Program and at this time I would like to call on the Chairman of this Committee, Dr. H'Doubler. I would like to have you, Imperial Sir, present these Representatives with an update report.

IMPERIAL SIR H'DOUBLER: First of all, Imperial Sir, let me take the opportunity of thanking the Grand Master of Texas for making one of the nicest addresses ever given to this body. (Applause)

Now, regarding the Chicago Unit, I have two very pleasant reports to make.

The first of these is that out in the hallway here we do have a replica of our new Chicago Unit. It was lost in the mail but it is presently here now for all of you to examine.

Secondly, I want to say that in the beginning, the Olson Foundation gave us \$5 million and then recently in relation to some stock concerning Sears and Roebuck, another \$1,278,180.

Ms. Peltz, who is the Executor of the Olson Foundation and was the lifetime Secretary of Mr. Walter Olson, came to our Ground-breaking ceremonies on Hospital Day this year. What she saw impressed her so much and the reception that she received from all of the Nobility impressed her so much that yesterday we were informed that she is now giving us in cash another \$1,150,000. (Applause)

Imperial Sir, I would move the acceptance of this updated report.

...The motion was severally seconded...

IMPERIAL POTENTATE MORRISON: Gentlemen, there is a motion to accept not only the report but the additional funds. All in favor will say aye. Does anybody have the will to say no?

It is so ordered, unanimously carried. Thank you very much.

...Business was conducted in the Iowa Corporation at this time...

IMPERIAL POTENTATE MORRISON: Now, Imperial Sirs, I am going to deviate a little from the agenda and at this time we will have a report from the Chairman of the Board of Trustees, Shriners Hospitals for Crippled Children, by Past Imperial Potentate, C. Victor Thornton. Are you ready, Vic?

IMPERIAL SIR C. VICTOR THORNTON [Past Imperial Potentate and Chairman, Board of Trustees, SHCC]: Thank you, Imperial Sir.

Imperial Sir, Imperial Sirs, Illustrious Sirs, my fellow Nobles:

According to the By-Laws of the Colorado Corporation, the Hospital Corporation, one of the duties of the President and the Chairman of the Board of Trustees, is to report to you on "matters pertaining to the operation and transactions of the hospitals".

It is a pleasure to do so now.

The year of 1977 was another successful year for Shriners Hospitals although, for the first time in over a dozen years, there was no growth in the number of patients treated.

The number of patients discharged declined about 2 percent, to a little over 10,000. However, the number of operations performed increased 3 percent, reflecting the increasing complexity of cases being handled.

Outpatient visits also increased by 1 percent.

During 1977, expenditures for Orthopedic research increased and for the current year of 1978, will be about 2½ times what they were in 1977.

The Research Committee, chaired by Dr. Daniel E. Bowers, has developed an excellent system of review of research proposals which we believe will ensure prudent expenditures of research funds.

For two reasons, the average of the daily census in all units declined by approximately 5 percent during the year.

First there was a reduction in the average length of stay of approximately 10 percent. This is in line with the experience of all hospitals of all types and is considered desirable.

In some of our units, where most of the patients come from areas surrounding a unit, the drop in the average length of stay was quite dramatic.

For example, the average Lexington stay dropped from 30 days to 24 days; Montreal from 36 days to 22 days and Portland from 20 days to 15 days.

The second reason for decline in the average daily census was that more children who formerly would have been bed patients are being treated on an outpatient basis. This is also in line with National trends and recommendations.

As a result of the lower census, the Board of Trustees reduced the number of active beds in the Montreal Unit from 60 to 45 and in the Spokane Unit from 40 to 30.

The cost of operating your hospitals during the year was approximately 8.7 percent higher than for the preceding year.

The 1977 budget for operating the hospitals, as approved by you in New York City, was \$37,770,000. Actual operating costs were one percent under budget. The proposed operating budget for the current year, which you will vote on later in this Session, is \$42,297,000, an increase of 11.2 percent.

Further information on financial matters is shown in the Book of Reports, of which I believe each Representative has a copy.

Of total operating income, 9.3 percent came from assessments of Shriners and 90.7 percent from earnings on the Endowment Fund and from fund raising activities conducted by your Temples.

The value of the Endowment Fund increased 8.7 percent from the end of 1976 to the end of 1977, despite a drop in the stock market. While the size of the Endowment Fund is a little behind what we had hoped to achieve by now, the return on it has increased such that adequate funds have been available to cover the operating budget.

Summarizing the financial picture, let me say that, thanks to your efforts and those of others in fund raising activities, and thanks to a general public which supports them and leaves Wills and Gifts to our Endowment Fund, the hospitals are in a sound financial position, able to proceed with programs of improvement in all areas including patient care, replacement of obsolete facilities and new research.

Let me cite one example of a dedicated group which works tirelessly for the benefit of our crippled children.

The Daughters of the Nile donated over 63,000 articles and over \$72,000 in cash directly to the hospitals and \$76,000 to a convalescent relief fund for our children in the year ended March 31, 1978.

During the year, a Special Committee chaired by Imperial Sir Jack Streight found and we employed a new Executive Administrator, Ms. Ann McGrath, who, on July 1st of this year, assumed the duties of Eleanor Baird, who has given 32 years of intelligent and dedicated service to Shriners Hospitals.

I am sorry to report that Dr. Carroll B. Larson the Medical Director for many years, is currently seriously ill. We are praying for his early recovery.

At the beginning of the year, Imperial Potentate Fred Morrison and I appointed several special committees composed of Trustees and Directors to work with some individual hospital units in carrying out building plans authorized by you and to make comprehensive studies of other units and recommendations to the Boards.

The Special Committee on the Chicago Unit, chaired by Imperial Sir Dr. F. T. H'Doubler, has worked closely with the architects and the local Board in the development of the plans for the new building which will be located on the present hospital site. They have produced what is, in my judgment, an excellent, innovative, attractive plan which will enable us to operate very economically in treatment as well as in research.

The Special Committee on the Portland Unit, chaired by Imperial Sir Charles J. Claypool, has worked closely with the Portland Unit Board of Governors and the University of Oregon Health Sciences Center Officials. Tentative agreement, subject to approval of our Boards, has been reached on an affiliation agreement with the University.

The Building Program was delayed temporarily because of some building restriction problems and objections by environmentalists but these have now been resolved.

The new site at the entrance to the University is truly magnificent, with a view across the valley toward Mt. Hood.

The new building will connect by corridor to the University Hospital, which will enable us to use many of its special services.

The Special Committee on Los Angeles has met with the unit Board of Governors and general agreement as to the best plan of action for that unit has been reached by the Committee.

It would be my hope that whoever is Chairman of the Board of Trustees for the coming year would reappoint a similar committee so that definitive plans for the future of the Los Angeles Unit can be developed and presented to the Boards of Trustees and Directors and to you for consideration at the next Imperial Council Session.

The Special Committee on the Twin Cities Unit, chaired by Trustee, Winner F. Delp, is working with the local Board on a possible affiliation with one or more medical centers there.

Last August, in accordance with action taken at the New York Session, the Winnipeg Unit was closed. The building was turned over to the Manitoba Health Services Commission in full settlement of all claims against our organization.

The Boards consider this an equitable and satisfactory arrangement.

Programs at the other Orthopedic Units are proceeding normally, although, in my opinion, we have now and will continue to have problems in maintaining reasonable census in some of them, particularly Montreal, Spokane and Twin Cities. We feel that there are still many children who need our services and that patient recruitment programs by hospital units and Temples should be helpful in maintaining census.

Last year I reported that President Carter stated that a National Health Insurance Plan would be submitted by early 1978.

The present situation is probably best described in this newspaper article of a few days ago. The headline states, "inflation may postpone National Health Program."

The article, datelined Washington, says, "the peril of inflation is causing President

Carter to put off the National Health Insurance he promised the nation. Carter said at his News Conference on Monday that it may take many years before economic conditions permit full implementation of the plan, which he promised during his election campaign".

Other National legislation on which I reported last year, which could affect our operation, is still pending.

We are monitoring it continuously and are in personal touch with people in Washington who will develop plans for it.

You are all familiar with the action taken at Tampa, which will provide a new headquarters building for Shriners Hospitals for Crippled Children.

Three weeks ago, in Oklahoma City, I attended the Annual Meeting of the National Association of Children's Hospitals and Related Institutions, which is composed of 62 hospitals serving children in the United States and which was organized about ten years ago.

Based on my discussions with leaders of many of these Institutions, I would say we are at least ten years ahead of most of them in our long range planning, in our budgeting and cost containment procedures and even more, in the area of statistical and medical records.

We have had the advantage, of course, of viewing a system of hospitals rather than one, thus making comparative analysis of operations easier, but even taking that fact into consideration, I believe any confidence that you may have in the way of our hospitals have been operating in the past is justified.

Great credit is due those dedicated and far-sighted men who preceded us and who gave their time and talent to our cause.

We cannot afford to be smug or complacent, however, because we are still faced with many problems and uncertainties. The operation becomes increasingly complex because of one problem which concerns us and most businessmen—the increasing intrusion of government into our affairs.

Let me quote from an article by W. Thomas Berriman, President of the American Hospital of Society Attorneys.

He says, "Like spring floods that annually erode the river banks, each legislative session in Congress and in the State Capitols carries away more control over hospitals from those heretofore charged with the responsibility for their future.

"The authority thus swept from Trustees, medical staff and Administrators usually finds its way to the delta of bureaucracy, where it lodges with federal state and local staff reviewers, inspectors and Deputy Assistant Directors.

"Make no mistake about it, the goal of these legislative enactments is control of hospital and decision making.

"The effect will be to diminish the traditional role of Boards of Trustees in controlling the long-range destinies of their hospitals."

Last year we survived intact a six-month audit by IRS. We have survived inspections by the Quasi-Governmental Joint Commission on Accreditation of Hospitals and most of our hospitals now have two-year accreditation. We were successful in getting a Certificate of Need from the Health Systems Agency for the new Hospital Building in Chicago.

The Certificate for Portland is still pending. You will be interested in knowing, however, that OSHA fined one of our Units \$40 for one light bulb not protected by a wire guard. (Laughter)

I would like to digress momentarily and call to your attention an article which appeared in the Detroit Free Press of July 7th.

It is entitled "Europeans Frowning on Philanthropy", and it is dated in Stockholm. It reads as follows:

"A few years ago, toward the end of his life King Gustaf VI Adolf decided to make a final bequest from the Royal Coffers to his Swedish subjects. He would contribute a sizable sum running into the hundreds of thousands of dollars to a National Association for the handicapped.

"The donation was never accepted. In fact, the would-be recipients admonished the King for attempting, as a private individual, to fulfill what was considered in modern-day Sweden, a Government function.

"Increasingly, in Western Europe, philanthropy is acquiring a bad name. Leftists assert it delays the expansion of government-control social benefits and softens popular attitudes toward private wealth.

"Even moderates are voicing disapproval of the elitism of philanthropists and foundations dispensing large amounts of funds and patronage without the controls of electoral mandates or the accountability of governmental bureaucrats."

I would say it is incumbent on us who are so interested in our great philanthropy, to elect Representatives who believe in our traditional way of life.

I hope that is not really too political.

Yes, we do have many problems but the Board of Trustees and the Board of Directors and their Committees propose to resist erosion by government action of our historic role in the health care delivery system.

We must see that the one thing which gives us a modicum of independence, our Endowment Fund, is not gobbled up by inflation. We must continue to develop plans which will ensure the survival of our hospital system regardless of changes in the political, sociological and medical climate.

The survival and successful operation of Shriners Hospitals for Crippled Children is made possible by the efforts of many thousands of people working together. In your behalf, let me cite and thank a few of them:

First, Imperial Potentate Fred R. Morrison, for his able and cooperative leadership. At this point let me add my personal thanks and appreciation to Imperial Sir Fred for his generous, thoughtful and cooperative manner during the year.

Next let us thank Vice Chairman Warren Weck and the Board of Directors and Board of Trustees, whose members have worked diligently on committee assignments, deliberated earnestly and voted conscientiously their convictions.

Committee Chairmen not mentioned elsewhere who have had key roles during the past year are Imperial Sirs W. W. Bennett, Randolph R. Thomas, Peter Val Preda and Richard B. Olfene, Chairmen of the Building and Equipment Committee, the Salary and Personnel Committee the Planning and Budget Committee respectively.

Executive Secretary, Lew Molnar, who gives so much of himself and his fine talents in performing the duties of his office.

General Legal Counsel, Edward G. Maag and Assistant General Counsel, Paul E. Ibach, who have carried an especially heavy load this year.

To our Medical Director, Dr. Carroll B. Larson and former Executive Administrator, Eleanor Baird, our present Executive Administrator Ann McGrath, Director of Medical Records, Mary K. Achorn and employees in the Central Office, whose experience, talent and hard work have been most essential to the operation of the 21 Units.

The members of the three Medical Advisory Boards, headed by Drs. Donald B.

Lucas, Robert Ray and Charles R. Baxter, eminent physicians and surgeons, who have given so freely and unselfishly of their time and talents.

And especially the Chairmen and members of the Boards of Governors, Chief Surgeons and their staff and Administrators and employees of the Units, who have done the actual work for the patients with ability and devotion.

To you Representatives and the Nobles you represent, for millions of manhours and unlimited effort in raising funds, finding patients and performing other volunteer services.

And, finally, to the general public, for its excellent response to our financial needs.

In conclusion, may I say that while we have numerous current problems and some large ones, I have confidence that the great fund of good will, fine talent and devotion to the cause which we enjoy will see us through them.

Nobles, to you and those mentioned above, may I express my personal appreciation. It has been a pleasure to serve you.

Imperial Potentate, I would move the receipt of this report.

... The motion was severally seconded...

IMPERIAL POTENTATE MORRISON: We have before us a motion and a second to receive this very, very excellent report. Is there discussion?

If not, all in favor indicate by saying aye; opposed?

It is unanimously carried and, again, Victor, thank you for a most excellent report.

... Business was conducted in the Iowa Corporation at this time...

IMPERIAL POTENTATE MORRISON: Fellow Representatives, I am going to call on Bob Turley at this time.

NOBLE TURLEY: Imperial Sir, Imperial Sirs and Representatives: Section 508.2(a) of the By-Laws of the Colorado Corporation says in part—"The Deputy Imperial Potentate, Imperial Chief Rabban, Imperial Treasurer and Junior Past Imperial Potentate shall be members of the Board of Trustees and shall be elected for a term of one year."

Therefore, Imperial Sir, I place in nomination each for the term of one year or for the ensuing year for Trustees, the names of Imperial Potentate-Elect, Warren F. Weck, Jr.; Deputy Imperial Potentate Elect, Charles J. Claypool; Imperial Chief Rabban-Elect, F. T. H'Doubler Jr., M.D.; Imperial Treasurer-Elect, Thomas W. Melham and Junior Past Imperial Potentate-Elect, Fred R. Morrison, Sr.

... The gavel was tendered to Imperial Sir Bowers...

IMPERIAL SIR BOWERS: You have heard the motion. Is there a second?

... The motion was severally seconded...

IMPERIAL SIR BOWERS: Nobles, you have the nominations placed before you by regular motion. Is there any discussion?

If not, all in favor of these names as read to become members of the Board of Trustees will say aye. Are there any contrary-minded?

I will declare it unanimously carried.

... The gavel was returned to the Imperial Potentate...

IMPERIAL POTENTATE MORRISON: Thank you, Dan.

NOBLE TURLEY: Imperial Sir, the rest of Section 508.2(a) says that the other seven members, that is of the Board of Trustees, shall be elected for terms of three years.

"There shall be elected every third year and two shall be elected each of the intervening years.

"All shall be elected at the Annual Meetings."

Imperial Sir, it would be in order at this time to take nominations for the three-year terms which expire this year and there are three vacancies to be filled.

... Business was conducted in the Iowa Corporation at this time...

IMPERIAL POTENTATE MORRISON: I have on my list six candidates for nomination for three-year terms on the Board of Trustees. I am going to name the six and if there are going to be any additional nominations, I want to know at this time so that we can have you all draw numbers to indicate the order in which you are to be nominated.

I have Winner Delp, Judge Bozeman, Webber Harrington, Seneca Erman, Peter Val Preda and Earl Brown. Will you please come up, all of you gentlemen, and draw a number. Also, if there is anybody else interested in being nominated for these three-year terms, please indicate at this time.

I understand that I neglected to mention the name of Palmer Burde. He will be added to the list at this time.

Now, before we start with the order of nomination, I would like to again present each of these gentlemen individually to you.

First of all, over here (indicating), we have Winner Delp.

Next, Judge Howard Bozeman; Webb Harrington; Dr. Seneca Erman; Peter Val Preda; Earl Brown and Dr. Palmer Burde.

At this time I would like to call on Aurie Thompson, who will nominate Webb Harrington.

NOBLE AURIE THOMPSON: Imperial Sir, Imperial Sirs, Illustrious Sirs and Fellow Representatives: I would like to borrow some of your time.

It is my privilege and honor to place in nomination for the position of Trustee, Shriners Hospitals for Crippled Children, Illustrious Noble Webber C. Harrington Past Potentate of Al Kader Temple, Portland, Oregon. The position is a very important one and carries many responsibilities.

Important decision-making is the name of the game today.

Just a few short weeks ago you were called upon to make a very important decision as related to the overall good of Shrinedom.

I refer to the meeting at Tampa. Your decision there was proper. It is time now for another decision, that of selecting a Noble well qualified to serve as a Trustee, Shriners Hospitals for Crippled Children.

Illustrious Sir Harrington carries with him excellent qualifications and let me say at this point, the job is seeking the man.

The many Shriners who have worked with him have urged him to become a candidate for Trustee. I have personally worked with him for many years and he certainly has given outstanding service at all levels.

If elected, he will serve us well in our family of hospitals and Burns Institutes.

Many of you are already aware of his printed qualifications and so now I would like to review some of them with you as fellow representatives.

Illustrious Sir Harrington was Potentate of Al Kader Temple, Portland, Oregon in 1968.

He is a member of Friendship Lodge 160 AF&AM in Portland. He is a 32nd Degree Scottish Rite Mason.

He has given much time to all Masonic bodies and to his Shrine locally on the Imperial Committee level.

He has served eight years on the Finance and Accounts Committee of the Imperial Council and two years on the Special Jurisdictional Lines Study Committee.

He has been an Imperial Representative since 1966 through the present time.

Since 1968, he has been very active in Shrine Hospitals service. He has served well on the Board of Governors and as Secretary at the Portland Unit. He is a member of the Executive and Finance Committees. In the Portland Unit, he is presently Chairman of the Finance Committee and a member of the Executive, Personnel, Wills and Bequests and New Hospitals Committees.

He is well versed on the progress of the proposed new hospital unit in Portland. This new Unit was funded during the Imperial Session in New York in 1977.

As plans progress for the new Unit at Portland, Illustrious Sir Harrington would be of great assistance to the Chairman of the National Board of Trustees and his Committee. The liaison would be most helpful and needed.

Illustrious Sir Harrington has given much time to this.

You know, it takes a lot of doing to be a leader. Illustrious Sir Harrington is the Group Managing Partner of Northwest Offices of Coopers and Lybrand, an International Certified Public Accounting Firm, and he is in charge of five offices. There are 325 professional and administrative personnel involved. He is a real professional in accounting and taxes, pretty good, I would say, for a guy who started at \$1 a day in the Civilian Conservation Corps.

He received a special citation from General George Marshall for his accomplishment.

He has attained National recognition now as an industry Chairman for his own firm and a member of the Council, the ruling body of the American Institute of Certified Public Accountants.

He is at his best when the going gets tough. He is a very good negotiator also.

He is also a partner in two General Motors Dealerships and owner of several commercial real estate ventures. His extreme knowledge of business, accounting, taxes and Shrine Hospital operations and investments certainly qualifies him for the position of Trustee of Shriners Hospitals for Crippled Children. He can devote the time also as he will be a retired member of his firm in 1979.

Yes, he is a married man. He and his wife, Lois have four daughters and one son, each a professional in their respective lines of work. Truly a very industrious and happy family.

He is active in community and state affairs; is a former President of the Oregon State Board of Accounting; former President of the Oregon Society of Certified Public Accountants; former President of the Portland Rose Festival and still a Director; Council member of the American Institute of Certified Public Accountants, also a church member and likewise has social club activities.

Illustrious Sir Harrington is a very young 61 years of age. As a matter of fact, today is his birthday.

He has the knowledge, the energy and the time, and is very well versed in

Shrine finance and hospital operations on a National level as well as in the Portland Unit.

He is a leader in the field of finance and accounting.

His record as a Mason and a Shriner, coupled with his personal successes, make him an outstanding candidate for Trustee, Shriners Hospitals for Crippled Children.

He is a fine candidate, and those who know him and have worked with him, especially in Shrine effort, heartily endorse his candidacy for the position.

He will appreciate your confidence and vote.

Thank you so very much. (Applause)

IMPERIAL POTENTATE MORRISON: We will next have a nomination for Earl Brown by the Potentate of Medinah Temple, Larry Strandquist.

NOBLE LARRY STRANDQUIST [Medinah Temple]: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters and Representatives to the Imperial Council: I am Larry Strandquist, Representative and Potentate of Medinah Temple, Chicago, Illinois.

It is an extremely pleasant honor to be able to nominate a man for a position on our Board of Trustees and it is also a timely honor to nominate Illustrious Sir Earl P. Brown for the Board of Trustees of the Colorado Corporation.

Earl is known to you for his many visits with you at your Temples.

In 1976 he visited 125 Shrine Temples and in 1977 he visited 172 Shrine Temples, a record that is hard to match.

In addition, he visited every Shrine Association and every Shrine Hospital in the United States.

Earl Brown has served the Shrine of North America well.

He is a member of the Board of Governors of the Chicago Unit which, as you just heard received another million dollars plus from the Walter Olson Foundation.

Earl has served on the Imperial Committees of Membership, Tours and Cruises, Mileage and Per Diem, Public Relations and also has Chaired the Athletic and Golf Events Committee. In addition, he has served ten Imperial Potentates as a personal aide.

From these experiences, Earl Brown has gained first-hand knowledge of the operation of our hospitals and the Imperial Council.

These Shrine responsibilities, coupled with his substantive and thorough knowledge of the business world gained from his Executive Management position with United Airlines, make Earl P. Brown a man I most seriously urge you to support for the Board of Trustees.

Earl Brown is known to you as a man of integrity, a man of service and a strong and true leader.

Therefore, I am proud to nominate, for the Board of Trustees of the Colorado Corporation, Earl P. Brown from the friendly skies of Medinah Temple, Chicago. (Applause)

IMPERIAL POTENTATE MORRISON: Thank you.

We will next have John Marshall to nominate Palmer Burde.

NOBLE JOHN MARSHALL: [Potentate, Salaam Temple] Imperial Sir, Imperial Sirs, Illustrious Sirs, Grand Masters and Fellow Representatives:

It is my privilege to place in nomination today the name of our past Potentate of Salaam Temple, Palmer D. Burde, one of our most distinguished Past Potentates, for the Office of Trustee for a three-year term.

His Masonic and Shrine affiliations are numerous. He is an active member of both the Scottish and York Rite bodies. After he served his Temple as Potentate, several years later he was elected President of the Mid-Atlantic Shrine Association.

At the termination of this Office, he had a surplus profit of some \$20,000.

Dr. Burde earmarked \$5,000 toward the Flood Relief Fund of a Sister Temple, namely, Irem Temple of Pennsylvania, who suffered severe flood damage. The balance of \$15,000 was presented to the Shriners Hospitals for Crippled Children.

Dr. Burde has been an active worker in DeMolay for some 25 years. He has served his Chapter as a Dad and still remains a member of the Advisory Board. He has been a member of the Imperial Shrine DeMolay Committee for the past 12 years and currently serves as its Chairman.

He has been honored with the Legion of Honor. He also is the recipient of the Red Cross of Constantine.

He is likewise an active member of the Board of Governors of the Boston Burns Institute and presently serves on the National line of the Royal Order of Jesters.

Dr. Burde completed his pre-medical studies at the University of Alabama and later received his Doctorate from the University of Pittsburgh.

A practicing Doctor of Dental Surgery, he has served on many state and local committees. He also served in his community for many years as a member of the Board of Education.

During World War II, Dr. Burde enlisted in the Medical Corps of the United States Army. While overseas as an Officer, he was awarded the Distinguished Medical Citation for his outstanding work.

Dr. Burde is married to the former Dorothy Unrath of Pittsburgh and is the proud parent of two sons, both DeMolay, and a daughter active in Rainbow.

His oldest son recently became a Master Mason. The family worships at the Presbyterian Church in Belleville, New Jersey.

In closing, I would not hesitate to hand this man a great share of responsibility for our hospitals.

I am most proud to place in nomination the name of Palmer D. Burde for the Office of Trustee.

Thank you very much. (Applause)

I will now call on J. H. Shacklett to present the nomination for Winner Delp.

NOBLE J. H. SHACKLETT: Imperial Sir, Imperial Sirs, Illustrious Sirs and Fellow Representatives: It is my honor and pleasure to nominate Illustrious Sir Winner F. Delp, a Past Potentate of Lu Lu Temple, for re-election to the Office of Trustee of the Colorado Corporation, Shriners Hospitals for Crippled Children.

He has the unanimous support not only of Lu Lu Temple but also from the elected Board of Governors of the Philadelphia Unit.

In 1976-1977, he was the Royal Director of the Royal Order of Jesters.

Illustrious Sir Winner has not only been active in business and Shrine life but also his Masonic life.

Just some two weeks ago, Illustrious Sir Winner was the "friend and guide"

for his youngest son, David, who received his first degree, while his oldest three sons filled the chairs of Junior Warden, Senior Warden and Worshipful Master.

Illustrious Sir Winner was the first Noble to be elected off the floor for Trustee. As Trustee for the last two years, he has done his job well and has attended all Board meetings and Committee Meetings.

He is the Chairman of the Rules and Regulations Committee and under his leadership these rules were rewritten and approved this past year.

He is Chairman of the Special Committee on the Twin Cities Hospital.

He also serves on the Building and Equipment Committee and the Committee on Salary, Personnel and Retirement.

Winner was Chairman of the Philadelphia Unit for three years and has been on the Board over 12 years.

Today Illustrious Sir Winner is completely retired after an outstanding and successful business career, and as such, he can afford all the time that is necessary to help conduct the business of the Colorado Corporation.

Lu Lu Temple asks you for your support for this outstanding Noble for reelection to the Office of Trustee of the Colorado Corporation, so that he may not only continue to help with the cure of the crippled and burned child, but also to continue to so ably serve each of you in the administration of our great Hospital Program.

As you know, this is not a popularity contest. We need the most qualified man in the job.

I now therefore place in nomination the name of Illustrious Sir Winner F. Delp for Trustee of the Colorado Corporation.

Nobles, we trust you will vote for a Winner whose last name is Delp.

Thank you. (Applause)

IMPERIAL POTENTATE MORRISON: Thank you.

I will now call on Robert Bailey, who will nominate Judge Bozeman.

NOBLE ROBERT BAILEY: Imperial Sir, Imperial Sirs, Fellow Representatives: I am Robert Bailey, Past Potentate of Kerbela Temple.

The Noble I am honored to nominate today is the Junior Past Potentate of Kerbela Temple located at Knoxville, Tennessee.

It is the Temple known as the "Paper Sale" Temple—the one that has, over the past 28 years, sold Shrine newspapers for the benefit of crippled children, raising in that period of time an excess of \$3 million, all this with a membership of just over 4,000 Nobles.

These preliminary remarks concerning the success of this paper sale endeavor serve as an introduction to Kerbela's candidate for a full three-year term as a Hospital Trustee, Judge C. Howard Bozeman.

Noble Bozeman has personally served as Chairman of Kerbela's paper sales for a consecutive three-year term previous to becoming Potentate, during which time, in that three years alone, almost three-quarters of a million dollars was raised in the sale of newspapers.

You may probably ask, "does this necessarily qualify Past Potentate Bozeman to be a Trustee?" Well, taken alone, I would probably say "no", although it is no small accomplishment and, further, I would daresay that there are few in this room who can lay claim to a similar accomplishment.

However, let us look further into the qualifications of this Noble.

He has had prior experience in the planning and construction of hospitals—the East Tennessee Crippled Children's Hospital at Knoxville; the East Tennessee Chest Hospital; the University of Tennessee Memorial Hospital and Research Center; the Hillcrest Nursing Institute, having over 800 beds—each a multi-million dollar construction project.

At this period in Shrine history, when we are involved in multi-million dollar construction, this experience is valuable to our Board of Trustees.

In addition to this, he is an attorney—a very outstanding attorney in Tennessee and by education and his profession, has proven to be outstanding.

He is now serving as an elected Knox County Judge and I might also say that at the present time he is supervising the multi-million dollar construction of a City-County Office Building, a huge complex, situated on the site of the Tennessee River at Knoxville. He has previously served as a Special Justice on the Tennessee Supreme Court.

He is also an accountant by education and has taught accounting and, therefore, understands financial statements.

His background in the Masonic Fraternity, as well as his civic service contributions are distinctive and would take a long time to enumerate. You have had placed in your hands a complete listing of all of those. I would invite you to review them rather than take the time to enumerate them on this occasion.

Finally, he was elected last year at New York City to fill out an unexpired one-year term as a Trustee and he has served with distinction.

Appropriately, he was placed on the Building and Equipment Committee for all of the Shrine Hospitals and the new Shrine Headquarters at Tampa.

In addition to that, he was placed on and served on the Special Committee for the new Chicago Unit, thereby using his valuable experience in both the planning and construction of hospitals.

Nobles, we are involved today in spending huge sums of money in our great philanthropy. There is need for an experienced Noble to be added to the experience of the other men serving, to supervise and double-check those expenditures.

Noble and Judge C. Howard Bozeman, Past Potentate of Kerbela Temple, is just such a person. We solicit your vote for him for a full three-year term to the Board of Trustees.

Thank you very much. (Applause)

IMPERIAL POTENTATE MORRISON: Thank you.

I will now call on Ted Corsones, who will nominate Peter Val Preda.

NOBLE TED CORSONES: Imperial Sir, Imperial Sirs and Representatives: My name is Ted Corsones and I am a Past Potentate of Cairo Temple.

Like all of you out there in the front, I am a Representative.

The question that confronts you and me is what kind of a man should be chosen a member of the Board of Trustees of Shriners Hospitals for Crippled Children?

At the outset, of course, it is quite obvious that he should be a man who understands the Hospital system.

Peter Val Preda has served on Shrine Hospital Planning Committees, Special Committees, the Investment Committee, the Salary Committee and he is a man who

has proven his ability on the Board of Trustees since 1974 and who has served you as Chairman of this Board.

Peter Val Preda is a man who understands the Shrine Fraternity.

He is a Past Imperial Potentate, a young Emeritus Representative. He has served the Imperial Council since 1967.

He has been active in all phases of the Shrine—membership, public relations, seminars, Shrine Clubs and Units.

He is a man in whom you have reposed confidence with your vast Shrine investments and who has been worthy of your trust, enriching your multi-million dollar endowment and investments.

Peter Val Preda is a man with a distinguished record of military service to his country and civilian service to his community; also a man with a distinguished background.

He is a devoted family man.

Therefore, we ask the question, "what kind of man should be chosen as a member of the Board of Trustees for our Shriners Hospitals for Crippled Children?"

Of course, we really know the answer. We want a man with experience, willingness and ability.

You know, there is an old saying that if you want a job done well, find a man that is a busy, successful leader and a contributor to society.

We have such a man in Peter Val Preda.

Along with all of his endearing love for the Shrine, he also serves his community as Chairman of the Board of one of the largest banks in his state.

Peter has served us long and well. He wishes to serve us more.

It is my honor and obviously my pleasure to place the name of Peter Val Preda in nomination as a member of the Board of Trustees, Shriners Hospitals for Crippled Children.

Thank you very much. (Applause)

IMPERIAL POTENTATE MORRISON: Thank you, Ted.

Dr. Seneca Erman will be nominated by Chuck Maple.

NOBLE CHARLES W. MAPLE [Sabbar Temple]: Imperial Sir, Imperial Sirs, Nobles All: I am Chuck Maple, Potentate of Sabbar Temple, Tucson, Arizona.

As most of you who were Delegates at New York last year remember, we nominated Dr. Erman and received a few votes. This year we are back again and, hopefully, like Ed McMullan, we will put him in.

I will not bore you with all of these statistics. However, we strongly feel that we need a medical doctor on the Board of Trustees.

He is well versed and an outstanding doctor in the community and, as you can tell by our little brochure, an outstanding business executive, family man, Past Potentate, Past Master of his Lodge and, therefore, I hope that you will support us and help us elect Seneca Erman, M.D., as a member of the Board of Trustees.

Thank you very much. (Applause)

IMPERIAL POTENTATE MORRISON: Are there further nominations for the Board of Trustees?

Hearing none, I will ask Joe Howell to handle the balloting. We will use Ballot

No. 12, the pink ballot. Let me caution you. You must vote for three. There are three lines on that pink ticket. There must be inserted the names of three of these gentlemen nominated or otherwise your vote will be voided. Vote for three—no more than three, no less than three—and we will conduct the balloting the same way. Again, deposit both the ballot and the stub in the box.

...Balloting and collection of ballots ensued...

IMPERIAL POTENTATE MORRISON: Has everybody voted?

I will now declare the ballot closed. (Gavel)

Nobles, at this time, I would like to again call on the Chairman of the Jurisprudence and Laws Committee, Robert Turley.

NOBLE TURLEY: Under Section 507.1 of the By-Laws of the Colorado Corporation, we have need to elect officers for the Colorado Corporation.

Imperial Sir, I nominate, for Chairman of the Board of Directors, Warren F. Weck, Jr., the Imperial Potentate-Elect; for President, C. Victor Thornton, who is presently President and Chairman of the Board of Trustees; for First Vice President, Charles J. Claypool, Deputy Imperial Potentate-Elect; for Second Vice President, F. T. H'Doubler, Jr., Imperial Chief Rabban-elect; for Treasurer, Thomas W. Melham; for Secretary, George M. Saunders and for Assistant Secretary, Randolph R. Thomas, Imperial Assistant Rabban-Elect.

...The nominations were at this point severally seconded...

IMPERIAL POTENTATE MORRISON: Are there further nominations?

NOBLE TURLEY: I move you sir, there being no further nominations, that the nominations be closed and that these nominees be elected by acclamation.

...The motion was severally seconded, was voted upon and declared to be unanimously carried...

IMPERIAL POTENTATE MORRISON: These nominees are declared to be unanimously elected. You are a wonderful group.

I believe Bob has something else at this point.

NOBLE TURLEY: One more thing, Imperial Sir.

Under Section 506.3 of the By-Laws of the Colorado Corporation, we have a provision that the Imperial Officers, Junior Past Imperial Potentate and the Chairman of the Board of Trustees shall be elected Directors of the Colorado Corporation unless other members are duly nominated and elected at the Annual Meeting of this Corporation.

Therefore, Imperial Sir, I nominate as Directors of the Colorado Corporation for the ensuing term, Imperial Sirs Warren F. Weck, Jr., Charles J. Claypool, F. T. H'Doubler, Jr., Randolph Thomas, Daniel E. Bowers, Richard B. Olfene, Thomas W. Melham, George M. Saunders, Gene Bracewell, Walker Kisselburgh, Russell Anthony, Voris King, Ed McMullan, C. Victor Thornton and Fred R. Morrison, Sr.,

I would so move.

...The motion was severally seconded and, there being no discussion, was voted upon and declared to be unanimously carried...

IMPERIAL POTENTATE MORRISON: By your vote, I will declare these individuals as named unanimously elected. I declare the officers of the Colorado Corporation and Directors of the Colorado Corporation duly elected.

...Business was conducted in the Iowa Corporation at this time...

IMPERIAL POTENTATE MORRISON: Nobles, you are such a great group that we are now going to recess until tomorrow morning at nine o'clock.

Now, listen to me. I know it is going to take a while to count the ballots. We have a lot of business to take care of but we are also going to have plenty of time.

This meeting is now recessed until nine o'clock tomorrow morning.

...The Annual Meeting of Shriners Hospitals for Crippled Children, A Colorado Corporation, recessed at three-thirty-eight o'clock p.m., to reconvene the following morning at nine o'clock a.m....

MORNING SESSION

THURSDAY, JULY 13, 1978

NINE O'CLOCK A.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was convened in the Renaissance Ballroom of the Detroit Plaza Hotel at nine o'clock a.m., Imperial Potentate Fred R. Morrison presiding.

IMPERIAL POTENTATE MORRISON: Representatives, please take your seats. Close the doors and we will resume with our business.

I will now call on Joe Howell to make the report of the Election Tellers Committee.

NOBLE JOE HOWELL: Imperial Sir, Imperial Sirs and Fellow Representatives: It is with great pleasure I give you the results of Ballot No. 12 for the Office of Trustee.

There were a possible 794 votes; 762 actually voted. There were four spoiled ballots. Necessary for choice was 382.

The votes were distributed as follows:

Palmer Burde, 116.
Seneca Erman, 197.
Earl Brown, 295.
Peter Val Preda, 333.
Webb Harrington, 403.
Winner Delp, 455.
Judge Howard Bozeman, 475

IMPERIAL POTENTATE MORRISON: Representatives, I declare, as a result of the ballot, Webber Harrington, Winner Delp and Judge Bozeman elected.

Now, I believe, Peter, you have something to say?

IMPERIAL SIR VAL PREDA: Imperial Sir, Imperial Sirs and Fellow Representatives: Yesterday I heard one of the candidates say that before becoming victorious, one also learns a lot in defeat.

At this time, I would like to, if the other candidates will go along with me, have the record show that we declare the other candidates that were just mentioned as being elected by the unanimous ballot of this Convention. (Applause)

IMPERIAL POTENTATE MORRISON: You have heard the request.

Let me ask you other candidates whether that is all right with you?

...Noble Erman and Brown indicated their assent...

IMPERIAL POTENTATE MORRISON: I believe that Peter made that in the form of a motion.

All in favor will say aye; opposed? I will declare the motion unanimously carried.

... Business was conducted in the Iowa Corporation at this time...

IMPERIAL POTENTATE MORRISON: I will now call on Noble Cooper from the Jurisprudence and Laws Committee.

NOBLE COOPER: [Reading]

To the Members of the Colorado Corporation:

There has been referred to your Committee on Jurisprudence and Laws by Randolph R. Thomas, a Member of the Corporation and of Morocco Temple, a proposal to amend § 508.8(a) of Article 8 of the By-Laws of the Colorado Corporation, so that said section will read as follows:

"508.7 Trustee Emeritus

"(a) Except as to those serving as a Trustee on July 1, 1964, a member shall not be eligible for election who has passed his 70th birthday. A Noble shall not be eligible for appointment to fill a vacancy in the Board of Trustees, resulting from death, resignation or otherwise, who has passed his 70th birthday. A Trustee who is retired by reason of his age, or who after having passed his 70th birthday voluntarily retires, shall be elevated to the position of Trustee Emeritus if he has served as Trustee for not less than nine years. A Trustee Emeritus receives all notices of meetings and may participate in discussions but he may not vote. This section shall not apply to those officers listed in § 508.2(a)."

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully Submitted,

COMMITTEE ON JURISPRUDENCE
AND LAWS

Robert J. Turley, Chairman
Edward G. Maag
Robert E. Cooper
Mahlon W. Hessey
Theodore Corsones
Walter S. Jeffries
Robert W. Morrison

IMPERIAL POTENTATE MORRISON: Thank you, Sir.

I will now call on the proposer of item No. 11 on page 26 of your Call, Imperial Sir Randolph R. Thomas.

IMPERIAL SIR THOMAS: Thank you, Imperial Sir.

Imperial Sirs, Illustrious Sirs and my Fellow Representatives all: I would move for the adoption of this amendment.

... The motion was severally seconded...

IMPERIAL POTENTATE MORRISON: Please proceed, Randy.

IMPERIAL SIR THOMAS: Again, my fellow Representatives, there are several reasons I can give you for my purpose in proposing this change from 68 to 70.

One of them, for example, is the fact that the Congress of the United States has now adopted the 70-year age limit for retirement. That is No. 1.

Secondly, I think that it is very obvious that you fellows from the floor like to see people elected to the Board of Trustees from the floor which gives you better communication regarding your geographical area and so, consequently, when we elect someone like you did yesterday or this morning, so to speak, if they are in the age bracket of 62-63, they can never become an Emeritus member.

I am saying to you that the Board of Trustees needs those brains that you elect. Even though they do not have a vote, they can still sit around the table and discuss things relative to long-range planning.

Most of them have already had six or seven years of training.

Now, for example, under the present rules, to put them out to pasture before they can even become a Trustee Emeritus, to me, it does the fraternity a disservice.

Therefore, my fellow Representatives, I urge you to adopt this amendment.

IMPERIAL POTENTATE MORRISON: Is there further discussion?

I will recognize Past Imperial Potentate Harold Close.

IMPERIAL SIR HAROLD CLOSE [Past Imperial Potentate]: Imperial Sir, Imperial Sirs, Representatives to this Imperial Council: For a long time I have felt we should have an age limit on the Board of Trustees. Now then, I will tell you why in a minute but I rise to oppose this, as I did last year.

Two years ago, the Representatives of the Imperial Council confirmed this age limit by much better than two to one. Last year a proposal was before you to increase the age limit again and that was soundly defeated.

Since that time I know of nothing that has happened that would warrant another try to increase the age limit.

Now, these By-Laws, which first included an age limit for the Board of Trustees, were adopted 14 years ago and, Nobles, before that time, for three years, we had a Committee considering the revisions of the By-Laws. They held hearings throughout the various jurisdictions and listened to suggestions as to how we could improve the By-Laws for the government of the Colorado Corporation.

They brought in a report at the 1963 Session of the Imperial Council, which the Representatives rejected at that time.

Following that Imperial Council Session, new members were added to the Committee and they held additional hearings and an effort was made to try to confirm or comply with the objections that had been expressed on the floor of the Imperial Council.

As a result of that, a revised revision of the By-Laws was adopted in 1964 and for the first time they included an age limit for the Board of Trustees.

Now, Nobles, when I was a member of the Board of Trustees, and this is prior to the time I am speaking about, remember, you had seven members from the Board of Trustees who are elected for three-year terms and, at that time, one of the members that I am speaking of, for example, who served at that time, was senile. Sometimes he came to a meeting in a wheelchair, not because he was crippled but because he was feeble from age. Another member of the same Board and at the same time was a Past Imperial Potentate whom I loved and everybody loved but he too was getting along in age and this gentleman whom I speak of, when the meeting would be called to order at nine o'clock in the morning, this Past Imperial Potentate, at nine-fifteen or nine-thirty, was sound asleep at the table.

He had no idea what we were discussing—budgetary matters, hospitals additions or what have you.

Now, Nobles, when you have a Board of seven members and two of them are in the category I mentioned, and this is big business and please do not forget it, especially with a current budget of over \$40 million a year, then I think it becomes the obligation of anyone who is on the Board of Directors to try to do something about it.

This is the reason that I am in favor of an age limit in the By-Laws.

Now, Nobles, we have a lot of people in the Shrine who are young and capable and there was no dirth of them here yesterday, for example, because you saw, for example, that we had seven people nominated for three vacancies. These were younger people, alert and capable and in a business of this kind, I think it behooves us as Representatives, as a representative body to see that we have capable people to carry this out.

You know, we are constantly encouraged in our fraternal organization to recruit young people to take the place of those passing on. Nobles, you have to provide for a small minority of these new people coming in somewhere in the activities of our organization—in the patrols, the marching units, and also, I believe, at the very top of the organization.

From the very top down, there must be, once in a while, an opportunity for some younger individual to serve.

I strongly believe, Nobles, that there is a time to stay and a time to go and that was illustrated here on Monday when our Past Imperial Potentate Hogan voluntarily resigned as a member of the Board of Trustees after having served several terms.

Now, I am sure there is nobody in this room who would deny that Chester Hogan is still able and capable of continuing in that Office but I think he earned the respect of many of you Nobles by stepping down when he did.

I can give you one other illustration in relation to the business world. The late Owen D. Young, Chairman of the Board of General Electric, insisted on retiring at the age of 65 and he said—"I firmly believe there is more harm done in this country by old men trying to cling to their influence than by young men who anticipate theirs. A man can be of maximum benefit only to his own generation." (Applause)

Now, Nobles, we are a fraternal organization and I do not believe we should be as strict as a business organization. I do not insist that a man should retire from the Board of Trustees at the age of 65 and our By-Laws provide he retire at the age of 68.

A man who is going to be 68 years old tomorrow can be elected today to a three-year term on the Board of Trustees and serve until he is 71.

I just encourage, for the benefit of the Order, to vote "no" on this proposed amendment.

Thank you very much. (Applause)

IMPERIAL POTENTATE MORRISON: Is there further discussion?

I will recognize Imperial Sir Richard Olfene.

IMPERIAL SIR OLFENE: Imperial Potentate and my fellow Representatives: I stand before you and ask you to support the raising of this age factor by two years.

As was indicated, I believe, by the speaker before me, this is not a decision

where we are going to eliminate the age, not at all. The decision here is to allow that man to be eligible to serve for a term until he is 70 years of age.

Now, there are two things I want to point out.

For example, our local Board of Governors and our 21 Hospitals have an average age limit of 72. What is good for the goose is good for the gander.

You helped to clean up the act last year, if you will recall, by your passing a resolution that I sponsored, which put limited terms on a Trusteeship—being three consecutive three-year terms—no age tied to it whatsoever.

We need the talent, we need the expertise and I would hope you would give it to yourselves to raise his age from 68 to 70.

Thank you very much. (Applause)

...The question was severally called for...

IMPERIAL POTENTATE MORRISON: Gentlemen, is there further discussion on this?

NOBLE R. S. LANG [Egypt Temple]: Imperial Sir, Imperial Sirs and Representatives: Imperial Sir Harold Close is one of my oldest and closest friends and the problem that he described to you I have heard described by him on many occasions as well as have a number of other friends I have on the Board of Trustees.

It is a problem that in years past was a serious problem.

Now, there is some question in my mind as to whether or not an age limit of 68 or 70 or 72 is the answer to this problem.

However, we cannot legislate on this floor against senility and old age. There is nothing we can do to really get to the heart of this problem of having incompetent, if you please, people who have lived past their good years serving on the Board of Trustees and, of course, we know this.

We elect here by ballot, as we did yesterday, for example, and if in fact we are not capable of selecting vital, knowledgeable, intelligent, prudent people to serve on the Trustees, then I feel we cannot really solve our problem with any age limit.

So I support Imperial Sir Randy Thomas in his philosophy, that by raising it two years we are perhaps two years better off, that we certainly open up the field, although yesterday we seemed to tell ourselves that we were not that interested in having past Imperial Officers serve on the Board of Trustees.

However, we make it very hard for them to do so when we establish restrictive age limits because, as we know, when they reach these positions, they do get old. They serve, for example, in a successful business or in a professional career for many, many years, then serve in the Shrine at every level for ten to fifteen years and now, when they get to the top, they are steadily approaching the deadline.

I suggest we might be throwing the baby out with the bathwater and going at this problem backwards by using an age limit and for that reason, I think extending if for two years will open the door to eligibility for a number of fellows who are wise, who have been experienced, have something very significant to offer the Board of Trustees.

Thank you very much. (Applause)

IMPERIAL POTENTATE MORRISON: Is there further discussion?

NOBLE T. K. GRIFFIS [Hamasa Temple]: Imperial Sir, may I say one word?

IMPERIAL POTENTATE MORRISON: Are you going to speak in favor?

NOBLE GRIFFIS: In favor.

IMPERIAL POTENTATE MORRISON: You are entitled to do so. Please proceed.

NOBLE GRIFFIS: Imperial Sir—

IMPERIAL POTENTATE MORRISON: Just a moment, hold everything, let me finish. You are noted for your great oratory, your great contribution to the York and Scottish Rite and Masonic Lodge but I do not want you to take too much time telling us about your chickens back on the farm and all that type of thing, you know. (Laughter)

NOBLE GRIFFIS: Imperial Sir, I rise to speak in favor of the motion because it simply evolves around this—that the best advice that I ever received was from a man when he was 70 years old. He said, "If you want to be successful out into the world, you have to keep your pants zipped up and don't let your little head take advantage of your big head." (Laughter)

At any rate, to keep this short, let me say that I am in favor of extending it for two years. (Applause)

IMPERIAL POTENTATE MORRISON: Is there further discussion?

IMPERIAL SIR CLOSE: Imperial Sir, I don't want to belabor the issue but Dick Olfene made a remark and I want to mention that Dick and I come from New England originally. We have been friends for a good many years and we are going to continue to be friends.

However, I have had this mentioned to me before—Dick mentioned the fact that the local Board of Governors have an age of 72 years. That has also been mentioned to me, Nobles, about the age of members on the Imperial Divan.

Well now, I don't think we should get these things confused.

The only issue before this body is the age limit of the Board of Trustees.

As I said, we are administering funds here in the vicinity of \$40 million a year. Now, on the other hand, the local Boards of Governors administer funds that are provided to them by the National Boards.

Also, I can tell you about the rules some years ago where, for example, the Potentate of a Temple could serve four or five years. As a matter of fact, I think we had one that served for more than 15 years.

I visited that Temple and the Chief Rabban said to me, "look, the members of this Divan are all old men. I have been on the Divan for 25 years."

Now, Nobles, we changed those laws and now there is no trouble. Now, if you vote against this motion now, you are not doing an injustice to any man.

...The question was severally called for...

IMPERIAL POTENTATE MORRISON: Just a moment, I am going to call on one more gentleman to close.

I don't know what he is going to say but I do wish to recognize Imperial Sir Randy Thomas.

IMPERIAL SIR THOMAS: Imperial Sir, I would just like to take one moment.

I would like to say that you, my Fellow Representatives, yesterday passed a ballot for a man to the tune of 587 votes. You are going to train him for some nine years before he has an opportunity to vote as a Trustee. Therefore, we are

back in the olden days because when they wrote the By-Laws, they must have thought that there was need for a training ground for Trustees.

Therefore, here again I would urge you to vote for the adoption of the amendment.

... The question was again severally called for. . .

IMPERIAL POTENTATE MORRISON: I believe we are ready to vote. Of course, you must understand that this requires a two-thirds vote for passage.

Now, all in favor please say aye; opposed. Well, we are going to take a rising vote.

All those in favor of this amendment please stand; be seated; now those opposed please stand.

Gentlemen, we are going to take a ballot. I am not doing this with any particular thought in mind but I still think that somewhere along the line we should use the orange ballot and so we will now use ballot No. 7, the orange ballot.

Those in favor of the proposal will indicate by saying "yes" those opposed will vote "no". Please use the ballot the same way as you have used it on other votes.

... Balloting and collection of ballots ensued. . .

IMPERIAL POTENTATE MORRISON: Have all voted? If so, I will now declare the ballot closed.

... Business was conducted in the Iowa Corporation at this time. . .

IMPERIAL POTENTATE MORRISON: I will now entertain a report from the Chairman of the Tellers Committee.

NOBLE JOE HOWELL: Imperial Sir, Imperial Sirs and Representatives: It is with pleasure that I give you the results of the last ballot.

There were a possible 794 votes; 757 actually voted. There were 2 spoiled ballots. Necessary for choice was 505.

The votes were distributed as follows:

"Yes", 426; "no", 331.

IMPERIAL POTENTATE MORRISON: You have heard the report from the Tellers Committee. I declare the resolution defeated.

Now, gentlemen, it is getting late, pretty close to 11:30. We are going to recess until 1:30 p.m.

... The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, recessed at 11:30 o'clock a.m. to reconvene at 1:30 o'clock p.m. . . .

AFTERNOON SESSION

THURSDAY, JULY 13, 1978

ONE-THIRTY O'CLOCK P.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, A Colorado Corporation, convened in the Renaissance Ballroom, Detroit Plaza Hotel, at one-thirty o'clock p.m., Imperial Potentate Fred R. Morrison presiding.

IMPERIAL POTENTATE MORRISON: Representatives, if you will please take your seats and the doors be closed, we will resume with our business.

... Business was conducted in the Iowa Corporation at this time...

IMPERIAL POTENTATE MORRISON: I would now like to call on Dr. Daniel Bowers to give us the report of the Research Committee.

IMPERIAL SIR BOWERS: Imperial Potentate, Imperial Sirs, fellow Nobles: I would speak to the subject of research, particularly with reference to the report made by the Chairman of the Board of Trustees, C. Victor Thornton, yesterday.

I am sure that all of you Nobles recall the history of our Shrine as it was originated in the past century.

The purpose of the Shrine, in relation to its origin, involved good fellowship, fun, commradery, esprit de corps, etc.

Now, as the Shrine grew through the years and we moved into the Western part of this great country of ours, we saw that there was a need for something else and so it was in about 1922 that the then Imperial Potentate decided we should have a purpose and so began our hospitals. As you well know, we opened our first hospital at Shreveport in about 1922 and following that particular time, many other hospitals were erected for the treatment of crippled children.

In those days, in the twenties and early thirties, there was much polio and our hospitals had a tremendous waiting list and people were knocking at our doors because we served a great function in relation to the care of these crippled children.

However, over the passing of years and when I was in school in the thirties and with the discovery of penicillin and other drugs, there was a great change in the treatment of children and treatment of adults as well.

As a result of this, we saw a diminution in the number of children applying to our hospitals and so today our census is way down.

This brings up the thought as to where we go in the future because, as you have observed, during the past twenty years there has been a creeping socialism in our society and, therefore, your Imperial Potentate and Board of Directors thought we should make other efforts in relation to our philanthropy to preserve the efforts of the Shrine in the future.

This involved, of course, research.

About ten years ago, we built our Burns Institutes and now today we have accomplished in burns research and through our efforts at training doctors, untold hundreds of Burns Centers throughout the country, all of this as a result of efforts of both you and I in this direction.

Well, some ten years ago, we thought we should have an active research program as well and for many years, Past Imperial Potentate Marshall Porter headed this program.

At that time we spent about \$12,000 in the original research program. During the last few years, however, we have developed associations with our universities because we realize that to accomplish our philanthropy and maintain our tax status and purpose, we have to have another image and that is research, whereby, for example, we can become tax-free and remain in that status.

We are presently affiliated with many universities. Further, we have gone from a figure of some \$12,000 in research to the point where, last year, our research program involved an expenditure of \$507,000.

Also, as Chairman of the Research Committee, let me tell you this—that there has been submitted to your Research Committee some 28 protocols from eight of our hospitals through the Chief Surgeons, some 18 from the Cincinnati Unit and we are also getting more from Boston and Texas.

Now, last year, under the direction of the Chairman of the Board of Trustees we established a Research Advisory Board to advise your Directors, your Committee and these involve five professors from four to five different universities. These individuals lead their Departments of Orthopedics in those areas and they are very astute and knowledgeable men.

Now, in relation to these 28 protocols, we are going to review those within the next few weeks. Further, I might also add this—that these protocols now total \$1.5 million. That, of course, is a lot of money to devote to research because, over the country now, there is less effort in that direction and, therefore, it is important that both you and I keep our vision alive in relation to what we are doing.

I recently visited the Texas Shrine Association and visited the Houston Unit, talked to the Chief Surgeon and other medical people there.

Now, at the Houston Unit some 50 percent of the children come under the heading of "genetics".

Let me give you an example. One small child had bow legs and Dr. Scott, who is down there with the University and on our staff, saw this particular child.

Now, in relation to genetics, you are working with chromosomes and this is one of the factors in your body that determines the distinctive elements of every particular cell, no matter what it is and what it has to do.

Well, this child was given a genetic study which cost some \$450 per study.

As I say, this child was born with a genetic defect. They also then talked to the mother and gained from her the story that when she was some five years of age, she fell off of a horse and hurt her leg. Well, they examined her and found that she likewise had the same genetic defects as her child had.

They then went into this further, examined the grandmother and also found she had the same problem. This can illustrate to you the great importance of genetics and research in it, especially as we look further down the road.

I can give you another example.

For example, in relation to any one of our hospitals, a child can come in, a child who is really not sick and this child, in turn, may have a genetic defect in relation to a small bone at the base of the head. Now, unknowingly and with that defect, that child can have his or her tonsils removed and, in the process, the anesthesiologist can pass an intubation tube in, stretch the neck a little bit and then that bone will collapse and that child may end up with a permanent paralysis over its lifetime and become a vegetable or even die. This, I think, illustrates the importance of our going in this direction.

We, through genetic research, can learn about the various genetic disturbances in these children and, further, they can be ascertained ahead of time.

Well, at any rate, these are some of the things we are doing in relation to our research program.

Further, I think you gentlemen should know that it is more than we just taking care of children that is involved—that the research program, as we look down the years ahead, is one of the most important phases of our Shrine program.

I thought you might like to know a little bit about our research.

Thank you very much, Imperial Sir. (Applause)

...The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, recessed at 3:30 o'clock p.m., to reconvene the following morning at nine o'clock a.m....

MORNING SESSION
FRIDAY, JULY 14, 1978
NINE O'CLOCK A.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was convened in the Renaissance Ballroom, Detroit Plaza Hotel at nine o'clock a.m., Imperial Potentate Fred R. Morrison presiding.

IMPERIAL POTENTATE MORRISON: Nobles, please come inside, shut the doors and please pay attention.

... Business was conducted in the Iowa Corporation at this time. . .

IMPERIAL POTENTATE MORRISON: I will now recognize our Imperial Treasurer, Tom Melham, for his report.

IMPERIAL SIR MELHAM: Imperial Sir, Imperial Sirs and my Fellow Representatives: As Representatives, you have each received a copy of the Book of Reports for the Imperial Council and Hospital Corporations, as well as the Audit Report of our independent accounting firm of Main Lafrentz and Company.

At different times during the Session, you have received a number of additional reports which relate to the financing of our programs. I will not take up any more time to repeat these same figures; however, I would like to highlight several significant points.

1977 was a good year financially. We received into the Endowment Fund in excess of \$62 million. These monies principally represented distributions from estates where Shriners Hospitals were named in wills, gifts and contributions from individuals and more than \$3 million from Temple fund raising activities, where Shriners Hospitals was the beneficiary of the net proceeds.

Now, while \$62 million sounds like and is a lot of money, let me assure you that now is not the time for us to become complacent. Inflation has hit our hospital program as hard as it has affected us as individuals. In order for us to assure the continued operation of our 21 Hospitals, we must continue adding to our Endowment Fund at the rate of \$60 million per year. If we can meet this challenge, our Endowment Fund should provide sufficient income to support our current hospital program and keep pace with inflation.

I am also pleased to advise you that our hospitals are doing their best to keep their budgets balanced. Through the efforts of our dedicated Board of Governors members and staff members of our Orthopedic and Burns Units, we managed to end the year one percent under our approved 1977 budget.

This was quite an accomplishment when you consider, for example, that the American Hospital Association reported that average hospital costs for the year increased approximately 15 percent.

During the same period, our hospitals lived within an eight percent increase and our long-range program projects an annual budget increase of 6 percent per year.

In closing, I would like to say that I am sure we can meet the tremendous challenge we have before us. Imperial Sir, I would move that this report be accepted and filed as a part of these proceedings of this Session.

... The motion was severally seconded and, there being no discussion, was voted upon and declared to be unanimously carried. . .

IMPERIAL SIR MELHAM: Imperial Sir, just an addenda please.

Several individuals have commented to me about my not getting up and discussing this motion concerning the extra per diem.

For your information, I wanted to find out if the amount of money for this extra travel expense would be in our budget.

I find that an item of some \$33,000 has been put in there. We trust it is sufficient. If not, we do have sufficient contingency funds to take care of the balance.

... Business was conducted in the Iowa Corporation at this time. . .

IMPERIAL POTENTATE MORRISON: Now, Nobles, I will ask Vic Thornton to join me up here and I would now like to call on anybody who would like to present a check for our philanthropy to come up and do so at this time.

IMPERIAL SIR WECK: Imperial Sir and Nobles, may I first say something with regard to Vic receiving these checks.

If he does not thank you for your check, please understand that Vic has laryngitis this morning and cannot speak. Nevertheless, he does appreciate the gifts you are presenting here. I merely wanted to have you understand that and also indicate that he is not ignoring you but, again, he does have laryngitis and has almost completely lost his voice.

IMPERIAL POTENTATE MORRISON: Thank you, Warren, for providing that information.

Now, we are ready to receive some checks.

... Whereupon, the following check contributions were received and acknowledged: From the Potentate of Ben Ali Temple, a check from the proceeds of the 53rd East-West Game in the amount of \$190,257.

A check in behalf of the Nobles of Hasan Temple in the amount of \$56,000, the proceeds of their paper sale.

A check in behalf of Al Azhar Temple in the amount of \$25,000.

Two checks in behalf of Nemesis Temple in the amount of \$5,000.

A check in behalf of Al Menah Temple in the amount of \$307,000, the proceeds of last year's paper sale.

A check in behalf of El Zaribah Temple in the amount of \$2,929.

A check from Hadji Temple in the amount of \$142,246.88, the proceeds of their paper sale.

In behalf of the Nobles of Khedive Temple, a check from the 31st Annual Oyster Bowl Game in the amount of \$110,000.

The proceeds from the Game in the Northeast, a check in the amount of \$69,000.

In behalf of Ararat Temple, a contribution of \$22,500 and three letters of credit to the Burns Hospitals for a total of \$10,000.

In behalf of Kerbela Temple and its paper sale, a check in the amount of \$200,000.01.

A check on behalf of Kismet Temple in the amount of \$7,500.

In behalf of Hamasa Temple, its first paper sale, a check for \$17,000.

A check in behalf of the Temples of the Carolinas a check from the 42nd Shrine Bowl Game of over \$1 million.

A check for the net proceeds from the Fifth Annual East-West Shrine High School Star Football Game in the amount of \$30,000.

A check in behalf of Arabia Temple, the proceeds from its third year paper sale, in the amount of \$170,000.

A check from Al Bahr Temple in the amount of \$76,289 from its Charity Football Game proceeds.

A check from Al Koran Temple, its third check of the year, in the amount of \$7,500.

In behalf of the Nobles of Morocco Temple, a check from the proceeds of the Second Annual Paper Sale in the amount of \$68,752.20.

In behalf of Kazim Temple a check in the amount of \$104,000.

IMPERIAL POTENTATE MORRISON: Thank you all very much and, of course, I also thank you in behalf of Vic who, as Warren indicated to you, has a bit of laryngitis this morning.

However, I would like the record to indicate that Vic has certainly been the greatest Chairman of the Board of Trustees that at least I have ever had the privilege of serving under.

... Rising sustained applause ensued...

... Business was conducted in the Iowa Corporation at this time...

IMPERIAL POTENTATE MORRISON: I will now recognize the Chairman of the Finance and Accounts Committee, B. W. Vetter, to present the report of his Committee, concerning the Colorado Corporation.

... Noble Robert Vetter, in behalf of the Finance and Accounts Committee, and with regard to the Hospital Corporation, presented the report for the year 1977, report of revisions to the budget for the year 1978 and the tentative budget for the year 1979, as indicated on the following pages, all of which items were, in accordance with the recommendation of the Committee, by regular motion declared to be unanimously approved...

ANNUAL REPORT OF GEORGE M. SAUNDERS
SECRETARY

Imperial Potentate, Chairman of the Board of Trustees, Officers and Members of the Imperial Council, A.A.O.N.M.S., and Shriners Hospitals for Crippled Children.

Chicago, Illinois

GREETINGS:

Your secretary respectfully submits the following detailed statement of the transactions of the Secretary's Office for the fiscal year January 1, 1977 to December 31, 1977 both dates inclusive.

The schedules in the Report of the Imperial Auditor which follow reflect the details of the business transacted during the past year, and in them you will note the continued growth in the work of your Shriners Hospitals for Crippled Children.

It is to be regretted that the continually rising operation cost of our Units exceeds our available operating income. This fact has forced a budget request reduction in order to balance the operation books in income and expense. The cooperation of the Local Boards and management in paring down costs deserves a vote of sincere gratitude. This has all been accomplished without any reduction in quality of care or services rendered.

The work of the Endowments-Wills and Gifts Committee continues to reflect great effort expended in bringing the problem of financial need to the Nobility. This fine Committee under the direction of Imperial Sir Warren Weck, Chairman, deserves the thanks of all for their continued cooperation. The Board of Trustees has always worked on the policy that only the income produced on the funds received from estates, games and most donations would be available for the operating account.

Experience tells us that we are faced with a continued higher rising hospital operation cost, and a continued spiraling inflationary trend. Operation cost for our Burns Unit of 30 beds each is more than five times the cost of operating an orthopedic Unit of 60 beds, and this with only one half the bed capacity. It is all costly work that is constantly increasing in cost in these inflationary times. It is felt that certain minor adjustments may be made in operating costs that will bring us within the appropriations approved and the funds provided by the Board of Directors. We cannot too strongly encourage the interest of all Nobles in these problems. This is a very serious problem that dictates the deep study and consideration of all Nobles in our plans for the future.

THE 100 MILLION DOLLAR CLUB

This program was developed as a program to quickly add to our endowment fund for Shriners Hospitals for Crippled Children additional funds which in accordance with our adopted policy from the very beginning of our charity work, would provide more income to be used in the operation of our hospital program. We have always promised that we would invest such funds received and use for operation of our Units only the income produced by the funds.

This program gives every Noble and his friends the privilege of helping provide the much needed increase in operating fund money to help cover the drastically increasing hospital operating costs that have been experienced in this country in the past years. This coupled with the spiraling inflation that has known no curb, has been our greatest concern of late, and from all reports will continue even greater in the foreseeable future.

The 100 Million Dollar Club idea was slow in getting off the ground because of a lack of communication down to the grass roots level with each Noble. Where we have been able to sell Temple Officers on the idea of getting the Club explanation down to each individual Noble, there has been remarkable success with this program. Only those Temples who have really concerned themselves with this program are having good success. All Nobles must be ever mindful of the need for this.

We are urging all Temples to put forth the extra effort to make their Nobles aware of this 100 Million Dollar Club program at once, and make every effort to get the full story of the program to every Noble. It is assured of success and we strongly urge every Temple Officer to get back of this idea and get the true word to each and every Noble of his Temple.

This is a program that all Temples and Nobles can take great personal pride in making it tremendously successful by their personal efforts.

100 MILLION DOLLAR CLUB

The sincerely dedicated members of the Board of Trustees and the Board of Directors as well as the Board of Governors and the staff members at each Shriners Hospital Unit, deserve the recognition of all Nobles for their personal devotion to this noble cause, the World's Greatest Philanthropy. It is a glorious work.

The several committees under the direction of the Joint Boards contain the names of Nobles who have made great personal contribution to the work that is far beyond the call of duty. I know that I speak for every child either completely cured or materially helped by their visits to our merciful Temples of Baby Smiles, in expressing sincere thanks to each and every one of you.

The many years of past service of these great Hospitals have actually reflected the very soul of the Shrine and made us, in the eyes of the world a great fraternity of Nobles who possess big hearts, filled to overflowing with compassion for crippled children, along with a real desire to prosper the organization to which they belong and with which they work. Our thanks to you as Nobles and may God's richest blessings attend you as we continue into the second hundred years of our great fraternity, and the work of the World's Greatest Philanthropy, Shriners Hospitals for Crippled Children.

Cordially yours in the Faith,

GEORGE M. SAUNDERS

**THE BOARD OF DIRECTORS
SHRINERS HOSPITALS FOR CRIPPLED CHILDREN**

We have examined the combined balance sheets of Shriners Hospitals for Crippled Children as of December 31, 1977 and 1976, and the related combined statements of revenues and changes in fund balance and changes in financial position for the years then ended. Our examinations were made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The Hospitals normally record gains and losses from securities transactions only at the time of disposition. However, as more fully described in Note 1 of Notes to Combined Financial Statements, the Hospitals recognized certain securities losses in 1977 even though the securities had not been sold.

In our opinion, except for the recognition of certain unrealized losses from securities in 1977 as discussed in the preceding paragraph, such financial statements present fairly the combined financial position of Shriners Hospitals for Crippled Children at December 31, 1977 and 1976, and the results of their combined operations and the changes in their combined financial position for the years then ended, in conformity with generally accepted accounting principles applied on a consistent basis.

NOTES TO COMBINED FINANCIAL STATEMENTS

DECEMBER 31, 1977 AND 1976

1. SUMMARY OF ACCOUNTING POLICIES

Combined organizations—The combined financial statements include the accounts of the following Shriners Hospitals for Crippled Children organizations.

Shriners Hospitals for Crippled Children, a Colorado Corporation
Shriners Hospitals for Crippled Children, a Canadian Corporation
The Shriners' Hospital for Crippled Children, a Massachusetts Corporation
Shriners Hospitals for Crippled Children of Texas
Shriners Hospital for Crippled Children of Pennsylvania
Shriners Hospitals for Crippled Children, a Mexican Association
Shriners Hospital for Crippled Children (Quebec) Inc.

All United States corporations are exempt from federal income taxes under Section 501(c)3 of the Internal Revenue Code.

Reclassification—The combined statement of changes in financial position for 1976 has been reclassified to conform to the 1977 presentation.

Gifts and bequests—Assets received by gift or bequest are recorded at estimated market value at date of receipt. The values of bequests in the process of administration are not included in these financial statements. Income earned by estates during administration is treated as a part of the bequest.

Marketable securities—Marketable equity securities are carried at the lower of aggregate cost (or estimated market value at date of receipt) or market determined at the balance sheet date. Other marketable securities are carried at cost (or estimated market value at date of receipt).

Property, plant and equipment—Property, plant and equipment are carried at cost if purchased or at estimated market value at date of receipt if acquired by gift. Depreciation is computed using the straight-line method. When significant assets are retired, or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts, and any resulting gain or loss is reflected in income for the period. The cost of maintenance and repairs is charged to income as incurred, whereas significant renewals and betterments are capitalized and deduction is made for significant retirements resulting from the renewals or betterments.

Deferred charges—In connection with obtaining gifts and bequests the Hospitals sometimes incur legal fees, taxes and other expenses. These costs are deferred and charged against the subsequent receipt of the gift or bequest.

Inventories—Inventories are stated at the lower of cost (first-in, first-out method) or market.

Translation of foreign currencies—Mexican and Canadian currency accounts are translated to U. S. dollars at current or historical rates as appropriate in accordance with Statement of Financial Accounting Standards Number 8. Required gains or losses are reflected in operations for the period.

Pension costs—The Hospitals fund pension costs accrued of its noncontributory pension plans covering substantially all employees.

Gains and losses from securities transactions—Gains and losses from securities transactions are normally recorded only at the time of disposition. However, in connection with the transfer of certain securities between investment management accounts, losses in the amount of \$2,649,148 were recognized during 1977, even though the securities were not actually sold. The recording of these losses had the effect of understating the carrying value of investments and overstating the losses realized on investments by the same amount.

2. FUNDS DESIGNATED AND RESTRICTED FOR INVESTMENT

The Hospitals, under policy established by the Boards of Directors, designate for investment receipts from gifts, bequests and gains from investment sales; generally only the income from the investments is used for operations.

Pending permanent investment receipts from gifts and bequests are designated as funds held for transfer. Since its policy is to retain gifts and bequests for investment purposes, the Hospitals do not generally maintain separate accounting records for funds restricted by outside sources. Management does not believe that the total of funds restricted by outside sources is significant in relation to total investments.

In January, 1977 the Boards of Directors approved a policy whereby gifts or bequests made exclusively for the use of a particular hospital should be transferred to the operating account of that unit and an equal amount transferred from revenues designated for operations to investments.

3. MARKETABLE EQUITY SECURITIES

Marketable equity securities included in non-current assets at December 31, 1977 and 1976, carried at cost (or estimated market value at date of receipt) which exceeded market at each of those dates are summarized as follows:

	1977	1976
Market value	\$379,763,351	\$423,994,392
Cost (carrying value)	377,700,800	374,102,344
Net unrealized gain	<u>\$ 2,062,551</u>	<u>\$ 49,892,048</u>

At December 31, 1977, gross unrealized gains and losses pertaining to the marketable equity securities were \$31,299,832 and \$29,237,281, respectively.

4. DEPRECIATION AND CAPITAL RESERVE FUND

Depreciation, based on rates shown below, was:

	1977	1976	Rates
Buildings and improvements	\$1,275,631	\$1,274,700	2.5 to 3.5 percent
Equipment	774,065	775,023	6.25 to 8.8 percent
Total charged to income	<u>\$2,049,696</u>	<u>\$2,049,723</u>	

The Hospitals fund substantially all depreciation by a cash transfer from operations to the Capital Reserve Fund. Expenditures for property, plant and equipment are made from the Capital Reserve Fund.

In 1977 the Boards of Directors approved a transfer of \$10,000,000 from funds designated for operations to the Capital Reserve Fund. This transfer was made to fund future construction of new hospital units in Chicago and Portland.

Prior to 1968, property, plant and equipment were carried at original cost without depreciation being provided for in the cost of operations. In lieu of depreciation, normal replacements to buildings and equipment were charged to operations. In 1968 and subsequently, depreciation has been charged to the hospitals' operations. Management is of the opinion that failure to record depreciation and the charging of replacements to operations prior to 1968 has no significant effect on the financial statements.

5. TRANSACTIONS WITH THE IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA

The Shriners Hospitals for Crippled Children organizations were founded by the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America (Imperial Council). Hospital assessments, donations and other receipts are collected and remitted to the Hospitals by the Imperial Council.

SHRINERS HOSPITALS

The Hospitals pay rent for the use of the National Headquarters Building owned by the Imperial Council in the amount of \$50,000 annually. In addition the Hospitals bear a substantial portion of the operating costs of the building. The Hospitals and the Imperial Council also prorate salaries and other costs based on the estimated value received by each organization.

Amounts of \$618,636 and \$492,955 were due from the Imperial Council as of December 31, 1977 and 1976, respectively, representing the net amount of collections due the Hospitals after deducting unpaid rents and other costs.

6. RETIREMENT PLANS

The employees of U. S. hospitals are included in the Shriners Hospitals for Crippled Children Revised Retirement Plan. Total aggregate contributions to the Plan included in expense for the years ended December 31, 1977 and 1976 amounted to \$1,054,470 and \$964,526, respectively. As of June 30, 1977, excluding the 1977 contribution, the market value of the retirement plan assets exceeded the accrued liability for employees' vested benefits.

Canadian hospital employees are included in provincial government retirement programs and have received annuities for vested benefits earned in the Shriners Hospitals for Crippled Children Revised Retirement Plan for Canadian employees which has been terminated.

Employees of the Mexico City unit are included in the Shriners Hospitals for Crippled Children Retirement Plan for Mexico City Employees.

7. WINNIPEG UNIT

The Boards of Directors and Trustees of Shriners Hospitals for Crippled Children were directed by the membership at the 1976 annual meeting to arrange for the termination of the operations of the Winnipeg unit. Effective August 12, 1977 the unit's property, plant and equipment and certain operating assets and liabilities were transferred to the Manitoba Health Services Commission (MHSC). In return, MHSC and Shriners Hospitals for Crippled Children terminated their operating agreement. The unit's operations from January 1, 1977 to August 12, 1977 are included in orthopedic hospital expense in the accompanying financial statements. The costs of closing the Winnipeg hospital unit of \$1,199,009 in the accompanying combined statement of revenues and changes in fund balance represent the book value of the net assets transferred to MHSC.

8. OTHER LIABILITIES

Other liabilities at December 31, 1977 and 1976 include annuities payable of \$415,170 and \$303,453, respectively, under certain deferred compensation agreements with staff doctors. An asset equal to the liability is included in mortgages, real estate, and miscellaneous assets in the investments category of the accompanying combined balance sheet.

Included in other liabilities at December 31, 1977 is \$1,014,272 of annuities payable to beneficiaries of various donors under certain agreements whereby the Hospitals are required to pay specified annual amounts to these beneficiaries during their lifetime.

ACCOUNTANTS' OPINION ON SUPPLEMENTARY INFORMATION

Our examinations of the basic financial statements presented in the preceding section of this report were made primarily to form an opinion on such financial statements taken as a whole. Supplementary information, contained in the following pages, is not considered essential for the fair presentation of the combined financial position of Shriners Hospitals for Crippled Children or the results of their combined operations or the changes in their combined financial position in conformity with generally accepted accounting principles. However, the following data were subjected to the audit procedures applied in the examination of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

REPORT OF THE FINANCE AND ACCOUNTS COMMITTEE
COVERING COMBINED BUDGETS OF
HOSPITAL CORPORATIONS FOR YEAR 1977

Imperial Potentate, Fred R. Morrison, Chairman of the Board of Trustees, Officers and Members of the Imperial Council A.A.O.N.M.S., and Shriners Hospitals for Crippled Children:

We submit for your approval, the Departures and Adjustments to the Hospital Corporations' Budget for the Year ended December 31, 1977:

OPERATIONS

As reported at the Imperial Council Session in New York City, receipts for operations were estimated at \$40,195,000. This estimate was increased by \$2,697,550 during the year, thereby increasing budget to \$42,892,550. Actual receipts amounted to \$45,864,392, or a net increase over revised estimate of \$2,971,842.

Operating and non-operating expenditures for 1977 were budgeted at \$40,140,000, and approved by the Imperial Council's representatives in New York City. Subsequently, the Board of Trustees, with the approval of the Board of Directors, made a number of transfers from one appropriation to another and reduced the original budget by a net figure of \$1,695,000, being the cancellation of a contingency which did not materialize, and the additional appropriation of \$5,000.00 for the recruitment of a Business Development Officer.

Actual expenditures for the year amounted to \$38,065,223, being \$379,777 less than appropriated by the Final Budget.

We list below the locations of all transfers approved by the Board of Directors, setting forth the adjusted budget, which is followed by Actual Income and Expenditures, thereby reflecting a net increase or decrease of Actual Expenditures as applied against the Revised Budget:
